In *How To Kiss A Girl For The First Time*, Jessica James gives you tips about kissing to keep you relaxed and confident while your lady will be left breathless. *Democratic Insecurities: Violence, Trauma, and Intervention in Haiti* *Univ. of California Press*

*Democratic Insecurities* focuses on the ethics of military and humanitarian intervention in Haiti during and after Haiti’s 1991 coup. In this remarkable ethnography of violence, Erica Cagle James explores the traumas of Haitian victims whose experiences were denied by U.S. officials and recognized only selectively by other humanitarian providers. Using vivid first-person accounts from women survivors, James raises important new questions about humanitarian aid, structural violence, and political insecurity. She discusses the politics of postconflict assistance to Haiti and the challenges of promoting democracy, human rights, and justice in societies that experience chronic insecurity. Similarly, she finds that efforts to promote political development and psychosocial rehabilitation may fail because of competition, strife, and corruption among the individuals and institutions that implement such initiatives.

Harris recalls a lost era—the vibrant New York City of her youth, where her social circle included Maya Angelou, James Baldwin, and other members of the Black intelligentsia. In the Technicolor glow of the early seventies, Jessica B. Harris debated, celebrated, and danced her way from the jazz clubs of the Manhattan's West Side to the restaurants of the Village, living out her buoyant youth alongside the great minds of the day—luminaries like Maya Angelou, James Baldwin, and Toni Morrison. My Soul Looks Back is her paean to that fascinating social circle and the depth of their shared commitment to activism, intellectual engagement, and each other. Harris paints evocative portraits of her illustrious friends: Baldwin as he read aloud an early draft of *If Beale Street Could Talk*, Angelou cooking in her California kitchen, and Morrison relaxing at Baldwin's house in Provence. Harris describes her role as theater critic for the New York *Amsterdam News* and editor at then burgeoning *Essence* magazine; star-studded parties in the South of France; drinks at Mikell's, a hip West Side club; and the simple joy these extraordinary people took in each other's company. The book is framed by Harris's relationship with Sam Floyd, a fellow professor at Queens College, who introduced her to Baldwin. More than a memoir of friendship and first love *My Soul Looks Back* is a carefully crafted, intimately understood homage to a bygone era and the people that made it so remarkable.
