How to Make Your Money Last The Indispensable Retirement Guide *Simon and Schuster* "With **How to Make Your Money Last**, you will learn how to turn your retirement savings into a steady paycheck that will last for life. Today, people worry that they're going to run out of money in their older age. That won't happen if you use a few tricks for squeezing higher payments from your assets--from your Social Security account (find the hidden values there), pension (monthly income or lump sum?), home equity (sell and invest the proceeds or take a reverse mortgage?), savings (should you buy a lifetime annuity?), and retirement accounts (how to invest and--critically--how much to withdraw from your savings each year?). The right moves will not only raise the amount you have to spend, they'll stretch out your money over many more years. You will also learn to look at your savings and investments in a new way. If you stick with super-safe choices the money might not last. You need safe money to help pay the bills in your early retirement years. But to ensure that you'll still have spending money 10 and 20 years from now, you have to invest for growth, today.

Quinn shows you how. At a time when people are living longer, yet retiring with a smaller pot of savings than they'd hoped for, this book will become the essential guide"-- **How to Make Your Money Last The Indispensable Retirement Guide** *Simon and Schuster* **NOW COMPLETELY UPDATED** to reflect the changes in tax legislation, health insurance, and the new investment realities. In this "highly valuable resource" (Publishers Weekly, starred review) Quinn "provides simple, straightforward" (The New York Times) solutions to the universal retirement dilemma—how to make your limited savings last for life—covering mortgages, social security, income investing, annuities, and more! Will you run out of money in your older age? That's the biggest worry for people newly retired or planning to retire. Fortunately, you don't have to plan in the dark. Jane Bryant Quinn tells you how to squeeze a higher income from all your assets—including your social security account (get every dollar you're entitled to), a pension (discover whether a lump sum or a lifetime monthly income will pay you more), your home equity (sell, rent, or take a reverse mortgage?), savings (how to use them safely to raise your monthly income), retirement accounts (invest the money for growth in ways that let you sleep at night), and—critically—how much of your savings you can afford to spend every year without running out. There are easy ways to figure all this out. Who knew? Quinn also shows you how to evaluate your real risks. If you stick with super-safe investment choices, your money might not last and your lifestyle might erode. The same might be true if you rely on traditional income investments. Quinn rethinks the meaning of "income investing," by combining reliable cash flow during the early years of your retirement with low-risk growth investments, to provide extra money for your later years. Odds are, you'll live longer than you might imagine, meaning that your savings will stretch for many more years than you might have planned for. With the help of this book, you can turn those retirement funds into a "homemade" paycheck that will last for life. **How to Make Your Money Last The Indispensable Retirement Guide** *Simon and Schuster* Quinn shows you how to turn your retirement savings into a steady paycheck that will last for life. and disproportionate lifestyles, addressing such topics as credit cards, student loans, credit scores, insurance, and mortgages. **The Safe Investor How to Make Your Money Grow in a Volatile Global Economy** *St. Martin's Press* Investing information is everywhere; there are blogs, newspapers, magazines, and cable TV shows all dedicated to helping individuals invest in smarter and more successful ways. Yet despite all the efforts to educate the public on investing, most people still feel uncomfortable with how they should actually invest their money. Recent predictions about slowing economic growth, historically low interest rates, and volatile markets have investors scratching their heads about what to do with their money. And more than ever, people are scared about whether they can grow their money enough to last through their lifetime. Expert investor Timothy McCarthy has spent the last 30 years in the US and overseas providing investment solutions to individuals and their advisors. He believes that understanding how to create a truly globally diverse portfolio while applying the magic of time will help all investors navigate risky markets. McCarthy also explores the fundamentals of picking and evaluating financial advisors for those who want to understand the principles of investing but not actually do the work themselves. McCarthy helps guide the reader along a straightforward path to investment success by telling engaging and actual stories to illustrate each of his seven lessons of successful investing. **The Safe Investor** will help even those readers with little interest or aptitude for finance to be comfortable in knowing what to do to manage their life investment plan and how to manage their own advisors. **Savings Fitness A Guide to Your Money and Your Financial Future** *DIANE Publishing* Many people mistakenly believe that Social Security (SS) will pay for all or most of their retire. needs, but the fact is, since its inception, SS has provided little protection. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics. *The Money Class* How to Stand in Your Truth and Create the Future You Deserve *Random House* The #1 New York Times bestseller, now revised and updated, filled with tools and advice that can take you from a place of financial fear to a place of financial security. **WHAT WILL YOU LEARN IN THE MONEY CLASS?** How to find the courage to stand in your truth and why it is a place of power. What daily actions will restore the word “hope” to your vocabulary. Everything you need to know about taking care of your family, your home, your career, and planning for retirement—no matter where you are in your life or where the economy is heading. In nine electrifying, empowering classes, Suze Orman teaches us how to navigate these unprecedented financial times. With her trademark directness, she shows us how to tackle the complicated mix of money and family, how to avoid making costly mistakes in real estate, and how to get traction in your career or rebuild after a professional setback. And in what is the most comprehensive retirement

