**THE LORD IS MY SHEPHERD; A 12 STEP JOURNEY THROUGH PSALM 23**

---

The Lord is My Shepherd; A 12 Step Journey through Psalm 23 is a recovery workbook and bible study. David's personal pronouns in Psalm 23 draws us in to experience God's loving care as our Good Shepherd. We fall in love with Jesus as we come to see ourselves as his beloved sheep. Within the safety of this intimate relationship we take an honest look at ourselves, our thoughts, our behaviors, our feelings, and our problems. The 12 Steps and Pslam 23 when studied together provide the perfect material for this comprehensive recovery process. Whether it's recovery from alcohol and other drug use/abuse, codependency, mental health disorders, process addictions, trauma, or pain from your past, the material is appropriate and designed to heal. Each week includes a wellness recovery action plan and relapse prevention material. It's as if Psalm 23 and The 12 Steps were meant to be studied together. Every line in David's poem is studied for 4 weeks along with one of the 12 Steps. Because there are 12 lines in Psalm 23 and 12 Steps, the material takes us through a 12 month journey. There's no better way to work the 12 Steps than to be guided, comforted, and restored by the Lord as your Shepherd. It's a beautiful recovery journey that will pleasantly surprise you at every turn. As a Licensed Advanced Alcohol and Drug Counselor with over 20 years experience I can attest to the positive value of this material. Churches, homeless shelters, sober living recovery homes, counseling centers, therapists and individuals use this recovery workbook and bible study resulting in the life-changing knowledge that "He restores my soul."

## LIFE WITHOUT LACK

---

---

### LIVING IN THE FULLNESS OF PSALM 23

---

Thomas Nelson Learn the secret of living with contentment, peace, and security. Pause for a moment and ask yourself what it would be like to be completely without fear. If you did not fear death. If you did not fear life and what it might bring. If you did not fear any man, or woman, or any living creature. How would you go about your days differently? In *Life Without Lack*, Dallas Willard revolutionizes our understanding of Psalm 23 by taking this comfortably familiar passage and revealing its extraordinary promises: "The Lord is my shepherd, I shall not want. . . . I will fear no evil." The psalmist claims to live without any need and without any fear. How is that possible? Written with Willard's characteristic gentle wisdom, *Life Without Lack* helps readers experience God's presence, his abundant generosity, and peace and freedom from worry. Based on a series of talks by the late author and edited by his friend Larry Burtoft and by his daughter, Rebecca Willard Heatley, *Life Without Lack* will forever change the way you understand and apply the most well-known passage in all Scripture.

## HE RESTORES MY SOUL

---

Author House This book is written to encourage the hopeless and broken and to tell at them that there is a better future and hope for healing. For inspiration, she turns to scripture passages that promise to reveal God's heart of love for the broken. She shares her own story as a testimony that God's word works when we apply it to our problems. He had restored her life, and she wants others to know and experience the peace and joy in knowing Jesus what brings.

## THE HOOK AND I: A CATHOLIC 12-STEP PROGRAM

---

AuthorHouse The Hook and I describes a 12-Step Recovery Program using traditional Catholic spirituality in an integrated approach that restores the entire 12-step recovery concept to its original Catholic roots in order to attack addictions by addressing the weaknesses of the soul, especially against "The Hook". More than a method to simply conquer an addiction, this technique of struggling against a "Hook" is used, first of all, to overcome the addiction, second, to grow in sanctity by striving for perfection and holiness, and thirdly, to give God glory for the graces He lovingly bestows on souls struggling against addictions. "The Hook", which can be any sinful addiction, is that primary means by which Satan uses to pull souls from the waters of sanctifying grace. The Hook is as much a permanent part of the soul as the temperament so that it can never really be removed; we can only cut the "fishing line of temptation" and to trim it as close to the hook as possible so that we are rarely, if ever, "reeled in" to the state of sin again. Written in conversational style yet true to Catholic teaching, "The Hook and I" covers the fight against a hook every step of the way, from "running aground" through each of the steps necessary to strengthen the soul to gain mastery over the Hook to the subsequent stages of using the success against the Hook as the springboard to holiness and the pursuit of perfection. "The Hook and I" was written as an apostolate of the Blessed Margaret Family Help Center, Inc, a non-profit 501(c)3 corporation to help families, both in and out of crisis, using traditional Catholic teachings. All royalties from the sale of *The Hook and I* go to finance the Center's activities.

## BEGIN AGAIN

---

---

### THE BRAVE PRACTICE OF RELEASING HURT AND RECEIVING REST

---

Revell What happens when life begins to trip us up and failure starts creeping in? Many of us just keep on doing the same thing, hoping for different results. Some of us look for escape, to find a way out of the mess we feel that we've created. But neither enduring nor escaping is ultimately what we need. The answer is to allow ourselves to begin again, every day, in every part of our lives. Through engaging, lyrical prose, Leeana Tankersley shows women how to forgive themselves, develop new and healthier patterns of living, and do away with resentment and regret. Her life-giving words will free women who are feeling stuck and allow them to clear out the debris to make room for what God wants to do in their lives. To begin again is to open the window, even a crack, to let the breeze of grace come in. It is a call to stop running from our fears. To take one small step toward becoming the brave women we were made to be.

### **MY STORY OF LUST, LOSS, HOPE, AND HEALING**

---

Wipf and Stock Publishers One Day at a Time provides an explicit view into my journey from obsession with lust, addiction to pornography use, and adultery to real emotional and spiritual healing. Lust, and the compulsive attitudes and actions it breeds, is one of the most profound and taboo issues facing humanity today. Most within the Church are too afraid to share their stories of struggle and redemption. Unfortunately, fear is born from shame, which keeps those struggling isolated, allowing for our obsessions and addictions to fester and destroy lives and families. Through anecdotal advice, scientific research, and honest, transparent, and humble autobiography, this book aims to bring awareness to the havoc lust, pornography use, and adultery are wreaking on society today.

