### Liam Goes Poo in the Toilet

### A Story about Trouble with Toilet Training

Jessica Kingsley Publishers 'This is Liam. Every day Liam eats lots of good food. Each time Liam eats, his tummy gets fuller and fuller... and fuller... until Liam's tummy starts to stretch' Successful toilet training is a time of celebration for both parents and child. It marks the end of dirty diapers and a forward step in the development of a child. Fraught with both stress and triumph, the period of toilet training can take from days to months. For a typical child, learning to gain control over the body's internal stimuli can be at best challenging. For many children, however, these internal cues can be overwhelming and confusing, leading to both a frustrating and traumatic toileting experience. Liam Goes Poo in the Toilet illustrates the relationship between eating and excreting. It provides visual instructions on how to 'relax and push'. After much fanfare, Liam finally masters going 'poo' in the toilet, and both he and Mum bask in the glory of a job well done.

### Lovable Liam

### Affirmations for a Perfectly Imperfect Child

Jessica Kingsley Publishers Liam is lovable even when he whines and won't eat his dinner. When people are cross with Liam, they still love him. Being cross will only last a minute. Love will last forever! All children require discipline and boundaries. They need to be taught manners, traditions, morality and social conduct. With all these constant lessons and corrections, children can sometimes be left feeling overly criticised or unloved. Lovable Liam takes a moment to honour a child for who he is. It reminds parents to let their child know they are wonderful and precious - deeply valued by friends and family, even when people are cross with them. Vibrant, colourful and lively, this book's positive messages and advice are ideal for young children wanting to understand how relationships work.

### Liam Wins the Game, Sometimes

### A Story about Losing with Grace

Jessica Kingsley Publishers Liam loves playing games. His favourite game is 'Woof Woof' which he loves to play with Daddy. When Liam collects all the bones and Daddy loses, he says 'Good game Liam'. When Daddy wins, he gets to shout 'Woof Woof - I win!'. Liam does not like it when he doesn't win. In Liam Wins the Game, Sometimes, lovable Liam learns that it is ok to feel disappointed if you don't win, but that it's not ok to moan or cry or throw things: sometimes you win and sometimes you don't. He learns how to become a good sport, and that makes him a real champ! Vibrant, colourful and lively, this book's positive messages and advice are ideal for young children wanting to understand social situations or how friendships work.

And then something extraordinary happens: More dragon fruits appear on the tree! Now it's official, Tomas is growing dragons.

## Meet The Poo's

Lulu.com Meet The Poo's is a story about Peter Poo and his family. Peter is a shy Poo and wants to ride the Flush Flume in the Toilet Swimming Pool like the rest of his family. Sarah wishes he would peep out at the right time, but he is so shy he pops his head out shyly at some inconvenient times. Meet The Poo's is written to help parents of children that have a sometimes unexplained and seemingly irrational fear of passing a poo or using the toilet. It is written to take the emphasis of the child to use the toilet, instead removing pressure and blaming Peter Poo for accidents and creating a will to help Peter.

## The Knife of Never Letting Go

Candlewick Press A dystopian thriller follows a boy and girl on the run from a town where all thoughts can be heard - and the passage to manhood embodies a horrible secret. Todd Hewitt is the only boy in a town of men. Ever since the settlers were infected with the Noise germ, Todd can hear everything the men think, and they hear everything he thinks. Todd is just a month away from becoming a man, but in the midst of the cacophony, he knows that the town is hiding something from him -- something so awful Todd is forced to flee with only his dog, whose simple, loyal voice he hears too. With hostile men from the town in pursuit, the two stumble upon a strange and eerily silent creature: a girl. Who is she? Why wasn't she killed by the germ like all the females on New World? Propelled by Todd's gritty narration, readers are in for a white-knuckle journey in which a boy on the cusp of manhood must unlearn everything he knows in order to figure out who he truly is.

## Everybody Poos

Frances Lincoln Children's Books New in mini edition! All living things do different sorts of poo. Some are different colours, others have different smells or sizes. Some do it on land, some poo in water. Some poo in a toilet, or in a potty, or in their nappies. This children's book has a no-nonsense approach to the bodily function to encourage children not to be ashamed about potty training.

