#### JOE STEELE

---

ROC Hardcover The New York Times bestselling author of the Supervolcano trilogy envisions the election of a United States President whose political power will redefine what the nation is—and what it means to be American... The Great Depression continues to cast its dark shadow over the country. Desperate times call for desperate measures, so the Democratic Party makes an interesting nomination for their Presidential candidate: California Congressman Joe Steele, the son of a Russian immigrant laborer who identifies more with the common man than with the wealthy power brokers in Washington D.C. Achieving a landslide victory, President Joe Steele wastes no time pushing through Congress reforms that put citizens back to work. Anyone who gets in his way is getting in the way of America, and that includes the highest in the land. But Steele's homeland political enemies pale in comparison to European tyrants whose posturing seems sure to drag America into war...

---

#### JOE STEELE

---

Penguin New York Times bestselling author Harry Turtledove's thought-provoking forays into the past have produced such intriguing "what-if" novels as *Ruled Britannia*, *Days of Infamy*, and *Opening Atlantis*. Now "the maven of alternate history" (*The San Diego Union-Tribune*) envisions the election of a United States President whose political power will redefine what the nation is—and what it means to be American.... President Herbert Hoover has failed America. The Great Depression that rose from the ashes of the 1929 stock market crash still casts its dark shadow over the country. Despairing and desperate, the American people hope one of the potential Democratic candidates—New York governor Franklin D. Roosevelt and California congressman Joe Steele—can get the nation on the road to recovery. But fate snatches away one hope when a mansion fire claims the life of Roosevelt, leaving the Democratic party little choice but to nominate Steele, son of a Russian immigrant laborer who identifies more with the common man than with Washington D.C.'s wealthy power brokers. Achieving a landslide victory, President Joe Steele wastes no time pushing through Congress reforms that put citizens back to work. Anyone who gets in his way is getting in the way of America, and that includes the highest in the land. Joe Steele's critics may believe the government is gaining too much control, but they tend to find themselves in work camps if they make too much noise about it. And most people welcome strong leadership, full employment, and an absence of complaining from the newspapers—especially as Hitler and Trotsky begin the kind of posturing that seems sure to drag America into war.

#### DEPARTURES

---

---

#### A NOVEL

---

Del Rey What if history had taken a different path, made a detour, and deviated just a little bit from the road it chose? Here, Harry Turtledove explores such "what ifs" in twenty alternate-history stories ranging from ancient times to the far, far-different future. Persia has conquered Greece; Athens is in ruins. Yet even under Persia's rule, the power of the people can never be completely broken. . . . A werewolf boy tears through Cologne's medieval stretts in search of sanctuary from the angry mob. But who will shelter a creature so hated and feared? A student from the far-off future sets off on a field trip to study Genghis Khan -- and finds him in the twentieth century? And many more! "He's one of the finest explorers of alternate histories ever." -- Locus

#### FALLOUT

---

---

#### THE HOT WAR

---

Del Rey "Turtledove is the standard-bearer for alternate history."—USA Today The novels of Harry Turtledove show history balancing on single moments: One act of folly. One poor decision. One moment of rage. In this astounding new series, the unthinkable has come to pass. The Cold War turns hot—and the United States and the Soviet Union unleash their nuclear arsenals upon each other. Millions die. Millions more are displaced. Germans battle side by side with Americans, Polish freedom fighters next to Russian fascists. The genie is out of the bottle. And there's no telling what fresh hell will come next. At the heart of Fallout are Harry Truman and Josef Stalin. Even as Joe McCarthy rises in power, the U.S. president is focused elsewhere, planning to cut off the head of the Soviet threat by taking out Stalin. It's a daring gambit, but the Soviets have one of their own. Meanwhile, Europe's weak sisters, France and Italy, seem poised to choose the winning side, while China threatens to overrun Korea. With Great Britain ravaged and swaths of America in ruins, leaders are running out of options. When the United States drops another series of bombs to slow the Russian advance in Europe, Stalin strikes back—with horrifying results. These staggering events unfold through the eyes of a sprawling cast of characters: a Holocaust survivor in a displaced persons camp in Washington; the wife of a bomber pilot and her five-year-old daughter starting a new existence; a savage Soviet fighter waging war by his own rules; a British pub owner falling in love with an American pilot. In the masterly hands of Harry Turtledove, this epic chronicle of war becomes a story of human struggle. As the armies of the world implode, the next chapter will be written by the survivors—those willing to rise up for an uncertain future. Praise for Fallout "Turtledove proves, yet again, that he is the best when it comes to rewriting history!"—Suspense Magazine "Turtledove, the master of alternate history, has done well again."—Shelf Awareness "No one writes alternate-history novels quite like Turtledove. . . . Expect epic political stakes as well as personal and heartfelt stories of war."—BookTrib

