THE GLEE CAST

INSPIRING GLEEK MANIA

Twenty-First Century Books As USA TODAY, the Nation's No. 1 Newspaper, puts it about the television megahit Glee, "There have been few shows as rousing, promising, perplexing and potentially heartbreaking as this high school musical comedy....It's an outlandishly entertaining musical schoolhouse romp." Much of Glee's appeal comes from its cast of outsiders and misfits--singers and dancers almost as talented as the actors who play them. Viewers love Chris Colfer as the bullied gay Kurt Hummel, Amber Riley in the role of plus-size diva wannabe Mercedes Jones, Lea Michele's take on "Miss Perfect" Rachel Berry, Jane Lynch's unforgettable performances as nasty cheerleading coach Sue Sylvester, and Mark Salling's bad boy image in the role of jock football player Noah "Puck" Puckerman. And that's only some of the Glee talent readers will get to know in this entertaining biography. From Broadway veterans to virtual unknowns, these gifted performers all have one thing in common. They worked tirelessly to achieve their goals and never,

ever gave up on their dreams.

ART SEX MUSIC

Faber & Faber A SUNDAY TIMES, TELEGRAPH, ROUGH TRADE, PITCHFORK AND UNCUT MUSIC BOOK OF THE YEAR SHORTLISTED FOR THE PENDERYN MUSIC BOOK PRIZE Art Sex Music is the autobiography of a musician who, as a founding member of the avant-garde group Throbbing Gristle and electronic pioneers Chris & Cosey, has consistently challenged the boundaries of music over the past four decades. It is the account of an artist who, as part of COUM Transmissions, represented Britain at the IXth Biennale de Paris, whose Prostitution show at the ICA in 1976 caused the Conservative MP Nicholas Fairbairn to declare her, COUM and Throbbing Gristle 'Wreckers of Civilisation' . . . shortly before he was arrested for indecent exposure, and whose work continues to be held at the vanguard of contemporary art. And it is the story of her work as a pornographic model and striptease artiste which challenged assumptions about morality, erotica and art. Art Sex Music is the wise, shocking and elegant autobiography of Cosey Fanni Tutti.

CREATING MEANINGFUL MUSEUM EXPERIENCES FOR K-12 AUDIENCES

HOW TO CONNECT WITH TEACHERS AND ENGAGE STUDENTS

Rowman & Littlefield This timely book provides a critical look at one of the staples of museum education programming: the "field trip" for school groups. The K-12 audience is of major importance to museums: not only does reaching students relate directly to the educational mission of museums, but also our institutions rely on the revenue generated by school groups.

COMMUNITY MUSIC AT THE BOUNDARIES

Wilfrid Laurier Univ. Press Music lives where people live. Historically, music study has centred on the conservatory, which privileges the study of the Western European canon and Western European practice . The Eurocentric way music has been studied has excluded communities that are considered to be marginalized in one or more ways despite that the majority of human experiences with music is found outside of that realm. Community music has emerged as a counter-narrative to the hegemonic music canon: it seeks to increase the participation of those living on the boundaries. Community Music at the Boundaries explores music and music-making on those edges. "The real power of community music," writes Roger Mantie in the foreword, "lies not in the fiction of trying to eliminate boundaries (or pretending they don't exist), but in embracing the challenge of 'walking' them." Contributions from scholars and researchers, music practitioners, and administrators examine the intersection of music and communities in a variety of music-making forms: ensembles, university and police choirs, bands, prison performing groups, youth music groups, instrument classes, symphonies, drum circles, and musical direction and performance. Some of the topics explored in the volume include education and change, music and Indigenous communities, health and wellness, music by incarcerated persons, and cultural identity. By shining a light on boundaries, this

volume provides a wealth of international perspectives and knowledge about the ways that music enhances lives.

THE LONERS

Carolrhoda Lab ® It was just another ordinary day at McKinley High—until a massive explosion devastated the school. When loner David Thorpe tried to help his English teacher to safety, the teacher convulsed and died right in front of him. And that was just the beginning. A year later, McKinley has descended into chaos. All the students are infected with a virus that makes them deadly to adults. The school is under military quarantine. The teachers are gone. Violent gangs have formed based on high school social cliques. Without a gang, you're as good as dead. And David has no gang. It's just him and his little brother, Will, against the whole school. In this frighteningly dark and captivating novel, Lex Thomas locks readers inside a school where kids don't fight to be popular, they fight to stay alive.