resource available today, Suze presents an attainable strategy, for every reader, at every age. In *The Money Class* you will learn what you need to know in order to feel hopeful, once again, about your future. *Living Well, Spending Less 12 Secrets of the Good Life* *Zondervan* In *Search of the Good Life* Have you ever felt that your life--and budget--is spiraling out of control? Do you sometimes wish you could pull yourself together but wonder exactly how to manage all the scattered pieces of a chaotic life? Is it possible to find balance??? In a word, yes.?? Ruth Soukup knows firsthand how stressful an unorganized life and budget can be. Through personal stories, biblical truth, and practical action plans, she will inspire you to make real and lasting changes to your personal goals, home, and finances. With honesty and the wisdom of someone who has been there, Ruth will help you: * Discover your "sweet spot"--that place where your talents and abilities intersect. * Take back your time and schedule by making simple shifts in your daily habits. * Reduce stress in your home and family by clearing out the clutter. * Stop busting your budget and learn to cut your grocery bill in half. Who Needs This Book? *Living Well, Spending Less* was written to bring hope and encouragement to every woman who currently feels overwhelmed or stressed with a life--and budget--that feels out of control. It speaks to the mom trying to juggle all the demands of a busy life with the pressure to keep up with those around her. It is a practical guide for those of us who often long to pull ourselves together but don't always know how. It is real, honest, packed with practical tips, and speaks to the heart of the matter--how can we live the life we've always wanted? Want to know if this book is for you? * Do you ever find yourself comparing your life to those around you? * Have you ever wished for the courage to follow your dreams? * Do you ever struggle to stay organized or get things done? * Have you ever felt loaded down with stuff you don't really need....or even really want? * Do you ever struggle to keep your finances on track? * Do you sometimes long for deeper, more authentic relationships in your life? If the answer to any of these questions is YES, this book provides real and practical solutions from someone who has been there. Ruth doesn't just offer advice, she walks it with you, and shares with brutal honesty her own mistakes, failures, and shortcomings. It is encouraging, motivating, and life-changing. What Others Are Saying: "An incredible book that will teach you how to spend smart without compromising a great life. Ruth's stories and practical advice will make you want to be a better mother, wife, sister, and friend." --RACHEL CRUZE, coauthor with Dave Ramsey of *Smart Money Smart Kids* "Ruth knows firsthand how mamas like us live crazy busy lives, and she steps in as a friend to help us manage and love every minute of it. She offers her best tips for gaining control over the chaos with wisdom-based insights on all things thrifty and family. I'll be reading it again and again!" --RENEE SWOPE, bestselling author of *A Confident Heart Retire Secure! Pay Taxes Later -- The Key to Making Your Money Last as Long as You Do* *Wiley Retire Secure!* tackles the number one fear facing most IRA and retirement plan owners: running out of money too soon.

