FAILING OUR FATHERS

CONFRONTING THE CRISIS OF ECONOMICALLY VULNERABLE NONRESIDENT FATHERS

Oxford University Press, USA Maligned as "deadbeat dads" or sexually and financially irresponsible inner-city fathers and overlooked in discussions of poverty and family policy, economically vulnerable nonresident fathers are a greatly misunderstood population. Failing Our Fathers summarizes the most recent quantitative and qualitative research, and undertakes new analyses to fill in important gaps, to produce a comprehensive picture of who these fathers are, what types of relationships they have with their families and children, and the challenges they face meeting what their loved ones and taxpayers expect from them. The great majority of these men see their children on a regular basis, despite the financial, legal, and extra-legal barriers they face. Besides requiring fathers to support their children, we must enable them to do so by supplementing their earnings and supporting their co-parenting, in ways that parallel how we require and enable vulnerable single mothers to support their children. The book lays out specific reforms required to achieve this goal as well as tips for those resources for economically vulnerable nonresident fathers.

FATHERS WHO FAIL

SHAME AND PSYCHOPATHOLOGY IN THE FAMILY SYSTEM

Routledge Despite the burgeoning literature on the role of the father in child development and on fathering as a developmental stage, surprisingly little has been written about the psychiatrically impaired father. In Fathers Who Fail, Melvin Lansky remedies this glaring lacuna in the literature. Drawing on contemporary psychoanalysis, family systems theory, and the sociology of conflict, he delineates the spectrum of psychopathological predicaments that undermine the ability of the father to be a father. Out of his sensitive integration of the intrapsychic and intrafamilial contexts of paternal failure emerges a richly textured portrait of psychiatrically impaired fathers, of fathers who fail. Lansky's probing discussion of narcissistic equilibrium in the family system enables him to chart the natural history common to the symptomatic impulsive actions of impaired fathers. He then considers specific manifestations of paternal dysfunction within this shared framework of heightened familial conflict and the failure of intrafamilial defenses to common shame. Domestic violence, suicide, the intensification of trauma, posttraumatic nightmares, catastrophic reactions in organic brain syndrome, and the murder of a spouse are among the major "symptoms" that he explores. In each instance, Lansky carefully sketches the progression of vulnerability and turbulence from the father's personality, to the family system, and thence to the symptomatic eruption in question. In his concluding chapter, he comments tellingly on the unconscious obstacles - on the part of both patients and therapists - to treating impaired fathers. The obstacles cut across different clinical modalities, underscoring the need for multimodal responses to fathers who fail.

BECAUSE OF OUR FATHERS

TWENTY-THREE CATHOLICS TELL HOW THEIR FATHERS LED THEM TO CHRIST

Ignatius Press A father has a crucial role and responsibility as the spiritual leader of his family. Many problems in the Church and culture today can be traced back to fathers neglecting this responsibility, and failing to realize that their children's relationship with God depends predominantly on their example. The man as the spiritual head of the household is not an outdated Biblical cliché, but rather a spiritual, biological, and sociological truth that modern man has forgotten. The results have been cataclysmic for our modern culture and Church. Because of Our Fathers makes the compelling case for a father's essential and primary role in the spiritual lives of his children in three ways: 1) Presenting clear Church teaching on parenting and fatherhood 2) Presenting strong evidence from studies on the crucial role of the father 3) Testimonies of twenty Catholic men and women whose fathers inspired them to love Christ and his Church. These powerful testimonies will inspire men to consider more carefully the amazing privilege and gift that God has given them to be living examples of the love and faithfulness of our Father in Heaven. Among those telling stories about their fathers are well-known Catholic leaders such as Patrick Madrid, Abby Johnson, Bishop Joseph Strickland, Fr. Paul Scalia, Jesse Romero, Fr. Rocky, Anthony Esolen, Christopher Check, and Fr. Gerald Murray. The other contributors give additional powerful testimonies of their fathers' influence that led them to the Catholic Church. Our families, culture and Church will continue to suffer, says Tyler Rowley, until an authentic Catholic fatherhood is restored among the faithful. Speaking directly to Catholic men today, Rowley uses the moving stories of these twenty fathers to inspire them to educate their children in the faith, and not allow our modern culture to replace their Christian identity.

