The American Duchess Guide to 18th Century Dressmaking

How to Hand Sew Georgian Gowns and Wear Them With Style

Create authentic, show-stopping 18th century gowns for reenactment or cosplay by using traditional hand sewing techniques from the era. With the popularity of Outlander, Penny Dreadful and Game of Thrones --as well as the popularity of conventions like San Diego Comic Con--fans are eager to create period gowns that emulate the characters they love. Lauren Stowell and Abby Cox, owners of the popular online store American Duchess, have teamed together to recreate four complete dresses from the 18th century. Whether readers are experienced seamstresses or are new to hand sewing, they won't want to miss this comprehensive guide. The projects include The English Gown, The Sacque, The Italian Gown and The Round Gown. Each project is broken down into easy-to-follow steps and Lauren and Abby tackle every detail--fabric, patterns, stitch techniques, accessories, shortcuts and troubleshooting. Whether you choose a romantic 1790s muslin gown or a grand sacque gown of silk taffeta, you will feel like you just stepped out of your favorite novel or period of history. Lauren and Abby's company, American Duchess, has been featured on Late Night with Seth Meyers, Reno Gazette Journal, the Today Show and Garmz.com. Their historically accurate shoes have been used in productions by the New York Metropolitan Opera, Ford's Theater, Broadway's Cinderella, The Jimmy Fallon Show and The Knick . Lauren and Abby have over 32k Facebook followers and over 34k followers on Instagram.

The Power of a Positive No

How to Say No and Still Get to Yes

Bantam No is perhaps the most important and certainly the most powerful word in the language. Every day we find ourselves in situations where we need to say No—to people at work, at home, and in our communities—because No is the word we must use to protect ourselves and to stand up for everything and everyone that matters to us. But as we all know, the wrong No can also destroy what we most value by alienating and angering people. That's why saying No the right way is crucial. The secret to saying No without destroying relationships lies in the art of the Positive No, a proven technique that anyone can learn. This indispensable book gives you a simple three-step method for saying a Positive No. It will show you how to assert and defend your key interests; how to make your No firm and strong; how to resist the other side's aggression and manipulation; and how to do all this while still getting to Yes. In the end, the Positive No will help you get not just to any Yes but to the right Yes, the one that truly serves your interests. Based on William Ury's celebrated Harvard University course for managers and professionals, *The Power of a Positive No* offers concrete advice and practical examples for saying No in virtually any situation. Whether you need to say No to your customer or your coworker, your

employee or your CEO, your child or your spouse, you will find in this book the secret to saying No clearly, respectfully, and effectively. In today's world of high stress and limitless choices, the pressure to give in and say Yes grows greater every day, producing overload and overwork, expanding e-mail and eroding ethics. Never has No been more needed. A Positive No has the power to profoundly transform our lives by enabling us to say Yes to what counts—our own needs, values, and priorities. Understood this way, No is the new Yes. And the Positive No may be the most valuable life skill you'll ever learn!

The Act of Sewing

How to Make and Modify Clothes to Wear Every Day

Shambhala Publications An in-depth guide to sewing simple garments—with four full-size patterns and all the tricks of alteration and embellishment explained so that you can make a wardrobe all your own. Maybe you learned to sew in school and have a sewing machine, but it hasn't seen the outside of the closet since your last move. Or maybe you are completely new to the craft, with a lot of enthusiasm, but no idea how to thread your machine. No matter where you're coming from in terms of experience, this sewing workbook offers four basic patterns—two tops, a skirt, and a pair of pants—that empower you to express your personal style and make clothes that are comfortable for your body type. After explaining the basic concepts of sewing and construction, 100 Acts of Sewing designer Sonya Philip then provides suggestions for mixing the basic patterns together to create new garment iterations as you gain confidence—structural adjustments such as full bust, no bust, long torso,

big, small, etc., as well as a range of possible alterations and embellishments including sleeves, pockets, hems, and more! Going beyond simple pattern instructions, this book will make sewing garments accessible for every body type-- each pattern comes in sizes ranging from XS to 5X. With inspiring essays on Sonya's sewing philosophy that speak to the slow and ethical fashion movement, this will be the go-to guide for all aspirational and seasoned sewists.

Parisian Chic Look Book

What Should I Wear Today?

Rizzoli Publications A brand-new book of fashion secrets by New York Times best-selling author, model, and Parisienne extraordinaire, Ines de la Fressange. Ines de la Fressange's personal style is chic yet relaxed in every situation. While a navy-and-white-striped nautical top with slim, cropped jeans and flats is a classic French look, it's harder to pinpoint how Parisians unfailingly blend elegance and allure with such ease. In this sequel to her best seller Parisian Chic, the world's favorite style icon demonstrates how to achieve her quintessentially Parisian look throughout the year. Her style secrets start with the building blocks of wardrobe staples--an LBD that can be dressed up or down, timeless riding boots you'll wear for a lifetime, or the perfect pair of jeans--which she combines with panache to suit every situation, adding seasonal items like costume bangles, a top in this season's on-trend color, or the right shade of lip color.

