## Maestria

*Oceano De Mexico* **Robert Greene, the "modern Machiavelli" debunks the prevailing mythology of success and presents a radical new way to greatness.**

## Mastery

*Penguin* **From the bestselling author of The 48 Laws of Power and The Laws of Human Nature, a vital work revealing that the secret to mastery is already within you. Each one of us has within us the potential to be a Master. Learn the secrets of the field you have chosen, submit to a rigorous apprenticeship, absorb the hidden knowledge possessed by those with years of experience, surge past competitors to surpass them in brilliance, and explode established patterns from within. Study the behaviors of Albert Einstein, Charles Darwin, Leonardo da Vinci and the nine contemporary Masters interviewed for this book. The bestseller author of The 48 Laws of Power, The Art of Seduction, and The 33 Strategies of War, Robert Greene has spent a lifetime studying the laws of power. Now, he shares the secret path to greatness. With this seminal text as a guide, readers will learn how to unlock the passion within and become masters.**

## The 48 Laws Of Power

*Profile Books* **THE MILLION COPY INTERNATIONAL BESTSELLER** Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. **Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. \_\_\_\_\_ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.**

## Mastery

*Profile Books* **'Machiavelli has a new rival, and Sun-tzu had better watch his back' - New York Times** Around the globe, people are facing the same problem - that we are born as individuals but are forced to conform to the rules of society if we want to succeed. To see our uniqueness expressed in our achievements, we must first learn the rules - and then how to change them completely. Charles Darwin began as an underachieving schoolboy, Leonardo da Vinci as an illegitimate outcast. The secret of their eventual greatness lies in a 'rigorous apprenticeship': by paying close and careful attention, they learnt to master the 'hidden codes' which determine ultimate success or failure. Then, they rewrote the rules as a reflection of their own individuality, blasting previous patterns of achievement open from within. Told through Robert Greene's signature blend of historical anecdote and psychological insight and drawing on interviews with world leaders, Mastery builds on the strategies outlined in The 48 Laws of Power to provide a practical guide to greatness - and how to start living by your own rules. From the internationally bestselling author of The 48 Laws of Power, The Art Of Seduction, and The 33 Strategies Of War.

## The Daily Laws

## 366 Meditations on Power, Seduction, Mastery, Strategy, and Human Nature

*Penguin* **A NEW YORK TIMES BESTSELLER** From the world's foremost expert on power and strategy comes a daily devotional designed to help you seize your destiny. Robert Greene, the #1 New York Times bestselling author, has been the consigliere to millions for more than two decades. Now, with entries that are drawn from his five books, plus never-before-published works, The Daily Laws offers a page of refined and concise wisdom for each day of the year, in an easy-to-digest lesson that will only take a few minutes to absorb. Each day features a Daily Law as well—a prescription that readers cannot afford to ignore in the battle of life. Each month centers around a major theme: power, seduction, persuasion, strategy, human nature, toxic people, self-control, mastery, psychology, leadership, adversity, or creativity. Who doesn't want to be more powerful? More in control? The best at what they do? The secret: Read this book every day. "Daily study," Leo Tolstoy wrote in 1884, is "necessary for all people." More than just an introduction for new fans, this book is a Rosetta stone for internalizing the many lessons that fill Greene's books and will reward a lifetime of reading and rereading.

## The 50th Law

*Profile Books* 'My favourite book' Tinchy Stryder BA Business Life Book of the Month The ultimate hustle is to move freely between the street and corporate worlds, to find your flow and never stay locked in the same position. This is a manifesto for how to operate in the twenty-first century, where everything has been turned on its head. Building on the runaway success of Robert Greene's The 48 Laws of Power (almost five million copies sold), the 'modern Machiavelli' teams up with rapper 50 Cent to show how the power game of success can be played to your advantage. Drawing on the lore of gangsters, hustlers, and hip-hop artists, as well as 50 Cent's business and artistic dealings, the authors present the 'Laws of 50', revealing how to become a master strategist and supreme realist. Success comes from seeking an advantage in each and every encounter, and The 50th Law offers indispensable advice on how to win in business - and in life.

## The Art Of Seduction

*Profile Books* Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.