Lange, a nationally recognized IRA expert, offers specific and practical strategies to successfully navigate the three stages of retirement planning: accumulation, distribution, and estate planning. *Retire Secure!* explains the tax advantages and long term wealth building strategies of selectively and strategically putting money into IRAs, Roth IRAs, 401(k)s, Roth 401(k)s and the myriad other retirement plan options available to individuals working in the corporate world, the non-profit sector, as well as individual proprietors. The book proves that putting money into tax advantaged retirement plans beats “traditional saving” in the after-tax environment. The book sheds new light on best practices for spending your IRA and retirement plan dollars and your traditional savings. Many readers will be surprised to discover that the order in which assets are spent is not a trivial consideration—it can make or break the bank. It also outlines Lange’s exceptional estate plan—a plan that has been featured in the *Wall Street Journal* and many other fine financial journals. The book offers financial planning strategies and tactics in plain English that everyone can understand—and using humor and interesting characters in real life situations the book escapes the dreaded dry financial tome tone. For example, Chapter 1 offers a great mini case study that charts the financial destiny of Mr. Pay Taxes Later and Mr. Pay Taxes Now. Both start saving when they are age 30, but when Mr. Pay Taxes Now reaches age 90, he is broke, while Mr. Pay Taxes Later has \$1,946,949 left. Chapter 8 is devoted to a complete case study of “Eddie’s and Emily’s” entire retirement decision making process. The book is endorsed by more than 31 leading financial experts including Charles Schwab, and Roger G. Ibbotson, Yale Professor and perhaps the world’s foremost authority on asset allocation. As a bonus, readers who purchase this book can receive a free information-packed CD. “*Retire Secure!* is your playbook for winning the retirement game and beyond. It shows you how to capitalize on little known provisions of the tax law that will make your retirement savings last several lifetimes, leveraging your hard earned money into a family legacy. Best of all, you can rely on the advice here since it is written by one of the nation’s leading retirement tax planning authorities.” Ed Slott, Author *Parlay Your IRA into a Family Fortune* and *The Retirement Savings Time Bomb...and How to Defuse It* James Lange (Pittsburgh, PA) , an attorney and CPA, is a nationally known IRA, 401(k), and retirement plan distribution expert with over 27 years of experience. His recommendations have appeared 23 times in the *Wall Street Journal* as well as the *New York Times*, *Newsweek*, *Kiplinger’s*, and many other prestigious financial publications. This is the *Year I Put My Financial Life in Order* *Penguin* A *New York Times* correspondent shares his financial successes and mishaps, offering an everyman’s guide to straightening out your money once and for all. Money management is one of our most practical survival skills—and also one we’ve convinced ourselves we’re either born with or not. In reality, financial planning can be learned, like anything else. Part financial memoir and part research-based guide to attaining lifelong security, *This Is the Year I Put My*

Financial Life in Order is the book that everyone who has never wanted to read a preachy financial guide has been waiting for. John Schwartz and his wife, Jeanne, are pre-retirement workers of an economic class well above the poverty line, but well below the one percent. Sharing his own alternately harrowing and hilarious stories—from his brush with financial ruin and bankruptcy in his thirties to his short-lived budgeted diet of cafeteria french fries and gravy—John will walk you through his own journey to financial literacy, which he admittedly started a bit late. He covers everything from investments to retirement and insurance to wills (at fifty-eight, he didn't have one!), medical directives and more. Whether you're a college grad wanting to start out on the right foot or you're approaching retirement age and still wondering what a 401(K) is, **This Is the Year I Put My Financial Life in Order** will help you become your own best financial adviser. **Single Women and Money How to Live Well on Your Income** *Rowman & Littlefield* **Single Women & Money** addresses the financial concerns of all single women. With fresh solutions, the book tackles single women's deepest money fears. Readers, including widows, divorcees, and those who never married, get the tools needed to make their money last. **Your Complete Guide to a Successful and Secure Retirement** *Harriman House Limited* Fully revised and updated second edition. This is your one-stop, definitive resource as you prepare for a secure and comfortable retirement. Investment and personal finance experts Larry Swedroe and Kevin Grogan present uniquely comprehensive coverage of every important aspect you need to think about as you approach retirement, including: Social Security, Medicare, investment planning strategy, portfolio maintenance, preparing your heirs, retirement issues faced by women, the threat of elder financial abuse, going beyond financials to think about your happiness, and much more. These topics are explained with the help of specialists in each subject. And everything is based on the "science of investing" - evidenced with studies from peer-reviewed journals. Overall, this adds up to a complete retirement guide, packed with the latest and best knowledge. Don't enter your retirement without it. **How I Invest My Money Finance** experts reveal how they save, spend, and invest *Harriman House Limited* The world of investing normally sees experts telling us the 'right' way to manage our money. How often do these experts pull back the curtain and tell us how they invest their own money? Never. **How I Invest My Money** changes that. In this unprecedented collection, 25 financial experts share how they navigate markets with their own capital. In this honest rendering of how they invest, save, spend, give, and borrow, this group of portfolio managers, financial advisors, venture capitalists and other experts detail the 'how' and the 'why' of their investments. They share stories about their childhood, their families, the struggles they face and the aspirations they hold. Sometimes raw, always revealing, these stories detail the indelible relationship between our money and our values. Taken as a whole, these essays powerfully demonstrate that there is no single 'right' way to save, spend, and invest. We see a kaleidoscope of perspectives on stocks, bonds,

