### HOW TO GET YOUR WIFE TO CUCKOLD: A COUPLES GUIDE

---

We are Kat and Greg and we have been married for five years as of the writing of this book. To our friends and family, we have a normal monogamous relationship that is happy. We own a successful business together. Behind closed doors however, we have a cuckold or hotwife relationship. We will make a few assumptions about your knowledge of the topic since you found this book. We expect that you at least have a general idea of what cuckolding is. We are writing this book to help other couples who are interested in the lifestyle. We want to share our experiences with the world. Our relationship didn't start out this way, it evolved over time. We both read a lot about the topic as our relationship evolved. In particular, we enjoyed reading about other couple's experiences to help find our way through this new territory. Hearing about first-hand experiences on any topic you wish to learn about and explore is helpful. Now that we have settled into a comfortable place, we want to help others find their way. The format of this book will be general information to start each chapter, followed by personal thoughts from both Kat and Greg individually. We hope this will give you the basic information plus a more personal spin that you can relate to. It is a well-known fact that men and women think differently about everything. Even if we agree on something, we usually have different reasons for thinking the way we do. By sharing not just general information, but also two different views of that information, we hope to really give you a great sense of the topics.

## **THE PSYCHOLOGY BEHIND THE CUCKOLD FETISH**

---

---

### **HOW IT'S CAUSED, WHAT IT MEANS ABOUT YOU, AND HOW TO CHANGE**

---

*Independently Published* There's nothing wrong with having a fetish; they're just sexual desires that society frowns upon, and that shouldn't stop you if you're happy. This book is written with that in mind, but mainly aimed at those who aren't happy, or those who are curious enough to investigate their psychology and understand themselves. Over the years, researchers in psychology have found success in many methods of changing or removing problematic sexual desires, and these are reviewed in this fully referenced, evidence-based self-help book. The distinctive feature of the cuckold fetish is that it involves being cheated on, right in front of you. The pain of infidelity and the humiliating feeling of inadequacy are what constitute this fetish. 'For some reason', this fetish turns the feeling of inadequacy into sexual pleasure. The possible explanations for this are reviewed in chapter 1, before chapter 2 explores this concept of inadequacy more deeply. The cuckold fetish turns painful deep-rooted fears of inadequacy and a subconscious sense of inadequacy into sexual pleasure. This is linked to the optional interracial element, as well as fetishes for humiliation, chastity, emasculation/feminization, and more. Most importantly of all, it's about the woman enjoying it, loving every second, losing control, and moaning more than ever, because that's what triggers the sense of inadequacy. By understanding these fears and feelings, we understand ourselves, and learn the unconscious drivers for most of our actions in life. Chapter 3 explores the way these deep-rooted fears and feelings can affect your life; causing all sorts of behaviors, like: addictions (alcoholism, drugs, gambling, or porn). Obsessive self-improvement (work, money, dieting/bodybuilding, or knowledge). Escapism (excessive video games, TV, Films, intellectualization). Grandiose fantasies, as well as occasional subhuman perceptions; an unstable sense of self. Underachieving, procrastinating, overachieving, perfectionism. Chapter 4 is all about how this subconscious inadequacy formed in the first place: it's initially formed in early childhood. Many factors affect it, such as not having privacy, attention, control, or security, unemotional fathers, absent fathers, workaholic fathers, alcoholic parents, physical punishment, needy parents, or narcissistic parents. Other factors throughout life can affect it too, such as culture and relationships, and being

cheated on in the past. You've probably either attracted 'crazy' girlfriends that you're avoidant to, or distant/cold girlfriends that you're too needy to. Chapter 5 is about taking action. Numerous practical steps are presented to change your fetish, in both the short and the long term, from all angles in psychology including behavioral, psychodynamic, social, physiological, and humanistic. As with the rest of this book, significant statements are referenced and backed up with appropriate sources, which are listed at the end of the book. Debut self-help author and experienced fetish researcher Connor McGonigal guides you through the multi-step process to understand and overcome the causative psychology of the cuckold fantasy, refined by years of coaching men 1-on-1, and his self-help video course of the same name. This book is about using your fetish to understand yourself - the most fundamental aspects of your psychology - and being able to grow as a person, whether you want to change your fetish with it or not. Fetishes can naturally come and go over the course of our lifetimes, because we change and grow as people. Sometimes, the fears and self-image that we had at one point in our lives is completely different from today, and as a result, our sexual fantasies change to match. This book is about speeding up that process - understanding 'subconscious inadequacy', and overcoming it.

## **INSATIABLE WIVES**

---

---

### **WOMEN WHO STRAY AND THE MEN WHO LOVE THEM**

---

*Rowman & Littlefield Pub Incorporated* This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. It is called by many names, and lived in a variety of ways by different couples. The most common terms used to describe it are 'hotwife' or 'cuckold lifestyle.' This sexual practice, a form of sexual nonmonogamy, is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men. The author includes interviews and comments from couples living the lifestyle throughout the U.S., and presents the stories in an attempt to determine the history of this sexual practice and its role in society and in relationships. He explores the psychological, social, biological, and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious.

