Un lavoro da vichingo

Where the Road Takes Me

Skyscape Chloe has one plan for the future, and one plan only: the road. She's made a promise to herself: don't let anyone in, and don't let anyone love her. Blake Hunter is a basketball star who has it all--everything about him looks perfect to those on the other side of his protective walls. He can't let anyone see the shattered pieces behind the flawless facade or else all his hopes and dreams will disappear. One dark night throws Chloe and Blake together, changing everything, when the so-called perfect boy starts to notice the invisible girl.

The Story of the Year

Lindhardt og Ringhof The new year had begun and January was already nearing its end, but it was still very cold. The sparrows found it strange, that the men had declared that it was the new year, as everyone knows that the year only begins with the coming of spring. However, spring was late and a few intrepid sparrows decided to go looking for it. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier", "The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in 1989 and "Frozen", which is loosely based on "The Snow Queen", in 2013. Thanks to Andersen's contribution to children's literature, his birth date, April 2, is celebrated as International Children's Book Day.

The Clothes They Stood Up In

Profile Books The Clothes They Stood Up In is Alan Bennett's first story. Like Charles Dickens' novels which were first published in magazines, it originally appeared in the London Review of Books - which the author says 'seems to me (and not just because I occasionally contribute to it) the liveliest, most serious and also the most radical literary periodical we have'.

The Secret Book of Sacred Things

Atlantic Books A fantastic journey into a postapocalyptic world, seen through the eyes of a 12-year-old girl, told by a master storyteller. For fans of China Mieville and the sci-fi of Margaret Atwood and Doris Lessing. The coming of the Great Stone destroyed almost everything that used to be. But high in one remote valley, the Church of Selene has found its way back from ruin. Sister Luka and her female converts offer sacrifices to the scarred (and very close) moon that hangs over their convent. It has been this way since the Stone hit. Among the Little Sisters of Selene is 12-year-old Aurora, respected Scribe of the church. She endlessly writes down the name of the moon to keep her in the sky where she belongs. But Aurora has a secret book she keeps hidden in her Scribe's chamber and into this diary she pours out her hopes and desires. Upsetting this fragile equilibrium is Willa, a young tomboy whose flamboyant arrival threatens the hard-won status quo of the sisters' community. As Aurora and Willa inch toward friendship, insurrection grows. But when an unexpected marvel occurs in the sky, it is clear that Aurora's work as the Scribe has failed. The moon is threatening to remake the world all over again. This is the Secret Book of Sacred Things, this is Aurora's story.

Blue Beard (Illustrated)

The Planet The classic fairy tale of Blue Beard illustrated by Walter Crane. Crane's work in children's books in cooperation with the publisher Edmund Evans earned him worldwide fame in the latter 19th century.

The Sisterhood Of The Travelling Pants

Random House Australia From the New York Times bestselling author Ann Brashares Best friends Lena, Tibby, Bridget and Carmen, all born within weeks of one another, are preparing to spend their first summer apart. When Carmen buys a pair of second-hand jeans, the girls discover that despite their different physiques, the jeans look great on all of them. They promise to rotate the magical jeans, dubbed 'the travelling pants', amongst them and at the summer's end record their favourite adventure while wearing the pants. The jeans travel the world with the girls, visiting grandparents in Greece, attending soccer camp in Mexico, spending summer with Dad in South Carolina and working at home. They tie together the four distinct characters, each individual and courageous young woman, as they find their own strength in the face of new love, unexpected friendships, a father's remarriage and a reckless relationship. The result is a true sisterhood of support and acceptance.

The Edge of Never

Forever Discover the beloved New York Times bestseller about two lost souls who embark on an epic road trip and find love along the way. A New York Times, USA Today, and Wall Street Journal bestselling blockbuster! Twenty-year-old Camryn Bennett thought she knew exactly where her life was going. But after a wild night at the hottest club in downtown Raleigh, North Carolina, she shocks everyone—including herself—when she decides to leave the only life she's ever known and set out on her own. Grabbing her purse and her cell phone, Camryn boards a Greyhound bus ready to find herself. Instead, she finds Andrew Parrish. Sexy and exciting, Andrew lives life like there is no tomorrow. He persuades Camryn to do things she never thought she would and shows her how to give in to her deepest, most forbidden desires. Soon he becomes the center of her daring new life, pulling love and lust and emotion out of her in ways she never imagined possible. But there is more to Andrew than Camryn realizes. Will his secret push them inseparably together -- or destroy them forever?

A Time of Miracles

Comedy of Vanity & Life-terms

Paj Publication "'Comedy of Vanity, ' a dark satire on mass movements and narcissism, is a prophetic vision of fascism; in 'Life Terms' everybody in a new society is assigned the number of years he or she may live. Canetti's plays provide a missing link in the European dramatic heritage."--Publisher's description.

The Soviet Union and Europe in the Cold War, 1943-53

Springer After the Cold War, its history must be reassessed as the opening of Soviet archives allows a much fuller understanding of the Russian dimension. These essays on the classic period of the Cold War (1945-53) use Soviet and Western sources to shed new light on Stalin's aims, objectives and actions; on Moscow's relations with both the Soviet Bloc and the West European Communist Parties; and on the diplomatic relations of Britain, France and Italy with the USSR. The contributors are prominent European, Russian and American specialists.