## The Laws of Human Nature

*Penguin* From the #1 New York Times bestselling author of The 48 Laws of Power comes the definitive new book on decoding the behavior of the people around you Robert Greene is a master guide for millions of readers, distilling ancient wisdom and philosophy into essential texts for seekers of power, understanding and mastery. Now he turns to the most important subject of all - understanding people's drives and motivations, even when they are unconscious of them themselves. We are social animals. Our very lives depend on our relationships with people. Knowing why people do what they do is the most important tool we can possess, without which our other talents can only take us so far. Drawing from the ideas and examples of Pericles, Queen Elizabeth I, Martin Luther King Jr, and many others, Greene teaches us how to detach ourselves from our own emotions and master self-control, how to develop the empathy that leads to insight, how to look behind people's masks, and how to resist conformity to develop your singular sense of purpose. Whether at work, in relationships, or in shaping the world around you, The Laws of Human Nature offers brilliant tactics for success, self-improvement, and self-defense.

## Concise 48 Laws of Power

*Profile Books(GB)* The perfect gift book for the power hungry (and who doesn't want power?) at an excellent price. The Concise Edition of an international bestseller. ## Resumen Extendido De Maestria (Mastery) - Basado En El Libro De Robert Greene

*Mentors Library* DESCRIPCIÓN DEL LIBRO ORIGINALMaestría, escrito por Robert Greene, revela que cualquier persona puede ser un experto en lo que se proponga si sigue los pasos de los maestros que han marcado la historia de la humanidad. El libro ha alcanzado el primer lugar de la lista de bestsellers del New York Times y provee diversas estrategias para continuar con esos pasos ancestrales. La mayoría de las personas no vive una vida trascendental porque prefieren ceñirse a una rutina ordinaria aceptando sus circunstancias tal y como son. Los grandes maestros de la historia como Einstein, Marie Curie, Mozart, John Coltrane o Goethe, fueron personalidades de grandes logros porque decidieron romper ese esquema. La idea central del libro de Robert Greene es acabar con el mito de los ungidos que nacieron con un destino especial; en realidad, nadie nace siendo un genio, y la persona promedio puede convertirse en un maestro con el fin de adquirir algún día un mejor estatus. En líneas generales, la maestría es alcanzable para todo aquel dispuesto a apasionarse, a comprometerse en un aprendizaje que tomará años, a transformar su conocimiento y a crear una identidad auténtica. Deberá vivir una vida de continuo autodidactismo y comprensión, compartiendo su sabiduría con los demás.

## The 33 Strategies Of War

## The Great Work of Your Life

### A Guide for the Journey to Your True Calling

*Bantam* An inspiring guide to finding your life's purpose—what spiritual teachers call dharma—through mindfulness and self-exploration. Stephen Cope says that in order to have a fulfilling life you must discover the deep purpose hidden at the very core of your self. The secret to unlocking this mystery, he asserts, can be found in the pages of a two-thousand-year-old spiritual classic called the Bhagavad Gita—an ancient allegory about the path to dharma, told through a timeless dialogue between the fabled archer, Arjuna, and his divine mentor, Krishna. Cope takes readers on a step-by-step tour of this revered tale and highlights well-known Western lives that embody its central principles—including such luminaries as Jane Goodall, Walt Whitman, Susan B. Anthony, John Keats, and Harriet Tubman, along with stories of ordinary people as well. If you're feeling lost in your own life's journey, *The Great Work of Your Life* may help you to find and to embrace your true calling. Praise for *The Great Work of Your Life* “Keep a pen and paper handy as you read this remarkable book: It's like an owner's manual for the soul.”—Dani Shapiro, author of *Devotion* “A masterwork . . . You'll find inspiration in these pages. You'll gain a better appreciation of divine guidance and perhaps even understand how you might better hear it in your own life.”—*Yoga Journal* “I am moved and inspired by this book, the clarity and beauty of the lives lived in it, and the timeless dharma it teaches.”—Jack Kornfield, author of *A Path with Heart* “A rich source of contemplation and inspiration [that] encourages readers . . . to discover and fully pursue their inner self's calling.”—*Publishers Weekly* “Fabulous . . . If you have ever wondered what your purpose is, this book is a great guide to help you on your path.”—YogaHara

## Seductress

### Women Who Ravished the World and Their Lost Art of Love

*Penguin* In this road map to restoring feminine sexual power, Betsy Prioleau introduces and analyzes the stories and stratagems of history's greatest seductresses. These are the women who ravished the world—from such classic figures as Cleopatra and Mae West to such lesser-known women as the infamous Violet Gordon Woodhouse, who lived in a ménage with four men. Smarts, imagination, courage, and killer charm helped these love maestras claim the men of their choice and keep them fascinated for life. Through an exposé of their secrets, *Seductress* provides an authoritative, empowering guide to erotic sovereignty.

