Cherry Lane Music (Guitar). Most classical guitar folios feature compositions by the lesser-known "guitar" composers. This collection, however, exclusively features music by the world's most renowned composers. The works of Johann Sebastian Bach and George Frederick Handel represent the culmination of the Baroque era. Wolfgang Amadeus Mozart stands at the summit of the Classical era. Ludwig van Beethoven straddles the Classical and Romantic eras, and Johannes Brahms is the giant of the Romantic era. For educational purposes, the pieces have been organized in order of difficulty within each composer's section. In addition, complete performances of all pieces can be heard on the accompanying CD. Enjoy! Includes: Jesu, Joy of Man's Desiring \* The Harmonious Blacksmith \* Ode to Joy \* Lullaby \* and more.

### THE MESSIAH IN THE OLD AND NEW TESTAMENTS

---

Wm. B. Eerdmans Publishing When the ancients talked about "messiah", what did they picture? Did that term refer to a stately figure who would rule, to a militant who would rescue, or to a variety of roles held by many? While Christians have traditionally equated the word "messiah" with Jesus, the discussion is far more complex. This volume contributes significantly to that discussion. Ten expert scholars here address questions surrounding the concept of "messiah" and clarify what it means to call Jesus "messiah." The book comprises two main parts, first treating those writers who preceded or surrounded the New Testament (two essays on the Old Testament and two on extrabiblical literature) and then discussing the writers of the New Testament. Concluding the volume is a critical response by Craig Evans to both sections. This volume will be helpful to pastors and laypersons wanting to explore the nature and identity of the Messiah in the Old and New Testament in order to better understand Jesus as Messiah.

**THE MAKING OF HANDEL'S MESSIAH**

---

---

Making of The first performance of Händel's 'Messiah' in Dublin in 1742 is now legendary. Gentlemen were asked to leave their swords at home and ladies to come without hoops in their skirts in order to fit more people into the audience. Why then, did this now famous and much-loved oratorio receive a somewhat cool reception in London less than a year later? Placing Handel's best-known work in the context of its times, this vivid account charts the composer's working relationship with his librettist, the gifted but demanding Charles Jennens, and looks at Handel's varied and evolving company of singers together with his royal patronage. Through examination of the composition manuscript and Handel's own conducting score, held in the Bodleian, it explores the complex issues around the performance of sacred texts in a non-sacred context, particularly Handel's collaboration with the men and boys of the Chapel Royal. The later reception and performance history of what is one of the most successful pieces of choral music of all time is also reviewed, including the festival performance attended by Haydn, the massed-choir tradition of the Victorian period and today's 'come-and-sing' events.

Roger Dean Publishing Company At long last, a definitive edition providing an authentic and fresh perspective on this time-honored oratorio. Since the page layout remains identical to the old Schirmer/Spicker edition, you can now replace worn copies with this new publication that has been entirely reedited. Based on Handel's autograph and conducting scores, Van Camp corrected over 100 notational and textual errors which appeared in the Spicker edition and also provided fine keyboard accs comfortably under the fingers...with the original bass line fully restored. Singers will rejoice now that the music pages are no longer cluttered with editorial footnotes and annotations. Instead, endnotes are used to provide comprehensive and practical information. Other features included the addition of text sources, breath marks, measure numbers, timings, rehearsal and performance suggestions, and much more. The pagination and layout of the vocal score match the old Spicker edition, so you can use the two of them together without confusion.
