Organizational Behavior

Organizational Behaviour

Understanding and Managing Life at Work

"Welcome to the eleventh edition of Organizational Behaviour: Understanding and Managing Life at Work! This edition marks the 33rd anniversary of the text, which has been rigorously updated over the years to present students with the latest knowledge and research on both the science and practice of organizational behaviour. First published in 1983, Organizational Behaviour is the longest-running, continuously published, and regularly revised organizational behaviour textbook authored in Canada."

Organizational Behavior

This best-selling book takes a traditional approach to Organizational Behavior beginning with The Individual, The Group and then moving into The Organization. It covers the cutting-edge topics such as learning and motivation, emotions, trust and group-dynamics.

Management of Organizational Behavior

Leading Human Resources

Prentice Hall Forty years in the making, Management of Organizational Behavior is a readable text that makes behavioral sciences come alive through real life examples and progressive ideology.

Media Management

A Casebook Approach

Routledge Media Management: A Casebook Approach provides a detailed consideration of the manager's role in today's media organizations, highlighting critical skills and responsibilities. Using media-based cases that promote critical thinking and problem-solving, this text addresses topics of key concern to managers: diversity, group cultures, progressive discipline, training, and market-driven journalism, among others. The cases provide real-world scenarios to help students anticipate and prepare for experiences in their future careers. Accounting for major changes in the media landscape that have affected every media industry, this Fifth Edition actively engages these changes in both discussion and cases. The text considers the need for managers to constantly adapt, obtain quality information, and be entrepreneurial and flexible in the face of new situations and technologies that cannot be predicted and change rapidly in national and international settings. As a resource for students and young professionals working in media industries, Media Management offers essential insights and guidance for succeeding in contemporary media management roles.

Management and Organisational Behaviour

Prentice Hall This long established market leader has set standards that few texts have equalled in terms of accessibility of writing style, clarity of presentation and popularity with students and teachers alike. Written from a managerial perspective and packed with contemporary references to management research and practice, it continues to prove the student's OB text of choice. This eighth edition brings fresh evidence to explore theory in practice, and a wide range of brand new and intriguing examples and case studies on issues and organisations that are engaging, relevant and contemporary. It also provides an abundance of online student self-assessment resources. The breadth of appeal of this text makes it ideal for Management and

Organisation courses from HND level through undergraduate and up to MBA.

Organisational Behaviour in the Workplace

A comprehensive textbook, completely refreshed to engage students through real life case studies and develop their critical thinking. A new title to reflect the focus on organisational behaviour and written specifically for undergraduate first year students.

The Organizational Behavior Reader

This reader provides the best collection of classic, ground-breaking articles, as well as cutting-edge works in the field in a practical, reader-friendly format to support your experiential organisational behaviour classroom.

The Economics and Financing of Media Companies

Fordham Univ Press In this updated and expanded edition of the acclaimed Economics and Financing of Media Companies, leading economist and media specialist Robert G. Picard employs business concepts and analyses to explore the operations and activities of media firms and the forces and issues affecting them. Picard has added new examples and new data, and he covers such emerging areas as the economics of digital media. Using contemporary examples from American and global media companies, the book contains a wealth of information, including useful charts and tables, important for both those who work in and study media industries. It goes beyond simplistic explanations to show how various internal and external forces direct and constrain decisions in media firms and the implications of the forces on the type of media and content offered today.

Organizational Behaviour

Wiley Global Education Organizational Behaviour, Third Edition, builds on the strengths and successes of the previous editions and has been fully updated to reflect changes in the world of work and the context of organizational behaviour within that world. The authors combine a managerial approach, focusing on practical, real-world applications, with a rigorous critical perspective that analyses the research behind the theories. The text addresses alternative theoretical perspectives, in parallel to the introduction of new worldwide cases and examples. The concise coverage of the core topics can be applied to both one-semester and year-long teaching and learning patterns. In addition, the text includes a strong applied focus stressing the applicability of all topic areas in work organisations, as well as examples from across a wide variety of business and geographic sectors. The

fully updated online resource package at www.wiley.com/college/french includes PowerPoint slides, a lecturer test bank, instructor's manual and additional cases. Students can access self-test quizzes, glossary flashcards, a student study guide and links to relevant journal articles, as well as interactive modules and skills assessments.

Management 9e

Introducing Public Administration

Routledge Updated in its 8th edition, *Introducing Public Administration* provides readers with a solid, conceptual foundation in public administration, and contains the latest information on important trends in the discipline. Known for their lively and witty writing style, Shafritz, Russell, and Borick cover the most important issues in public administration using examples from various disciplines and modern culture. This approach captivates readers and encourages them to think critically about the nature of public administration today.

Management Fundamentals Concepts, Applications, Skill Development

South Western Educational Publishing Using a three-pronged approach of concepts, applications, and skill development, MANAGEMENT FUNDAMENTALS, International Edition gives your students a solid foundation of management concepts and real skills they can use in the workplace. Through a variety of thought-provoking applications, Lussier challenges students to think critically and apply concepts to their own experiences. Proven skill-building exercises, behavioral models, self-assessments, and group exercises throughout the text help students realize their own managerial potential. The 14-chapter format is comprehensive enough for the one-term course yet flexible enough to allow for additional readings, activities, or discussions.

