There is no better time than now to learn about and become

firmly grounded within your spiritual heritage." —from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus, and the church's culture was rooted in Judaism and a Jewish understanding of God's relationship to His people. Over time, however, Christianity became increasingly more Roman than Jewish, and the church lost its identity. Rabbi Curt Landry's personal story is remarkably similar. Born to a Jewish mother and a Catholic father, Landry was put up for adoption, and for more than thirty years he had no understanding of his heritage, his roots, or who his parents were. But when he discovered the truth of his story, his life changed completely. The key to a life of power and purpose is understanding who you are. In this revelatory book, Curt Landry helps Christians discover their roots in Judaism, empowering them to walk in the revelation of who they really are and who they are born to be. Reclaiming Our Forgotten Heritage reveals the mysteries of the church, letting Christians grasp the power that comes from connecting with their true identity.
