**Genesis W. W. Norton & Company** *A new translation of the first book of the Bible honors meanings and literary strategies of the ancient Hebrew language, while bringing the stories together in a narrative format that makes it read more like a fully integrated book* **Genesis: Translation and Commentary W. W. Norton & Company** "[Here is] ?the ?Genesis for our generation and beyond."—Robert Fagles *Genesis begins with the making of heaven and earth and all life, and ends with the image of a mummy—Joseph's—in a coffin. In between come many of the primal stories in Western culture: Adam and Eve's expulsion from the garden of Eden, Cain's murder of Abel, Noah and the Flood, the destruction of Sodom and Gomorrah, Abraham's binding of Isaac, the covenant of God and Abraham, Isaac's blessing of Jacob in place of Esau, the saga of Joseph and his brothers. In Robert Alter's brilliant translation, these stories cohere in a powerful narrative of the tortuous relations between fathers and sons, husbands and wives, eldest and younger brothers, God and his chosen people, the people of Israel and their neighbors. Alter's translation honors the meanings and literary strategies of the ancient Hebrew and conveys them in fluent English prose. It recovers a Genesis with the continuity of theme and motif of a wholly conceived and fully realized book. His insightful, fully informed commentary illuminates the book in all its dimensions.* **The Five Books of Moses: A Translation with Commentary W. W. Norton & Company** "A modern classic....Thrilling and constantly illuminating."—Michael Dirda, *Washington Post Book World* Through a distinguished career of critical scholarship and translation, Robert Alter has equipped us to read the Hebrew Bible as a powerful, cohesive work of literature. In this landmark work, Alter's masterly translation and probing commentary combine to give contemporary readers the definitive edition of *The Five Books*. Winner of the PEN Center USA Literary Award for Translation and the Koret Jewish Book Award for Translation, a *Newsweek* Top 15 Book, *Los Angeles Times* Favorite Book, and *San Francisco Chronicle* Best Book. **The Hebrew Bible: A Translation with Commentary (Vol. Three-Volume Set) W. W. Norton & Company** A landmark event: the complete Hebrew Bible in the award-winning translation that delivers the stunning literary power of the original. A masterpiece of deep learning and fine sensibility, Robert Alter's translation of the Hebrew Bible, now complete, reanimates one of the formative works of our culture. Capturing its brilliantly compact poetry and finely wrought, purposeful prose, Alter renews the Old Testament as a source of literary power and spiritual inspiration. From the family frictions of Genesis and King David's flawed humanity to the serene wisdom of Psalms and Job's incendiary questioning of God's ways, these magnificent works of world literature resonate with a startling immediacy. Featuring Alter's generous commentary, which quietly alerts readers to the literary and historical dimensions of the text, this is the definitive edition of the Hebrew Bible. **The Ethiopian Commentary on the Book of Genesis Critical Edition and Translation Otto Harrassowitz** *The oldest religious nations that have Holy Scriptures (Torah, Bible, Koran, etc.) developed methods of commentary that help to discover the truths and values of the scriptures. In a similar manner, Ethiopia has established its own tradition of interpreting and commenting on the Biblical and Patristic texts. This tradition, known as "andemta," is a unique and most valuable legacy of the ancient Ethiopian Orthodox Tawahedo Church and the entire country of Ethiopia.*"The Ethiopian Commentary on the Book of Genesis" by Merasha Alehegne provides a critical edition of the "andemta." The survey supplies the history of the corpus as a *raison d'etre*, discusses the history of research in the commentary tradition, and describes the manuscripts (Mss) consulted in preparation for this edition. The critical edition of the "andemta" text of Genesis is analyzed with an extensive apparatus criticus to produce a text that can be assumed to be as close to the original "andemta" as possible. Additionally, an English translation of the text is given with commentaries on underlying concepts and terminologies. An appendix with the archaic lexicography found in the examination of the Mss, an inventory of "andemta" Mss in Libraries and Museums as well as a general bibliography complete Alehegne's study. **Genesis Interpretation: A Bible Commentary for Teaching and Preaching Westminster John Knox Press** *In his clear and readable, style Walter Brueggemann presents Genesis as a single book set within the context of the whole of biblical revelation. He sees his task as bringing the text close to the faith and ministry of the church. He interprets Genesis as a proclamation of God's decisive dealing with creation rather than as history of myth. Brueggemann's impressive perspective illuminates the study of the first book of the Bible. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.* **The Book of Genesis Genesis 1-11 A New Old Translation for Readers, Scholars, and Translators** *This translation of Genesis 1-11 follows the Hebrew text closely and leaves in what many translations leave out: physicality, ambiguity, repetition, even puns. Bray and Hobbins also draw deeply from the long history of Jewish and Christian interpretation. Their translation and notes offer the reader wisdom and delight. - Back cover.* **Genesis An Introduction and Commentary InterVarsity Press** *Genesis is a book of origins: of the world, of sin, of God's promise of redemption, and of the people of Israel. It serves as a foundation for the New Testament's teaching that Jesus is the fulfillment of God's promise to humankind. In this Tyndale Commentary, Andrew Steinmann offers a thorough exegetical commentary on Genesis, including a reconstructed timeline of events from Abraham's life through to the death of Joseph.* **The Book of Psalms: A Translation with Commentary W. W. Norton & Company** *A commentated new translation of the Book of Psalms seeks to preserve and convey its powerful message and musical rhythms while lending insight into the text's obscurities, in a volume by the acclaimed translator of the Five Books of Moses. 30,000 first printing.* **The Book of Genesis A Commentary Jason Aronson Incorporated** *To find more information on Rowman & Littlefield titles, please visit us at [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com).* **The Wisdom Books: Job, Proverbs, and Ecclesiastes: A Translation with Commentary W. W. Norton & Company** *Presents a modern translation of the books of Job, Proverbs, and Ecclesiastes in the Old Testament, providing an annotation and commentary for each verse.* **The Book of Genesis, Chapters 18-50 Wm. B. Eerdmans Publishing** *The second of Victor P. Hamilton's two-volume study of Genesis for the NICOT series, this prodigious and scholarly work provides linguistic, literary, and theological commentary on Genesis 18-50. Beginning with Abraham's reception of the three visitors and his intercession before Yahweh on behalf of Sodom and Gomorrah (Gen. 18) and continuing through the end of the Joseph story (Gen. 50), the overarching theme of Hamilton's commentary is Yahweh's faithfulness to his promised word and his covenant commitments to those whom he has chosen to receive that promised word. Special features of this commentary include its serious attention to important matters of biblical translation from the Hebrew language into English, copious footnotes that direct readers to further and more extensive sources of information, and frequent references to the New Testament writers' reading of Genesis. Hamilton's work will greatly benefit scholars, seminarians, and pastors who seek solid exegesis of the Bible's foundational book.* **Genesis 1-4 A Linguistic, Literary, and Theological Commentary Presbyterian & Reformed Publishing Company** *Much controversy surrounds the opening chapters of Genesis. They are front-loaded with all manner of vital topics--such as God's work of creating the world and mankind; what it means to be human; why our present experience is so different from what we find in Genesis 2; how we come to know God and to be sure of his love. Collins employs a literary-theological method informed by contemporary discourse analysis in order to read passages as coherent wholes. He shows how later biblical and inter-testamental writers have used Genesis 1-4 and reflects on how these chapters shape a Christian worldview today.* **So Noted! The Genesis Commentary by Dr. Henry Morris New Leaf Publishing Group** *So Noted is a Bible commentary of Dr. Morris' notes focusing on the Book of Genesis. Dr. Henry Morris' commentaries for the Bible are among the most respected in the field. His God-honoring, conservative notes affirm a literal translation of the Bible by explaining difficult passages, pointing to evidence of its inerrancy, and resolving apparent contradictions. Strengthen your faith and understanding of the Bible Features all 600 of Dr. Morris's notes for Genesis Includes the King James Version text of Genesis This special presentation of Dr. Morris' notes for Genesis delivers profound theological, scientific, linguistic, and historic insight into Creation, the Flood, the Patriarchs, and more. From Adam to Joseph, you will see the first book of the Bible in an entirely new light after reading these profound notes. In addition to the text of Genesis and Dr. Morris' commentary, the book also features five appendices that expand on related topics, such as Creation and the Flood.* **Genesis 1-11 Kohlhammer Verlag** *There has been a recent trend to date many non-Priestly texts later than their Priestly counterparts, and this movement has significant synchronic, as well as diachronic, implications. The commentary engages these approaches, along with other recent proposals and methods, in providing a multi-layered reading of the diverse texts and strata of Genesis 1-11. This combination of diachronic and synchronic approaches yields new insights into these evocative and influential narratives at the outset of the Bible.