Human Resource Management

McGraw-Hill Ryerson Steen/Noe Fifth Canadian Edition has been written to make HR more accessible to students, more reflective of their situation, and more about them. Today, every manager is "in HR", and every employee is actively engaged in the process of HRM, regardless of whether they aspire to be a manager or an HR professional. Students will experience HRM every day of their working lives, from how they are perceived by recruiters to completing a performance appraisal, to being promoted or fired. When students ask "What's In It For Me?", the Fifth Canadian Edition will show them just how relevant HRM is to them as people, employees and eventually managers. This easy to read and relevant 11 chapter human resource management text is ideal for a one-semester course. Steen/Noe balances theory with practical application and rich examples that support the need for

foundational HRM, thought leadership and applied insight necessary to perform and thrive in organizations today.

Nonprofit Management

Principles and Practice

SAGE Publications Michael J. Worth's student-friendly best-seller, *Nonprofit Management: Principles and Practice, Fifth Edition*, provides a broad, insightful overview of key topics affecting governance and management of nonprofit organizations. Worth covers the scope and structure of the nonprofit sector, leadership of nonprofits, managing the nonprofit organization, fundraising, earned income strategies, financial management, nonprofit lobbying and advocacy, managing international and global organizations, and social entrepreneurship. Written specifically for students, this applied text balances research, theory, and practitioner literature with current cases, timely examples, and the most recent data available. New to the Fifth Edition New cases related to accountability and governance highlight new approaches to recent controversies and risks to nonprofits. Cases include the Wounded Warriors Project, Sweet Briar College, 4-H, Housing First, the Chan-Zuckerberg Initiative, the National Audubon Society, and an expanded study of governance issues at the Hershey Trust. Expanded discussions of risk management offer new insights on developing strategy, building capacity, and managing risk. New social networks and social media content provides students with practical strategies for using social media when fundraising and marketing. A new comprehensive case on the Girl Scouts of the USA recounts reforms undertaken by this iconic organization and current challenges it faces. The chapter on financial management has been substantially revised to reflect new requirements for nonprofit financial statements issued by the Financial Accounting Standards Board in 2016, as well as an expanded discussion of audits. An updated chapter on fundraising includes information on the Tax Cuts and Jobs Act passed in December 2017, which has implications for charitable giving. New references at the end of every chapter guide readers to relevant cases in the Appendix, making it easy for instructors to incorporate the cases into classroom discussions.

Impact Evaluation in Practice, Second Edition

World Bank Publications The second edition of the *Impact Evaluation in Practice* handbook is a comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.
