Performing Knowledge, 1750-1850** [Walter de Gruyter GmbH & Co KG](#) **The period between 1750 and 1850 was a time when knowledge and its modes of transmission were reconsidered and reworked in fundamental ways. Social and political transformations, such as the French Revolution and the Industrial Revolution, went hand in hand with in new ways of viewing, sensing, and experiencing what was perceived to be a rapidly changing world. This volume brings together a range of essays that explore the performance of knowledge in the period from 1750 to 1850, in the broadest possible sense. The essays explore a wide variety of literary, theatrical, and scientific events staged during this period, including scientific demonstrations, philosophical lectures, theatrical performances, stage design, botany primers, musical publications, staged Schiller memorials, acoustic performances, and literary declamations. These events served as vital conduits for the larger process of generating, differentiating, and circulating knowledge. By unpacking the significance of performance and performativity for the creation and circulation of knowledge in Germany during this period, the volume makes an important contribution to interdisciplinary German cultural studies, performance studies, and the history of knowledge.** **The Encyclopedia of the Harmonica** [Mel Bay Publications](#) **The Harmonica Encyclopedia is the most comprehensive book ever written on the instrument, offering over 900 articles on players, bands, techniques, resources and a discography of over 5,000 recordings by harmonica players. Originally released in 1998, this new edition is profusely illustrated with over 150 photographs of the players who have made the harmonica the world's most popular musical instrument. This book has been critically acclaimed by readers in over 25 countries and is a must-have for any serious harmonica enthusiast** **The Mechanics of Internationalism Culture, Society, and Politics from the 1840s to the First World War** [OUP/German Historical Institute London](#) **This collection of essays traces the origins of modern internationalism and the emergence of global society in the nineteenth century. It offers a fresh approach to the study of international history by looking at the structural prerequisites of the thriving internationalism before the First World War.** **Music The Definitive Visual History** [Penguin](#) **Humans have always made music and this authoritative and lavishly illustrated guide is your companion to its fascinating history across the globe. Music - that mysterious alchemy of harmonies, lyrics, and rhythm - is a constant in our lives. Discover how music has evolved with human society, accompanying our leisure, religious rituals, and popular festivities. Watch its development during prehistory and before musical notation, when melodies were memorized or improvised. Enjoy galleries of historical instruments such as dulcimers, shawms, psalteries, and tabor pipes. The universal language of music is expressed in an astonishing number of styles today, and Music presents its evolution around the globe, including the classical European tradition of JS Bach, the passionate sounds of Spain's flamenco, and the sonic power of electronica and heavy rock. With spectacular timelines of key events and profiles of musicians from Amadeus Mozart to David Bowie, Music is an unrivaled and comprehensive reference. Whether you are into the Blues, Brahms, or Bhangra, it is essential reading and guaranteed to hit the right note.** **Classification Music and Books on Music : M: Music; ML: Literature of Music; MT: Musical Instruction and Study Hand-book of Chronology and History The World's Progress, a Dictionary of Dates: with**

Tabular Views of General History, and a Historical Chart Classification A History of American Life and Thought [McGraw-Hill Companies](#) Child abuse and neglect, also known as 'child maltreatment', is a confronting reality for many Australians. Children often experience different forms of maltreatment in combination, whether they be physical, sexual, emotional/psychological abuse or neglect. What are the signs of abuse and how to protect the vulnerable? **A Short History of American Life Journal of the Society of Glass Technology A History of Baroque Music** [Indiana University Press](#) **A History of Baroque Music** is an exhaustive study of the music of the Baroque period, with particular focus on the 17th century. Individual chapters consider the work of significant composers, including Monteverdi, Corelli, Scarlatti, Schütz, Purcell, Handel, Bach, and Telemann, as well as specific countries and regions. Two contributed chapters examine composers and genres from Russia, the Ukraine, Slovenia, Croatia, and Latin America. The book also includes a wealth and variety of musical examples from all genres and instrumental combinations. Contributors are Claudia Jensen, Metoda Kokole, Rui Vieira Nery, and Ennio Stipcevic. **Journal of the Society of Glass Technology Yodel in Hi-Fi From Kitsch Folk to Contemporary Electronica** [University of Wisconsin Press](#) **Yodel in Hi-Fi** explores the vibrant and varied traditions of yodelers around the world. Far from being a quaint and dying art, yodel is a thriving vocal technique that has been perennially renewed by singers from Switzerland to Korea, from Colorado to Iran. Bart Plantenga offers a lively and surprising tour of yodeling in genres from opera to hip-hop and in venues from cowboy campfires and Oktoberfests to film soundtracks and yogurt commercials. Displaying an extraordinary versatility, yodeling crosses all borders and circumvents all language barriers to assume its rightful place in the world of music. "If Wisconsin wasn't on the yodel music map before, this book puts it there."