* **The Book of Genesis Composition, Reception, and Interpretation BRILL** *Drawing on the latest in Genesis scholarship, this volume offers twenty-nine essays on a wide range of topics related to Genesis, written by leading experts in the field. Topics include its formation, reception, textual history and translation, themes, theologies, and place within Judaism, Christianity, and Islam.* **The Book of Genesis in Jewish and Oriental Christian Interpretation A Collection of Essays Peeters Publishers** *This volume consists of sixteen essays, most of which are revised versions of papers read at a symposium held in May 1995 in Jerusalem at the Hebrew University and the Institute for Advanced Studies. Students of various religious and cultural traditions present their research in Jewish and Christian biblical interpretation. Fields covered include the Second Temple Period (Dead Sea Scrolls and the Life of Adam and Eve), Rabbinic literature, Early Greek and Syriac Antiochene exegesis, Syriac literature, Armenian reflections of Greek and Syriac exegesis (esp. the Armenian translations and reworkings of Eusebius of Emesa, Ephrem the Syrian and Jacob of Edessa), Ethiopic commentary tradition. Particular attention is devoted to the interrelationship between various traditions, e.g. Jewish and Christian, Greek and Syriac, Syriac and Armenian. The volume gives some telescoped insight into the cultural complexity of the Near East in Late Antiquity, where dynamic processes of cultural and religious interaction were continuously at work.* **The Five Books of Moses Genesis, Exodus, Leviticus, Numbers, Deuteronomy Schocken** *Offers a translation of and commentary on the first five books of the Hebrew Bible* **The First Book of Moses, Called Genesis Authorized King James Version Grove/Atlantic, Inc.** *The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.* **Genesis 1-11 Bloomsbury Publishing** *John Rogerson traces the interpretation of Genesis 1-11 through to its present engagement with contemporary issues, before going on to examine the hermeneutical debate currently centred on the text, and to discuss it from the more familiar perspective of the historical-critical method, with particular attention to translation, source-critical and inter-literary questions.* **Commentary on the Whole Bible Genesis to Revelation** *Each chapter is summed up in its contents, each paragraph reduced to its proper heads, the sense given, and largely illustrated with practical remarks and observations.* **Commentaries on Genesis 1-3 InterVarsity Press** *The church fathers displayed considerable interest in the early chapters of Genesis, and often wrote detailed commentaries or preached series of homilies on the Hexameron--the Six Days of Creation. This volume of Ancient Christian Texts offers a first-time English translation of Severian of Gabala's In*

cosmogoniam and a fresh translation of a portion of Bede the Venerable's *Libri quatuor in principium Genesis*. **Genesis as Dialogue A Literary, Historical, & Theological Commentary Oxford University Press on Demand** In this complete and accessible overview of Genesis, Brodie approaches the book as a series of diptychs - accounts which, like some paintings, consist of two parts or panels - whose subject is human existence. He contends that many of Genesis' sources still exist and can be identified and verified. **On Genesis Two Books on Genesis Against the Manichees and On the Literal Interpretation of Genesis: An Unfinished Book (The Fathers of the Church, Volume 84) CUA Press** No description available **Genesis 1-11 Tales of the Earliest World Stanford University Press** A new translation and literary interpretation of the first 11 chapters of the Book of Genesis. **Holy Bible** A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font. **Genesis Enduring Word Media** Verse-by-verse commentary on the book of Genesis. **Genesis (2-Volume Set---1 And 2) Word Biblical Commentary WBC** series delivers the best in biblical scholarship, from the leading scholars who share a commitment to Scripture as divine revelation. It emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. **Genesis B Translation and Commentary The Book of Genesis A New Translation from the Transparent English Bible** The first book of the Bible presented in an authentic translation that allows the English reader to "peer through" to the Hebrew and "come as close as we will probably ever come to the original text." This translation allows readers to experience the original Hebrew and the rich resonance of alliteration, pun, word play, and idiom that are so essential to the meaning of the Bible itself. These elements of the text are more than merely stylistic; they allow the reader to understand the echoes and meaning of the text in a way never before available. Beyond the content, the flow and verbal rhythm of the original Hebrew is conveyed, not