---

#### V-S DAY

---

Penguin With a gift for visionary fiction that "would make Robert A. Heinlein proud" (*Entertainment Weekly*) three-time Hugo Award-winning author Allen Steele now imagines an alternate history rooted in an actual historical possibility: what if the race to space had occurred in the early days of WWII? It's 1941, and Wernher von Braun is ordered by his Fuehrer to abandon the V2 rocket and turn German resources in a daring new direction: construction of a manned orbital spacecraft capable of attacking the U.S. Work on the rocket—called *Silbervogel*—begins at Peenemunde. Though it is top secret, British intelligence discovers the plan, and brings word to Franklin Roosevelt. The American President determines that there is only one logical response: the U.S. must build a spacecraft capable of intercepting *Silbervogel* and destroying it. Robert Goddard, inventor of the liquid-fuel rocket, agrees to head the classified project. So begins a race against time—between two secret military programs and two brilliant scientists whose high-stakes competition will spiral into a deadly game of political intrigue and unforeseen catastrophes played to the death in the brutal skies above America.

#### A WORLD OF DIFFERENCE

---

---

#### A NOVEL

---

Del Rey When the Viking lander on the planet Minerva was destroyed, sending back one last photo of a strange alien being, scientists on Earth were flabbergasted. And so a joint investigation was launched by the United States and the Soviet Union, the first long-distance manned space mission, and a symbol of the new peace between the two great rivals. Humankind's first close encounter with extraterrestrials would be history in the making, and the two teams were schooled in diplomacy as well as in science. But nothing prepared them for alien war—especially when the Americans and the Soviets found themselves on opposite sides. . . . Praise for *A World of Difference* "A master storyteller."—Houston Chronicle "[Harry] Turtledove has proved he can divert his readers to astonishing places. he's developed a cult following over the years. . . . I know I'd follow his imagination almost anywhere."—San Jose Mercury News "Turtledove never tires of exploring the paths not taken, bringing to his storytelling a prodigious knowledge of his subject and a profound understanding of human sensibilities and motivations."—Library Journal

---

#### WALK IN HELL (THE GREAT WAR, BOOK TWO)

---

Del Rey "Harry Turtledove [is] probably the best-known practitioner of alternate history working today."—American Heritage The year is 1915, and the world is convulsing. Though the Confederacy has defeated its northern enemy twice, this time the United States has allied with the Kaiser. In the South, the freed slaves, fueled by Marxist rhetoric and the bitterness of a racist nation, take up the weapons of the Red rebellion. Despite these advantages, the United States remains pinned between Canada and the Confederate States of America, so the bloody conflict continues and grows. Both presidents—Theodore Roosevelt of the Union and staunch Confederate Woodrow Wilson—are stubbornly determined to lead their nations to victory, at any cost. . . .