## The Boy at the Back of the Class

Delacorte Press Told with humor and heart, *The Boy at the Back of the Class* offers a child's perspective on the refugee crisis, highlighting the importance of friendship and kindness in a world that doesn't always make sense. There used to be an empty chair at the back of Mrs. Khan's classroom, but on the third Tuesday of the school year a new kid fills it: nine-year-old Ahmet, a Syrian refugee. The whole class is curious about this new boy--he doesn't seem to smile, and he doesn't talk much. But after learning that Ahmet fled a Very Real War and was separated from his family along the way, a determined group of his classmates bands together to concoct the Greatest Idea in the World--a magnificent plan to reunite Ahmet with his loved ones. This accessible, kid-friendly story about the refugee crisis highlights the community-changing potential of standing as an ally and reminds readers that everyone deserves a place to call home. "This moving and timely debut novel tells an enlightening, empowering, and ultimately hopeful story about how compassion and a willingness to speak out can change the world." --School Library Journal, Starred Review Overall Winner of the 2019 UK Waterstones Children's Book Prize Winner of the 2019 UK Blue Peter Book Award A CLIP Carnegie Medal Children's Book Award Nominee

## The Science of Poop and Farts

### The Smelly Truth about Digestion

Franklin Watts Everyone poops. It may seem pretty gross, but it's perfectly healthy and natural. Poop (also called feces or excrement) is the solid waste that's left after we've digested our food. It's the stuff our bodies can't use for energy or growth, and it passes out of us when we go to the toilet. So poop is really just the final product of our digestive system. In this gut-wrenching guide we will explore how we digest our food, and all the strange side effects of this complex and fascinating process-including burps and farts. We will look at what happens when things go wrong, and how this affects the color, smell, and texture of our poop. We will also find out how poop is not just a smelly waste product, but can actually be useful to us.

## Softy the Poop

### Helping Families Talk about Poop

*Softy the Poop* explains about the normal characteristics of poop, and encourages children to use the bathroom regularly to avoid becoming constipated.

## The Death and Life of Great American Cities

Vintage Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the bitingly satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

## The Humanure Handbook

### Shit in a Nutshell

"This is a self-published book that no respectable publisher would touch with a ten-foot shovel. The fourth edition of this underground classic is completely revised, expanded, and updated, help new edition and half sequel. The author draws on forty years of research, experience, and travel, to expand and clarify your knowledge and understanding of ... your poop and what you can do with it! "--Page 4 of cover.

## Born a Crime

## Stories from a South African Childhood

One World #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

## Homeland

Tor Teen In Cory Doctorow's wildly successful *Little Brother*, young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Francisco—an experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, California's economy collapses, but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. It's incendiary stuff—and if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave him—but he can't admit to being the leaker, because that will cost his employer the election. He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He can't even attend a demonstration without being dragged onstage and handed a mike. He's not at all sure that just dumping the archive onto the Internet, before he's gone through its millions of words, is the right thing to do. Meanwhile, people are beginning to shadow him, people who look like they're used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as current as next week, *Homeland* is every bit the equal of *Little*

Brother—a paean to activism, to courage, to the drive to make the world a better place. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

His past collides with his present in this complex and thrilling story that explores loss and heartbreak, duty and honor, and, most importantly, the staggering cost of war and the debts we owe those

who served in the Vietnam War, and those in uniform today.

## Who's in the Bathroom?

**Simon and Schuster** Two children who desperately need to go try to figure out why there is such a long line for the bathroom.

## Getting Off

## One Woman's Journey Through Sex and Porn Addiction

**Simon and Schuster** “Erica Garza has written a riveting, can’t-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read” (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to Getting Off. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we’ve all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica’s life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. Getting Off offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—“a profoundly genuine, gripping story that any reader can appreciate” (Vice). “In reading Garza’s insight into her own experiences, we better understand ourselves” (The New York Times Book Review).

## The Language Instinct

## How The Mind Creates Language

**Harper Collins** The classic book on the development of human language by the world’s leading expert on language and the mind. In this classic, the world’s expert on language and mind lucidly explains everything you always wanted to know about language: how it works, how children learn it, how it changes, how the brain computes it, and how it evolved. With deft use of examples of humor and wordplay, Steven Pinker weaves our vast knowledge of language into a compelling story: language is a human instinct, wired into our brains by evolution. The Language Instinct received the William James Book Prize from the American Psychological Association and the Public Interest Award from the Linguistics Society of America. This edition includes an update on advances in the science of language since The Language Instinct was first published.