## Blood in My Eye

*Black Classic Press* Originally published: New York: Random House, 1972.

## PIMPOLOGY

### The 48 Laws of the Game

*Simon and Schuster* The pimp has reached nearly mythical status. We are fascinated by the question of how a guy from the ghetto with no startup capital and no credit -- nothing but the words out of his mouth -- comes not only to have a stable of sexy women who consider him "their man," but to drive a Rolls, sport diamonds, and wear custom suits and alligator shoes from Italy. His secret is to follow the "unwritten rules of the game" -- a set of regulations handed down orally from older, wiser macks -- which give him superhuman powers of charm, psychological manipulation, and persuasion. In *Pimpology*, star of the documentaries *Pimps Up*, *Ho's Down* and *American Pimp* and *Annual Players Ball* Mack of the Year winner Ken Ivy pulls a square's coat on the unwritten rules that took him from the ghetto streets to the executive suites. Ken's lessons will serve any person in any interaction: Whether at work, in relationships, or among friends, somebody's got to be on top. To be the one with the upper hand, you've got to have good game, and good

game starts with knowing the rules. If you want the money, power, and respect you dream of, you can't just "pimp your ride," you need to pimp your whole life. And unless you've seen Ray Charles leading Stevie Wonder somewhere, you need Ken's guidelines to do it. They'll reach out and touch you like AT&T and bring good things to life like GE. Then you can be the boss with the hot sauce who gets it all like Monty Hall

## A Touch of Death

*Simon and Schuster* A brilliant Alliance geneticist who disappeared years ago walks into a police station in Siberia wearing a hazmat suit and claims to be responsible for the deaths of his wife and three children. But before he can be questioned, he is kidnapped by his former employer, Gai Dong Jing, an ex-Alliance officer who is head of a terrorist network conducting bioweapon research of deadly proportions. With the threat of a worldwide epidemic looming, Sydney and the APO team must locate Jing and decode the toxic scientist's medical diary, which holds the answers to the virus he carries and the fate of the scientist's family. In the meantime, the highly contagious geneticist plans to rid himself of his illness in the most unimaginable way....

## Nexus

*Harlequin* Return to the high-stakes, riveting world of The Androma Saga in this dazzling finale from #1 New York Times bestselling authors Sasha Alsberg and Lindsay Cummings. With her crew captured and her ship a smoldering ruin, notorious mercenary Androma Racella is no longer the powerful Bloody Baroness, but a fugitive on the run. And with most of the galaxy now trapped under the mind control of the bloodthirsty Queen Nor, not even the farthest reaches of Mirabel can offer safety for the queen's most-hated adversary. But Andi will risk anything, even her precious freedom, to save her crew. So when she finds herself stranded with bounty hunter Dextro Arez on the unforgiving ice planet of Solera, Andi seeks out the mysterious Arachnid, the one person who seems to be fighting back against the vicious queen...and uncovers the true, devastating reason for Nor's takeover. Back on Andi's home planet of Arcardius, Nor's actions have made Mirabel vulnerable to invasion from an outside force. Now allying with her mortal enemy may be the only way for the Bloody Baroness to save the galaxy—even if that alliance demands the most wrenching sacrifice of all.

