TAKING THE ARROW OUT OF THE HEART

Simon and Schuster * WINNER of the NAACP Image Award for Outstanding Literary Work * Alice Walker, author of the National Book Award and Pulitzer Prize-winning *The Color Purple*—“an American novel of permanent importance” (*San Francisco Chronicle*)—crafts a bilingual collection that is both playfully imaginative and intensely moving. Presented in both English and Spanish, Alice Walker shares a timely collection of nearly seventy works of passionate and powerful poetry that bears witness to our troubled times, while also chronicling a life well-lived. From poems of painful self-inquiry, to celebrating the simple beauty of baking frittatas, Walker offers us a window into her magical, at times difficult, and liberating world of activism, love, hope and, above all, gratitude. Whether she's urging us to preserve an urban paradise or behold the delicate necessity of beauty to the spirit, Walker encourages us to honor the divine that lives inside all of us and brings her legendary free verse to the page once again, demonstrating that she remains a revolutionary poet and an inspiration to generations of fans.

There's a whole shadow-world out there waiting to swallow me whole, a world I didn't even know existed until I used my powers and unleashed hell upon my naïve self. My new roommates are driving me crazy with their I-know-better attitudes, beckoning stares and stupidly handsome faces. I want to hunt the bastards that destroyed my future, but the brothers' past is catching up to us in the form of a smart, bitter, and deadly enemy, one who will stop at nothing to possess me. HEART OF THE WALKER

It's been a month since Josiah took what was left of our dying relationship and extinguished its embers. Making my home in Dormas, I'm finding my true self. I've settled into my job at the Bakery, and when I'm not avoiding Jules, I'm stealing moments with Maverick, Cyler, Jacob, Huxley, Patrick, and Kemper. I don't fool myself into thinking that my desire for all of them is something I'm worthy of, but every time I gladly settle for just friendship, they pull me closer, making me want them all the more. Even though life in Dormas brings its sweetness, danger always seems a heartbeat away. Trade deals, alliances, and unexpected friends are keeping us busy. If it's not the latest increase in X infected Scavengers, it's Emperor Lackley's unpredictable machinations to unleash an evil that will threaten not just the people I love, but us all. One thing I know for sure--I won't let that happen without a fight.

Six months on, winter has settled over the desert, and Charlie has the life he never dreamed possible. But living and working together, twenty four hours a day, seven days a week, for six months straight starts to take its toll. Charlie is a stubborn, stubborn man, who tends to have more conversations in his head than what comes out his mouth, whereas Travis has no problem saying what's on his mind. And even as they both struggle to communicate, struggle to make sense of need versus want, Charlie can see that he's pushing Travis away - yet seems helpless to stop it. When it all boils down to whether Travis should stay or go, maybe the decision won't be theirs to make.

THE TEMPLE OF MY FAMILIAR

Open Road Media *The Pulitzer Prize-winning author of The Color Purple weaves a “glorious and iridescent” tapestry of interrelated lives in this New York Times bestseller (Library Journal). In The Temple of My Familiar, Celie and Shug from The Color Purple subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie’s own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African-American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the author’s personal collection. The Temple of My Familiar is the 2nd book in the Color Purple Collection, which also includes The Color Purple and Possessing the Secret of Joy.*

THE WAY FORWARD IS WITH A BROKEN HEART

STORIES

Ballantine Books *“These are the stories that came to me to be told after the close of a magical marriage to an extraordinary man that ended in a less-than-magical divorce. I found myself unmoored, unmated, ungrounded in a way that challenged everything I’d ever thought about human relationships. Situated squarely in that terrifying paradise called freedom, precipitously out on so many emotional limbs, it was as if I had been born; and in fact I was being reborn as the woman I was to become.” So says Pulitzer Prize-winning author Alice Walker about her beautiful new book, in which “one of the best American writers today” (The Washington Post) gives us superb stories based on rich truths from her own experience. Imbued with Walker’s wise philosophy and understanding of people, the spirit, sex and love, The Way Forward Is with a Broken Heart begins with a lyrical, autobiographical story of a marriage set in the violent and volatile Deep South during the early years of the civil rights movement. Walker goes on to imagine stories that grew out of the life following that marriage—a life, she writes, that was “marked by deep sea-changes and transitions.” These provocative stories showcase Walker’s hard-won knowledge of love of many kinds and of the relationships that shape our lives, as well as her infectious sense of humor and joy. Filled with wonder at the power of the life force and of the capacity of human beings to move through love and loss and healing to love again, The Way Forward Is with a Broken Heart is an enriching, passionate book by “a lavishly gifted writer” (The New York Times Book Review).*

HER HEART WAS TRUE TO ME

WHERE THE CRAWDADS SING (MOVIE TIE-IN)

Penguin NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature” (The New York Times Book Review). For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

RECLAIMING OUR HEALTH

A GUIDE TO AFRICAN AMERICAN WELLNESS

Yale University Press “An interactive and empowering book” to help African American men and women create a new vision of better health and navigate the health care system (BET.com). According to the federal Office of Minority Health, African Americans “are affected by serious diseases and health conditions at far greater rates than other Americans.” In fact, African Americans suffer an estimated 85,000 excess deaths every year from diseases we know how to prevent: heart disease, stroke, cancer, high blood pressure, and diabetes. In this important and accessible book, Dr. Michelle Gourdine provides African Americans with the knowledge and guidance they need to take charge of their wellbeing. *Reclaiming Our Health* begins with an overview of the primary health concerns facing African Americans and explains who is at greatest risk of illness. Expanding on her career and life experiences as an African American physician, Dr. Gourdine presents key insights into the ways African American culture shapes health choices—how beliefs, traditions, and values can influence eating choices, exercise habits, and even the decision to seek medical attention. She translates extensive research into practical information and presents readers with concrete steps for achieving a healthier lifestyle, as well as strategies for navigating the health-care system. This interactive guide with illustrations is a vital resource for every African American on how to live a healthier and more empowered life, and an indispensable handbook for health-care providers, policy makers, and others working to close the health gap among people of color. RED DIRT HEART 4

Blueheart Press Moving from a Texas ranch to an Australian Outback station was a life changing decision for Travis Craig. Though it wasn't really a decision at all. Something in his bones told him to go, though he had no clue as to why. Until he met Sutton Station's owner, Charlie. Loving Charlie shouldn't have been easy. The man was stubborn, and riddled with crippling self-doubt. No, it shouldn't have been easy at all. Yet somehow, falling in love with Charlie was the easiest thing in the world. Loving him was easy. Living with him, teaching him how to love in return and, more importantly, how to love himself, was not. But Travis knew all along it'd be worth it. He knew the man with the red dirt heart was destined to be his. Just like he knew the red dirt that surrounded him was where he was supposed to be. In the final instalment of the Red Dirt Series, we see Charlie through Travis' eyes. We see how much he's grown and how much he loves.