MAFIA SUMMER

A NOVEL

Bloomsbury Publishing USA One a Sicilian Hell's Kitchen gang leader, the other a sickly but brilliant Orthodox Jewish boy who lives next door, Vinny Vesta and Sidney Butcher meet on a fire escape during the blistering New York City summer of 1950. Their friendship develops over the course of a summer that will change Vinny's fortunes forever, at a cost he could never have imagined. Based on a true story, Mafia Summer brilliantly captures a pivotal moment in Mafia history and in the lives of the teenagers caught up by the Mob. "Influenced more by Billy Bathgate than by The Godfather...Sweet, affectionate, and bloody: a glance backward to a well-spent youth."-Kirkus Reviews "E. Duke Vincent hits the target dead center with this first novel set on the bloody streets of Hell's Kitchen. A mini-epic, complete with a full-scale crime war, Mafia Summer remains a detailed tale of friendship and of the best kind of loyalty. A masterful performance."-Lorenzo Carcaterra, author of Sleepers and Paradise City "One of the best books on the mafia I have ever read. Right up there with The Godfather."-New York Times bestselling author Jack Higgins

THE LAST PLACE YOU LOOK

The last time Marilyn actually spoke to Benjamin was when she needed to borrow a crayon... that was ten years ago. Benjamin and Marilyn have known each other all their lives. They've gone to the same schools, ridden the same bus, and had the same teachers for as long as either of them can remember. But they aren't friends. It's nothing personal; they just don't have much in common. Benjamin has always been a bit of a geek. Marilyn is shocked when Benjamin refuses to do her one little favor. Boys don't usually say 'no' to her. And okay it actually would have been a pretty big favor. When Marilyn stops by his house to apologize for her behavior she is even more shocked to find that she likes spending time with him. He's still a geek, but he's also funny, thoughtful, and sweet. And she likes the way she feels when they are together. What a surprise that after all these years they can still find friendship. It just goes to show that sometimes you find the best things in the last place you look.

THE EVOLUTION OF THE EYE

Springer With fascinating, spectacularly beautiful images, the book piques readers' curiosity about the diversity of visual organs. This book is the result of a dual approach – scientific as well as aesthetic. The compelling images are accompanied by an easy-to-read, understandable text, aimed at both scientists and the educated public, and generally anyone interested in the beauty of nature. Thanks to this combination, the book presents the staggering diversity of eyes in the animal kingdom and provides countless insights into the intriguing mechanisms at work – from simple pigment cups to independently flexible, telescopic, facet and lens eyes. Educational, exciting, entertaining till the last page, this is a book for anyone who is interested in evolution, nature and the miracle of life.

KANSAS MUSIC REVIEW

EVERYBODY'S RIGHT

Random House This is the story of Tony Pagoda, a hero of our time, a man of incredible energies and appetites with a dark secret in his past and a unique perspective on the world. 1980s Italy is Tony's oyster. A charismatic singer, he is talented and successful, up to his neck in money, drugs and women, enjoying an extravagant lifestyle in Naples and Capri. But when life gets complicated, Tony decides it's time for a change. While on tour, he disappears to Brazil and an existence free from excess, where all he has to worry about are the herculean cockroaches. But after eighteen years of humid Amazonian exile, somebody is willing to sign a giant cheque to bring Tony back to Italy. How will he face the temptations of his old habits and the new century?