## Thrive

## The Third Metric to Redefining Success and Creating a Life of Well-Being, Wisdom, and Wonder

*Harmony* In Thrive, Arianna Huffington makes an impassioned and compelling case for the need to redefine what it means to be successful in today's world. Arianna Huffington's personal wake-up call came in the form of a broken cheekbone and a nasty gash over her eye--the result of a fall brought on by exhaustion and lack of sleep. As the cofounder and editor-in-chief of the Huffington Post Media Group--one of the fastest growing media companies in the world--celebrated as one of the world's most influential women, and gracing the covers of magazines, she was, by any traditional measure, extraordinarily successful. Yet as she found herself going from brain MRI to CAT scan to echocardiogram, to find out if there was any underlying medical problem beyond exhaustion, she wondered is this really what success feels like? As more and more people are coming to realize, there is far more to living a truly successful life than just earning a bigger salary and capturing a corner office. Our relentless pursuit of the two traditional metrics of success--money and power--has led to an epidemic of burnout and stress-related illnesses, and an erosion in the quality of our relationships, family life, and, ironically, our careers. In being connected to the world 24/7, we're losing our connection to what truly matters. Our current definition of success is, as Thrive shows, literally killing us. We need a new way forward. In a commencement address Arianna gave at Smith College in the spring of 2013, she likened our drive for money and power to two legs of a three-legged stool. They may hold us up temporarily, but sooner or later we're going to topple over. We need a third leg--a third metric for defining success--to truly thrive. That third metric, she writes in Thrive, includes our well-being, our ability to draw on our intuition and inner wisdom, our sense of wonder, and our capacity for compassion and giving. As Arianna points out, our eulogies celebrate our lives very differently from the way society defines success. They don't commemorate our long hours in the office, our promotions, or our sterling PowerPoint presentations as we relentlessly raced to climb up the career ladder. They are not about our resumes--they are about cherished memories, shared adventures, small kindnesses and acts of generosity, lifelong passions, and the things that made us laugh. In this deeply personal book, Arianna talks candidly about her own challenges with managing time and prioritizing the demands of a career and raising two daughters--of juggling business deadlines and family crises, a harried dance that led to her collapse and to her "aha moment." Drawing on the latest groundbreaking research and scientific findings in the fields of psychology, sports, sleep, and physiology that show the profound and transformative effects of meditation, mindfulness, unplugging, and giving, Arianna shows us the way to a revolution in our culture, our thinking, our workplace, and our lives.

## The 50Th Law Of Power

## The Power of a Positive No

## How to Say No and Still Get to Yes

*Bantam* No is perhaps the most important and certainly the most powerful word in the language. Every day we find ourselves in situations where we need to say No-to people at work, at home, and in our communities-because No is the word we must use to protect ourselves and to stand up for everything and everyone that matters to us. But as we all know, the wrong No can also destroy what we most value by alienating and angering people. That's why saying No the right way is crucial. The secret to saying No without destroying relationships lies in the art of the Positive No, a proven technique that anyone can learn. This indispensable book gives you a simple three-step method for saying a Positive No. It will show you how to assert and defend your key interests; how to make your No firm and strong; how to resist the other side's aggression and manipulation; and how to do all this while still getting to Yes. In the end, the Positive No will help you get not just to any Yes but to the right Yes, the one that truly serves your interests. Based on William Ury's celebrated Harvard University course for managers and professionals, The Power of a Positive No offers concrete advice and practical examples for saying No in virtually any situation. Whether you need to say No to your customer or your coworker, your employee or your CEO, your child or your spouse, you will find in this book the secret to saying No clearly, respectfully, and effectively. In today's world of high stress and limitless choices, the pressure to give in and say Yes grows greater every day, producing overload and overwork, expanding e-mail and eroding ethics. Never has No been more needed. A Positive No has the power to profoundly transform our lives by enabling us to say Yes to what counts-our own needs, values, and priorities. Understood this way, No is the new Yes. And the Positive No may be the most valuable life skill you'll ever learn!

## Rules of the Game

*Harper Collins* If you want to play the Game, you've got to know the Rules. In his international bestseller The Game, Neil Strauss delved into the secret world of pick-up artists—men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of The Game, and the world's No. 1 PUA, as Style. Now, in this bestselling companion, Strauss reduces three books of life-changing knowledge into a single-volume set. The first book, The Stylelife Challenge, breaks down the knowledge he learned and techniques he invented into simple step-by-step instructions that anyone can follow to meet and land the women of their dreams. In the second book, Strauss takes readers into the dark side of The Game. The Style Diaries offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; to the stress and frustration of the torturous and highly unorthodox "30 Day Sex Experiment," The Style Diaries takes you further into the seduction underworld than ever before. Finally, in the all-new, updated third volume, Strauss collects the greatest, most powerful, field-tested, word-for-word routines. You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your social skills, which has already guided countless men from frustration to fulfillment.

