The traveling fun is so endless you'll never ask "Are we there yet?" again!

DON'T MAKE ME PULL OVER!

AN INFORMAL HISTORY OF THE FAMILY ROAD TRIP

Scribner "A lighthearted, entertaining trip down Memory Lane" (Kirkus Reviews), Don't Make Me Pull Over! offers a nostalgic look at the golden age of family road trips—before portable DVD players, smartphones, and Google Maps. The birth of America's first interstate highways in the 1950s hit the gas pedal on the road trip phenomenon and families were soon streaming—sans seatbelts!—to a range of sometimes stirring, sometimes wacky locations. In the days before cheap air travel, families didn't so much take vacations as survive them. Between home and destination lay thousands of miles and dozens of annoyances, and with his family Richard Ratay experienced all of them—from being crowded into the backseat with noogie-happy older brothers, to picking out a souvenir only to find that a better one might have been had at the next attraction, to dealing with a dad who didn't believe in bathroom breaks. Now, decades later, Ratay offers "an amiable guide...fun and informative" (New York Newsday) that "goes down like a cold lemonade on a hot summer's day" (The Wall Street Journal). In hundreds of amusing ways, he reminds us of what once made

the Great American Family Road Trip so great, including twenty-foot “land yachts,” oasis-like Holiday Inn “Holidomes,” “Smokey”-spotting Fuzzbusters, twenty-eight glorious flavors of Howard Johnson’s ice cream, and the thrill of finding a “good buddy” on the CB radio. An “informative, often hilarious family narrative [that] perfectly captures the love-hate relationship many have with road trips” (Publishers Weekly), *Don’t Make Me Pull Over!* reveals how the family road trip came to be, how its evolution mirrored the country’s, and why those magical journeys that once brought families together—for better and worse—have largely disappeared.

CAUTION! ROAD SIGNS AHEAD

Rise X Penguin Workshop Empower backseat passengers to become informed backseat drivers with this road sign decoder featuring 35 shaped road signs. From road signs around the neighborhood, like School Crossing and Playground, to signs you zoom past on the highway, this hefty reference board book highlights and explains 35 road and highway signs for the youngest readers on the go. The shaped pages make each sign tactilely memorable, and the carefully crafted one-sentence explanations will easily guide young readers as they contextualize the world that zips past their backseat windows.

BLUE GOLD

A NOVEL FROM THE NUMA FILES

Simon and Schuster Clive Cussler’s New York Times bestselling *Blue Gold*, now available in ebook, is a heart-pounding thriller in the NUMA adventure series. Kurt Austin navigates the Amazon jungle in search of a legend that could change the path of science—but secretive powers will do anything to stop him. From deep within the Venezuelan rain forest emanates the legend of a white goddess and a mysterious tribe with startling technical accomplishments. Few believe the tribe exists—and even fewer suspect its deity may hold knowledge that can change the course of history. For National Underwater & Marine Agency crew leader Kurt Austin, an investigation into the sudden deaths of rare whales leads him to the Mexican coast, where someone tries to put him and his mini-sub permanently out of commission. Meanwhile, in South America’s lush hills, a specially assigned NUMA crew turns up the white-goddess legend—and a murderous cadre of bio-pirates intent on stealing medicinal secrets worth millions. Soon Austin and his crew realize they’re working the opposite ends of the same grand scheme. A billionaire California tycoon is poised to rise to power by monopolizing the earth’s vastly depleted freshwater reserves and ultimately dominate the world. Austin has a hunch Venezuela’s mythical tribal goddess has some real roots in science, and may be the key to locating a secret formula that could turn vast amounts of seawater into fresh. But with each step into the bush, he and his NUMA team feel like fish out of water—and must fight a deadly, twisting trail of enemies through a dense jungle of treachery, blackmail, and murder.

BRAIN QUEST FOR THE CAR

1100 QUESTIONS, 1100 ANSWERS, ALL ABOUT AMERICA

Workman Publishing Brain Quest just keeps getting smarter! Brain Quest For the Car has been thoroughly updated with fresh and appealing designs for the cards and revised content—that’s hundreds of brand-new questions. Drawn from first-through sixth-grade curricula, the material aligns with state and national standards and is vetted by an award-winning teacher. For the Car makes every trip—in a car, bus, train, or plane—a learning adventure with 1,100 questions all about America, from the O.K. Corral to Dr. Seuss, state capitals to Mount Rushmore. And it’s better than ever. The decks are no longer organized by state, and the cards are marked with letters and numbers to be used in backseat games based on license plates, I Spy, and more. Brain Quest proves it’s not just fun to be smart—it’s smart to be smart.

WHITE NOISE

Penguin A brilliant satire of mass culture and the numbing effects of technology, *White Noise* tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an “airborne toxic event” that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

A KEY TO THE SUITE

A NOVEL

Random House A master of the thriller turns his talent for riveting suspense to the world of business. In this bold novel, John D. MacDonald exposes the backstabbing and betrayals, sordid deeds and savage maneuverings that take place behind closed doors. Introduction by Dean Koontz Floyd Hubbard arrives at a convention at a busy beach-town hotel with a mission from the top brass: ax a long-time manager in the sales team who has been slacking off for too long. Hubbard's a loyal company man, but his background is engineering, not cold-blooded corporate warfare. Little does Hubbard realize that the first grenade has already been lobbed—and he's the target. Cory Barlund has heard more than her fair share of odd requests in her years as a high-class call girl, so this one's right up her alley: pose as a journalist, seduce a visiting executive, and embarrass him in front of his colleagues. But after a night with Hubbard, Cory's having second thoughts. Hubbard's a good man. She might be falling for him. And the real hustlers are the ones on the convention floor. Praise for John D. MacDonald "My favorite novelist of all time . . . No price could be placed on the enormous pleasure that his books have given me."—Dean Koontz "To diggers a thousand years from now, the works of John D. MacDonald would be a treasure on the order of the tomb of Tutankhamen."—Kurt Vonnegut "John D. MacDonald remains one of my idols."—Donald Westlake

THE MONTESSORI TODDLER

A PARENT'S GUIDE TO RAISING A CURIOUS AND RESPONSIBLE HUMAN BEING

Workman Publishing Company Announcing that rare parenting book that will not only help you become a more effective parent but actually change how you see your children. Written by Montessori educator Simone Davies, this book shows you how to bring the educational values of a Montessori classroom into your home—while turning the whole idea of the "terrible twos" on its head. Here is how to set up Montessori-friendly spaces in your home. Principles for fostering curiosity in your child—and in yourself. Specific Montessori skills—the winter coat flip; getting your toddler to pour his or her own water and clean up whatever spills might occur. And it goes much deeper, showing how a parent can really be present, be the child's guide, and handle tantrums and problematic behavior without resorting to bribes, threats, or punishment and truly celebrate every stage. It's also that rare parenting book that's beautiful to look at, with a bright, airy design and simple color illustrations and photographs.
