KEY=LENCASTRE - JAMAL KARTER

Filipa de Lencastre a rainha inglesa de Portugal Filipa de Lencastre a rainha que mudou Portugal *'Filipa de Portugal'* morreu de peste negra, tal como a sua mãe, a 15 de Julho de 1415. Com 55 anos. No dia 25 partiam de Lisboa 240 embarcações e um exército de 20 mil homens, entre os quais D. Duarte, o Infante D. Henrique e D. Pedro. A Praça de Ceuta caía cerca de um mês depois. D. Filipa não esperaria outra coisa dos seus filhos... Mulher de uma fé inabalável, conhecida pela sua generosidade, empreendedora e determinada a mudar os usos e costumes de uma corte tão diferente da sua, Filipa de Lencastre deu à luz, aos 29 anos, o primeiro dos seus oito filhos. **Transfert Escola Secundária D. Filipa de Lencastre The Proclaimed List of Certain Blocked Nationals--Supplement 1-4 Aug. 28-Oct. 30, 1942 Federal Register Uma viagem aos bastidores do casamento de D. Filipa de Lencastre e D. João I The Proclaimed List of Certain Blocked Nationals Revision VII, March 23, 1944, Promulgated Pursuant to Proclamation 2497 of the President, of July 17, 1941 The Proclaimed List of Certain Blocked Nationals Royal and Elite Households in Medieval and Early Modern Europe More than Just a Castle BRILL** *The authors bring fresh approaches to the subject of royal and noble households in medieval and early modern Europe with a focus on the nuclear and extended royal family, their household attendants, noblemen and noblewomen as courtiers, and physicians.* **A rainha inglesa de Portugal Filipa de Lencastre A suposta mancebia de D. Joao I e D. Filipa de Lencastre Liceu de D. Filipa de Lencastre sessão de homenagem a Afonso Lopes Vieira Inclita geração Isabel de Borgonha, a filha de D. Filipa de Lencastre, que levou Portugal ao mundo The Rough Guide to Portugal** *Rough Guides Now in its 9th edition, this guide just keeps getting better. The Rough Guide to Portugal features exhaustive listings on all ranges of accommodation, from basic pensiones to luxury hotels, and up-to-date facts on sightseeing, shopping, day trips, dining, and more. As always, we also give you the inside scoop on secluded beaches, fado joints, and port-tasting sessions on the banks of the Porto.* **Gendering the Portuguese-Speaking World From the Middle Ages to the Present BRILL** *This book addresses the long-term cultural and social environment of sex definition in different continents. The impact on gender of Portuguese expansion is confronted to local agency and indigenous responses. Historical, literary and anthropological approaches highlight colonial and postcolonial gender fluidity.* **Girls' Secondary Education in the Western World From the 18th to the 20th Century Springer** *The collection's focus is on girls' secondary education, and hence the gendered cultural expectations of the middle classes and upper classes, will provide the dominant narrative, given the relatively recent democratization of European educational systems.* **John Gower in England and Iberia Manuscripts, Influences, Reception Boydell & Brewer Ltd** *Essays shedding fresh and significant light on Gower's poetry, major and minor, as it was received, read, and re-produced in England and in Iberia from the fourteenth to the twentieth centuries.* **The Rehabilitation of Historic Schools in Portugal Changes in Cultural Values Cambridge Scholars Publishing** *This book examines the material and immaterial values that are used and perceived in heritage educational environments that have been adapted to 21st century education needs. Offering an approach to architectural conservation practice focused on the design and implementation processes, it provides a post-occupation evaluation of the effects of such physical actions on historic learning environments and their values. A comprehensive study of architectural conservation and Theory of Change (ToC) is supported by an extensive literature review and personal insights from the author's everyday practice. Using a selection of recently rehabilitated historic secondary schools in Portugal (liceus), the text presents insights into their existing cultural significance, identifying the design strategies applied and assessing the short-term effects of design decisions on the cultural values. It demonstrates that, whilst design strategies were less concerned with social values, material cultural values were generally considered and preserved, contributing to the enhancement of intangible values. The implications of this research highlight the importance of evaluating actual effects in cultural heritage theory, architectural conservation practice and heritage management policy. Following worldwide investment in the rehabilitation of schools, the interest in this topic has grown among architectural heritage academics and practitioners, who seek to better understand and approach these learning environments in order to achieve better outcomes. The book will also be of interest to public policy makers, given its emphasis on the importance of stakeholder engagement in the conservation process and in the sustainability of re-using existing buildings. Furthermore, it will capture the attention of schools' stakeholders, including students, parents, teachers, non-teaching staff, alumni and the local community, for whom the school environment is a collective, shared memory.* **CityTrip Porto (English Edition) Travel guide with maps and walks** *Reise Know-How Verlag Peter Rump* Northern Portugal's largest city lies right by the Douro River and the Atlantic Ocean: an ideal way to enjoy both the beach and the culture, have fish and seafood, and taste port wines in several different wineries of Vila Nova de Gaia. (see below) **Fernando Pessoa mensagem : história, mito, metáfora Arte & Ciência Queenship in the Mediterranean Negotiating the Role of the Queen in the Medieval and Early Modern Eras Springer** *This groundbreaking collection explores the key roles that Mediterranean queens played as wives, as mothers, and above all as political actors. Ranging from Byzantine empresses to regnants and consorts in the Italian peninsula, they offer a bracing new perspective on queenship in the medieval and Early Modern eras.