MARRIED TO THE BAD BOY

THE LONGEST DATE

LIFE AS A WIFE

Penguin The bestselling author of The Between Boyfriends Book and an award-winning writer for Sex and the City and Modern Family takes a hilarious, heartbreaking look at marriage Cindy Chupack has spent much of her adult life writing about dating and relationships for several hit TV series and as a sex columnist for O, The Oprah Magazine. At the age of thirty-nine, she finally found The One—and a wealth of new material. Marriage, Cindy discovered, was more of an adventure than she ever imagined, and in this collection of essays she deftly examines the comedy and cringe-worthy aspects of matrimony. Soulful yet self-deprecating, The Longest Date recounts her first marriage (he was gay) and the meeting of Husband No. 2, Ian. After the courtship and ceremony, both Cindy and Ian realized that happily ever after takes some practice, and near constant negotiation over everyday matters like cooking, sex, holidays, monogamy, and houseguests. The Longest Date takes a serious turn when it comes to infertility. The Longest Date is the perfect companion for anyone navigating a serious relationship, be it newlyweds or couples moving in that direction.

BAD BOY

A MEMOIR

Harper Collins A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called "bad boy" in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

SO I MARRIED A ROCKSTAR

A BAD BOY ROMANCE

I hate rockstars. All of them. But there's one in particular... Drax is cocky, brash and one pitchfork away from being the devil himself. But he's also the sexiest jerkwad I've ever met. Worse than that, he seems to crave my curves just as much as I long for his rock-hard, tattoo-covered body. What am I supposed to do, just ignore those mesmerizing ice-blue eyes? Or how all my bits and pieces tighten whenever he's near? Or the way his voice gets all husky when he calls me Lola? Yeah, right. That's how I ended up on a tour bus headed for Vegas as the band's new manager. But it's only temporary, much like what's going on between Drax and me. I just wish he'd got the memo. Oh sure, he's putting on a good show that this is more than a fling, but I know he's just like every other bad boy, heavy metal musician. Want to know the worst part? I don't like heavy metal or bad boys. Maybe I'll lie to myself a little longer.
