AMERICAN ENGLISH FILE Level 2 AMERICAN ENGLISH FILE Workbook 2 American English File OXFORD "Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation. English File 2 Student's Book The course that gets students talking. American English File 1 American English File 5 Oxford University Press, USA Got It!, Level 2 Got it! is a course which is comprehensive and innovative in its range of resources, but also offers support and flexibility for the teacher. How does it achieve this? By presenting grammar through dialogues or texts and following up with more detailed analysis, students are able to check their understanding of meaning and context. They are encouraged to try out new structures and are given opportunities to explore the meaning and usage of new language before it is presented and practised more formally.

This allows them to discover the language intuitively for themselves and this sense of achievement helps to motivate them. With a strong emphasis on dialogue work and personalization, students are able to understand how the language can work for them. Targeted skills lessons develop this and build their competence further. The outstanding range of components means that every lesson can be varied and exciting. Whether you prefer using print or digital, or a combination of the two, all the resources are at your fingertips - giving you maximum support and flexibility. Maintaining motivation is always a challenge with teenagers, so the topics for each unit have been carefully chosen to help them become culturally aware. In addition, the broad range of issues covered develops their understanding of values. English File Intermediate Student's Book "Just when you thought it couldn't get any better!" English File 1 Workbook English File is a flexible course for adults and young adults which reflects the realities of both learning and teaching. At each of the first two levels, there is a fast-track core of 60 hours' class work, with additional material which can extend the course to more than 120 hours. English File 1 is for beginners and false beginners. English File gives students a real sense of achievement and progress. It offers clear learning objectives, an organized approach to revision and reference work, and a fully integrated home-study programme. For teachers, there are well-planned lessons that work, a realistic syllabus focusing on what can be achieved in a first level course, and a complete source of ready-to-use supplementary materials.

- Lessons which cover the grammar pronunciation, and vocabulary syllabus of the course, with in-built revision

and recycling. • Systematic pronunciation work, with a memorable and learner-friendly introduction to English sounds. • Graded listening materials and tasks. • Travel with English. Functional language, practical communication in international 'survival' contexts. • Revision and extension. Consolidation and development of core lessons through skills work. • Vocabulary file. Systematic vocabulary development and revision, and learning tips. • Grammar file. Self-check grammar reference in language graded for beginner level. • Word bank. An active picture dictionary for memorable study and reference. Proofs from THE BOOK [Springer Science & Business Media](#) According to the great mathematician Paul Erdős, God maintains perfect mathematical proofs in The Book. This book presents the authors candidates for such "perfect proofs," those which contain brilliant ideas, clever connections, and wonderful observations, bringing new insight and surprising perspectives to problems from number theory, geometry, analysis, combinatorics, and graph theory. As a result, this book will be fun reading for anyone with an interest in mathematics.

The Online Workbook includes activities which correspond to each Student's Book unit; instant feedback for hundreds of activities; clear, easy-to-follow navigation; additional audio practice; and simple tools to monitor progress. Calculus [Brooks/Cole Publishing Company](#) This edition of Swokowski's text is truly as its name implies: a classic. Groundbreaking in every way when first published, this book is a simple, straightforward, direct calculus text. Its popularity is directly due to its broad use of

applications, the easy-to-understand writing style, and the wealth of examples and exercises which reinforce conceptualization of the subject matter. The author wrote this text with three objectives in mind. The first was to make the book more student-oriented by expanding discussions and providing more examples and figures to help clarify concepts. To further aid students, guidelines for solving problems were added in many sections of the text. The second objective was to stress the usefulness of calculus by means of modern applications of derivatives and integrals. The third objective, to make the text as accurate and error-free as possible, was accomplished by a careful examination of the exposition, combined with a thorough checking of each example and exercise.

English File 3e Upper-intermediate Workbook with Key [OUP Oxford](#) **Oxford Discover, Level 3** Using an inquiry-based approach to learning, Oxford Discover develops the communication skills and thinking skills students need for success in the 21st century.
