**Grizzly Bears & Beaver Pelts** The third book in a series of illustrated children's books set in a magical Wild West town. **Tuff, Sadie & the Wild West** The first in a series of illustrated children's books set in a magical wild west town. **The Wild West 100 Facts** Key information is presented as 100 numbered facts and supported by superb artwork and photographs in this hugely successful and ever-increasing series. Covering a colossal range of subjects from Ancient Egypt to World Wonders, this is a must-have reference **Homeland Tor Teen** In Cory Doctorow's wildly successful Little Brother, young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Francisco—an experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, California's economy collapses, but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. It's incendiary stuff—and if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave him—but he can't admit to being the leaker, because that will cost his employer the election. He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He can't even attend a demonstration without being dragged onstage and handed a mike. He's not at all sure that just dumping the archive onto the Internet, before he's gone through its millions of words, is the right thing to do. Meanwhile, people are beginning to shadow him, people who look like they're used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as

current as next week, *Homeland* is every bit the equal of *Little Brother*—a paean to activism, to courage, to the drive to make the world a better place. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **A Dictionary of the Chinook Jargon, Or Trade Language of Oregon** A Dictionary of the Chinook Jargon, or Trade Language of Oregon is an unchanged, high-quality reprint of the original edition of 1863. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend. **Before We Were Yours A Novel Ballantine Books** THE BLOCKBUSTER HIT—Over two million copies sold! A *New York Times*, *USA Today*, *Wall Street Journal*, and *Publishers Weekly* Bestseller "Poignant, engrossing."—*People* • "Lisa Wingate takes an almost unthinkable chapter in our nation's history and weaves a tale of enduring power."—Paula McLain *Memphis*, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's

long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly's #3 Longest-Running Bestseller of 2017 • Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantyboat life. **Loafing Along Death Valley Trails A Personal Narrative of People and Places Pickle Partners Publishing** In 1926, on the advice of his doctor, former newspaperman William Caruthers, whose writings appeared in most Western magazines during a career spanning more than 25 years, retired to an orange grove near Ontario, California. Once there, he would go on to spend much of his time during the next 25 years in the Death Valley region, witnessing the transition of Death Valley from a prospector's hunting ground to a mecca for winter tourists. This book, which was first published in 1951, is William Caruthers' personal narrative of the old days in Death Valley—"of people and places in Panamint Valley, the Amargosa Desert and the big sink at the bottom of America." A wonderful read. **Billy the Kid & Crooked Jim** The sixth book in a series of illustrated children's books set in a magical Wild West town. **This Changes Everything Capitalism Vs. The Climate Simon and Schuster** Explains why the environmental crisis should lead to an abandonment of "free market" ideologies and current political systems, arguing that a massive reduction of greenhouse emissions may offer a best chance for correcting problems. **Encyclopedia of Native American Tribes Infobase Publishing** A comprehensive, illustrated encyclopedia which provides information on over 150 native tribes of North America, including prehistoric peoples. **Lame Deer, Seeker of Visions Simon and Schuster** The personal narrative of a Sioux medicine man reveals his way of life, his role as a holy man among the Lakota, and his relationship with the whites. When cheerful salesman, Bingo B Brown, rolls his wagon full of Wild West goodies into town, he's met with a stony silence. This is clearly no place for novelty bow ties and elastic lassos. Not even Bingo's dancing dog can raise a smile! But this town is not just joyless, it's dangerous. And as Bingo soon discovers, the people of the town are not just scary, they're also scared. It isn't long before Bingo and his dog discover why, as they come face to face with the Wildest Cowboy in the West! Saddle up for a spectacular ride with a wildly talented pairing: film director and author, Garth Jennings and star illustrator, Sara Ogilvie. The Wildest Cowboy is a funny and uplifting adventure story in which fun wins out over fear. Featuring a dramatic train chase, rattlesnake socks and a dancing dog. **A History of**

**Rush to Idaho With a Supplementary Section Entitled Only a Few Struck it Rich: Economic Conditions in the Early North Idaho Mines The Photo Ark One Man's Quest to Document the World's Animals National Geographic Books** This lush book of photography represents National Geographic's Photo Ark, a major cross-platform initiative and lifelong project by photographer Joel Sartore to make portraits of the world's animals-especially those that are endangered. His powerful message, conveyed with humor, compassion, and art- to know these animals is to save them.Sartore intends to photograph every animal in captivity in the world. He is circling the globe, visiting zoos and wildlife rescue centers to create studio portraits of 12,000 species, with an emphasis on those facing extinction. He has photographed more than 6,000 already and now, thanks to a multi-year partnership with National Geographic, he may reach his goal. This book showcases his animal portraits- from tiny to mammoth, from the Florida grasshopper sparrow to the greater one-horned rhinoceros. Paired with the eloquent prose of veteran wildlife writer Douglas Chadwick, this book presents a thought-provoking argument for saving all the species of our planet. **The Empathy Exams Essays Graywolf Press** From personal loss to phantom diseases, The Empathy Exams is a bold and brilliant collection, winner of the Graywolf Press Nonfiction Prize A Publishers Weekly Top Ten Essay Collection of Spring 2014 Beginning with her experience as a medical actor who was paid to act out symptoms for medical students to diagnose, Leslie Jamison's visceral and revealing essays ask essential questions about our basic understanding of others: How should we care about each other? How can we feel another's pain, especially when pain can be assumed, distorted, or performed? Is empathy a tool by which to test or even grade each other? By confronting pain—real and imagined, her own and others'—Jamison uncovers a personal and cultural urgency to feel. She draws from her own experiences of illness and bodily injury to engage in an exploration that extends far beyond her life, spanning wide-ranging territory—from poverty tourism to phantom diseases, street violence to reality television, illness to incarceration—in its search for a kind of sight shaped by humility and grace. **Cowboy Camp Sterling Publishing Company Incorporated** Although Avery cannot stand to eat the grub, is

