## THE YELLOW WALLPAPER ILLUSTRATED

---

"The Yellow Wallpaper" is a short story by American writer Charlotte Perkins Gilman, first published in January 1892 in The New England Magazine.[1] It is regarded as an important early work of American feminist literature, due to its illustration of the attitudes towards mental and physical health of women in the 19th century. Narrated in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is encouraged to eat well and get plenty of air, so she can recuperate from what he calls a "temporary nervous depression - a slight hysterical tendency", a diagnosis common to women during that period

## DARK AROUND THE EDGES

---

**iUniverse** Who Is Tulovski? It still hurt. One week, two days and fourteen hours after the momentous event it still hurt like hell. The object of her misery was coming around that night to collect the last of his stuff. She felt sick when she thought of the hussy's hands all over him, touching him, caressing him, wanting him. Damn the thoughts that wouldn't go away. Day and night they pestered her, prying at the edges of sleep and forcing it back so that her wilting eyes flew open under a barrage of painful images that she'd rather not imagine. And that was how the plot came to be hatched. It shot across her thought process as she lovingly ironed along the seam of his fly on the dark grey boxer shorts, the ones with the tiny hole in the material of the left buttock. "I'll tell him I've met somebody else," she said aloud. She actually enjoyed doing the rest of the ironing and by the time she had pressed the last of his fourteen shirts she had invented, built and fleshed out, the 'perfect' partner.

### LITTLE THINGS THAT CAN CHANGE YOUR LIFE...AND MAYBE THE WORLD

---

**Grand Central Publishing** Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. ## STAY UP WITH HUGO BEST

---

---

### A NOVEL

---

**Scribner** One of Vogue's Best Books of 2019 "Incisive, funny, and tinged with melancholy, the timely novel follows two lost but clever souls desperate for connection." —Entertainment Weekly June Bloom is twenty-nine, broke, and an aspiring comedy writer. Hugo Best is a beloved late-night TV icon and notorious womanizer who invites her to his mansion for Memorial Day weekend. This is the story of their four days together, a "zippy...magnificent...devilishly fun ride" (Vogue). When June Bloom, an assistant on the late-night comedy show, Stay Up with Hugo Best, runs into Hugo himself at an open mic following his unexpected retirement, she finds herself fielding a surprising invitation: Hugo asks June to come to his mansion in Greenwich for the long Memorial Day weekend. "No funny business," he insists. "Incisive, funny, and tinged with melancholy, this timely novel follows two lost but clever souls desperate for connection" (Entertainment Weekly). June, in need of a job and money, but harboring the remains of a childhood crush on the charming older comedian and former role model, is confident she can handle herself. She accepts. As the weekend unfolds and the enigmatic Hugo gradually reveals appealingly vulnerable facets to his personality, their dynamic proves to be much more complicated and less predictable than June imagined. "A witty and subtle commentary on sex, power, and social politics" (Refinery 29) and "an outstanding comedic debut" (Kirkus Reviews, starred review), Stay Up with Hugo Best announces a gloriously irreverent, bold, and winning new voice in fiction.

surprising connection that threatens to undo them both. Alix Chamberlain is a woman who gets what she wants and has made a living, with her confidence-driven brand, showing other women how to do the same. So she is shocked when her babysitter, Emira Tucker, is confronted while watching the Chamberlains' toddler one night, walking the aisles of their local high-end supermarket. The store's security guard, seeing a young black woman out late with a white child, accuses Emira of kidnapping two-year-old Briar. A small crowd gathers, a bystander films everything, and Emira is furious and humiliated. Alix resolves to make things right. But Emira herself is aimless, broke, and wary of Alix's desire to help. At twenty-five, she is about to lose her health insurance and has no idea what to do with her life. When the video of Emira unearths someone from Alix's past, both women find themselves on a crash course that will upend everything they think they know about themselves, and each other. With empathy and piercing social commentary, *Such a Fun Age* explores the stickiness of transactional relationships, what it means to make someone "family," and the complicated reality of being a grown up. It is a searing debut for our times.

