A set of Rules governs everything from the formation of families, to standards for behavior, to the age at which a child receives his bicycle. But Jonas is unique in the community, and in recognition of his uniqueness Jonas is chosen to be the next Receiver of Memory, the most important member of the Committee of Elders. The current Receiver of Memory is an elderly man who takes Jonas under his wing and begins to teach him about his new Assignment. The Receiver of Memory is the only member of the community who can recall the past, before the community adopted "sameness" as a solution to its problems. During their times together, the elderly man becomes the Giver, passing on the memories and the knowledge Jonas will need in order to gain the wisdom necessary to lead the community. Jonas discovers that the community has not only removed sadness and pain but also joy and love. Soon Jonas discovers more secrets, including the terrible policies his community has adopted to keep everything running smoothly. Interactive CD-rom. *The Cricket in Times Square* Revised and updated edition with foreword by Stacey Lee [Farrar, Straus and Giroux \(BYR\)](#) An updated version of the timeless children's classic featuring a business-savvy mouse, a kind alley cat, and a talented country cricket, featuring a new foreword and revisions by YA author Stacey Lee. Tucker is a streetwise city mouse. He thought he'd seen it all. But he's never met a cricket before, which really isn't surprising, because, along with his friend Harry Cat, Tucker lives in the very heart of New York City—the Times Square subway station. Chester Cricket never intended to leave his Connecticut meadow. He'd be there still if he hadn't followed the entrancing aroma of liverwurst right into someone's picnic basket. Now, like any tourist in the city, he wants to look around. And he could not have found two better guides—and friends—than Tucker and Harry. The trio have many adventures—from taking in the sights and sounds of Broadway to escaping a smoky fire. Chester makes a third friend, too. It is a boy, Mario, who rescues Chester from a dusty corner of the subway station and brings him to live in the safety of his parents' newsstand. He hopes at first to keep Chester as a pet, but Mario soon understands that the cricket is more than that. Because Chester has a hidden talent and no one—not even Chester himself—realizes that the little country cricket may just be able to teach even the toughest New Yorkers a thing or two. *The Cricket in Times Square* is George Selden at his best, and the new illustrations and interior images by Garth Williams make this edition a special treat.
