Inside Out & Back Again

Univ. of Queensland Press **Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.**

Kindred

Beacon Press **The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.**

Americans have built an empire on the idea of “race,” a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates’s attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children’s lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Jasper Jones

Knopf Books for Young Readers **A 2012 Michael L. Printz Honor Book** **Charlie Bucktin, a bookish thirteen year old, is startled one summer night by an urgent knock on his bedroom window. His visitor is Jasper Jones, an outcast in their small mining town, and he has come to ask for Charlie's help. Terribly afraid but desperate to impress, Charlie follows him into the night. Jasper takes him to his secret glade, where Charlie witnesses Jasper's horrible discovery. With his secret like a brick in his belly, Charlie is pushed and pulled by a town closing in on itself in fear and suspicion. He locks horns with his tempestuous mother, falls nervously in love, and battles to keep a lid on his zealous best friend. In the simmering summer where everything changes, Charlie learns why the truth of things is so hard to know, and even harder to hold in his heart.**

Godric A Novel

Harper Collins **Frederick Buechner's Godric "retells the life of Godric of Finchale, a twelfth-century English holy man whose projects late in life included that of purifying his moral ambition of pride...Sin, spiritual yearning, rebirth, fierce asceticism--these hagiographic staples aren't easy to revitalize but Frederick Buechner goes at the task with intelligent intensity and a fine readiness to invent what history doesn't supply. He contrives a style of speech for his narrator--Godric himself--that's brisk and tough-sinewed...He avoids metaphysical fiddle, embedding his narrative in domestic reality--familiar affection, responsibilities, disasters...All on his own, Mr. Buechner has managed to reinvent projects of self-purification and of faith as piquant matter for contemporary fiction [in a book] notable for literary finish...Frederick Buechner is a very good writer indeed." -- Benjamin DeMott, The New York Times Book Review "From the book's opening sentence...and sensible reader will be caught in Godric's grip...Godric glimmers brightly." -- Peter S. Prescott, Newsweek "Godric is**

a memorable book...a marvelous gem of a book...destined to become a classic of its kind." -- Michael Heskett, Houston Chronicle "In the extraordinary figure of Godric, both stubborn outsider and true child of God, both worldly and unworldly, Frederick Buechner has found an ideal means of exploring the nature of spirituality. Godric is a living battleground where God fights it out with the world, the Flesh, and the Devil." -- London Times Literary Supplement "Wityh a poet's sensibly and a high reverent fancy, Frederick Buechner paints a memorable portrait." -- Edmund Fuller, The Wall Street Journal

The New Digital Shoreline

How Web 2.0 and Millennials Are Revolutionizing Higher Education

Stylus Publishing, LLC. Two seismic forces beyond our control - the advent of Web 2.0 and the inexorable influx of tech-savvy Millennials on campus - are shaping what Roger McHaney calls "The New Digital Shoreline" of higher education. Failure to chart its contours, and adapt, poses a major threat to higher education as we know it. These forces demand that we as educators reconsider the learning theories, pedagogies, and practices on which we have depended, and modify our interactions with students and peers—all without sacrificing good teaching, or lowering standards, to improve student outcomes. Achieving these goals requires understanding how the indigenous population of this new shoreline is different. These students aren't necessarily smarter or technologically superior, but they do have different expectations. Their approaches to learning are shaped by social networking and other forms of convenient, computer-enabled and mobile communication devices; by instant access to an over-abundance of information; by technologies that have conferred the ability to personalize and customize their world to a degree never seen before; and by time-shifting and time-slicing. As well as understanding students' assumptions and expectations, we have no option but to familiarize ourselves with the characteristics and applications of Web 2.0—essentially a new mind set about how to use Internet technologies around the concepts of social computing, social media, content sharing, filtering, and user experience. Roger McHaney not only deftly analyzes how Web 2.0 is shaping the

attitudes and motivations of today's students, but guides us through the topography of existing and emerging digital media, environments, applications, platforms and devices - not least the impact of e-readers and tablets on the future of the textbook - and the potential they have for disrupting teacher-student relationships; and, if appropriately used, for engaging students in their learning. This book argues for nothing less than a reinvention of higher education to meet these new realities. Just adding technology to our teaching practices will not suffice. McHaney calls for a complete rethinking of our practice of teaching to meet the needs of this emerging world and envisioning ourselves as connected, co-learners with our students.

The Cambridge Magazine

The Art of Discussion-Based Teaching

Opening Up Conversation in the Classroom

Routledge **Opening Up the Conversation** leads practicing and preservice K-12 teachers through the process of creating more open, student-centered discourse in their classrooms. Readers are first introduced to types of teacher questions, student responses, and teacher follow-up moves that are associated with both open and closed discourse. Author John Henning then helps readers identify the most likely places for open and closed classroom discourse by examining an entire unit of instruction and by looking closely at three distinct types of discussions—framing, conceptual, and application. Readers are introduced to specific discourse moves, the patterns of discussion, the amount of preparation, and the types of accountability strategies needed to construct each of these discussions. The final chapter of the book shows readers how to videotape and analyze their classroom interactions in a teacher study group.

