Gerald McGrew imagines the myriad of animals he'd have in his very own zoo, and the adventures he'll have to go on in order to gather them all. Featuring everything from a lion with ten feet to a Fizza-ma-Wizza-ma-Dill, this is a classic Seussian crowd-pleaser. In fact, one of Gerald's creatures has even become a part of the language: the Nerd! **If I Ran the Zoo** *Random House Books for Young Readers* If Gerald McGrew ran the zoo, he'd let all the animals go and fill it with more unusual beasts--a ten-footed lion, an Elephant-Cat, a Mulligatawny, a Tufted Mazurka, and others. **If I Ran The Circus** *HarperCollins UK* In this delightful classic from the one and only Dr. Seuss, Morris McGurk dreams about staging the world's greatest show! **McElligot's Pool: Read & Listen Edition** *Random House Books for Young Readers* Imagination runs wild in this Caldecott Honor-winning tale featuring Dr. Seuss's inimitable voice and hysterical illustrations. The first Seuss title to feature full-color art on every other page, this adventurous picture book tells of Marco—who first imagined an extraordinary parade in **And to Think That I Saw It on Mulberry Street**—as he daydreams of all the possibilities that await him while he fishes in **McElligot's Pool**. Optimistic and exciting, this tale is the perfect bait, and readers young and old will be hooked on this fish-tastic favorite. This **Read & Listen** edition contains audio narration. **The Cat in the Hat Song Book** *Random House Books for Young Readers* A collection of songs for beginning singers with cartoon drawings on every page **Six by Seuss** *Random House Books for Young Readers* An anthology of six stories by Dr. Seuss, including "And To Think That I Saw It On Mulberry Street," "The 500 Hats of Bartholomew Cubbins," "Horton Hatches the Egg," "How the Grinch Stole Christmas," "The Lorax," and "Yertle the Turtle." **And to Think That I Saw It on Mulberry Street** *RH Childrens Books* Dr. Seuss's very first book for children! From a mere horse and wagon, young Marco concocts a colorful cast of characters, making Mulberry Street the most interesting location in town. Dr. Seuss's signature rhythmic text, combined with his unmistakable illustrations, will appeal to fans of all ages, who will cheer when our hero proves that a little imagination can go a very long way. (Who wouldn't cheer when an elephant-pulled sleigh raced by?) Now over seventy-five years old, this story is as timeless as ever. And Marco's singular kind of optimism is also evident in **McElligot's Pool**. **If I Ran the Circus** *Random House Books for Young Readers* A young boy imagines the fantastic animals and incredible acts he will have for his greatest of all circuses. Copyright © Libri GmbH. All rights reserved. **The 500 Hats of Bartholomew Cubbins** *RH Childrens Books* As topical today as when it was first published in 1938, this book tells of Bartholomew Cubbins (from Caldecott Honor winner **Bartholomew and the Oobleck**) and his unjust treatment at the hands of King Derwin. Each time Bartholomew attempts to obey the king's order to take off his hat, he finds there is another hat on his head. Soon it is Bartholomew's head that is in danger . . . of being chopped off! While **The 500 Hats** is one of Dr. Seuss's earliest works, it is nevertheless totally Seussian, addressing subjects that we know the good doctor was passionate about: abuse of power (as in **Yertle the Turtle**), rivalry (as in **The Sneetches**), and of course, zany good humor! **The Cat's Quizzer** *Random House Books for Young Readers* **The Cat in the Hat** plays quiz master by challenging the reader with both entertaining and educational questions such as "Are freckles catching?" and "How old do you have to be to drive a car?" **The Cat in the Hat** *RH Childrens Books* Have a ball with Dr. Seuss and the Cat in the Hat in this classic picture book...but don't forget to clean up your mess! pair of red stilts! But sour old Lord Droon doesn't think that this kind of fun is befitting Binn's king, and he steals the beloved stilts. Missing the stilts, King Birtram cannot have fun. In his sadness, the king doesn't notice that Binn is in danger: the Dike Trees that hold back the sea are being destroyed by the evil Nizzards. The Hidden Racism of Children's Literature, and the Need for Diverse Books* *Oxford University Press* Racism is resilient, duplicitous, and endlessly adaptable, so it is no surprise that America is again in a period of civil rights activism. A significant reason racism endures is because it is structural: it's embedded in culture and in institutions. One of the places that racism hides--and thus perhaps the best place to oppose it--is books for young people. *Was the Cat in the Hat Black?* presents five serious critiques of the history and current state of children's literature tempestuous relationship with both implicit and explicit forms of racism. The book fearlessly examines topics both vivid--such as The Cat in the Hat's roots in blackface minstrelsy--and more opaque, like how the children's book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity. Rooted in research yet written with a lively, crackling touch, Nel delves into years of literary criticism and recent sociological data in order to show a better way forward. Though much of what is proposed here could be endlessly argued, the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable. The text concludes with a short and stark proposal of actions everyone--reader, author, publisher, scholar, citizen-- can take to fight the biases and prejudices that infect children's literature. While *Was the Cat in the Hat Black?* does not assume it has all the answers to such a deeply systemic problem, its audacity should stimulate discussion and activism. *On Beyond Zebra!* *Read & Listen Edition* *Random House Books for Young Readers* If you think the alphabet stops with Z, you are wrong. So wrong. Leave it to Conrad Cornelius o'Donald o'Dell (with a little help from Dr. Seuss) to create an entirely new alphabet beginning with Z! This rhyming picture book introduces twenty new letters and the creatures that one can spell with them. Discover (and spell) such wonderfully Seussian creations as the Yuzz-a-ma-Tuzz and the High Gargel-orum. Readers young and old will be giggling from beginning to end . . . or should we say, from Yuzz to Hi! This *Read & Listen* edition contains audio narration. *Horton Hatches the Egg: Read & Listen Edition* *Random House Books for Young Readers* Meet Horton the elephant, one of the most commendable heroes in children's books. Featuring zany egg-layers such as the Sala-ma-goox, the Tizzle-Topped Grouse, and the Bombastic Aghast, *Scrambled Eggs Super!* will hit the spot and leave readers wanting seconds. *I Can Lick 30 Tigers Today! and Other Stories* *RH Childrens Books* A lesser-known collection of classic Dr. Seuss stories about humility, equality, and the power of imagination! This collection of three rhyming stories by Dr. Seuss features a whole litter of Cat in the Hat-like cats! In "I Can Lick 30 Tigers Today!" a boastful cat bites off more than he can chew in the shape of 30 tigers; in "King Louie Katz"--a tale about tails--a single cat challenges authority and creates a more "demo-catic" society; and in "The Glunk That Got Thunk," a cat thinks up something so wild, she needs to un-thunk it! Beautifully illustrated in ink and watercolor, this quirky collection of Seussian silliness will be a welcome gift to Dr. Seuss fans of all ages. *McElligot's Pool* *RH Childrens Books* Imagination runs wild in this Caldecott Honor-winning tale featuring Dr. Seuss's inimitable voice and hysterical illustrations.