LET US DREAM

THE PATH TO A BETTER FUTURE

*Simon and Schuster In this uplifting and practical book, written in collaboration with his biographer, Austen Ivereigh, the preeminent spiritual leader explains why we must—and how we can—make the world safer, fairer, and healthier for all people now. In the COVID crisis, the beloved shepherd of over one billion Catholics saw the cruelty and inequity of our society exposed more vividly than ever before. He also saw, in the resilience, generosity, and creativity of so many people, the means to rescue our society, our economy, and our planet. In direct, powerful prose, Pope Francis urges us not to let the pain be in vain. He begins *Let Us Dream* by exploring what this crisis can teach us about how to handle upheaval of any kind in our own lives and the world at large. With unprecedented candor, he reveals how three crises in his own life changed him dramatically for the better. By its very nature, he shows, crisis presents us with a choice: we make a grievous error if we try to return to some pre-crisis state. But if we have the courage to change, we can emerge from the crisis better than before. Francis then offers a brilliant, scathing critique of the systems and ideologies that conspired to produce the current crisis, from a global economy obsessed with profit and heedless of the people and environment it harms, to politicians who foment their people's fear and use it to increase their own power at their people's expense. He reminds us that Christians' first duty is to serve others, especially the poor and the marginalized, just as Jesus did. Finally, the Pope offers an inspiring and actionable blueprint for building a better world for all humanity by putting the poor and the planet at the heart of new thinking. For this plan, he draws not only on sacred sources, but on the latest findings from renowned scientists, economists, activists, and other thinkers. Yet rather than simply offer prescriptions, he shows how ordinary people acting together despite their differences can discover unforeseen possibilities. Along the way, he offers dozens of wise and surprising observations on the value of unconventional thinking, on why we must dramatically increase women's leadership in the Church and throughout society, on what he learned while scouring the streets of Buenos Aires with garbage-pickers, and much more. *Let Us Dream* is an epiphany, a call to arms, and a pleasure to read. It is Pope Francis at his most personal, profound and passionate. With this book and with open hearts, we can change the world.*

LET THE MUSIC PLAY!

HARNESSING THE POWER OF MUSIC FOR HISTORY AND SOCIAL STUDIES CLASSROOMS

IAP LET THE MUSIC PLAY! Harnessing the Power of Music for History and Social Studies Classrooms provides readers an accessible introduction to employing music in history and social studies classrooms. Teachers who wish to develop lessons using music as a resource will find coverage of the significant relationship between music and social studies, pedagogical models designed to facilitate using music within history and social studies lessons, and coverage of salient historical themes in which music has been integral. The book begins by establishing the connection between music and social studies themes. Here readers will explore the ways musicians have

attempted to address social, political or historical events and issues through song. Through relevant research and exclusive interviews done for this book, the thoughts of prominent musicians noted for songs promoting social consciousness and self-awareness - including Ian MacKaye, Henry Rollins and Aaron Bedard-are shared. The views of teachers and students in terms of the connections between music and the social studies as well as their inclinations to using music in social studies classrooms are also prominently addressed. Additionally, the book furnishes readers with a practical guide to using music in the social studies classroom. Through explanation of four models for using music in the classroom, readers gain relevant ideas useful for a wide variety of instructional methodologies. And finally, the authors delve into three of the most enduring themes in American history and social studies curricula: race, labor and class. Through an examination of these topics, within the framework of music, readers are given the opportunity to discern the way music has manifested in each of these topics. Readers will also enjoy lesson plans and annotated playlists associated with each of these topics.

TV (THE BOOK)

TWO EXPERTS PICK THE GREATEST AMERICAN SHOWS OF ALL TIME

Grand Central Publishing Is The Wire better than Breaking Bad? Is Cheers better than Seinfeld? What's the best high school show ever made? Why did Moonlighting really fall apart? Was the Arrested Development Netflix season brilliant or terrible? For twenty years-since they shared a TV column at Tony Soprano's hometown newspaper-critics Alan Sepinwall and Matt Zoller Seitz have been debating these questions and many more, but it all ultimately boils down to this: What's the greatest TV show ever? That debate reaches an epic conclusion in TV (THE BOOK). Sepinwall and Seitz have identified and ranked the 100 greatest scripted shows in American TV history. Using a complex, obsessively all-encompassing scoring system, they've created a Pantheon of top TV shows, each accompanied by essays delving into what made these shows great. From vintage classics like The Twilight Zone and I Love Lucy to modern masterpieces like Mad Men and Friday Night Lights, from huge hits like All in the Family and ER to short-lived favorites like Firefly and Freaks and Geeks, TV (THE BOOK) will bring the triumphs of the small screen together in one amazing compendium. Sepinwall and Seitz's argument has ended. Now it's time for yours to begin!