Focused on teaching students how to write in the academic setting while introducing them to a number of other writing tools specific to research methods, such as writing literature reviews, abstracts, proposals, and more. The perfect companion for any criminal justice research methods course, this brief text focuses on key topics that will benefit students in their classes and in the field.**

Charleston Conference Proceedings

2004

Libraries Unlimited **The Charleston Conference Proceedings 2004, document what is arguably the most influential and highly thought of conferences in the U.S. library world. Always well attended and managed, the Conference attracts the leading figures of both the library world and the businesses that service libraries, including publishers--both paper and electronic--jobbers and aggregators. Its focus is collection management, but the topic is misleading now that traditional collection management has been expanded to include electronic publications of all sorts. Each year the speakers and topics are outstanding and 2004 was no exception. Indeed, the Conference seems to get better each year. The theme of the 2004 conference, All the World's a Serial provided the focus for a wide variety of papers and presentations in collection development, Journals, The Book, Technology, Personell Issues, Consortia, Budgeting, and Books on the Internet. The Charleston Conference is arguably one of the most influential and highly regarded conferences in the U.S. library world. Essays on Moral Responsibility

Oxford University Press **This is a selection of essays on moral responsibility that represent the major components of John Martin Fischer's overall approach to freedom of the will and moral responsibility. The collection exhibits the overall structure of Fischer's view and shows how the various elements fit together to form a comprehensive framework for analyzing free will and moral responsibility. The topics include deliberation and practical reasoning, freedom of the will, freedom of action, various notions of control, and moral accountability. The essays seek to provide a foundation for our practices of holding each other (and ourselves) morally and legally accountable for our behavior. A crucial move is the distinction between two kinds of control. According to Fischer, "regulative control" involves freedom to choose and do otherwise ("alternative possibilities"), whereas "guidance control" does not. Fischer contends that guidance control is all the freedom we need to be morally responsible agents. Further, he contends that such control is fully compatible with causal determinism. Additionally, Fischer argues that we do not need genuine access to alternative possibilities in order for there to be a legitimate point to practical reasoning. Fischer's overall framework contains an argument for the contention that guidance control, and not regulative control, is associated with moral responsibility, a sketch of a comprehensive theory of moral responsibility (that ties together responsibility for actions, omissions, consequences, and character), and an account of the value of moral responsibility. On this account, the value of exhibiting freedom (of the relevant sort) and thus being morally responsible for one's behavior is a species of the value of artistic self-expression.**

Dear Current Occupant

Book Thug Literary Nonfiction. From Vancouver-based writer Chelene Knight, **DEAR CURRENT OCCUPANT** is a creative nonfiction memoir about home and belonging set in the 80s and 90s of Vancouver's Downtown Eastside. Using a variety of forms including letters, essays and poems, Knight reflects on her childhood through a series of letters addressed to all of the current occupants now living in the twenty different houses she moved in and out of with her mother and brother. From blurry and fragmented non-chronological memories of trying to fit in with her own family as the only mixed East Indian/Black child, to crystal clear recollections of parental drug use, Knight draws a vivid portrait of memory that still longs for a place and a home. Peering through windows and doors into intimate, remembered spaces now occupied by strangers, Knight writes to them in order to deconstruct her own past. From the rubble of memory she then builds a real place in order to bring herself back home. "Knight is a poet at heart, somewhat disinclined to follow the dusty rules of prose writing, and we are all richer for it. This memoir is built from shards of pure resilience, expertly pieced together into a compelling--and at times devastating--chronicle of youth, family, and sense of place. From Clark Drive to Commercial and Broadway, **DEAR CURRENT OCCUPANT** is a love song to East Vancouver--it is a map of scars, and as everyone knows, scars make for good storytelling."--Carleigh Baker "I want to thank Chelene Knight for not forcing her memoir into a point 'a' to 'b' narrative. Too often complex and stigmatized stories are dumbed-down, but Knight elevates! She uplifts both her her experiences and the poetic prose and hybrid forms used to share these experiences. **DEAR CURRENT OCCUPANT** will surely become a nuanced creative touchstone that shows us how our stories of survival can and should be told."--Amber Dawn "**DEAR CURRENT OCCUPANT** is an astonishing book: haunting, intimate, and deeply rendered. A lyrical memoir set against the backdrop of Vancouver's gritty East Side, it triumphantly melds together prose, poetry, letters and imagery, to illuminate the pain of un-belonging, the search for a home, and the power of words to heal and transform us. It is a book that boldly takes risks, unafraid and brimming with raw energy, tenderness, and heartbreaking beauty. Chelene Knight emerges as a fierce new voice in Canadian literature, deserving of our full attention."--Ayelet Tsabari