BECAUSE OUR FATHERS LIED

A MEMOIR OF TRUTH AND FAMILY, FROM VIETNAM TO TODAY

Little, Brown This unforgettable father and son story confronts the legacy of the Vietnam War across two generations; "an important book that should be read by every American" (Ron Kovic, Vietnam Veteran and author of Born on the Fourth of July). Craig McNamara came of age in the political tumult and upheaval of the late 60s. While Craig McNamara would grow up to take part in anti-war demonstrations, his father, Robert McNamara, served as John F. Kennedy's Secretary of Defense and the architect of the Vietnam War. This searching and revealing memoir offers an intimate picture of one father and son at pivotal periods in American history. Because Our Fathers Lied is more than a family story—it is a story about America. Before Robert McNamara joined Kennedy's cabinet, he was an executive who helped turn around Ford Motor Company. Known for his tremendous competence and professionalism, McNamara came to symbolize "the best and the brightest." Craig, his youngest child and only son, struggled in his father's shadow. When he ultimately fails his draft board physical, Craig decides to travel by motorcycle across Central and South America, learning more about the art of agriculture and making what he defines as an honest living. By the book's conclusion, Craig McNamara is farming walnuts in Northern California and coming to terms with his father's legacy. Because Our Fathers Lied tells the story of the war from the perspective of a single, unforgettable American family.

FLAGS OF OUR FATHERS

Bantam #1 NEW YORK TIMES BESTSELLER • This is the true story behind the immortal photograph that has come to symbolize the courage and indomitable will of America In this unforgettable chronicle of perhaps the most famous moment in American military history, James Bradley has captured the glory, the triumph, the heartbreak, and the legacy of the six men who raised the flag at Iwo Jima. Here is the true story behind the immortal photograph that has come to symbolize the courage and indomitable will of America. In February 1945, American Marines plunged into the surf at Iwo Jima—and into history. Through a hail of machine-gun and mortar fire that left the beaches strewn with comrades, they battled to the island's highest peak. And after climbing through a landscape of hell itself, they raised a flag. Now the son of one of the flagraisers has written a powerful account of six very different young men who came together in a moment that will live forever. To his family, John Bradley never spoke of the photograph or the war. But after his death at age seventy, his family discovered closed boxes of letters and photos. In Flags of Our Fathers, James Bradley draws on those documents to retrace the lives of his father and the men of Easy Company. Following these men's paths to Iwo Jima, James Bradley has written a classic story of the heroic battle for the Pacific's most crucial island—an island riddled with Japanese tunnels and 22,000 fanatic defenders who would fight to the last man. But perhaps the most interesting part of the story is what happened after the victory. The men in the photo—three were killed during the battle—were proclaimed heroes and flown home, to become reluctant symbols. For two of them, the adulation was shattering. Only James Bradley's father truly survived, displaying no copy of the famous photograph in his home, telling his son only: "The real heroes of Iwo Jima were the guys who didn't come back. " Few books ever have captured the complexity and furor of war and its aftermath as well as Flags of Our Fathers. A penetrating, epic look at a generation at war, this is history told with keen insight, enormous honesty, and the passion of a son paying homage to his father. It is the story of the difference between truth and myth, the meaning of being a hero, and the essence of the human experience of war.

WISDOM OF OUR FATHERS

LESSONS AND LETTERS FROM DAUGHTERS AND SONS

Random House What does it really mean to be a good father? What did your father tell you, that has stayed with you throughout your life? Was there a lesson from him, a story, or a moment that helped to make you who you are? Is there a special memory that makes you smile when you least expect it? After the publication of Tim Russert's number one New York Times bestseller about his father, *Big Russ & Me*, he received an avalanche of letters from daughters and sons who wanted to tell him about their own fathers, most of whom were not superdads or heroes but ordinary men who were remembered and cherished for some of their best moments—of advice, tenderness, strength, honor, discipline, and occasional eccentricity. Most of these daughters and sons were eager to express the gratitude they had carried with them through the years. Others wanted to share lessons and memories and, most important, pass them down to their own children. This book is for all fathers, young or old, who can learn from the men in these pages how to get it right, and to understand that sometimes it is the little gestures that can make the big difference for your child. For some in this book, the appreciation came later than they would have liked. But as *Wisdom of Our Fathers* reminds us, it is never too late to embrace it. From the father who coached his daughter in sports (and life), attending every meet, game, performance, and tournament, to the daughter who, after a fifteen-year estrangement, learned to make peace with her difficult father just before he died, to the son who came, at last, to appreciate the silent way his father could show affection, *Wisdom of Our Fathers* shares rewarding lessons, immeasurable gifts, and lasting values. Heartfelt, humorous, engaging, irresistibly readable, and bound to bring back memories of unforgettable moments with our own fathers, Tim Russert's new book is not only a fitting companion to his own marvelous memoir, but also a celebration of the positive qualities passed down from generation to generation.

