### A DICTIONARY OF METAPHYSICAL TERMS

CreateSpace Charles Sherlock Fillmore (August 22, 1854 - July 5, 1948) founded Unity, a church within the New Thought movement, with his wife, Myrtle Page Fillmore, in 1889. He became known as an American mystic for his contributions to spiritualist interpretations of Biblical scripture. He married Myrtle in Clinton, Missouri on March 29, 1881 and the newlyweds moved to Pueblo, Colorado, where Charles established a real estate business with the brother-in-law of Nona Lovell Brooks, who was later to found the Church of Divine Science. After the births of their first two sons, Lowell Page Fillmore and Waldo Rickert Fillmore, the family moved to Kansas City, Missouri. Two years later, in 1886, Charles and Myrtle attended New Thought classes held by Dr. E. B. Weeks. Myrtle subsequently recovered from chronic tuberculosis and attributed her recovery to her use of prayer and other methods learned in Weeks's classes. Subsequently Fillmore became a devoted student of philosophy and religion. In 1889, Charles left his business to focus entirely on a prayer group that would later be called 'Silent Unity'. It was named this because of a legal conflict with Mary Baker Eddy over the use of the title Christian Science. That same year he began publication of a new periodical, 'Modern Thought', notable among other things as the first publication to accept for publication the writings of the then 27-year-old New Thought pioneer William Walker Atkinson. In 1891, Fillmore's 'Unity' magazine was first published. Dr. H. Emilie Cady published 'Lessons in Truth' in the new magazine. This material later was compiled and published in a book by the same name, which served as a seminal work of the Unity Church. Although Charles had no intention of making Unity into a denomination, his students wanted a more organized group. He and his wife were among the first ordained Unity ministers in 1906. Charles and Myrtle Fillmore operated the Unity organization from a campus near downtown Kansas City. Cover photography by Paul Spremulli.

## PROSPERITY

---

Cosimo, Inc. American mystic CHARLES FILLMORE (1854-1948) was a founder of Unity Church, part of the early "New Age" movement called New Thought that was popular in the late 19th and early 20th centuries. Unity adheres to a "positive, practical Christianity," and this 1940 edition embodies that philosophy: it preaches that poverty is a sin, and that God wants us to be rich...a strain that has been picked up by some modern fundamentalist preachers in a way not entirely faithful to Fillmore's beliefs. Fillmore's lessons encompass... [ Spiritual Substance, the Fundamental Basis of the Universe [ Spiritual Mind, the Omnipresent Directive Principle of Prosperity [ Faith in the Invisible Substance, the Key to Demonstration [ Man, the Inlet and Outlet of Divine Mind [ The Law That Governs the Manifestation of Supply [ Wealth of Mind Expresses Itself in Riches [ God Has Provided Prosperity for Every Home [ God Will Pay Your Debts [ Tithing, the Road to Prosperity [ Right Giving, the Key to Abundant Receiving [ Laying Up Treasures [ Overcoming the Thought of Lack

## THE LAST VISPO ANTHOLOGY

---

## VISUAL POETRY 1998-2008

---

Fantagraphics Books This book collects experimental "visual poetry." With The Last Vispo Anthology, Fantagraphics spotlights the intersection of art and language in this innovative new collection — without peer in English — that gathers the work of visual poets from around the world into one stunning volume. The alphabet is turned on its head and inside-out and the results culminate in a compilation of daring and surprising verbo-visual gems. The Last Vispo is composed of visual poetry (a portmanteau of the words "visual" and "poetry) from the years 1998 to 2008, during a burst of creative activity fueled by file sharing and e-mail, which made it possible for the vispo community to establish a more heightened and sophisticated dialogue with one another. The collection extends the dialectic between art and literature that began with ancient "shaped text," medieval pattern poetry, and dada typography, pushing past the concrete poetics of the 1950s and the subsequent mail art movement of the 1980s to its current incarnation. Rather than settle into predictable, unchallenged patterns, this vibrant poetry seizes new tools to expand the body of work that inhabits the borderlands of visual art and poetic language. The Last Vispo features 148 contributors from 23 countries on five continents. It includes 12 essays that illuminate the abundant history and the state of vispo today. The anthology offers a broad amalgam of long-time practitioners and poets new to visual poetry over the last decade, underscoring the longevity and the continued vitality of the art form.

### **THE TWELVE POWERS**

---

Createspace Independent Publishing Platform The Twelve Powers is a metaphysical look at twelve expressions of the divine power inherent in each of us. Expressions such as love, faith, strength, zeal, and imagination are discussed. Jesus prophesied of the time when we who would sit with him on twelve thrones, judging the twelve tribes of Israel. This book

explains the meaning of this mystical reference, what and where the twelve thrones are, and what attainments are necessary by us before we can follow Jesus in this phase of regeneration. Generation sustains and perpetuates the human; regeneration unfolds and glorifies the divine. It is not expected that beginners in the study of metaphysical Christianity will understand this book. It deals with forces that function below and above the field of the conscious mind. The average religious thinker knows nothing about the sub-conscious mind and very little about the super-conscious; this book presupposes a working knowledge of both. This book aims to clear up the mystery that ever envelops the advent, life, and death of Jesus. Here is your copy of this classic New Thought book. Read it, follow it, meditate on it and you can use the twelve powers.
