Principles of Accounting Volume 1 - Financial Accounting

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

Poems

Sunstone Press The poems in this book are gleaned from a kind of poetic journal kept by the author over a period of time to record whatever he was thinking and whatever was of immediate importance. Taken all together, they trace an intellectual as well as an actual journey through the inner thoughts and outward events of a lifetime.

A Grandmother's Journal

Entries from the Gospel of Luke

WestBow Press Through an accumulation of circumstances, God led the author, Bonnie Brooks, to trek through the Gospel of Luke, breaking up fallow ground, shovel in hand, relishing the views, amazing vistas, and journaling phrases. Born out of an encounter with the Almighty, A Grandmother's Journal is written for the purpose of passing on a spiritual legacy to the next generation. The Journal chronicles a daily spiritual expedition into the earthly life of Jesus as viewed through the eyes of the beloved physician, Luke. Together with Brooks, stroll the dusty roads of Israel, feel the breeze and splashes of water as you sail on the Sea of Galilee in a first-century boat while encountering a storm, celebrate miracles Jesus performed no one imagined possible, and kneel at the cross on Golgotha as the sky darkens and the ground quakes. Come alone or better yet, invite others to share the journey with you. A Grandmother's Journal explores the deeper layers of Luke's Gospel, the longest Gospel of the Bible and the most comprehensive of the three other Gospels. As Brooks portrays various scenes in her entries, you are urged to recall people, events, and spiritual markers from your own story, your legacy, in order to pass them onto the next generation. From her heart to yours!

Fast Close

A Guide to Closing the Books Quickly

John Wiley & Sons Praise for Fast Close: A Guide to Closing the Books Quickly "Steve captures the essence of the problems affecting the financial close process within corporations of all sizes; from the period close of subledgers and general ledger through financial reporting, and the relationship and interdependencies of governance, people and technology. A must-read for the corporate controller." —David Taylor, ACMA, MBA, VP Strategy, Trintech Inc. "Fast Close: A Guide to Closing the Books Quickly, Second Edition is a must-read for today's busy controllers. Steven Bragg points out everything that can be done outside the close that you just never realized didn't actually have to be part of the month-end close process! Very commonsensical approach!" —Kathleen Schneibel, mba, cpa, Controller/CFO for Hire, KMAS Consulting LLC "A well-executed 'fast close' can bring many valuable

benefits to any company, from improving organizational performance to transforming accounting executives from financial historians to trusted advisors. In *Fast Close, Second Edition*, Steve systematically breaks down the steps required to achieve a fast close in both public and private companies, providing financial executives with tips, checklists, and a cost-effective road map to implement fast close procedures in virtually any company." —Matthew Posta, Esq., CPA, Vice President of Finance, Key Air, LLC FROM THE FIRST EDITION "This is an outstanding book in which Steve reveals his secrets to a fast close. Having personally experienced his (one-day) fast close for years and enjoyed the beneficial impact on my company, I highly recommend this book for all financial officers who desire to have a large, favorable impact on their company." —Richard V. Souders, President and CEO, Kaba Workforce Solutions

Lines from Collings Hill

Poems, Journal Entries, and Selected Life Records

Wildside Press LLC During her long life, NELLIE HUNT COLLINGS (1883-1961) kept copious journals detailing life on a small Idaho farm. Interspersed with those entries were bits of poetry, most relating to the things that were central to her--family and community. She celebrated the small things in verses that spoke from her heart to the hearts of those she loved. At times, she notes, during the harsh winters, she might go weeks without seeing anyone except her family...but she was never alone. She had her words. Her verses make no pretense to sophistication or high art. They are meant to be spoken and understood, not analyzed and assessed. Nevertheless, they attain to a kind of emotional purity that is rare. Now, half a century after her death, they allow her to live again. Edited by Michael R. Collings.