### SETTLING ACCOUNTS, BOOK TWO

---

Del Rey "Turtledove never tires of exploring the paths not taken, bringing to his storytelling a prodigious knowledge of his subject and a profound understanding of human sensibilities and motivations."—Library Journal It's 1942. For twenty-five years, the USA and the CSA have been entrenched in an era of simmering hatred, locked in a tangle of blood-soaked battle lines, modern weaponry, desperate strategies, and the kind of violence that only the damned could conjure up for themselves and their enemies. In Richmond, Confederate president and dictator Jake Featherston is shocked by what his own aircraft have done in Philadelphia—killing U.S. president Al Smith in a barrage of bombs. Featherston presses ahead with a secret plan carried out on the dusty plains of Texas, where a so-called detention camp hides a far more evil purpose. As the untested U.S. vice president takes over for Smith, the United States face a furious thrust by the Confederate army, pressing inexorably into Pennsylvania. But with the industrial heartland under siege, Canada in revolt, and U.S. naval ships fighting against the Japanese in the Sandwich Islands, the most dangerous place in the world may be overlooked. "First-time readers can jump in and enjoy Turtledove's richly rearranged cultural and political landscape."—The Kansas City Star "Engrossing . . . thoroughly satisfying."—Publishers Weekly

---

### THE MAN WITH THE IRON HEART

---

---

---

#### A NOVEL

---

Del Rey What if V-E Day didn't end World War II in Europe? What if, instead, the Allies had to face a potent, even fanatical, postwar Nazi resistance? Such a movement, based in the fabled Alpine Redoubt, was in fact a real threat, ultimately neutralized by Germany's flagging resources and squabbling officials. But had SS Obergruppenführer Reinhard Heydrich, the notorious Man with the Iron Heart, not been assassinated in 1942, fate might have taken a different turn. We might likely have seen a German guerrilla war launched against the conquerors, presaging by more than half a century the protracted conflict with an unrelenting enemy that now engulfs the United States and its allies in Iraq. How might today's clash of troops versus terrorists have played out in 1945? In this imagined world, Nazi forces resort to unconventional warfare, using the quick and dirty tactics of terrorism—booby traps, time bombs, mortar and rocket strikes in the night, assassinations, even kamikaze-style suicide attacks—to overturn what seemed to be a decisive Allied victory. In November 1945, a truck bomb blows up the Nuremberg Palace of Justice, where high-ranking Nazi officials are about to stand trial for war crimes. None of the accused are there when the bomb goes off, but their judges, all of them present and accounted for, are annihilated. Worse acts of terrorism follow all over Europe. Suddenly the Allies—especially the United States—must battle an invisible enemy and sacrifice countless lives in a long, seemingly pointless, unwinnable conflict. On the home front, patriotism corrodes, political fortunes are made and lost in the face of an antiwar backlash, and a once-proud country wonders how the righteous fight for freedom overseas has collapsed into a hopeless quagmire. At once a novel of thrilling military suspense, intriguing alternate history, and profound insight into contemporary affairs, *The Man with the Iron Heart* is a tour de force by a storyteller of exceptional imaginative power.

---

---

#### THE HOT WAR

---

Del Rey In the final book of the blistering trilogy *The Hot War*, old hatreds and new chances for revenge are unleashed on an already devastated world—as the Cold War becomes a roaring inferno. In 1952 American cities lie in ruins. President Harry Truman, in office since 1945, presides over a makeshift government in Philadelphia, suffering his own personal loss and fearing for the future of democracy. In the wake of Hitler's reign, Germany and America have become allies, and Stalin's vise hold on power in the USSR persists. Unwilling to trust the Soviet tyrant, Truman launches a long-planned nuclear strike on the city of Omsk—killing Stalin and plunging the Red Army into leaderless, destructive anarchy. Meanwhile, the Baltic states careen toward rebellion, and Poland is seized by rebels bred on war. In a world awash with victims turned victors, refugees, and killers, has Truman struck a blow for peace or fueled more chaos? As these staggering events unfold, the lives of men and women across battle lines, ethnicities, and religions play out around the globe. In Los Angeles, an extended Jewish family builds a future, while the foul smell of a refugee camp in Santa Monica blows in on the ocean breeze. In Korea, a U.S. fighter struggles to bring his Korean interpreter stateside as a full American. In Siberia, two German women fight for their survival in a gulag—and begin a strange, harrowing journey home. From the terrifying global chess match between superpowers to the strength of individual human conscience, *Armistice* captures a world that's been split to its core by the violence only mankind can create. Through the thunder of battle, the clashes of armies, and the whispers of lovers, how humanity will be rebuilt, and who will do it, are the questions that resound in this marvelous work of imagination and history. Praise for *Armistice* "The story's focus remains on ordinary characters and how they cope with their particular circumstances. . . . Readers who savor the patient accumulation of detail around each scenario will by now be thoroughly addicted."—Kirkus Reviews "The series is entertaining and explores life on the razor's edge."—SFRevu

