BASIC TAGALOG FOR FOREIGNERS AND NON-TAGALOGS

(MP3 DOWNLOADABLE AUDIO INCLUDED)

Tuttle Publishing "Basic Tagalog takes a friendly and innovative approach, emphasizing the structure of the Tagalog language rather than just vocabulary. This user-friendly beginner Tagalog book teaches more than 2,000 Tagalog words and expressions with over 500 being added for this new edition. These are spread throughout 44 lessons, the Appendices and the exercises as well as in the Tagalog-English and English-Tagalog vocabulary lists at the back of the book. The added Tagalog vocabulary is meant to keep learners abreast of changes that have occurred in the language since the first edition of Basic Tagalog which was published. This edition has retained all the grammar lessons and the tried-and-tested teaching methodology developed by the author, Paraluman S. Aspillera, for the original version. Her method has proven to be extremely effective for tens of thousands of foreigners and non-Tagalogs who have used this book to learn Tagalog, including many who have successfully learned to speak Tagalog, read Tagalog and write Tagalog through self-study on their own without a teacher. Downloadable audio has also been added to facilitate the correct pronunciation of Tagalog words and phrases. A succinct introduction to the language and a description of the character of Filipinos will hopefully provide learners with a better understanding of the language they are learning. The lessons in Basic Tagalog are intended for a three-month period of intensive study followed by another three months of applied oral communication. In six months (or about 250 hours), it is expected that an average learner should be able to speak, write and

understand simple, everyday, conversational Tagalog as spoken by most Filipinos. Highlights of this book include: Over 2,000 Tagalog words and expressions. 44 lessons organized by organized for efficient language absorption. Extensive exercises and activities to reinforce the lessons. Vocabulary lists serve as comprehensive English-Tagalog and Tagalog-English dictionaries. Completely updated and expanded with new materials. Includes downloadable audio. Using Basic Tagalog to study the Tagalog language will further encourage both non-Tagalogs and non-Filipinos to speak Tagalog better. Only then will they appreciate the individuality of the language that reflects the resilience and flexibility of Filipinos all around the world. In the end, such learning will improve daily interactions and communications between non-Filipinos and Filipinos-- whether in business, education, tourism, social or civic endeavors."

DREAMS WE LIVED BY

Ukiyoto Publishing The town of Udaya is one of the most progressive towns of Verona. People work arduously to become successful and well-heeled. However, as they strive hard to change their way of life, they become greed of wealth and of course power. The elites of the town become arrogant while the people's wail remain unheard. Let us see how Astraea Monteverde sets her hopes for the betterment of Udaya, how she will address the problems of the rotted fiefdom system and how the town will be for the next generation. Aya, as she is known for, is a prosaic student who dares to buck against the system in order to help poverty-stricken people and to save humanity. How far will she surpass in risking her precious life and who will be with her to uphold her aspirations for Udaya and for the townies? More than that, is it even possible that a mere student can turn the tables around knowing how scheming and conspiring the elites are?

WRITING AGAINST THE CURRENT OF TIME

THE 13TH ILIGAN NATIONAL WRITERS WORKSHOP

TAGALOG FOR BEGINNERS

University of Hawaii Press Tagalog is an Austronesian language. It is the language of Manila and the surrounding provinces of Bataan, Bulacan, Rizal, Cavite Laguna, Quezon, Batangas, and Marinduque. It is also spoken widely throughout the Philippines as a second language, with an estimated sixty percent of the population now being able to communicate in this language. Tagalog is the basis of the Philippine national language, Pilipino, and as such is taught in schools throughout the country. In addition to the lessons in this text, there are extensive notes to the teacher, supplementary vocabulary lists, pronunciation drills, and songs.

TAGALOG DOWN AND DIRTY

FILIPINO OBSCENITIES, INSULTS, SEX TALK, DRUG SLANG AND GAY LANGUAGE IN THE PHILIPPINES

CreateSpace Every year, millions of foreigners visit The Philippines. They go to the World War II battlefield of Corregidor, tour the presidential home Malacañang Palace, play golf, lounge on the white sand beaches, and . . . Some do things that don't have chapters in the standard tourist phrasebooks and textbooks of the primary native language, Tagalog. Tagalog is spoken as a first language by millions of Filipinos in and around the nation's capital of Manila, including Angeles and Subic Bay. In addition, Tagalog is spoken and understood to some extent throughout the rest of the country because it's the language of school, TV, newspapers and movies. Tagalog Down & Dirty is your guide to the Tagalog you won't learn in the other books. Sex, drugs, alcohol, insults, obscenities, dirty talk, curse words, slurs about your mind, body and sexual equipment, the supernatural, gambling, and "gay language"—which gay men use to hide their meaning from the general population. Best of all, words for lovers and would-be lovers. Tagalog Down & Dirty is arranged in chapters according to subject. Next is a chapter including a long list of gay language words. And finally is a list of all the standard Tagalog words arranged in alphabetical order - Tagalog to English - so it's easy to look up Tagalog words you don't know. Come to The Philippines prepared to recognize such basic insults as "Your mother is a _____," "You're _____" and "You have no _____." (Don't say them yourself, though, unless you're prepared to defend yourself!) Discover the Tagalog words for parts of your body, at least the most interesting parts, and their functions. Learn the names of the many monsters and ghosts you must avoid at night. If you're a man who has sex with other men, discover how Filipino gays classify your sexuality. Because language is intimately tied to culture, you'll get an