OUR FATHERS

THE SECRET LIFE OF THE CATHOLIC CHURCH IN AN AGE OF SCANDAL

Broadway An examination of the pedophile scandals that have rocked the Catholic Church assesses the implications of the crisis, explaining why the Church knowingly covered up decades of abuse and discussing how it has responded.

FINDING OUR FATHERS

HOW A MAN'S LIFE IS SHAPED BY HIS RELATIONSHIP WITH HIS FATHER

Fawcett Looks at how mens' behavior and sense of identity is influenced by their fathers, explains how fatherhood has changed, and describes the problems men must overcome in order to come to terms with their new role as father

THE LAWS OF OUR FATHERS

A NOVEL

Farrar, Straus and Giroux A drive-by shooting of an aging white woman at a gang-plagued Kindle County housing project sets in motion Scott Turow's intensely absorbing novel. With its riveting suspense and idelibly drawn characters, *The Laws of our Fathers* shows why Turow is not only the master of the modern legal thriller but also one of America's most engaging and satisfying novelists.

OUR FATHERS

Europa Editions Set on a remote Scottish island, this “piercing, vivid, and humane story depict[s] the long aftermath of extreme domestic violence” (*Kirkus Reviews*). Nobody knows why John Baird, a quiet family man, took it into his head one day to pick up a shotgun and murder his wife and children. On the Scottish island of Litta, violent crime is unheard of, and the killings send shockwaves through this tiny community in which the Bairds were well-known and liked. Tommy, the only survivor of the terrible crime, has come back to Litta many years later. Faced with this reminder of the horrors that took place amongst them, the community must ask themselves again if anyone can truly know their neighbors. What drives a man to murder his own family? And to what extent is Tommy his father's son? With unflinching candor and powerful prose, *Our Fathers* interrogates the damaging legacy of toxic masculinity, and reveals how family can both wound us and help us heal.

FINISH THE JOURNEY

A MAN'S GUIDE THROUGH DIVORCE

iUniverse Don't live through divorce by yourself, because you're not alone. Over 1,000,000 people divorce annually in the United States. This leaves approximately 500,000 men each year searching for answers and guidance. The author is a regular middle-class guy who chose to do something positive with his divorce; to turn tragedy into triumph. Now every man can benefit from Joe's nearly two years of research, his interviews with over two hundred men, and his own personal experience. Men are often banished by the stereotype of being insensitive womanizers. Nothing could be further from the truth. Men are emotional, men are sensitive, and men are affected by divorce in ways that are traumatic to our very heart, mind, and soul. This book specifically details: Understanding what went wrong Healthy ways to accept responsibility without beating yourself up Advice to help the children adjust while becoming a great single parent Strategies to make it through the dark days of emotional depression Re-entering the dating world in a way that best fits each individual And so much more Take the time to live and learn from your divorce so you can embrace the far better life that awaits you!

ABBA

EXPERIENCE GOD AS FATHER AND REDEEM YOUR FAILURE, HURT, AND PAIN

Charisma Media Your brokenness is the key to knowing God as Father. God has an identity. He does not want to be known as a higher power or confined to our limited understanding and judgment of Him. Those who want to know the name of God—and most importantly want to know God as He desires to be known—can discover him as Abba. Matthew L. Stevenson III captures all the teachings of Jesus that demonstrated the Father. This book also highlights how aggressively Satan distorts the father role to fracture people's lives in the areas of: • Identity • Security • Failures • Confidence Abba addresses the key to a more fulfilling worship life as well as understanding God's heart toward the fatherless. A revelation of the father heart of God is needed more now than ever.