Everything

A Maximalist Style Guide

Pavilion Welcome to the 'more is more' world of decorating, or as it's more commonly know in the business, Maximalism. A style that embraces the all-out: beautiful colour palettes, luxurious textiles, patterns and embellishment. Maximalism is the epitome of passion, one in which Scandi-style, stripped bare and pared-back interiors have no place. Abigail Ahern guides us through the sea change in the world of interiors as the pendulum swings away from minimalism, over to our increasing desire for self-expression and optimism. Learn how to break the 'rules' of interior design, play fast and loose with different periods in a single room and have fun. Maximalism allows you to dip into colour palettes and any decade or style, with the effect of stirring up emotions and creating a bedazzling space you'd never want to leave. Chapters include: Developing a Sense of Style: Research tips and how to begin, from trawling Instagram and tearing sheets from magazine. Expressing Yourself: Learning which rules to forget and which guidelines you would do best to remember to make your decorating foolproof. All-Important Accessories: Learn to create a story whereby every object in the room supports the same vision. Identifying Your Palette: Experiment with thinking outside the box and be curious with colour - what matters most is not the colour but the tone. Creating a Sense of Home: All homes should have a soul and you should be the mixologist, taking risks and mixing up furniture styles with aplomb. Creating Ambience with Lighting: Lighting is key and enables you to set a mood that is instantly tangible and has a direct impact on mood and energy. Styling Your Space: The secret ingredient to

making a maximalist home work, and not feeling like a cluttered mess. Challenge the Norm: Harness beauty and oddity, sensuous and the macabre, to create a decorative melting pot where elements vibrate with energy. Little Black Book: Take a peek inside Abigail's little black book where we find the best global decor stores not to be missed.

Historical Painting Techniques, Materials, and Studio Practice Preprints of a Symposium, University of Leiden, the Netherlands, 26–29 June 1995

Getty Publications Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

How to Change Everything

The Young Human's Guide to Protecting the Planet and Each Other

Simon and Schuster "[A] uniquely inclusive perspective that will inspire conviction, passion, and action." —Kirkus Reviews (starred review) An empowering, engaging young readers guide to understanding and battling climate change from the expert and bestselling author of This Changes Everything and On Fire, Naomi Klein. Warmer temperatures. Fires in the Amazon. Superstorms. These are just some of the effects of climate change that we are already experiencing. The good news is that we can all do something about it. A movement is already underway to combat not only the environmental effects of climate change but also to fight for climate justice and make a fair and livable future possible for everyone. And young people are not just part of that movement, they are leading the way. They are showing us that this moment of danger is also a moment of great opportunity—an opportunity to change everything. Full of empowering stories of young leaders all over the world, this information-packed book from award-winning journalist and one of the foremost voices for climate justice, Naomi Klein, offers young readers a comprehensive look at the state of the climate today and how we got here, while also providing the tools they need to join this fight to protect and reshape the planet they will inherit.

Handmade in Japan

The Pursuit of Perfection in Traditional Crafts

Gestalten Discover the exceptional artistry and rich traditions being kept alive by Japanese artisans in the twenty-first century. In an era where global interest in handmade, small-batch products is heightening as a response to mass production, Handmade in Japan takes a look inside the workshops of the country's artisans, revealing their endless pursuit of excellence, and what it means to dedicate one's life to the stewardship of irreplaceable cultural heritage. Hold On to Your Kids

Why Parents Need to Matter More Than Peers

Vintage Canada A psychologist with a reputation for penetrating to the heart of complex parenting issues joins forces with a physician and bestselling author to tackle one of the most disturbing and misunderstood trends of our time -- peers replacing parents in the lives of our children. Dr. Neufeld has dubbed this phenomenon peer orientation, which refers to the tendency of children and youth to look to their peers for direction: for a sense of right and wrong, for values, identity and codes of behaviour. But peer orientation undermines family cohesion, poisons the school atmosphere, and fosters an aggressively hostile and sexualized youth culture. It provides a powerful explanation for schoolyard bullying and youth violence; its effects are painfully evident in the context of teenage gangs and criminal activity, in tragedies such as in Littleton, Colorado; Tabor, Alberta and Victoria, B.C. It is an escalating trend that has never been adequately described or contested until Hold On to Your Kids. Once understood, it becomes self-evident -- as do the solutions. Hold On to Your Kids will restore parenting to its natural intuitive basis and the parent-child relationship to its rightful preeminence. The concepts, principles and practical advice contained in Hold On to Your Kids will empower parents to satisfy their children's inborn need to find direction by turning towards a source of authority, contact and warmth. Something has changed. One can sense it, one can feel it, just not find the words for it. Children are not quite the same as we remember being. They seem less likely to take their cues from adults, less inclined to please those in charge, less afraid of getting into trouble. Parenting, too, seems to have changed. Our parents seemed more confident, more certain of themselves and had more impact on us, for better or for worse. For many, parenting does not feel natural. Adults through the ages have complained about children being less respectful of their elders and more difficult to manage than preceding generations, but could it be that this time it is for real? -- from Hold On to Your Kids

A Fatal Lie

A Novel

HarperCollins "If there's ever been a more complex and compelling hero in crime fiction than Inspector Rutledge, I can't think of one." —Jeffery Deaver In one of his most puzzling cases, Scotland Yard Inspector Ian Rutledge must delve deep into a dead man's life and his past to find a killer determined to keep dark secrets buried. A peaceful Welsh village is thrown into turmoil when a terrified boy stumbles on a body in a nearby river. The man appears to have fallen from the canal aqueduct spanning the valley. But there is no identification on the body, he isn't a local, and no one will admit to having seen him before. With little to go on, the village police turn to Scotland Yard for help. When Inspector Ian Rutledge is sent from London to find answers, he is given few clues—a faded military tattoo on the victim's arm and an unusual label in the collar of his shirt. They eventually lead him to the victim's identity: Sam Milford. By all accounts, he was a good man and well-respected. Then, why is his death so mysterious? Looking for the truth, Rutledge uncovers a web of lies swirling around a suicidal woman, a child's tragic fate, and another woman bent

on protecting her past. But where among all the lies is the motive for murder? To track a killer, Rutledge must retrace Milford's last journey. Yet death seems to stalk his every move, and the truth seems to shift at every turn. Man or woman, this murderer stays in the shadows, and it will take desperate measures to lure him—or her—into the light.