Essentials of Organizational Behavior

An Evidence-Based Approach

SAGE Publications Concise, practical, and based on the best available research, Essentials of Organizational Behavior: An Evidence-Based Approach, Second Edition equips students with the necessary skills to become effective leaders and managers. Author Terri A. Scandura uses an evidence-based approach to introduce students to

new models proven to enhance the well-being, motivation, and productivity of people in the work place. Experiential exercises, self-assessments, and a variety of real-world cases and examples provide students with ample opportunity to apply OB concepts and hone their critical thinking abilities. New to this Edition A new Emotions and Moods chapter delves into important topics like emotional intelligence, emotional contagion, and affective neuroscience. A new Power and Politics chapter unpacks the most effective influence strategies and helps students develop their political skills. A streamlined table of contents now combines perception and decision making in a single chapter and change and stress in a single chapter. New case studies, including some from SAGE Business Cases for the Interactive eBook, on topics such as virtual teams, equal pay and the gender wage gap, and the use of apps at work introduce timely and relevant discussions to help foster student engagement. The new edition has been rigorously updated with the latest research throughout and includes expanded coverage of Machiavellian leadership, ethical decision making, and organizational design through change. New Best Practices and Research in Action boxes as well as new Toolkit Activities and Self-Assessments have been added to make the text even more hands-on and practical.

Organizational Behavior

Improving Performance and Commitment in the Workplace

Irwin Professional Publishing

An Introduction to Kant's Ethics

Cambridge University Press This is the most up-to-date, brief and accessible introduction to Kant's ethics available. It approaches the moral theory via the political philosophy, thus allowing the reader to appreciate why Kant argued that the legal structure for any civil society must have a moral basis. This approach also explains why Kant thought that our basic moral norms should serve as laws of conduct for everyone. The volume also includes a detailed commentary on Foundations of the Metaphysics of Morals, Kant's most widely studied work of moral philosophy.

Emotions in Organizational Behavior

Psychology Press This edition was conceived and compiled to meet the need for a comprehensive book for practitioners, academics, and students on the research of emotions in organizational behavior. The book is the first of its kind to incorporate organizational behavior and bounded emotionality. The editors' primary aim is to

communicate the research presented at the bi-annual International Conference on Emotions and Organizational Life to a wider audience. This edition looks at the range of research on emotions within an organizational behavior framework; organized in terms of the individual, interpersonal, and organizational levels. Particular emphasis has been placed on obtaining the leading research in the international sphere. This book is intended to be useful to the student of organizational behavior, as well as to the managers of organizations.

Quality Management

Introduction to Total Quality Management for Production, Processing, and Services

Prentice Hall An instructor's manual and a set of PowerPoint transparencies are available to supplement the text.

Personality and Organizations

Psychology Press Personality has always been a predictor of performance. This edited book brings together top scholars to look at teams, leadership, organizational climate and culture, stress, job satisfaction, etc. and tells us what we know about these topics from a personality perspective.

Organizational Behavior

Leadership in Organizations

This book is about leadership in organizations. The primary focus is on managerial leadership, as opposed to parliamentary leadership, leadership of social movements, or informal leadership in peer groups. The book presents a broad survey of theory and research on leadership in formal organizations. The topic of leadership effectiveness is of special interest.

Understanding Organizational Behaviour

Oxford University Press, USA This comprehensive textbook is tailored to meet the long-felt need of MBA students for a book written primarily from an Indian perspective. It explores core concepts and theories of organizational behaviour through managerial applications. The book contains well-illustrated chapters on

globalization and the changing profile of employees and customers, culture and the organization, the process of decision making and consensus building, and developing attitudes and values. It provides in-depth coverage of issues and challenges faced by Indian organizations in the areas of traditional culture and modern management, emotional intelligence, the process approach to organizational behaviour, the role of personality and leadership styles, and the roles and functions of the individual, the team, and the organization. Also discussed are key concepts, such as societal culture and organizations, managing work motivation, and preventing and managing conflicts in organizations. Users will find this book highly useful for its applications of theoretical concepts through discussions of individual and team behaviour from actual workplace situations, caselets, and illustrations. Highlights contains

Principles of Management

Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Contributing Authors David S. Bright, Wright State University Anastasia H. Cortes, Virginia Tech University Eva Hartmann, University of Richmond K. Praveen Parboteeah, University of Wisconsin-Whitewater Jon L. Pierce, University of Minnesota-Duluth Monique Reece Amit Shah, Frostburg State University Siri Terjesen, American University Joseph Weiss, Bentley University Margaret A. White, Oklahoma State University Donald G. Gardner, University of Colorado-Colorado Springs Jason Lambert, Texas Woman's University Laura M. Leduc, James Madison University Joy Leopold, Webster University Jeffrey Muldoon, Emporia State University James S. O'Rourke, University of Notre Dame

Organizational Behavior

International Management: Culture, Strategy, and Behavior

McGraw-Hill Education International Management: Culture, Strategy, and Behavior reflects new and emerging developments influencing international managers. With integrated real-world examples, research, and practical applications, students understand how to adjust, adapt, and navigate the changing global business landscape and respond to global challenges - making it a market - leader. The authors retain research and practices over the past decades, and incorporate new and emerging developments affecting international managers to increase students'

effectiveness in managing across cultures.

The Situational Leader

For organizations to achieve excellence in today's world, the commitment to develop people is becoming increasingly important. It is the effective utilization of the human resources that is the cornerstone to high performing organizations. This book presents a practical framework to developing people and increasing productivity.

Organizational Behavior

An Evidence-based Approach

Organisational Behavior by Fred Luthans was one of the first mainstream organisational behavior texts on the market and continues the tradition of being the most current and up-to-date researched text today. Well-known author Fred Luthans is the 5th most prolific Publisher in Academy of Management Journals and a senior research scientist with the Gallup Organization, who continues to do research in the organisational behavior area. The Twelfth Edition of Organisational Behavior is ideal for instructors who take a research-based and conceptual approach to their OB course.