THE FATHERS

Pickle Partners Publishing *The Fathers* is the powerful novel by the poet and critic recognized as one of the great men of letters of our time, Alan Tate. Old Major Buchan of Pleasant Hill, Fairfax County, Virginia, lived by a gentlemen's agreement to ignore what was base or rude, to live a life which was gentle and comfortable because it was formal. Into this life George Posey came dashing, as Henry Steele Commager observed, “to defy Major Buchan, marry Susan, betray Charles and Semmes, dazzle young Lacy, challenge and destroy the old order of things.” “Great novel of the broken South.”—George Steiner in *The New Yorker* “A psychological horror story...concerned with life rather than death, with significance rather than with futility.”—Henry Steele Commager “The story displays so much imagination and such a profound reflection upon life that it cannot be neglected by anyone interested in contemporary literature.”—Edwin Muir “A masterpiece of formal beauty...deserves to be recognized as one of the most outstanding novels of our time.”—Janet Adam-Smith in *The New Statesmen* “It is one of the most remarkable novels of our time...[It] is in fact the novel *GONE WITH THE WIND* ought to have been.”—Arthur Mizener

BEHIND FROM THE START

HOW AMERICA'S WAR ON THE POOR IS HARMING OUR MOST VULNERABLE CHILDREN

Oxford University Press Today there are nearly six million children under the age of five living in poverty in the world's richest country. Blanket statements are often tossed around in the political arena, public debate sphere, and progressive rhetoric. But the statistic remains intangible for many Americans, likely because the root causes, effects, and implications are multifaceted and complex, and are often hard to understand for the average American living a much different reality. What is needed is a clear and thorough discussion of this epidemic, and *Behind from the Start* answers that call. Author Lenette Azzi-Lessing examines what lies behind the stubbornly high rate of poverty among young children in the U.S. and the resulting consequences, both for the children themselves and for America as a whole. *Behind from the Start* examines the link between America's shaming, blaming, and marginalizing of poor parents, and our punitive welfare policies that jeopardize the life chances of vulnerable young children, thereby maintaining the cycle of chronic poverty. Research has shown that the experience of poverty in the first years of life is particularly harmful, blunting physical and brain development, increasing the risk for chronic health issues and injury, and limiting a person's lifelong capacity for learning and success. In debunking the myths that help perpetuate the cycle of poverty in the world's richest country, Lenette Azzi-Lessing reveals how negative public and political discourse regarding poor families impacts the poorly conceived and fragmented programs intended to support them, which have in turn failed to meet their aims. She considers the cultural and political forces that contribute to intergenerational poverty in the U.S., the consequences for the millions of young children in families stuck at the bottom of our economy, and the beneficial impacts that would be felt country-wide in fixing some of these persistent problems. Drawing upon knowledge from diverse fields, including neuroscience, media studies, and public policy, as well as the author's experiences on the front lines as a practicing social worker, *Behind from the Start* offers a fresh take on this shameful problem and its solutions.

FORGIVING OUR FATHERS AND MOTHERS

FINDING FREEDOM FROM HURT AND HATE

Thomas Nelson "If our families are to flourish, we will need to learn and practice ways of forgiving those who have had the greatest impact upon us: our mothers and fathers." Do you struggle with the deep pain of a broken relationship with a parent? Leslie Leyland Fields and Dr. Jill Hubbard invite you to walk with them as they explore the following questions: What does the Bible say about forgiveness? Why must we forgive at all? How do we honor those who act dishonorably toward us, especially when those people are as influential as our parents? Can we ever break free from the "sins of our fathers"? What does forgiveness look like in the lives of real parents and children? Does forgiveness mean I have to let an estranged parent back into my life? Is it possible to forgive a parent who has passed away? Through the authors' own compelling personal stories combined with a fresh look at the Scriptures, *Forgiving Our Fathers and Mothers* illustrates and instructs in the practice of authentic forgiveness, leading you away from hate and hurt toward healing, hope, and freedom. "A call to very hard, but very vital, work of the soul." —Dr. Henry Cloud, leadership expert, psychologist, and best-selling author "Forgiving Our Fathers and Mothers is essential reading for anyone who wants to deal with those hurts in a constructive, healing, and God-honoring manner." —Jim Daly, president, Focus on the Family "Leslie Leyland Fields and Jill Hubbard take us into raw, messy stories so we can be transformed by that mysterious and painful grace in the force called forgiveness." —Scot McKnight, Northern Seminary