## Conspiracy

## A True Story of Power, Sex, and a Billionaire's Secret Plot to Destroy a Media Empire

*Penguin* An NPR Book Concierge Best Book of 2018! A Sunday Times of London Pick of the Paperbacks A stunning story about how power works in the modern age--the book the New York Times called "one helluva page-turner" and The Sunday Times of London celebrated as "riveting...an astonishing modern media conspiracy that is a fantastic read." Pick up the book everyone is talking about. In 2007, a short blogpost on Valleywag, the Silicon Valley-vertical of Gawker Media, outed PayPal founder and billionaire investor Peter Thiel as gay. Thiel's sexuality had been known to close friends and family, but he didn't consider himself a public figure, and believed the information was private. This post would be the casus belli for a meticulously plotted conspiracy that would end nearly a decade later with a \$140 million dollar judgment against Gawker, its bankruptcy and with Nick Denton, Gawker's CEO and founder, out of a job. Only later would the world learn that Gawker's demise was not incidental--it had been masterminded by Thiel. For years, Thiel had searched endlessly for a solution to what he'd come to call the "Gawker Problem." When an unmarked envelope delivered an illegally recorded sex tape of Hogan with his best friend's wife, Gawker had seen the chance for millions of pageviews and to say the things that others were afraid to say. Thiel saw their publication of the tape as the opportunity he was looking for. He would come to pit Hogan against Gawker in a multi-year proxy war through the Florida legal system, while Gawker remained confidently convinced they would prevail as they had over so many other lawsuit--until it was too late. The verdict would stun the world and so would Peter's ultimate unmasking as the man who had set it all in motion. Why had he done this? How had no one discovered it? What would this mean--for the First Amendment? For privacy? For culture? In Holiday's masterful telling of this nearly unbelievable conspiracy, informed by interviews with all the key players, this case transcends the narrative of how one billionaire took down a media empire or the current state of the free press. It's a study in power, strategy, and one of the most wildly ambitious--and successful--secret plots in recent memory. Some will cheer Gawker's destruction and others will lament it, but after reading these pages--and seeing the access the author was given--no one will deny that there is something ruthless and brilliant about Peter Thiel's shocking attempt to shake up the world.

### Rediscovering the Archetypes of the Mature Masculine

*Harper Collins* The bestselling, widely heralded, Jungian introduction to the psychological foundation of a mature, authentic, and revitalized masculinity. Redefining age-old concepts of masculinity, Jungian analysts Robert Moore and Douglas Gillette make the argument that mature masculinity is not abusive or domineering, but generative, creative, and empowering of the self and others. Moore and Gillette clearly define the four mature male archetypes that stand out through myth and literature across history: the king (the energy of just and creative ordering), the warrior (the energy of aggressive but nonviolent action), the magician (the energy of initiation and transformation), and the lover (the energy that connects one to others and the world), as well as the four immature patterns that interfere with masculine potential (divine child, oedipal child, trickster and hero). King, Warrior, Magician, Lover is an exploratory journey that will help men and women reimagine and deepen their understanding of the masculine psyche.

## Big Results

### The Steps to Getting the Results You Want, and Why Setting Goals Never Works

A lot of times, when people think about success, they immediately start to think about their goals. They look at their life and start to measure their accomplishments. I then ask these people, of their goals, how many they would say they accomplish in a year or month. In most cases, they have set goals but they have no idea of the steps or work it takes to accomplish them. I tell you, although we set goals, the outcome we desire is a specific set of results. Let's look at the big picture: the reason why we set goals is because we would like an immediate result, so instead of focusing on the goal, let's focus on the result we want. To me, when I hear the word "goal" I mainly think of wishful thinking. I have no idea how to make this goal a reality, and I know plenty of people who work hard and don't get the result they wanted. Is it possible that, in the process of working toward that goal, they lost sight of the result intended? Or is it possible that they didn't plan the necessary steps to reach the goal/result?

## Shamanic Secrets: Lost Wisdom Regained

*Light Technology Publishing* Due to wars, natural disasters, a shaman not being able to train a successor, and many other reasons, Isis (through Robert) says that 95 percent of the accumulated shamanic wisdom has been lost. Now it is important to regain this wisdom as young people who are able to learn and use these processes are being born now. Beings who lived as shamans and healers on Earth at various times now speak through Robert Shapiro and bring these lost teachings and techniques to a humanity waking up and discovering it has the talents and abilities to use this wisdom for the benefit of all. "This is a time on Earth when people are being rent asunder by dramas in their lives and are overwhelmed by dramas in the lives of others or are sometimes attached to the dramatic events of the day. In times gone by, there were people who provided knowledge, wisdom, and comfort to ease life for their people. "This book is entirely about finding comfort and ease through life. You don't have to struggle. You don't have to find substitutes for things you don't have. You don't have to get along without things you need. You need food, comfortable shelter, good health, and time to enjoy life. This book does not provide all the answers to all your questions. Rather, it is the beginning of much more to come. "Some of you are interested in how others lived their lives in the past, but most of you — especially those who need something, want something, or are desperately trying to acquire something — are interested in how people from the past acquired those things. Some of the suggestions will seem fantastic or impossible to you. Don't assume that. Some of you will find you can produce, in some way, a portion of what those shamans from the past were able to do. This might be easier for those of you already on your spiritual path. Even if you are not on any particular spiritual path, don't assume you cannot do these things." — Speaks of Many Truths