### THE GUNS OF THE SOUTH

---

---

---

#### A NOVEL

---

Del Rey "It is absolutely unique--without question the most fascinating Civil War novel I have ever read." Professor James M. McPherson Pulitzer Prize-winning *BATTLE CRY OF FREEDOM* January 1864--General Robert E. Lee faces defeat. The Army of Northern Virginia is ragged and ill-equipped. Gettysburg has broken the back of the Confederacy and decimated its manpower. Then, Andries Rhodie, a strange man with an unplaceable accent, approaches Lee with an extraordinary offer. Rhodie demonstrates an amazing rifle: Its rate of fire is incredible, its lethal efficiency breathtaking--and Rhodie guarantees unlimited quantities to the Confederates. The name of the weapon is the AK-47.... Selected by the Science Fiction Book Club A Main Selection of the Military Book Club

Ballantine Books A World War II alternate history explores the lives of historic leaders, soldiers, and civilians in a world where Chamberlain chooses not to appease Adolf Hitler in 1938.

---

---

### JOE STEELE

---

Penguin In this alternative history, Joe Steele takes the place of Franklin D. Roosevelt to become the U.S. President leading the country out of the Great Depression. The reforms he puts in place get citizens back to work, but Steele's critics end up in work camps if they complain too much about the policies.

---

---

### KRISPOS RISING (THE TALE OF KRISPOS, BOOK ONE)

---

Del Rey Videssos was beset by enemies abroad and had fallen into decadence at home. But on his first night in the imperial capital, The Empire's health mattered less to Krispos than finding a dry place to sleep. Driven by crushing taxes from the farm where his family had lived—and died—Krispos had come to the city seeking what fortune a good mind and a strong back could earn. He had a single goldpiece to his name—the gift, years past, of a nomad chieftain to a ragged peasant boy. Now, though the night was raw and the inn was warm, he was loath to spend that coin, for the barbarian had claimed it carried magic. Keep his lucky goldpiece or trade it for a warm, dry bed? Krispos tucked the coin away and stepped back into the wet streets—all unaware that so simple a choice would lead to a world of peril and possibility. . . .

---

### BOMBS AWAY

---

---

---

#### THE HOT WAR

---

Hot War An alternate history account of the Korean War is set in the aftermath of General MacArthur's decision to drop nuclear bombs on Manchurian cities.

---

---

### THE GRAPPLE

---

Random House Digital, Inc. The tide of battle turns against the Confederates, Northern forces overrun the Southern capital, and their mad president, desperate for victory, threatens to unleash the ultimate weapon, the atomic bomb, in a re-imagining of World War II.

---

---

### KRISPOS THE EMPEROR (THE TALE OF KRISPOS, BOOK THREE)

---

Del Rey Krispos had held the throne of Videssos since he was scarcely more than a peasant youth. But now a strange heresy has taken root in the land, a hidden dissent that is flaring into open revolt. As Krispos leads his legions with his three sons, against the rebels, one son disappears into the rebel ranks. Then the renegades seize the day, and Krispos wages an ever more desperate war against an implacable foe that would not scruple to set brother against brother, father against son....

---

### TWO FRONTS

---

Del Rey As the Spanish civil war drags on and the United States fights Japan in the Pacific, Nazi Germany fights Russia in Eastern Europe as new nationalist powers arise.