inside look at how different Filipinos value are from average Western countries. Call an American woman "ugly" and you'll probably get a lecture on how men objectify women and/or men should look for beautiful personalities. Call a Filipino woman "ugly" and look out! Tell an American they have no shame, and they probably won't even know what you're talking about. If you say it to a Filipino, you better run for your life. Describe an American woman as flirtatious and she'll take it as a compliment. Tell a Filipino woman that and, depending on circumstances, she may take it as an insult to her sexual morality. Whether you wish to learn more about The Philippines because you're chatting up some sweet young thing online and want to meet her in person, or you wish to check out the bar scene, or to swim and sun bathe at the white sand beaches, explore the jungles or oceans teeming with exotic wildlife, or to backpack in the mountains, or a linguist checking out the phenomenon of gay language, Tagalog Down & Dirty is where to start your adventure.

MY FIRST BOOK OF TAGALOG WORDS

FILIPINO RHYMES AND VERSES

Tuttle Publishing My First Book of Tagalog Words is a beautifully illustrated book that introduces young children to Filipino language and culture

through everyday words. The words profiled in this book are all commonly used in the Filipino language and are both informative and fun for English-speaking children to learn. The goals of *My First Book of Tagalog Words* are multiple: to familiarize children with the sounds and structure of the Tagalog language; to introduce core elements of Filipino culture; to illustrate the ways in which languages differ in their treatment of everyday sounds; and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural references and appreciate how the book is organized in a familiar ABC structure. With the help of this book, we hope more children (and adults) will soon be a part of the 22 million people worldwide that speak Tagalog!

THE WIFE'S REVENGE

Ukiyoto Publishing Simpleng babae, mapagmahal, ma aruga, at maintindiing asawa yan si Ivy Channel Smith, ang babaeng gagawain ang lahat para sa asawa niya, ang babaeng kayang gawaing posible ang

imposible para sa asawa niya asawa niyang walang ibang ginawa kundi saktan at pahirapan siya . Sa buhay natin may mga pangyayaring di natin inaasahan mangyari, may mga bagay na di man natin gustuhin mangyari,mangyayari tila bang nakakabit na ito sa tinatawag ng ibang libro ng buhay natin, minsan kahit may mahal tayo, di naman tayo magawang mahal, yung tipong ginawa mo na lahat, di pa rin sapat yung pinaramdam mo naman sa kanya na mahal na mahal mo siya pero yung sinukli sayo puro hirap luha at padudusa bakit kaya ganoon ano? Bakit kung sino pa yung tunay na nagmamahal ng tapat siya pa ang nasasaktan ng sobra ano? At bakit kailangan ng dahil sa pagmamahal ay sakit mag bago ang tao? Halimbawa na lang sa kwento ko, sa kwento ng buhay ko nagmahal ako ng totoo, nagtiis ako, naghintay ako sa pag asang mamahalin, papahalagahan at rerespituhin niya rin ako pero anong nangyari? Imbis na respituhin niya ako winasak niya pa ang pagkatao ko, kaya yung dating ako wala na patay na, yung dating anghel na ako? Wala na nalibing ko na, binago niya ko, binuhay niya yung demonyong nasa loob ko kaya ito ako ngayon hindi tumitigil hanggat di lumuluhod sa harap ko ang dating mundo ko. Ito ang kwento ko, kwento ng isang asawang nagmahal ng todo pero sinaktan at winasak lang ng isang lalaking walang modo at puso.

WHAT'S SO FUNNY?

HUMOR IN AMERICAN CULTURE

Rowman & Littlefield Critical studies attempting to define and dissect American humor have been published steadily for nearly one hundred years. However, until now, key documents from that history have never been brought together in a single volume for students and scholars. *What's So Funny? Humor in American Culture*, a collection of 15 essays, examines the meaning of humor and attempts to pinpoint its impact on American culture and society, while providing a historical overview of its progression. Essays from Nancy Walker and Zita Dresner, Joseph Boskin and Joseph Dorinson, William Keough, Roy Blount, Jr., and others trace the development of American humor from the colonial period to the present, focusing on its relationship with ethnicity, gender, violence, and geography. An excellent reader for courses in American studies and American social and cultural history, *What's So Funny?* explores the traits of the American experience that have given rise to its humor.