## The Jealousy Cure

### Learn to Trust, Overcome Possessiveness, and Save Your Relationship

*New Harbinger Publications* "The Jealousy Cure unlocks the positive power of jealousy for happy relationships." —Foreword Reviews "Solid counsel for those whose relationships are plagued by jealousy and the individuals it targets." —Library Journal starred review Could jealousy be a positive thing? In this groundbreaking book, Robert L. Leahy—author of the hugely popular self-help guide, *The Worry Cure*—invites you to gain a greater understanding of your jealous feelings, keep jealousy from hijacking your life, and create healthier relationships. We've all heard tales of the overly jealous spouse or significant other. Maybe we've even been that jealous person, though we may not want to admit it. It's hard to imagine anyone sailing through life without either having feelings of jealousy or being the target of someone's jealousy. But what if jealousy isn't just a neurotic weakness? What if it signals that your relationship matters to you? In short—what if jealousy serves a purpose? In *The Jealousy Cure*, renowned psychologist Robert L. Leahy takes a more nuanced approach to tackling feelings of jealousy. In this compelling book, you'll uncover the evolutionary origins of jealousy, and how and why it's served to help us as a species. You'll also learn practices based in emotional schema theory, cognitive behavioral therapy (CBT), acceptance and commitment therapy (ACT), and mindfulness to help you overcome the shame jealousy can bring, improve communication with your partner, and ultimately make room for jealousy while also making your relationship more meaningful. You will learn that confronting jealousy in your relationship does not have to be a catastrophe, but can redirect you and your partner to build more trust, acceptance, and connection. We often feel jealous because we fear losing the things or people that matter to us the most. With this insightful guide, you'll discover how jealousy can both help and hurt your relationship, and learn proven-effective skills to keep jealousy in its place. This book has been selected as an Association for Behavioral and Cognitive Therapies Self-Help Book Recommendation—an honor bestowed on outstanding self-help books that are consistent with cognitive behavioral therapy (CBT) principles and that incorporate scientifically tested strategies for overcoming mental health difficulties. Used alone or in conjunction with therapy, our books offer powerful tools readers can use to jump-start changes in their lives.

## The Astrological Neptune and the Quest for Redemption

*Weiser Books* The longing for redemption is a many-headed daimon that dwells within the most earthbound and prosaic of souls. Neptune is the astrological symbol that describes this energy. Liz Greene, an internationally known astrologer, has given us the most complete and accessible book about Neptune ever written! She explores Neptune themes in literature, myth, politics, religion, fashion, and art to show how this energy manifests.

## You Are What You Speak

## Grammar Grouches, Language Laws and the Power of Words

*Black Inc.* Why does language move some of us to anxiety or even rage? For centuries, sticklers have donned the cloak of authority to control how people use words. In this sensational new book, Robert Lane Greene strikes back to defend the fascinating, real-life diversity of this most basic human faculty. Along the way, he corrects Bill Bryson's "facts" about words, challenges the rhetoric of Lynne Truss's bestselling *Eats, Shoots & Leaves*, and explains why speech is a lot like jazz. Travel with Greene on a rollicking world tour that shows the role language beliefs play in shaping our identities, for good and ill. From the Tower of Babel to Atatürk's banning of Arabic script, he charts how language "experts" moved from myth-making to rule-making and from building cohesive communities to building modern nations. This enthralling book reveals that our arguments about language may relate to something else entirely, and illuminates the rewards of being flexible with our words. *You Are What You Speak* will certainly get people talking. 'This is a masterly survey of language ... erudite and witty.' —Julian Burnside 'An erudite and provocative argument.' —The Age Robert Lane Greene is an international correspondent for the *Economist*, and a former columnist for the *New Republic*. His writing has appeared in the *New York Times*, on *Slate*, and in other publications. He speaks nine languages and is a term member of the Council on Foreign Relations.
