So many moms and dads hide their child-rearing struggles, but by sharing together and praying for one another in a small group setting, parents can find encouragement, support, and community as they learn to trust God together in the midst of hardship. Raising kids isn't getting any easier, especially with the introduction of insta-porn on electronic devices, the ease of access to drugs, and the ever-increasing blurring of sexuality. This study guide is for weary mothers, fathers, and guardians who are overwhelmed with their children's choices and the culture that wars against their souls. For moms and dads with small struggles or weighty parenting trials—such as children involved with drugs, sexual sin, and teenage rebellion—this small group guide offers a place to begin conversations with other parents; seek community, Scripture, and prayer; and remember they aren't alone. **College Accounting Study Guide for Fundamentals of Nursing** Elsevier Health Sciences Get the most from your fundamentals education with the Study Guide for Fundamentals of Nursing, 9th Edition!