---

## HITLER'S WAR

---

### THE WAR THAT CAME EARLY, BOOK ONE

---

Del Rey A stroke of the pen and history is changed. In 1938, British prime minister Neville Chamberlain, determined to avoid war, signed the Munich Accord, ceding part of Czechoslovakia to Hitler. But the following spring, Hitler snatched the rest of that country, and England, after a fatal act of appeasement, was fighting a war for which it was not prepared. Now, in this thrilling alternate history, another scenario is played out: What if Chamberlain had not signed the accord? In this action-packed chronicle of the war that might have been, Harry Turtledove uses dozens of points of view to tell the story: from American marines serving in Japanese-occupied China and ragtag volunteers fighting in the Abraham Lincoln Battalion in Spain to an American woman desperately trying to escape Nazi-occupied territory—and witnessing the war from within the belly of the beast. A tale of powerful leaders and ordinary people, at once brilliantly imaginative and hugely entertaining, *Hitler's War* captures the beginning of a very different World War II—with a very different fate for our world today. **BONUS:** This edition contains an excerpt from Harry Turtledove's *The War that Came Early: West and East*.

### THROUGH DARKEST EUROPE

---

#### A NOVEL

Tor Books \*io9's New Sci-Fi and Fantasy Books You Need to Put On Your Radar This Fall From the modern master of alternate history and New York Times bestselling author Harry Turtledove, *Through Darkest Europe* envisions a world dominated by a prosperous and democratic Middle East—and under threat from the world's worst trouble spot. Senior investigator Khalid al-Zarzisi is a modern man, a product of the unsurpassed educational systems of North Africa and the Middle East. Liberal, tolerant, and above all rich, the countries and cultures of North Africa and the Middle East have dominated the globe for centuries, from the Far East to the young nations of the Sunset Lands. But one region has festered for decades: Europe, whose despots and monarchs can barely contain the simmering anger of their people. From Ireland to Scandinavia, Italy to Spain, European fundamentalists have carried out assassinations, hijackings, and bombings on their own soil and elsewhere. Extremist fundamentalist leaders have begun calling for a "crusade", an obscure term from the mists of European history. Now Khalid has been sent to Rome, ground zero of backwater discontent. He and his partner Dawud have been tasked with figuring out how to protect the tinpot Grand Duke, the impoverished Pope, and the overall status quo, before European instability starts overflowing into the First World. Then the bombs start to go off. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

### BLOOD AND IRON (AMERICAN EMPIRE, BOOK ONE)

---

Del Rey "Blood and Iron is a masterpiece."—Sci Fi Weekly World War I—The Great War—has ended, and an uneasy peace reigns around the world. Nowhere is it more fragile than on the continent of North America, where bitter enemies share a single landmass and two long, bloody borders. In the North, proud Canadian nationalists try to resist the colonial power of the United States. In the South, the once-mighty Confederate States have been pounded into poverty and merciless inflation. The time is right for madmen, demagogues, and terrorists. With Socialists rising to power in the U.S., and a dangerous fanatic in the Confederacy preaching a doctrine of hate, more than enough people are eager to return the world to war. "A master storyteller as well as a trained historian with an imagination . . . [Turtledove] has succeeded in taking title as the premier writer in [alternate history], relentlessly asking what if one or two key events in our reality happened differently. The result is fascinating."—Houston Chronicle "Turtledove is a master at weaving details of ordinary life into a much bigger canvas to produce a world that so easily could have been our own. [It] is what keeps readers coming back for more."—Tulsa World

### RULED BRITANNIA

---

Penguin The year is 1597. For nearly a decade, the island of Britain has been under the rule of King Philip in the name of Spain. The citizenry live under an enforced curfew—and in fear of the Inquisition's agents, who put heretics to the torch in public displays. And with Queen Elizabeth imprisoned in the Tower of London, the British have no symbol to unite them against the enemy who occupies their land. William Shakespeare has no interest in politics. His passion is writing for the theatre, where his words bring laughter and tears to a populace afraid to speak out against the tyranny of the Spanish crown. But now Shakespeare is given an opportunity to pen his greatest work—a drama that will incite the people of Britain to rise against their persecutors—and change the course of history.