real assets, funds, charity, and other means of achieving the life one desires. With engaging illustrations throughout by Carl Richards, *How I Invest My Money* inspires readers to think creatively about their financial decisions and how money figures in the broader quest for a contented life. With contributions from: Morgan Housel, Christine Benz, Brian Portnoy, Joshua Brown, Bob Seawright, Carolyn McClanahan, Tyrone Ross, Dasarte Yarnway, Nina O'Neal, Debbie Freeman, Shirl Penney, Ted Seides, Ashby Daniels, Blair duQuesnay, Leighann Miko, Perth Tolle, Josh Rogers, Jenny Harrington, Mike Underhill, Dan Egan, Howard Lindzon, Ryan Krueger, Lazetta Rainey Braxton, Rita Cheng, Alex Chalekian *Retire Secure! The Bucket Plan® Protecting and Growing Your Assets for a Worry-Free Retirement** *Greenleaf Book Group* **Worry less. Plan more. Do you want a secure retirement, free from worry, stress, and confusion? The Bucket Plan® is a must-read book for anyone serious about creating a practical and sensible financial plan for his or her retirement years. The**

financial planning process outlined in this book is based on a three-bucket philosophy of strategically positioning assets to plan for and mitigate the risks and dangers that can occur in retirement. Readers will learn:

- The three biggest dangers for your financial future and how The Bucket Plan helps protect from them
- A formula for calculating whether you will have an income deficit and, if so, how much money is needed to prevent it
- A surefire way to avoid taking on too much investment risk on money you may need in the near future
- Much, much more

When readers strategically allocate their money using Jason Smith's three-bucket philosophy, they can create a plan that mitigates risk and offers an opportunity for growth into the future, allowing them to feel more secure about retirement.

This one’s special!”—Jim Cramer, host of CNBC’s Mad Money “Great tools for anyone wanting to dabble in the stock market.”—USA Today Phil Town is a very wealthy man, but he wasn’t always. In fact, he was living on a salary of \$4,000 a year when some well-timed advice launched him down a highway of investing self-education that revealed what the true “rules” are and how to make them work in one’s favor. Chief among them, of course, is Rule #1: “Don’t lose money.” In this updated edition to the #1 national bestseller, you’ll learn more of Phil’s fresh, think-outside-the-box rules, including: • Don’t diversify • Only buy a stock when it’s on sale • Think long term—but act short term to maximize your return • And most of all, beat the big investors at their own game by using the tools designed for them! As Phil demonstrates in these pages, giant mutual funds can’t help but regress to the mean—and as we’ve all learned in recent years, that mean could be very disappointing indeed. Fortunately, Rule #1 takes readers step-by-step through a do-it-yourself process, equipping even the biggest investing-phobes with the tools they need to make quantum leaps toward financial security—regardless of where the market is headed. **How to Be Good With Money** *Gill & Macmillan Ltd* Do you want to know: How best to spend the money you have? "Will my money last long enough?" "How can I enjoy my retirement to the fullest?" Not long ago, retirement was simple. You'd spend thirty or forty years at the same company, get your gold watch, and collect your pension and savings bank giveaways for the duration of your years left on earth. No longer. The classic notion of retirement has been replaced with a newer, healthier concept that reflects the longer lifespans, more active lifestyles, and exciting "creative aging" options that seniors enjoy today. Along with these new choices come new responsibilities, as people in their fifties join the "sandwich generation" who must simultaneously care for their children, their parents, and themselves. So how can you ensure that your retirement is as comfortable as possible? How can you make sure your money will last at least as long as you do? How can you, in

short, be set for life? In *Set for Life*, financial expert Bambi Holzer provides the answers. This practical, thoughtful book—the only guide specifically for individuals age fifty-plus—shows you how to assess your needs, manage your investments, cope with taxes and insurance, stay ahead of inflation, prepare your estate, and develop realistic financial goals, no matter what your situation or how financially savvy you are. In plain, simple language, *Set for Life* walks you through the various parts of your financial life and explains how to pull them together to build a clear, achievable plan for a satisfying future. As you read through the book, you will:

- * Examine where you stand today—how much you have, how much you know, and how prepared you are
- * Explore how and where you want to live—second careers, volunteer jobs, travel, and the kind of home setting you'd prefer
- * Figure out how much it will cost you to live—understand inflation, add up your future expenses, and create a spending plan
- * Learn how to fill your retirement bucket—discover your best strategies for saving and investing, how to get the most out of Social Security and your IRA, and how to tap the equity in your home
- * Arrange your affairs—how to integrate family and finances, alternative living arrangements to consider when living at home isn't working anymore, and how to cope with change

Set for Life is more than simply a financial planning guide—because life after fifty is no longer simple. Written by a woman who helps people like you every day, this book is as full of encouragement and insight as useful information. It will help you clarify your own vision of your retirement and bring it to fruition. Most of all, it will give you confidence that you can take control of your financial life, and secure the future you hope for.