allergic to horses and gets rope burns from lassos, he learns at cowboy camp that he possesses the most important cowboy quality.

**Secwépemc People, Land, and Laws Yerí7 re Stsq'ey's-kucw McGill-Queen's Press - MQUP** Secwépemc People, Land, and Laws is a journey through the 10,000-year history of the Interior Plateau nation in British Columbia. Told through the lens of past and present Indigenous storytellers, this volume detail how a homeland has shaped

Secwépemc existence while the Secwépemc have in turn shaped their homeland. Marianne Ignace and Ronald Ignace, with contributions from ethnobotanist Nancy Turner, archaeologist Mike Rousseau, and geographer Ken Favrholt, compellingly weave together Secwépemc narratives about ancestors' deeds. They demonstrate how these stories are the manifestation of Indigenous laws (stsq'ey') for social and moral conduct among humans and all sentient beings on the land, and for social and political relations within the nation and with outsiders. Breathing new life into stories about past transformations, the authors place these narratives in dialogue with written historical sources and knowledge from archaeology, ethnography, linguistics, earth science, and ethnobiology. In addition to a wealth of detail about Secwépemc land stewardship, the social and political order, and spiritual concepts and relations embedded in the Indigenous language, the book shows how between the mid-1800s and 1920s the Secwépemc people resisted devastating oppression and the theft of their land, and fought to retain political autonomy while tenaciously maintaining a connection with their homeland, ancestors, and laws. An exemplary work in collaboration, *Secwépemc People, Land, and Laws* points to the ways in which Indigenous laws and traditions can guide present and future social and political process among the Secwépemc and with settler society. **The Flying Beaver Brothers and the Mud-Slinging Moles Knopf Books for Young Readers** Ace and Bub stand up to nearsighted Captain Jo Jo and his crew of moles, who are stealing dirt from Beaver Island to make their own island home bigger. **Original. Twelve Years a Slave Prabhat Prakashan** "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt **The Two Coyotes The Flying Beaver Brothers and the Fishy Business Knopf Books for Young Readers** The Flying Beaver Brothers are back, and this time they're hot on the trail of another eco-villain: Fish Stix Environmental Manufacturing. When Fish Stix sets up shop, most of the islanders are thrilled. After all, Fish Stix are the most popular, best-selling sticks around AND they're good for the environment! But this eco-friendly facade is just a cover for a nefarious plot involving dirty money, fish who walk on dry land, and a great big smoking volcano. It's up to the dauntless beaver brothers to set things right—and they better do it fast or the island's forests are history! Now if only Bub can stop napping and they can all make enough pancakes to save the day. . . . This second installment to Max Eaton's new graphic series ups the ante in terms of both action and humor. The Flying Beaver Brothers are poised to take off as beloved comicbook heros. **Beaver Towers Penguin UK** The first adventure in the BEAVOR TOWERS series. Philip has to get her spell book in order to save them. **The Very First Americans Paw Prints** Briefly describes some of the hundreds of Indian tribes that lived across America before the arrival of Europeans **Thinking Like a Mountain Penguin Books**

**Canada** Nature has been Robert Bateman's inspiration ever since he began painting birds from his bedroom window as a young boy. The wildlife he features in his paintings are expressions of his love and respect for the natural world. A passionate environmentalist who has devoted his life to documenting the awesome power of nature, Bateman is deeply worried about the state of our planet and the fate of our natural heritage. Whenever he talks about his paintings, he talks about the environmental messages they convey, and those who have heard him speak have clamoured for a book that encapsulates his philosophy. Thinking Like a Mountain is the result of many years of thinking, talking and writing about the world's growing environmental crisis. Beautifully designed and illustrated with original drawings, it is a gathering of questions, observations and ideas Robert Bateman has drawn from his own life experiences and gleaned from the writings of some of the visionaries who have influenced him. As Einstein said, "We cannot solve the problems of today with the same thinking that gave us the problems in the first place." Only a profound shift in philosophy, Bateman believes, can save our species from extinction. Thinking Like a Mountain is printed on 100 per cent ancient-forest-free paper that is 100 per cent post-consumer recycled and has been processed chlorine free.
