Disavow Web of Hearts Rivulet is a spinoff series from the wildly popular Insight Series. Mason Wade had fought death, and to some degree he had won. The fire of a phoenix coursing through his veins made him feel like hell. Each of his new senses forced him to reach into a past he knew was better left alone, yet he was grounded in the primal desire to protect Indie, to be a lethal supernatural guardian. The discovery of a secret library within the Falcon Manor landed River Sabine, the very girl who first stole his heart and left him in his darkest hour, front and center in his life. Mason and the others discovering how closely his past is connected to the paranormal war at hand have only scratched the surface of how deeply entwined those who lurk at the Falcon Manor are; a painful lesson Indie is forced to learn as she fights to rise to her role as the Queen of the Veil and protect the hearts of her own. An impossible decision must be made; no matter the choice lovers will divide. The only real question is whose sacrifice will be for the greater good. Special note to the reader: The RIVULET series is part of the "Web of Hearts and Souls Universe," where several series combine into one large story. All series can be read independently or as one. Rivulet: Web of Hearts and Souls #11 Rivulet Book 1 Jamie Magee In life he haunted her...in death she haunted him. Love is eternal... Weeks away from her twenty-first birthday, the date where she would assume control over her family legacy, a night terror robs Indie of the balance she was clinging to. Like the dream she had before she lost her family, it predicts a fatal catastrophe on the horizon. The fight between life and death, good and evil, began the moment her thundering heart awoke her. Everything changed after that dream. The one thing that keeps her curse at bay is stolen, and then her enigmatic boy arrives in the flesh. Face to face with her fiery born-again lover Indie realizes that the only way she can prevent the tragedy before her is to surrender everything she was, is, and could be. Can she bend the laws of nature and fight the improbability that fire and ice could ever be one? As far as Indie is concerned, there is not a myth, spoken fate, or curse that is stronger than her stubborn desire to have it all ... including him. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy."
