THE NOBLE ART OF SEDUCING WOMEN - MY FOOLPROOF GUIDE TO PULLING ANY WOMAN YOU WANT

Kings Road Publishing Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...

MODELS

ATTRACT WOMEN THROUGH HONESTY

Pan Australia "You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" *Sydney Morning Herald* "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" *Huffington Post*

GET OVER YOURSELF!

HOW TO GET REAL, GET SERIOUS, AND GET READY TO FIND TRUE LOVE

Ballantine Books True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • **Getting Over What?** Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • **Almost Over It** Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • **Over It** Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

Win Love Win Life is written for the guy who hungers to improve himself and acquire the perfect woman he desires. It's written for ANY man, young or old,

who needs a little polishing around the edges to achieve his dreams! It's also a HUGE resource for women: understand how your husband or boyfriend thinks and learn what he needs and wants! I started writing this book as a time machine letter to my teenage self. It quickly took on a life of its own and I hope the collection of expert wisdom and shared life experiences helps give you the complete knowledge you crave to make your dreams become a reality. Senior year of high school I'd lay on my bed and wonder what my life would be like in the future. I still hadn't landed a girlfriend at this point. Most of my friends had girlfriends and allegedly gotten laid already and I wondered if I ever would. I needed a step-by-step guide on not only how to pick up and date women but how to act "normal" and be "cool." I bought a copy of Eric Weber's How to Pick Up Girls and felt immediately ripped off as learned nothing from the outdated and misogynistic advice. I still didn't know how to successfully present myself so girls would be attracted to me and want to go out on dates. What I began to realize in my following college years is that repetition, bravery, and failure can breed strong self-confidence and magnetism (mojo). The blinders were lifted from my eyes and woman after woman would walk into my life. It was my total choice and personal actions to direct where these relationships went, exactly like the Choose Your Own Adventure books I used to read in grammar school. We truly do hold that much power in our lives with every decision - or indecision - writing our futures in real time. Instead of writing a faux-intellectual "how to pick up women" book filled with regurgitated hyperbole, I thought it would be more fun for you to gain insight through my personal experiences with dozens of women all-the-while absorbing tips and tricks interlaced between stories. Every story has multiple lessons you can glean wisdom from and implement immediately into your life. Acquiring your true love will take dating multiple women until you find a hottie that clicks with you. With the knowledge contained in this book I will teach you exactly how to make it happen and pave your road to achieve success in love and life. Start your journey to the Alpha kingdom and begin winning love and life!

THE MYSTERY METHOD

HOW TO GET BEAUTIFUL WOMEN INTO BED

St. Martin's Press "One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, *Mystery*, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. *Mystery* gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.