### **HE HOLDS MY HAND**

---

Tyndale House Publishers 2018 Christian Book Award finalist (Devotion and Gift category) He Holds My Hand is a page-per-day 365-day devotional. Based on Scripture, this devotional is written as if God the Father is speaking His words of comfort and protection directly over you. When Carol Kent's son was sentenced to life in prison without parole, Carol was consumed with grief, sadness, and despair. She was distraught wondering why God permitted this to happen. She had prayed for her son since he was a small child. He had been raised with biblical principles and daily prayer. As Carol tried to make sense of everything, she couldn't help asking, Where's God when it hurts so much? In the middle of her sorrow, Carol turned to the place where she had always gone for comfort--the Bible. She was desperate to hear God's voice. She soon discovered that the best way for her to "listen" to His voice was to meditate on Scripture and then write out what she believed He was saying. She wrote it as if it was His prayer over her life, and it comforted her. It was as if He took her by the hand, as a father would guide a child, and He gently led her in the direction of unconditional love, renewed hope, and fresh faith. Know without a doubt that God is with you and stands ready to protect and guide you. He holds your hand, and He won't let go. Listen to God's voice and put your hand in His. He is your Comforter, your Healer, your Teacher, and your Joy. Remember He holds your hand, and He won't let go.

### **I CHANGED MY MIND**

---

Trafford Publishing Tracie has been writing all of her life—poems, short stories, and inspirational verse. Although blessed with this gift, she felt something was missing. Should there be more? Somewhere around 1992 she had an eye opening chit-chat in the ladies room at church with a friend. She discovered her friend had overcome some pretty big stumbling blocks in her own life and now had an amazing grace filled testimony! Tracie admired her friend's courage and grit and wished that she too had her own dramatic story; one that would inspire others. You know that old saying, "Be careful what you ask for?" Well, ask and you shall receive! Tracie got more drama than she had bargained for when she fell for a man who proceeded to turn her life upside down and inside out. She endured years of degradation, humiliation, and manipulation. She had been verbally accosted, emotionally drained, and mentally abused, but no more! She found her strength and remembered her gift. Changing her mind hadn't changed her purpose, so after regaining her life, she put it into words.

### 12 STEPS OF RELATIONSHIP AND FREEDOM

---

---

---

#### CALL NO MAN FATHER

---

WestBow Press The book 12 Steps of Relationship and Freedom explains the history of the fall of man after the coup d'états in heaven. At Eden, God won the redemption of humanity by the prototype garment (Genesis 3:21) for protection. The incident continues onward to provide a piece of advice about why we should be on alert and vigilant and what to do about an abusive relationship and depression. This is a true story. Each chapter is filled with inspiration on the journey to freedom. Along the way, is an in-depth explanation of some biblical truth and ways to overcome it all—for instance, grudge and unforgiveness. Abraham had been applauded for having great faith. Where did his faith come from? Religion must have a substance. Abraham's faith has an element from a city—find out the name. Can a negative past have a stronghold on you? The book explains how it should not. The promise is much easier to obtain than some may think or do.

#### SPIRITUAL PRACTICES OF BUILDING A LIFE OF FAITH

---

Abingdon Press "While physical training has some value, training in holy living is useful for everything. It has promise for this life now and the life to come." ~ 1 Timothy 4:8 Christians crave a deeper, more intimate relationship with God. Spiritual disciplines are activities and practices that guide you in your daily walk through life bringing you closer to Christ. They also help you to make a difference in our world. Practicing these spiritual disciplines opens you to God's transforming love and help you experience Holy Living. Confession may be good for the soul, as the saying goes, but most people give little thought to its practice, at least on a daily basis. Like prayer, a person's needs tend to trigger a confessional response. As a result, we often have a limited understanding of the true nature of the practice. Confession is so much more than a call to apologize, though that is an integral part. Confession is fundamentally relational, providing the opportunity to experience a much fuller relationship with God. This book provides opportunities both to examine and to practice the many forms that confession takes. It begins by looking at our confession of faith (not sins) and what we affirm about the nature and purposes of God. From there it moves to exploration and practices of individual confession, mutual confession, and worship, which provides one of the most significant contexts for the people of God to confess their sin before God and one another. This is one of series of eight books. Each book in this series introduces a spiritual practice, suggests way of living the practice daily, and provides opportunities to grow personally and in a faith community with others who engage with the practice. Each book consists of an introduction and four chapters and includes questions for personal reflection and group discussion. Other disciplines studied: Celebration, Discernment, Neighboring, Simplicity, Study, and Worship.

#### THE LIFE OF ELIJAH

---

Lulu Press, Inc From one generation to another, the servants of the Lord have sought to edify their fellow-believers by commenting on the Old Testament narrative. In such ministries expositions of the life of Elijah have always been prominent. His sudden appearance out of complete obscurity, his dramatic interventions in the national history of Israel, his miracles, his departure from earth in a chariot of fire, all serve to captivate the thought of preacher and writer alike. The New Testament sustains this interest. If Christ Jesus is the Prophet "like unto Moses," Elijah, too, has his New Testament counterpart in John—the greatest of the prophets. And even more remarkably, Elijah himself in living person reappears to view when, with Moses, he stands on the mount of "the excellent glory," "to speak of the strife that won our life with the incarnate Son of God."
