## **THE ACTIVITY YEAR BOOK**

---

---

## **A WEEK BY WEEK GUIDE FOR USE IN ELDERLY DAY AND RESIDENTIAL CARE**

---

*Jessica Kingsley Publishers* Engagement in meaningful activity is an important aspect of human existence, regardless of one's cognitive abilities. Even in the later stages of dementia, people can still be engaged in activities at a level that allows them to be successful. In fact in these later stages, where cognitive abilities may be waning, the need for activity becomes greater, as cognitive stimulation helps preserve what skills remain. For care staff looking after older people, many of whom may have some degree of dementia, coming up with ideas for activities of a suitable level to keep their residents engaged and stimulated can be challenging. The Activity Year Book solves this problem, offering week by week themed activities. From Valentine's Day quizzes to Bonfire Night word searches, it has activities relating to every important date in the calendar, and also encourages reminiscence and discussion around these events. This book will be invaluable to care staff looking for a simple way of improving the lives of their residents, week by week, all year round.

## **KITES OVER THE MANGO TREE: RESTORING HARMONY BETWEEN HINDUS AND MUSLIMS IN GUJARAT**

### **RESTORING HARMONY BETWEEN HINDUS AND MUSLIMS IN GUJARAT**

*ABC-CLIO* Hindu nationalists in the west Indian state of Gujarat repudiate the pluralist vision of Gandhi and Nehru and foment state-sponsored violence and ethnic cleansing against Muslims and Christians. In 2002, the burning to death of 59 rightwing Hindu militants in a train in Gujarat set off waves of state-condoned communal riots in which as many as 2,000 predominantly Muslim Gujaratis were murdered and 200,000 made homeless. In the wake of these atrocities, secular peace-building organizations have redoubled their efforts to heal the rift between Hindus and Muslims in Gujarat. A certified mediator, Janet Powers bases her book on interviews with workers in twenty of these peace-building NGOs and grassroots peace organizations, which are locked in struggle with politicized Hindu religious organizations largely funded by money raised in the United States. This is the first book to examine Hindu-Muslim relations in Gujarat in the frame of ongoing peace and conflict resolution efforts. Gujarat is the state of origin of most of the entrepreneurial Indians who own motels, convenience stores, and gas stations in the United States and United Kingdom. Much of the funding for the rightwing Hindu parties that foment extremist violence, ethnic cleansing, and re-conversion campaigns against the Muslim and Christian minorities in Gujarat comes from Gujarati expatriates in the U.S. and UK. Gujarat is the home of Mahatma Gandhi, who was assassinated in 1948 by an agent of the RSS, a violently anti-Muslim Hindu nationalist organization that flourishes today in Gujarat in virulent association with the ruling BJP and VHP parties. Equally dangerous to the peace of Gujarat are violent Wahhabist organizations based in Pakistan but operating in India. Powers assesses the prospects for long-term healing in Gujarat based on historical precedents, and she applies the lessons of Gujarati grassroots peace-building organizations in Gujarat to zones of state-sponsored religious conflict in other parts of the world.

### **COURTING ISLAM**

### **US-BRITISH ENGAGEMENT WITH ISLAM SINCE THE EUROPEAN COLONIAL PERIOD**

*Lexington Books* This book is an exploration of the perceptions of the American and British governments about Islam and Muslims based upon their experiences over the past two centuries. It provides a response to the accusation that US and British governments are inherently anti-Islamic and are seeking the destruction of that faith through their policy decisions. The book uses primary documents from the US and British governments to examine the attitudes of politicians and officials in a variety contexts ranging from the 'War on Terror', the Iranian Revolution and the 'Trojan Horse' Scandal to the conversion of Alexander Russell Webb to Islam, Islamic Finance and Mosque-building. In so doing it provides a wide-angle lens on the diversity of issues and experiences which have shaped the views of officials and politicians about Islam.