### THE VICTORIOUS OPPOSITION

---

Random House Digital, Inc. The Confederacy, under president Jake Featherston, ignites old hatreds in the midst of the Great Depression to renew hostilities with the United States as they become embroiled in the Second World War.

### SWORDS OF THE LEGION

---

Del Rey In Videssos the city, tribune Marcus Scaurus was bored. The legion that had been magically transported to this strange world was far away. But the Emperor's niece Alypia was near -- and willing. When their secret trysts were betrayed, Emperor Thorisin Gavras was forced to condemn Marcus as a traitor -- but with a promise of freedom and Alypia, if he could reclaim a rebel province from a fanatic usurper, with no military aid. With only centurion Gaius Philippus, Marcus set out to try the seemingly impossible task. But the fates conspired against them, driving them further westward, into the innermost sanctum of Videssos' great enemy Yezd -- and toward the torture chambers of the evil, deathless wizard-prince Avshar. But behind them, without orders, the men of the legion were on the march! From the Paperback edition.

### ALPHA AND OMEGA

---

Del Rey New York Times bestselling author Harry Turtledove reveals a new side of his potent imagination in a gripping speculative novel about the End of Days—and a discovery in the Middle East that turns the world upside down. What would happen if the ancient prophecy of the End of Days came true? It is certainly the last thing Eric Katz, a secular archaeologist from Los Angeles, expects during what should be a routine dig in Jerusalem. But perhaps higher forces have something else in mind when a sign presaging the rising of the Third Temple is located in America, a dirty bomb is detonated in downtown Tel Aviv, and events conspire to place a team of archaeologists in the tunnels deep under the Temple Mount. There, Eric is witness to a discovery of such monumental proportions that nothing will ever be the same again. Harry Turtledove is the master at portraying ordinary people caught up in extraordinary events, and what is more extraordinary than the incontrovertible proof that there truly is a higher force controlling human destiny? But as to what that force desires . . . well, that is the question.

### LAST ORDERS (THE WAR THAT CAME EARLY, BOOK SIX)

---

Del Rey History is changed by one small act. In an extraordinary saga of nations locked in war, master storyteller Harry Turtledove examines a very different World War II—one which erupts eleven months earlier, and over Czechoslovakia rather than Poland. Now comes the final installment in this landmark series. Hitler's Plan A was to win in a hurry, striking hard and deep into France. There was no Plan B. Now the war grinds on. Countries have been forced into strange alliances. The Nazis fortify thin lines with Hungarian and Romanian troops. England, finding its footing after the suspicious death of Winston Churchill and a coup d'état, fights back in Europe and on the seas of the North Atlantic. Jews fight on both sides of the war—in secret in German uniform, openly in Spain, France, and Russia. Into the standoff come new killing tools, from tanks to bazookas. In the Pacific, Japan prepares bombs filled with macabre biological concoctions to be dropped on Hawaii. For the U.S., the only enemy is Japan, as there has been no casus belli for America in Europe. Then Hitler becomes desperate and declares war on the United States. But is it too late? His own people are rising up in revolt. The German military may have to put down the violence, even perhaps bomb its own cities. In this epic drama, real men and women are shaped by the carnage, and their individual acts in turn shape history. Drawing on the gritty, personal reality of war and on a cast of unforgettable characters, Harry Turtledove has written an alternate history that intrigues, fascinates, and astounds. Praise for *Last Orders* "From our perspective seventy years later, we're accustomed to thinking of WWII's outcome as being inevitable. Not so, says [Harry] Turtledove. . . . Disdaining broad brush strokes, Turtledove's focus on the characters serves to fill out the big picture with patient, nitty-gritty detail. It's all quite plausible. . . . Armchair warriors will have much to ponder."—Kirkus Reviews Praise for Harry Turtledove "If you like alternate histories, you're going to like this series a lot."—The San Diego Union-Tribune "Turtledove is the standard-bearer for alternate history."—USA Today Coup d'Etat "This is what alternative history is all about."—Historical Novel Society The Big Switch "The Hugo Award winner continues to delight in exploring the world of 'what if?'"—Library Journal West and East "There's plenty to satisfy fans of military strategy, tactics, and armaments."—Publishers Weekly *Hitler's War* "Turtledove is always good, but this return to World War II . . . is genuinely brilliant. . . . The characterizations in particular bring the book to extraordinary life."—Booklist