—*Wisconsin State Journal* **The History of the 71st Infantry Division** [Pickle Partners Publishing](#) First published in 1946, this is an account of 71st Infantry Division's role in World War II, it was activated on July 15, 1943 at Camp Carson, Colorado. After some time training in the U.S. the division arrived in France in February 1945, entering the line at Ratswiller on 11th March 1945. Thereafter the 71st pushed the German forces back all the way back to the Siegfried Line, capturing Pirmasens 21st March and capturing Bayreuth after bitter opposition on 16th April. The Division had the distinction of having advanced the furthest east of all the U.S. Army units, by which time it had fought numerous bloody engagements and being involved in the liberation of a sub-concentration camp at Gunschirsen. **Musical Instruments, Their History in Western Culture from the Stone Age to the Present Old Time Variety An Illustrated History** [Casemate Publishers](#) As one of the richest sources of diversion for the people of Britain between the end of the First World War and the 1960s, the variety theater emerged from the embers of music hall, a vulgar and rambunctious entertainment that had held the working classes in thrall since the 1840s. Music hall bosses decided they would do better business if a man going to theaters on his own could take his wife and children with him, knowing they would see or hear nothing that would scandalize them. So variety, a gentler, less red-blooded entertainment was gradually established. At the top of the profession were Gracie Fields, a peerless singer and comedienne, and Max Miller, a comic who was renowned for being risqu, but who, in fact, never cracked a dirty joke. They were supported by acts that matched the word variety: ventriloquists, drag artists, animal acts, acrobats, jugglers, magicians and many more. But the variety theater was constantly under threat, first from revue, then radio, the cinema, girlie shows, the birth of rock n roll and finally television. By the end of the 1950s, the variety business seemed to have given up, but the recent and extraordinary popularity of talent shows on television has proved the public appetite is still there. Variety could be about to start all over again. **Handbook of Psychology, History of Psychology** [John Wiley & Sons](#) Psychology is of interest to academics from many fields, as well as to the thousands of academic and clinical psychologists and general public who can't help but be interested in learning more about why humans think and behave as they do. This award-winning twelve-volume reference covers every aspect of the ever-fascinating discipline of psychology and represents the most current knowledge in the field. This ten-year revision now covers discoveries based in neuroscience, clinical psychology's new interest in evidence-based practice and mindfulness, and new findings in social, developmental, and forensic psychology. **Handbook of Psychology, History of Psychology** [John Wiley & Sons](#) Includes established theories and cutting-edge developments. Presents the work of an international group of experts. Presents the nature, origin, implications, an future course of major unresolved issues in the area. **Classification Class M: Music and Books on Music The World's Progress: a Dictionary of Dates. Ten Years [1851-60] of the World's Progress.). **Cyclopedia of Chronology The World's Progress, a Dictionary of Dates: with Tabular Views of General History, and a Historical Chart The World's Progress A Dictionary of Dates. With Tabular Views of General History and a Historical Chart Classification. Class M Music and Books on Music Pathfinder A History of the Oratorio Vol. 1: The Oratorio in the Baroque Era: Italy, Vienna, Paris** [UNC Press Books](#) Howard Smither has written the first definitive work on the history of the oratorio since Arnold Schering published his *Geschichte des Oratoriums* in 1911. This volume is the first of a four-volume comprehensive study that offers a new synthesis of what is known to date about the oratorio. Volume 1, divided into three parts, opens with the examination of the medieval, Renaissance, and early Baroque antecedents and origins of the oratorio, with emphasis on Rome and Philip Neri's Congregation of the Oratory and with special attention to the earliest works for which the term oratorio seems appropriate. The second part recounts the development of the oratorio in Italy, circa 1640-1720. It reviews the social contexts, patrons, composers, poets, librettos, and music of the oratorio in Italy, especially in Vienna and Paris. The procedure adapted throughout the work is to treat first the social context, particularly the circumstances of performance of the oratorio in a given area and period, then to treat the libretto, and finally the music. For each geographic area and period, the author has selected for special attention a few oratorios that appear to be particularly important or representative. He has verified the information offered in the specialized literature whenever possible by reference to the music or documents. In a number of areas, particular seventeenth-century Italy, in which relatively few previous studies have been undertaken or secondary sources have proven to be inadequate, the author has examined the primary sources in manuscript and printed form -- music, librettos, and documents of early oratorio history. Impressive research and

intelligent integration of disparate elements make this complicated, diffuse subject both readable and accessible to the student of music. Volume 2, *The Oratorio in the Baroque Era: Protestant Germany and England*, and Volume 3, *The Oratorio in the Classical Era*, continue and expand the study of oratorio history. Although this series was originally announced as a three-volume study, Smither will conclude with a fourth volume. This new work--the first English-language study of the history of the oratorio will become the standard work on its subject and an enduring contribution to music and scholarship. Originally published in 1977.