OUR FATHERS' FIELDS

A SOUTHERN STORY

Univ of South Carolina Press Presents a portrait of South Carolina plantation life from colonial times to the present, with details on farming practices and domestic tasks, focusing on the antebellum South and life after the Civil War

THE FAILURE OF THE FOUNDING FATHERS

JEFFERSON, MARSHALL, AND THE RISE OF PRESIDENTIAL DEMOCRACY

Harvard University Press Based on seven years of archival research, the book describes previously unknown aspects of the electoral college crisis of 1800, presenting a revised understanding of the early days of two great institutions that continue to have a major impact on American history: the plebiscitarian presidency and a Supreme Court that struggles to put the presidency's claims of a popular mandate into constitutional perspective. Through close studies of two Supreme Court cases, Ackerman shows how the court integrated Federalist and Republican themes into the living Constitution of the early republic.

WORLD OF OUR FATHERS

THE JOURNEY OF THE EAST EUROPEAN JEWS TO AMERICA AND THE LIFE THEY FOUND AND MADE

Open Road Media The National Book Award-winning, New York Times–bestselling history of Yiddish-speaking immigrants on the Lower East Side and beyond. In the late nineteenth and early twentieth centuries, two million Jewish immigrants poured into America, leaving places like Warsaw or the Russian shtetls to pass through Ellis Island and start over in the New World. This is a "brilliant" account of their stories (*The New York Times*). Though some moved on to Philadelphia, Chicago, and other points west, many of these new citizens settled in New York City, especially in Manhattan's teeming tenements. Like others before and after, they struggled to hold on to the culture and community they brought from their homelands, all the while striving to escape oppression and find opportunity. They faced poverty and crime, but also experienced the excitement of freedom and previously unimaginable possibilities. Over the course of decades, from the 1880s to the 1920s, they were assimilated into the great melting pot as the Yiddish language slowly gave way to English; work was found in sweatshops; children were sent to both religious and secular schools; and, for the lucky ones, the American dream was attained—if not in the first generation, then by the second or third. Nominated for a National Book Critics Circle Award, *World of Our Fathers* explores the many aspects of this time and place in history, from the political to the cultural. In this compelling American story, Irving Howe addresses everything from the story of socialism, the hardships of the ghetto, and the tragic Triangle Shirtwaist Factory fire that killed scores of garment workers to the "Borscht Belt" resorts of the Catskills in colorful and dramatic detail. Both meticulously researched and lively, it is "a stirring evocation of the adventure and trauma of migration" (*Newsweek*).

OUR FATHERS

Emblem Editions From the author of the incredible debut novel, *Be Near Me*. Finalist for the Man Booker Prize, the International IMPAC Dublin Literary Award, and the Whitbread Award. Hugh Bawn was a modern hero, a visionary urban planner, a man of the people who revolutionized Scotland's residential development after the Second World War. But times have changed. Now, as he lies dying in one of his own failed buildings, his grandson Jamie comes home to watch over him. The old man's final months bring Jamie to see what is best and worst in the past that haunts them all, and he sees the fears of his own life unravel in the land that bred him. It is Jamie who tells the story of his family, of three generations of pride and delusion, of nationality and strong drink, of Catholic faith and the end of political idealism. It is a tale of dark hearts and modern houses, of three men in search of Utopia. A poignant and powerful reclamation of the past, *Our Fathers* is a deeply felt, beautifully crafted, utterly unforgettable novel.

THE IMPORTANCE OF FATHERS IN THE HEALTHY DEVELOPMENT OF CHILDREN

USING STORIES TO BUILD BRIDGES WITH TRAUMATIZED CHILDREN

CREATIVE IDEAS FOR THERAPY, LIFE STORY WORK, DIRECT WORK AND PARENTING

Jessica Kingsley Publishers Using Stories to Build Bridges with Traumatized Children is full of creative ideas for how you can use stories therapeutically with children in counselling, life story work or direct work. Psychologist Kim S. Golding shows how you can use stories to build connections with children aged 4-16 and support their recovery from trauma and stress. She illustrates the techniques with 21 stories adapted from her own clinical work with children and families, and explains how you can expand or adapt them to make them more relevant for a particular child. Advice and stories are arranged into sections dealing with common psychological issues, including looking back and moving on, lack of trust and need for attention. Golding also gives invaluable tips for planning stories and life story work, and for storymaking with children. She also describes how stories can be used therapeutically with parents of traumatized children and as a tool for self-reflection by counsellors. Imaginative and practical, this book will be enormously useful for counsellors, psychologists, therapists and social workers working with traumatized children, and will also be helpful for parents and carers involved in therapeutic parenting.