* **Virtuous or Villainess? The Image of the Royal Mother from the Early Medieval to the Early Modern Era Springer** *This collection addresses royal motherhood across Europe, from both the medieval and Early Modern periods, including (in)famous and not-so-famous royal mothers. The essays in this collection reveal the complexities and the subtleties inherent in the role of royal mothers and challenges these traditional stereotypes. The volume provides a fresh re-evaluation of these women, from those who have been given an almost saintly status to those who struggled against contemporary chronicles and propaganda that perpetuated the stereotypes associated with 'bad mothers'- these particular images of saintliness and wickedness have persisted right into the modern era. This series of intriguing case studies reveals how royal mothers were perceived by their contemporaries and explores the motivation for the ways in which they are depicted in modern popular culture. Taken together with the companion volume, Royal Mothers and their Ruling Children, this collection sheds new light on the important and challenging role of mothers within the framework of monarchy and at the epicenter of power.* **Basic Portuguese A Grammar and Workbook Routledge** *Basic Portuguese: A Grammar and Workbook comprises an accessible reference grammar and related exercises in a single volume. Twenty units cover the core material which students can expect to encounter in their first year of learning Portuguese. Grammar points are followed by examples and exercises which allow students to reinforce and consolidate their learning. Clearly presented and user-friendly, Basic Portuguese provides readers with a thorough grounding in the fundamentals of Portuguese grammar.* **Atlantic Poets Fernando Pessoa's Turn in Anglo-American Modernism UPNE** *An important new reading of Portugal's greatest poet.* **Queens, Princesses and Mendicants Close Relations in a European Perspective LIT Verlag Münster** *The decades between ca 1280 and ca 1380 were marked by a striking affinity to the Mendicant orders on the part of many female members of royal and princely courts. And yet, "Queens, Princesses and Mendicants" is both an innovative and comparatively neglected juxtaposition in medieval studies, for historical research has generally tended to neglect the relationship between Mendicants and aristocratic women. This volume unites twelve articles written by experts from seven European countries. The contributions cover a wide array of medieval European kingdoms in order to facilitate direct comparisons. Was affinity towards the Mendicants a prevalent phenomenon in the late Middle Ages? Can one even term "philomendicantism" a late medieval European movement? The collection of essays provides answers to these and other questions within the field of gender, religious and cultural history.* **Plantagenet Ancestry: A Study In Colonial And Medieval Families, 2nd Edition, 2011 Douglas Richardson** **Statutory Rules and Orders for the Year ... Stone Fidelity Marriage and Emotion in Medieval Tomb Sculpture Boydell & Brewer** *Medieval tombs often depict husband and wife lying side-by-side: demonstrating, as in the words of Philip Larkin's poem An Arundel Tomb, their "stone fidelity". This is the first book to address the phenomenon of the "double tomb", drawing the rich history of tomb sculpture into dialogue with discourses of power, marriage, gender and emotion, and placing them in the context of ecclesiastical material culture of the time more broadly. It offers new interpretations of some of the most famous medieval monuments, such as those found in Westminster Abbey and Canterbury Cathedral, as well as drawing attention to a host of lesser-known memorials from throughout Europe. In turn, these monuments provide a vantage point from which to reconsider the culture of medieval marriage, from wedding rings and dresses, to the sacramental symbolism of matrimony, and embodied ritual practices. Whilst it is tempting to read these sculptures as straightforward expressions of romantic feeling, the author argues that a closer look reveals the artifice behind the emotion: the artistic, religious, political and legal agenda underlying the rhetoric of married love.* **Consensus and Debate in Salazar's Portugal Visual and Literary Negotiations of the National Text, 1933-1948 Penn State Press** *Ellen Sapega's study documents artistic responses to images of the Portuguese nation promoted by Portugal's Office of State Propaganda under António de Oliveira Salazar. Combining archival research with current theories informing the areas of memory studies, visual culture, women's autobiography, and postcolonial studies, the author follows the trajectory of three well-known cultural figures working in Portugal and its colonies during the 1930s and 1940s. The book begins with an analysis of official Salazarist culture as manifested in two state-sponsored commemorative events: the 1938 contest to discover the "Most Portuguese Village in Portugal" and the 1940 Exposition of the Portuguese-Speaking World. While these events fulfilled their role as state propaganda, presenting a patriotic and unambiguous view of Portugal's past and present, other cultural projects of the day pointed to contradictions inherent in the nation's social fabric. In their responses to the challenging conditions faced by writers and artists during this period and the government's relentless promotion of an increasingly conservative and traditionalist image of Portugal, José de Almada Negreiros, Irene Lisboa, and Baltasar Lopes subtly proposed revisions and alternatives to official views of Portuguese experience. These authors questioned and rewrote the metaphors of collective Portuguese and Lusophone identity employed by the ideologues of Salazar's Estado Novo regime to ensure and administer the consent of the national populace. It is evident, today, that their efforts resulted in the creation of vital, enduring texts and cultural artifacts.* **The Rough Guide to Portugal** *Rough Guides UK* *The Rough Guide to Portugal is the essential travel guide with clear maps and coverage of the country's unique attractions.