## THE SURRENDERED WIFE

---

*Simon and Schuster* A New York Times bestseller, this controversial guide to improving your marriage has transformed thousands of relationships, bringing women romance, harmony, and the intimacy they crave. Antonio's solution is to go get drunk and get laid by a stranger-all at the expense of his long-suffering wife Abigail. But after Antonio meets mystery woman Jennifer, he gets an indecent proposal. Jennifer and her husband have the solution to Antonio's financial problems but they want a piece of his soul in return - namely the sexual services of his wife! Antonio laughs the deal off...until his wife tells him that she's willing to sign a contract and perform, IF it will solve their debt crisis. What follows is a shocking journey into sexual depravity, where macho man Antonio will have to unlearn his big ego and watch his wife surrender herself to one orgasmic experience after another at the hands of men she'll be dreaming about for the rest of her life. The psychological torments he must endure mount through each encounter as he discovers what it means to be truly cuckolded by his wife, inside and out. Real life cuckoldress Raven Merlot continues her exploration of the psyche of a hotwife and her cuckold. She can't wait to share with you the thrills that Abigail experiences at the hands of better lovers than her husband. As always, the author wants you to understand what is going on in minds of both the liberated hotwife and the increasingly submissive cuckolded husband.**

### **EVOLUTIONARY PERSPECTIVES ON MALE ANTI-CUCKOLDRY TACTICS**

---

*Cambridge University Press* **Although commonly believed that males are more promiscuous than females, new research has revealed that female infidelity is a common occurrence throughout the animal kingdom. Female Infidelity and Paternal Uncertainty is the first book to address how males deal with the consequences of female infidelity and the strategies they have evolved to try to avoid the possibility of raising an offspring they unknowingly did not sire. Each chapter deals with a specific evolved strategy developed to aid males in either limiting opportunities for their mate to be unfaithful or to 'correct' the by-products of infidelity should it occur. With sections including mate guarding, intra-vaginal tactics and paternity assessment, this book will appeal to researchers and graduate students in behavioral biology, evolutionary psychology, human sexuality, anthropology, sociology, reproductive health and medicine.**

### **SOMETIMES YOUR HUSBAND ISN'T ENOUGH**

---

*Createspace Independent Publishing Platform* **Sometimes your husband is not enough. Hopefully he understands this, and supports you in getting the pleasure you need. This is the sweet kind of cuckolding. With a husband who loves you and wants you to be sexually satisfied, even if it isn't with him. These bedtime stories are for those times when you want to be physically taken care of by a man who knows exactly what your body needs while being loved by a man who is committed to you no matter what. These six sweet but raunchy sexual romps are just what you need before bed, or any other time of day for that matter. They tell the stories of women finding passion and excitement in the embrace of other men. They seek it because their marriages have become dull, because they need an encounter with an aggressive alpha male, because they want to get pregnant, because they need to feel what it's like to have multiple strange men use them at the same time, and because their husbands know that a wife's pleasure has to come first. Real life cuckoldress Raven Merlot and her collaborator, Alexandra Noir, are proud to give you a peek into the exciting lifestyles that they enjoy. Don't worry! We understand your hidden desires and your secrets are safe with us. In Cuckolded by Her Stepbrother, Lana has been secretly lusting after her step-brother for years. As a teenager she**

accidentally walked in on him in the shower and no other man since has "measured up." No matter how hard her husband tried, he just couldn't be the man that she'd dreamed about. Finally, Lana hatches a plan over Thanksgiving to make her cuckolding fantasy come true. In *My Wife Submits to Him*, Jake is determined to see his wife Stella become a submissive sex puppet but he knows that he isn't the man for the job. He's fantasized about another man making his wife into a sex slave for years and he's finally hatched a plan to make sure it happens. In *Taken By My Husband's Boss*, Kenny has already come to terms with his wife Eva's slutty ways. He's figured that she could have a waiter or a bartender here and there if it made her truly happy. What he never reckoned with was Eva deciding that Kenny's boss, Marco, was next on her list. She'd always had her eye on him and now that Kenny is in line for a promotion Eva sees this as the perfect to cuckold Kenny for his own good. Her husband would never admit it but the thought of being one-upped by his boss might just be the cuckolding fantasy that he'd always dreamed of. In *My Husband Doesn't Satisfy Me*, Jenny and Stan are newlyweds, barely out of the honeymoon stage. But something was missing. Every time they were out and about her eyes would linger over the bodies, the eyes, the breasts of other women. There was an ache deep inside of her for the touch of another woman. She'd had girlfriends before but had hoped she'd left her bisexuality behind her when she got married. Regardless of her hopes she becomes infatuated with Lila, and it doesn't take much convincing for Lila to get in on the game. Before long she's calling the shots in the bedroom and both Stan and Jenny quickly learn to love it. The story continues in *Craving Dark Chocolate*. Stan is just getting used to his new normal of sharing Jenny with women when Lila has to move away. Now that there's less excitement in their bedroom Jenny worries that Stan thinks she isn't attracted to men anymore but she has a plan to convince him that everything is alright. Jenny decides to bring a dark-skinned bull back to their bedroom to show Stan how much she likes men and how much of a man she can take. In *High Tide*, Josh and Kendra have been vacationing on a tropical island when a hurricane shuts down the entire area. They take up shelter with mysterious local named Philippe. This offers a perfect chance for them to indulge in their favorite hobby, Kendra getting taken by a well endowed stranger, and Josh watching approvingly.