FATHER, YOU FAILED ME

America Star Books This project is a creative, narrative, and satirical story about discovering yourself as dissatisfied. The main character wakes up in his mid-twenties to an alarming idea of being unaccomplished. His misguided steps and attempts of coming to terms with himself can be summarized as crime waves and youthful angst. The main character, now finding himself as bitter and useless, twists in his despondent recollections. Now all he has is his memories and an absent God, even though in actuality, he tamed the world; but destroyed himself while doing all this in wasted thought processes. And, upon living in an insurgent manner, he lost the only person that ever mattered to him. He lost the girl who had saved him; he gave her away. Now he ages and rots, turning to dust; he'd give anything to restart his love story with her. This is the fragmentation of lust and love in the form of broken bones and teeth, spilled as rants from a ruined tongue.

OUR FATHERS' FOOTSTEPS

STORIES OF WORLD WAR 2 VETERANS' WHAT IF MOMENTS

Our Fathers' Footsteps is about four men during World War II who had one thing in common: Normandy. Using family history, Don Levers tells the stories of their extraordinary circumstances and how they survived "What If?" moments.

FEAR OF OUR FATHER

THE TRUE STORY OF ABUSE, MURDER, AND FAMILY TIES

Penguin Even after a childhood of abuse and fear, Stacey M. Kananen was shocked when her brother, Rickie, admitted his guilt in the cold-blooded murder of their terrifying father, and years later, their helpless mother. But the greatest shock was to come—when he claimed that Stacey had helped him. In 1988, when Rickie and Stacey's father, Richard Kananen Sr., apparently left their home in Orlando, Florida, the family was so relieved that they never reported him missing. Fifteen years later to the day, their mother disappeared. When police became suspicious, Rickie admitted to Stacey that their father's body was under the cement floor of their mother's garage, and their mother was buried in Stacey's own backyard. Overwhelmed by grief and horror, Stacey's brother convinced her that they should commit suicide. After a failed attempt, she woke to discover her brother arrested—along with the realization that he had probably never intended to kill himself at all. But his betrayals were not yet over: On the eve of his trial in 2007, he suddenly claimed Stacey had been in on it, and she found herself charged with murder with a gung ho rookie detective out to put her away no matter what. This is the tragic and triumphant account of one woman's struggle to overcome her past, clear her name in what would become a dramatic public spectacle of a trial, and finally escape the nightmares that had haunted her entire life. SINS OF OUR FATHERS BOOK ONE

GRANT For years I've lived in the shadow of my Father. Raised to obey and take over from him as the biggest crime boss in London. I was told what to do, who to be, and even who to marry, but that's where I drew the line. That's why I need Ava. She will be the perfect wife and my perfect revenge. All I need to do is break her and make her mine. *AVA* For years I have taken care of my Papa. I have given up everything to help him while he drinks and gambles away all we have. Now his life is on the line and I only have one thing left to give, me. Grant doesn't just want to marry me, he wants to change me and make me his perfect obedient wife, but that's where I draw the line. It's then that I meet Ryder, he seems like my light in the darkness, but I'm not sure if he will be the savior I need or just another monster. *RYDER* For years I have followed the instructions of my Dad. He wanted me to join the Blakeman crime family and so I did. I'm on track to go right to the top and get everything I've ever wanted. That's when I meet Ava. The perfect girl, trapped in a dangerous world. She begs me to save her but it would mean destroying everything I've worked towards. Is she worth risking everything for? If I do save her, will she already be too broken? *Author's Note.* This book is a dark romance featuring scenes not suitable for under 18's. It is part of a duet and does end on a cliffhanger. There are trigger scenes which may not be suitable for some people.
