VOLEVO NASCERE VENTO

Edizioni Mondadori A 17 anni Rita si trasferisce a Roma e lascia per sempre il suo paese in provincia di Trapani: il perché non è facile da raccontare, non è facile guardare in faccia il Mostro che le ha rubato l'infanzia e la famiglia. Ma un giorno l'incontro con il giudice Paolo Borsellino le cambia la vita. Rita con lui si sente al sicuro e, nonostante la verità sia dolorosa da accettare, decide di raccontargli tutto quello che sa.

VEDI ALLA VOCE: AMORE

Edizioni Mondadori Come parlare dell'Olocausto alle nuove generazioni, a chi è troppo giovane per aver vissuto l'orrore? A questa domanda - una necessità ineludibile - posta dallo scrittore Elie Wiesel, David Grossman ha risposto con *Vedi alla voce: amore*.

THE RECEPTION OF CHARLES DICKENS IN EUROPE

A&C Black *The Reception of Charles Dickens in Europe* offers a full historical survey of Dickens's reception in all the major European countries and many of the smaller ones, filling a major gap in Dickens scholarship, which has by and large neglected Dickens's fortunes in Europe, and his impact on major European authors and movements. Essays by leading international critics and translators give full attention to cultural changes and fashions, such as the decline of Dickens's fortunes at the end of the nineteenth century in the period of Naturalism and Aestheticism, and the subsequent upswing in the period of Modernism, in part as a consequence of the rise of film in the era of Chaplin and Eisenstein. It will also offer accounts of Dickens's reception in periods of political upheaval and revolution such as during the

communist era in Eastern Europe or under fascism in Germany and Italy in particular.

THE NATION IN CHILDREN'S LITERATURE

NATIONS OF CHILDHOOD

Routledge *This book explores the meaning of nation or nationalism in children's literature and how it constructs and represents different national experiences. The contributors discuss diverse aspects of children's literature and film from interdisciplinary and multicultural approaches, ranging from the short story and novel to science fiction and fantasy from a range of locations including Canada, Australia, Taiwan, Norway, America, Italy, Great Britain, Iceland, Africa, Japan, South Korea, India, Sweden and Greece. The emergence of modern nation-states can be seen as coinciding with the historical rise of children's literature, while stateless or diasporic nations have frequently formulated their national consciousness and experience through children's literature, both instructing children as future citizens and highlighting how ideas of childhood inform the discourses of nation and citizenship. Because nation and childhood are so intimately connected, it is crucial for critics and scholars to shed light on how children's literatures have constructed and represented historically different national experiences. At the same time, given the massive political and demographic changes in the world since the nineteenth century and the formation of nation states, it is also crucial to evaluate how the national has been challenged by changing national languages through globalization, international commerce, and the rise of English. This book discusses how the idea of childhood pervades the rhetoric of nation and citizenship, and how children and childhood are represented across the globe through literature and film.*

HUCK FINN IN ITALIAN, PINOCCHIO IN ENGLISH

THEORY AND PRAXIS OF LITERARY TRANSLATION

Fairleigh Dickinson Univ Press *This book represents an investigation into one of the basic issues in the study of translation: how do we reconcile theory and practice? The main focus, in the form of close readings and think-aloud protocols in Chapters 2 and 3, is on translations of two classic texts: Mark Twain's *The Adventures of Huckleberry Finn* and Carlo Collodi's *Le avventure di Pinocchio*. The first and last chapters respectively seek to show what translation theory is and what translation practice is. Indeed, Chapter 1, "Theory and Hubris," provides a synthesis of the development of the interdiscipline of Translation Studies, with some consideration also given to the hermeneutical questions that inevitably arise when dealing with the interpretation of language.*

Abrams In The Hug, internationally renowned author David Grossman tells the moving story of the moment when Ben realizes that no two living creatures are alike—not his mother and father, their beautiful dog Miracle or the ants who march side by side at his feet and appear identical—and the loneliness he feels knowing that there is no one else quite like him in the whole world. But just as he is feeling the most alone he has ever felt, he is soothed by his mother's loving hug. Timeless, touching, and beautifully produced, The Hug is a charming and important work for parents and children encountering the feeling of being different, together

A&C Black 'We could be like two people who inject themselves with truth serum, and

at long last have to tell it - the truth I want to be able to say to myself, "I bled truth with her," yes, that's what I want. Be a knife for me, and I, I swear, will be a knife for you.' An awkward, neurotic seller of rare books writes a desperate letter to a beautiful stranger whom he sees at a class reunion. This simple, lonely attempt at seduction begins a love affair of words between Yair and Miriam, two married, middle-aged adults, dissatisfied with their lives, yearning for the connection that has always eluded them - and, eventually, reawakened to feelings that they thought had passed them by. Their correspondence unfolds into an exchange of their most naked confessions: of desire, childhood tragedies, joys, and humiliations. Through the dialogue between Yair - a family man and surprisingly successful adulterer, whose guarded letters reveal a life of duplicity - and Miriam, at first deceptively open and warm, who fills her life with distraction to avoid a past full of painful secrets, *BE MY KNIFE* explores the nature and the limits of intimacy.

STORIA E VITA

LION'S HONEY

THE MYTH OF SAMSON

Canongate Books In exhilarating and lucid prose, Grossman gives us a provocative new take on the story of Samson: his battle with the lion, the three hundred burning foxes, the women he bedded, the one he loved and who betrayed him and the destruction of the temple. It reveals the journey of a lonely and tortured soul, whose search for a true home echoes our own private struggles.
