HIMALAYAN VOICES

AN INTRODUCTION TO MODERN NEPALI LITERATURE

Motilal Banarsidass Publishe **Himalayan Voices** provides admirers of Nepal and lovers of literature with their first glimpse of the vibrant literary scene in Nepal today. An introduction to the two most developed genres of modern Nepali literature-poetry and the short story-this work profiles eleven of Nepal`s most distinguished poets and offers translations of more than eighty poems written from 1916 to 1986. Twenty of the most interesting and best-known examples of the Nepali short story are translated into English for the first time by Michael Hutt. All provide vivid descriptions of Life in twentieth-century Nepal. This book should appeal not only to admires of Nepal, but to all readers with an interest in non-Western literatures.

UNEARTHING GENDER

FOLKSONGS OF NORTH INDIA

Duke University Press Based on anthropological field research, **Unearthing Gender** analyzes folk songs sung primarily by lower caste women in north India while labouring in the fields, at weddings, during travels, and in other settings. Smita Jassal uses these songs to explore how ideas of caste, gender, sexuality, labour, and power may be strengthened, questioned and fine-tuned through music. At the heart of the book is a library of songs, in their original Bhojpuri and in English translation, framed by Jassal's analytic insights into the complexities of gender and power. The power of these songs, Jassal argues, lies in hinting and suggesting themes rather than directly addressing them: women sing what they often cannot talk

about. Women's lives, their feelings, their relationships, and social and familial bonds are persuasively presented in song, and for the ethnographer, the songs provide a safer, more natural language for these women to articulate opinions than the standard ethnographic interview. In this way, the songs offer an entry into the culture and everyday lives that produce them and embody the voices of a marginalized group that has rarely been the focus of systematic analytical inquiry.

POLITICS OF PEOPLE'S WAR AND HUMAN RIGHTS IN NEPAL

THE DIARY OF A YOUNG GIRL

Anchor **THE DEFINITIVE EDITION** • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

THE WISH (A ROALD DAHL SHORT STORY)

Penguin UK The Wish is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale In The Wish, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, an imaginative boy plays a game that quickly gets out of hand . . . The Wish is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the wife who serves a dish that baffles the police; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer) This story is also available as a Penguin digital audio download read by the sublime Stephen Mangan. Roald Dahl, the brilliant and worldwide acclaimed author of

Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

"A" SKETCH OF THE MODERN LANGUAGES OF THE EAST INDIES

THE INDO-ARYAN LANGUAGES

Routledge The Indo-Aryan languages are spoken by at least 700 million people throughout India, Pakistan, Bangladesh, Nepal, Sri Lanka and the Maldives. They have a claim to great antiquity, with the earliest Vedic Sanskrit texts dating to the end of the second millennium B.C. With texts in Old Indo-Aryan, Middle Indo-Aryan and Modern Indo-Aryan, this language family supplies a historical documentation of language change over a longer period than any other subgroup of Indo-European. This volume is divided into two main sections dealing with general matters and individual languages. Each chapter on the individual language covers the

phonology and grammar (morphology and syntax) of the language and its writing system, and gives the historical background and information concerning the geography of the language and the number of its speakers.

THE OVAL PORTRAIT

Lindhardt og Ringhof Perhaps fitting for a horror short story, the devil is in the details in Poe's "The Oval Portrait" (1842). A benighted traveller finds shelter in an abandoned mansion in the Apennine Mountains of Italy. Inside he gets absorbed by a stunning painting and decides to delve into its origins with the help from a book he finds on a pillow. The story revolves around the complex and often tragic relationship between life and art. As per usual Poe can't help himself to play with layers, and most of the story is told as an embedded narrative. The intense emotional and psychological depths of the narrator's infatuation with the portrait and the enticing volume that helps to shed a light on the painting make this short story another fascinating and haunting and Poesque tale which succinctly glorifies the immortality of art. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1845), "The Black Cat" (1843), and "The Gold-Bug" (1843).

THE LANGUAGE REVOLUTION

John Wiley & Sons We are living through the consequences of a linguistic revolution. Dramatic linguistic change has left us at the beginning of a new

era in the evolution of human language, with repercussions for many individual languages. In this book, David Crystal, one of the world's authorities on language, brings together for the first time the three major trends which he argues have fundamentally altered the world's linguistic ecology: first, the emergence of English as the world's first truly global language; second, the crisis facing huge numbers of languages which are currently endangered or dying; and, third, the radical effect on language of the arrival of Internet technology. Examining the interrelationships between these topics, Crystal encounters a vision of a linguistic future which is radically different from what has existed in the past, and which will make us revise many cherished concepts relating to the way we think about and work with languages. Everyone is affected by this linguistic revolution. The Language Revolution will be essential reading for anyone interested in language and communication in the twenty-first century.

MOUNTAINS PAINTED WITH TURMERIC

Columbia University Press Since its publication in the late 1950s, **Mountains Painted with Turmeric** has struck a chord in the hearts of hundreds of thousands of Nepali readers. Set in the hills of far eastern Nepal, the novel offers readers a window into the lives of the people by depicting in subtle detail the stark realities of village life. Carefully translated from the original text, **Mountains Painted with Turmeric** tells the story of a peasant farmer named Dhané (which means, ironically, "wealthy one") who is struggling to provide for his wife and son and arrange the marriage of his beautiful younger sister. Unable to keep up with the financial demands of the "big men" who control his village, Dhané and his family suffer one calamity after another, and a series of quarrels with fellow villagers forces them into exile. In haunting prose, Lil Bahadur Chettri portrays the dukha, or suffering and sorrow, endured by ordinary peasants; the exploitation of the poor by the rich and powerful; and the social conservatism that twists a community into punishing a woman for being the victim of a crime. Chettri describes the impoverishment, dispossession, and banishment of Dhané's family to expose profound divisions between those who prosper and those who are slowly stripped of their meager possessions. Yet he also conveys the warmth and intimacy of village society, from which Dhané and his family are ultimately excluded.

THE TREASURE IN THE FOREST

(H G WELLS MASTERPIECE COLLECTION)

CreateSpace The canoe was now approaching the land. The bay opened out, and a gap in the white surf of the reef marked where the little river ran out to the sea; the thicker and deeper green of the virgin forest showed its course down the distant hill slope. The forest here came close to the beach. Far beyond, dim and almost cloudlike in texture, rose the mountains, like suddenly frozen waves. The sea was still save for an almost imperceptible swell. The sky blazed.

KARNALI BLUES

India Penguin Classics Karnali Blues, by Buddhisagar, is the most widely read Nepali novel to have appeared in the last twenty years. As it recounts the evolution of a father-son relationship—a son's search for approval, a father's small acts of kindness and forgiveness, a son's fears for his father's dignity as his fortunes and faculties begin to fail—the reader is deeply drawn into young Brisha Bahadur's world. His father is kind and idealistic; his mother, though she is kind too, is often frustrated and irascible. The characters in this book are some of the most carefully drawn and authentic in all of

Nepali literature. In a backwater district of a country about to undergo radical social, political and cultural change, Brisha's dreams, his games and his mischief, his loves, his hopes and his fears come alive. Translated from the Nepali by Michael Hutt, this highly original piece of work, with the simplicity of its language and its emotional range, holds the power to take your breath away. Its principal themes-the love between a son and his father, the joys and sorrows of childhood, the daily struggle for survival-are universal, and will resonate with readers the world over.