through English style but through a reflection of its basic structure. This translation allows readers to experience the original Hebrew and the rich resonance of alliteration, pun, word play, and idiom that are so essential to the meaning of the Bible itself. These elements of the text are more than merely stylistic; they allow the reader to understand the echoes and meaning of the text in a way never before available. Beyond the content, the flow and verbal rhythm of the original Hebrew is conveyed, not through English style but through a reflection of its basic structure. This translation allows readers to experience the original Hebrew and the rich resonance of alliteration, pun, word play, and idiom that are so essential to the meaning of the Bible itself. These elements of the text are more than merely stylistic; they allow the reader to understand the echoes and meaning of the text in a way never before available. Beyond the content, the flow and verbal rhythm of the original Hebrew is conveyed, not through English style but through a reflection of its basic structure. Countless readers pour over concordances to try to find the exact meaning of the original Bible. Interlinear translations try to convey the exact meaning of the text, but their unintelligible syntax make them impossible to read. TEB combines the power of a readable translation, with the precision of a concordance or interlinear translation. Most modern translations routinely use a wide range of traditional theological terms. Words such as: atonement, covenant, soul, angel, hell, redemption and salvation, are familiar to traditional ears but misleading and ineffective in conveying the original Hebrew or Greek concepts. This new translation reveals the original or "plain" meaning of the original languages allowing readers to reexamine inherited interpretations of key stories and concepts in the Bible. For example, the notion that women were given "pain" in childbirth as a punishment for Eve's transgression disappears in the original Hebrew text. The Hebrew word used is precisely the same as the "hardship" that men are allotted in working the soil of the earth, as explained below. **She Reads Truth Holding Tight to Permanent in a World That's Passing Away B&H Publishing Group** She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. **A Critical and Exegetical Commentary on the Book of Genesis With a New Translation Ariel's Bible Commentary The Book of Genesis Ariel Ministries Studies in the Book of Genesis** Written over the course of a thirty-year preaching ministry, this thorough commentary on the book of beginnings is useful as a Bible study aid or devotional. The author brings a wealth of information to the believer by way of an interesting narrative. **Genesis A New Translation with Commentary Joseph Smith's New Translation of the Bible Original Manuscripts Deseret Book Company** This volume—the work of a lifetime—brings together all the Joseph Smith Translation manuscript in a remarkable and useful way. Now, for the first time, readers can take a careful look at the complete text, along with photos of several actual manuscript pages. The book contains a typographic transcription of all the original manuscripts, unedited and preserved exactly as dictated by the Prophet Joseph and recorded by his scribes. In addition, this volume features essays on the background, doctrinal contributions, and editorial procedures involved in the Joseph Smith Translation, as well as the history of the manuscripts since Joseph Smith's day. **The Literary Structure of the Old Testament A Commentary on Genesis-Malachi Baker Academic** Understanding of the structure of the Old Testament sheds light on its meaning. No one should embark upon the study of an Old Testament text without consulting this indispensable guide. **Evil in Genesis A Contextual Analysis of Hebrew Lexemes for Evil in the Book of Genesis** The genesis of evil. The book of Genesis recites the beginnings of the cosmos and its inhabitants. It also reveals the beginning of evil. Before long, evil infests God's good creation. From there, good and evil coexist and drive the plot of Genesis. In *Evil in Genesis*, Ingrid Faro uncovers how the Bible's first book presents the meaning of evil. Faro conducts a thorough examination of evil on lexical, exegetical, conceptual, and theological levels. This focused analysis allows the Hebrew terminology to be nuanced and permits Genesis' own distinct voice to be heard. Genesis presents evil as the taking of something good and twisting it for one's own purposes rather than enjoying it how God intended. Faro illuminates the perspective of Genesis on a range of themes, including humanity's participation in evil, evil's consequences, and God's responses to evil. **The Tower of Babel: A New Translation and Commentary of Genesis 11:1-9 Richie Cooley** This is a new translation/commentary of the Tower of Babel account. It is written from a fundamental Christian perspective, with special emphases on archaeology and creation science.