### CUCKOO'S EGG

### FOREVER PEACE

---

Penguin 2043 A.D.: The Ngumi War rages. A burned-out soldier and his scientist lover discover a secret that could put the universe back to square one. And it is not terrifying. It is tempting...

### AMERICAN EMPIRE: THE CENTRE CANNOT HOLD

---

Hachette UK Turtledove's alternate history of America in the last 150 years continues . . . The second book in the American Empire sequence takes the violent American civil war (which has become a world war) to 1924: a time of rebuilding. Life is slowly returning to normal in the devastated cities of Europe and Canada. In the United States, the Socialist Party battles Calvin Coolidge to hold on to power. And it seems as if the Socialists can do no wrong as the stock market soars and America enjoys a prosperity unknown for half a century. But as old names like Custer and Roosevelt fade into history a new generation faces new uncertainties. In a world of occupiers and the occupied, of simmering hatreds, shattered lives and pent-up violence, the centre can no longer hold. And for a powerful nation, the ultimate shock will come when a fleet of foreign aircraft rains death and destruction on one of the great cities of the United States.

### DAYS OF INFAMY

---

Hachette UK Japanese Zeros appear in the skies over Hawaii and descend upon Pearl Harbor in a devastating attack that cripples the U.S. Navy fleet and airfields. One after another, the islands are conquered and occupied by the Empire of the Sun. In the hands of a merciless enemy, American soldiers in POW camps suffer cruel punishment. Many older Hawaiians of Japanese origin support the invaders - while some of their children want to fight back. But the domination of the Pacific and the submission of those who live there is merely the beginning. With the U.S. military on Hawaii completely

subjugated, there is no one to stop the Japanese from using the islands' resources to launch an offensive against America's western coast...

---

### **UNCONVENTIONAL WARFARE (SPECIAL FORCES, BOOK 1)**

---

Scholastic Inc. Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

---

### **IF THE SOUTH HAD WON THE CIVIL WAR**

---

Macmillan The classic novel of speculative history, showing how the South could have won the Civil War, is accompanied by the author's essay on his work.

---

### **THE WILD ROSE**

---

Hachette Books The third book in the sweeping, multi-generational saga that began with *The Tea Rose*, *The Wild Rose* is a "lush story of epic proportions" (Romantic Times Book Review). *The Wild Rose* is a part of the sweeping, multi-generational saga that began with *The Tea Rose* and continued with *The Winter Rose*. It is London, 1914. World War I looms on the horizon, women are fighting for the right to vote, and explorers are pushing the limits of endurance in the most forbidding corners of the earth. Into this volatile time, Jennifer Donnelly places her vivid and memorable characters: Willa Alden, a passionate mountain climber who lost her leg while summiting Kilimanjaro with Seamus Finnegan, and who will never forgive him for saving her life; Seamus Finnegan, a polar explorer who tries to forget Willa as he marries a beautiful young schoolteacher back home in England; Max von Brandt, a handsome German sophisticate who courts high society women, but has a secret agenda in wartime London. Many other beloved characters from *The Winter Rose* continue their adventures in *The Wild Rose* as well. With myriad twists and turns, thrilling cliffhangers, and fabulous period detail and atmosphere, *The Wild Rose* provides a highly satisfying conclusion to an unforgettable trilogy.