### **A KLEINIAN APPROACH TO THE LITERATURE OF INFIDELITY**

---

*Oxford University Press* Drawing on psychoanalysis, and primarily the work of Melanie Klein, Dr Sinclair argues that the differing representations of the deceived husband evidence anxieties within patriarchal society about gender and power, about emotional experience, and our ultimate fate of death. Detailed discussions of a wide range of texts including *The Canterbury Tales*, *The Decameron*, *Othello*, *Madame Bovary*, *Effi Briest*, *Anna Karenina*, *La Regenta*, and *Flaubert's Parrot* reveal that fundamental anxieties about masculinity are repeatedly articulated in two main characterizations of the deceived husband: the cuckold and the man of honour.

### **DNA OF A CUCKOLD - HUSBAND EDITION: UNDERSTANDING YOURSELF, YOUR ANGST AND WHAT TO DO NEXT**

---

What does a real-life cuckold relationship actually look like? Can you convert your wife into a hotwife? Allora Sinclair examines the cuckold lifestyle in a refreshing, open and honest way, drawing on her own experience in a cuckold marriage for over seven years. No stone is left unturned in this real, objective and comprehensive blueprint. She demystifies the erotic and pornographic distortions this alternative lifestyle presents. Filtering out the psychobabble, she helps guide you to establish if it's something within you through self-analysis. Cuckold angst, establishing boundaries and maintaining a healthy relationship are all discussed in detail. While recognizing the specific issues between husband and wife her perspective remains from the cuck's point of view throughout the analysis. This is a must-read for any male considering cuckolding as a real-life direction.

## CUCKOLD LETTERS

---

### EVOLUTION OF A CUCKOLDRESS

---

A collection of e-mails exchanged with a man who would become my cuckold husband. My interest in a twisted fantasy becomes a journey to becoming a dominant wife. {Excerpt}...I will be leaving for my date at 6pm. There is a party to attend, & I imagine he will be taking me somewhere to "do" me after. I can't predict what time I will be home, but if I have to guess, at the very latest 11-12. I won't end my date early to accommodate you. But since I don't know yet when I will arrive home, I would like you to still be awake as I may need some "servicing" after.... {Excerpt}...I have enjoyed thoroughly knowing that my emails make you sweat, I love to say something that I know shocks you, just to try different things, different ways of making you sweat. I'm sure you understand.... \_Excerpt}...You don't have to think about what to say and do and feel, I've decided for you. M is going to do me with that perfect rod for so long, and you know I will be sore and red and swollen. Your mouth will feel so soft and nice on my me after a good lay by such a man. Also, when his potent sperm is spilled across me, you'll have little time to be sure that M's seed doesn't gain access to me. His creamy sperm mustn't reach my pussy, for it would surely impregnate me. We can't have that..... You have to clean it up..... {Excerpt}...I really don't see what the problem could be. You want my lover to keep coming and enjoying himself, right? I want to make myself look pretty for my new lover, and keep him coming back to stuff his HUGE self into me. It's no different than when I do anything else for him before a date. I shower for him. I shave my legs, for him. I do a bit more with my hair.....for him. It's all for a purpose. The more I turn on my lover, the more excited he gets, ultimately, the more mess for you to deal with. I enjoy humiliating you cocky, and so the more sperm milked from my lovers means all the more time I will have to treat you like the cuckold husband you are. All giving me pleasure at your expense. So, you have to admit, it's all done for you too. You should be happy I trimmed my hair for him. You should be happy I will give you the opportunity to experience my me with all 5 of your senses, up close, after being filled by a superior man. Tonight, you will get that privilege again. ... {Excerpt}...Where it ends up never matters either, because where ever it falls, it all ends up in the same place in the end. If it is runny, thin, goopy, drippy, gloppy, chunky, sticky, tacky, or even when it smells strong and pungent, it's up to you to clean up every drop. ... {Excerpt}...It's only fair that I inform you of what I expect from you during the wedding and the honeymoon, because I do have specific plans, and instructions for you. All of this is just to establish firmly from the start what your role is as my husband, my faithful cuckold. To prepare for our honeymoon, you will be expected to make the arrangements. You will book us for a hotel suite, you know, where we occupy 2 rooms, and there is a door connecting the 2 rooms inside. You will need to book this kind of room so that I can continue cuckolding you when I like throughout our honeymoon.