## HOW TO COME OUT IN A WALMART PARKING LOT AND OTHER LIFE LESSONS

---

**Simon and Schuster** From popular LGBTQ advice columnist and writer John Paul Brammer comes a hilarious, heartwarming memoir-in-essays chronicling his journey growing up as a queer, mixed-race kid in America's heartland to becoming the "Chicano Carrie Bradshaw" of his generation. "A wise and charming book. [Brammer] is such a good writer, and so well rounded."—David Sedaris "[Brammer] is both kind and piercingly funny, often in the same sentence.... ¡Hola Papi! is a master class of tone and tenderness, as Brammer balances self-compassion with humor." —THE NEW YORK TIMES BOOK REVIEW (EDITORS' CHOICE) "[¡Hola Papi! should be] required reading...[Brammer's] writing is incredibly funny, kind, and gracious to his readers, and deeply vulnerable in a way that makes it feel as if he's talking to only you." —LOS ANGELES TIMES The first time someone called John Paul (JP) Brammer "Papi" was on the popular gay hookup app Grindr. At first, it was flattering; JP took this as white-guy speak for "hey, handsome." Who doesn't want to be called handsome? But then it happened again and again...and again, leaving JP wondering: Who the hell is Papi? What started as a racialized moniker given to him on a hookup app soon became the inspiration for his now wildly popular advice column "¡Hola Papi!," launching his career as the Cheryl Strayed for young queer people everywhere—and some straight people too. JP had his doubts at first—what advice could he really offer while he himself stumbled through his early 20s? Sometimes the best advice to dole out comes from looking within, which is what JP has done in his column and book—and readers have flocked to him for honest, heartfelt wisdom, and of course, a few laughs. In ¡Hola Papi!, JP shares his story of growing up biracial and in the closet in America's heartland, while attempting to answer some of life's toughest questions: How do I let go of the past? How do I become the person I want to be? Is there such a thing as being too gay? Should I hook up with my grade school bully now that he's out of the closet? Questions we've all asked ourselves, surely. ¡Hola Papi! is "a warm, witty compendium of hard-won life lessons," (*Harper's Bazaar*) for anyone—gay, straight, and everything in between—who has ever taken stock of their unique place in the world. "Readers are likely to become addicted to these stories; they're that good...Brammer comes to know himself very well, and readers will be delighted to make his acquaintance, too," (*Booklist*, starred review).

### A NOVEL

**Penguin NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST, VOGUE, MARIE CLAIRE, READER'S DIGEST, AND GOOD HOUSEKEEPING** "A gripping read...Unabashedly queer, probing and unafraid...Exceedingly engaging." -USA Today "Sublimely weird, fluently paced, brazenly funny and gayer still, and it richly deserves to find readers." -New York Times From the author of the New York Times–bestselling sensation *Mostly Dead Things: a surprising and moving story of two mothers, one difficult son, and the limitations of marriage, parenthood, and love* If she's being honest, Sammie Lucas is scared of her son. Working from home in the close quarters of their Florida house, she lives with one wary eye peeled on Samson, a sullen, unknowable boy who resists her every attempt to bond with him. Uncertain in her own feelings about motherhood, she tries her best—driving, cleaning, cooking, prodding him to finish projects for school—while growing increasingly resentful of Monika, her confident but absent wife. As Samson grows from feral toddler to surly teenager, Sammie's life begins to deteriorate into a mess of unruly behavior, and her struggle to create a picture-perfect queer family unravels. When her son's hostility finally spills over into physical aggression, Sammie must confront her role in the mess—and the possibility that it will never be clean again. Blending the warmth and wit of Arnett's breakout hit, *Mostly Dead Things*, with a candid take on queer family dynamics, *With Teeth* is a thought-provoking portrait of the delicate fabric of family—and the many ways it can be torn apart.

### INSPIRATION, INFLUENCE, AND PERSUASION THROUGH THE ART OF STORYTELLING

**Basic Books** This modern classic teaches you to use the art of storytelling to persuade, motivate, and inspire in life and business. In this modern classic, Annette Simmons reminds us that the oldest tool of influence is also the most powerful. Showcasing over a hundred examples of effective storytelling drawn from the front lines of business and government, as well as myths, fables, and parables from around the world, Simmons illustrates how story can be used to persuade, motivate, and inspire in ways that cold facts, bullet points, and directives can't. ### THE SCHMUTZY FAMILY

---

**Holiday House** *A lively and funny celebration of Sabbath traditions. Sunday through Friday, the Schmutzy children are encouraged to explore, experiment, and create. It's messy work, involving mud pies, tomato sauce, worms, and frogs! But on Friday morning, Mama exclaims, "Look at this dirt.... And it's nearly SHABBOS. We can't bring in the Sabbath smelling like COWS!" So the Schmutzys clean up--and that's almost as much fun as the rest of the week. "Schmutz" is a Yiddish word for dirt -- you can have schmutz on pretty much anything. The book begins with a four-word glossary - challah, farshtunken, schmutzy, and Shabbos. This book captures the joy of cooperating as a family--no matter what your religion--and it makes a great read-aloud for home or classroom. Charming illustrations by two-time Geisel medalist, Paul Meisel, add to the fun. A National Jewish Book Awards finalist A PJ Library selection*