The Willoughbys

HarperCollins Now a Netflix animated film, starring Ricky Gervais, Maya Rudolph, Terry Crews, Martin Short, Jane Krakowski, Will Forte, Alessia Cara, and Séan Cullen! From the New York Times Bestselling and two-time Newbery Medal-winning author of *The Giver* and *Number the Stars*, comes a delightfully tongue-in-cheek story about parents trying to get rid of their four children and the children who are all too happy to lose their beastly parents and be on their own. The Willoughby children—Timothy, twins Barnaby A and Barnaby B, and their sister Jane—are fond all old-fashioned things, but especially old-fashioned adventures. What they aren't fond of, however, are their parents. Truth be told, their parents aren't the fondest of them, either, and they're concocting an evil plan to get rid of their children once and for all! Both parents and children have plenty of dastardly ideas and tricks up their sleeves. The only thing they don't have is any idea of what lies between them and a happily-ever-after. Complete with a cheeky glossary and bibliography, this hilarious and wonderfully old-fashioned parody pays playful homage to classic works of children's literature like *Mary Poppins* and *A Christmas Carol*.

The Practical Works of the Rev. Richard Baxter

With a Life of the Author, and a Critical Examination of His Writings

Warhammer 40,000

Marneus Calgar

It's essential reading for 40K aficionados — and the perfect primer for those new to the universe of **WARHAMMER 40,000!** Be prepared!

Confronting America

The Cold War between the United States and the Communists in France and Italy

UNC Press Books Throughout the Cold War, the United States encountered unexpected challenges from Italy and France, two countries with the strongest, and determinedly most anti-American, Communist Parties in Western Europe. Based primarily on new evidence from communist archives in France and Italy, as well as research archives in the United States, Alessandro Brogi's original study reveals how the United States was forced by political opposition within these two core Western countries to reassess its own anticommunist strategies, its image, and the general meaning of American liberal capitalist culture and ideology. Brogi shows that the resistance to Americanization was a critical test for the French and Italian communists' own legitimacy and existence. Their anti-Americanism was mostly dogmatic and driven by the Soviet Union, but it was also, at crucial times, subtle and ambivalent, nurturing fascination with the American culture of dissent. The staunchly anticommunist United States, Brogi argues, found a successful balance to fighting the communist threat in France and Italy by employing diplomacy and fostering instances of mild dissent in both countries. Ultimately, both the French and Italian communists failed to adapt to the forces of modernization that stemmed both from indigenous factors and from American influence. *Confronting America* illuminates the political, diplomatic, economic, and cultural conflicts behind the U.S.-communist confrontation.

Dying to Know You

A Novel

ABRAMS A teenager discovers his voice in this contemporary love story from "one of young adult literature's greatest living writers" (Booklist). Shy teenager Karl is desperately in love with his girlfriend, Fiorella, a literary enthusiast who's asked him to write her a letter in which he reveals his true self. There's just one problem . . . Karl is dyslexic. Convinced that his attempts to express himself with words will end in disaster, Karl tracks down Fiorella's favorite novelist and begs him to take up the task. The famous writer unexpectedly agrees, but on one condition: Karl must participate in a series of interviews so the author can pen an authentic portrait of his affections. What follows is a series of misunderstandings, a startling revelation, and an unusual bond that will change all three of their lives. A moving story of love and friendship, *Dying to Know You* is the perfect novel for "that cloudy expanse between older teenager and younger adult, a novel that doesn't pretend to advise, but merely sees its characters for who they really are" (The Guardian). "This quietly understated performance captures the wistfulness of music in a minor key." —Kirkus Reviews

Hop-o'-my-thumb

A Knight of the Seven Kingdoms

Bantam "Originally published in hardcover in the United States by Bantam Books, an imprint of Random House, a division of Penguin Random House LLC, in 2015."--Title page verso.

Functional Sentence Perspective in Written and Spoken Communication

Cambridge University Press Inspired by the ideas of the Prague School, the theory of functional sentence perspective (FSP) is concerned with the distribution of information as determined by all meaningful elements, from intonation (for speech) to context. A central feature of FSP is communicative dynamism. Jan Firbas discusses the distribution of the degrees of communicative dynamism over sentence elements, which determines the orientation or perspective of the sentence. He examines also the relation of theme and rheme to, and implementation by, syntactic components. Special attention is paid to the relation between FSP and word order. The second part of the book deals with spoken communication and considers the place of intonation in the interplay of FSP factors, establishing the concept of prosodic prominence. It tackles the relationship between the distribution of degrees of communicative dynamism as determined by the interplay of the non-prosodic FSP factors and the distribution of degrees of prosodic prominence as brought about by intonation.

Windhaven

Bantam The light gravity and limited supply of metal fabric wings in the space colony lets only a few humans fly, and Maris, a fisherman's daughter, challenges the closed order of Flyers, later discovering that a revolution is threatening to destroy the world of the Flyers.

The Dark Lady

Oliver the Cat Who Saved Christmas

The Tale of a Little Cat with a Big Heart

Macmillan "A friend who brings light at the darkest of times... Oliver the cat is a timid little thing, who rarely ventures from his home in the Foresters' Arms. Then his life changes dramatically when a fire breaks out in the pub kitchen and he is left homeless and afraid. But, with the kindness of the humans around him, he soon learns to trust again. And, in his own special way, he helps to heal those around him. However, it isn't until he meets a little girl in desperate need of a friend that he realizes this village needs a Christmas miracle... A warm and uplifting novel, this is the tale of a little cat with a big heart. Perfect for fans of *A Street Cat Named Bob* and *Alfie the Doorstep Cat*"--

Environmental Social Work

Routledge Social work has been late to engage with the environmental movement. Often working with an exclusively social understanding of environment, much of the social work profession has overlooked the importance of environmental issues. However, recently, the impact of and worldwide attention to climate change, a string of natural disasters, and increased understanding of issues around environmental justice has put the environment, sustainability, and well-being in the spotlight. Divided into three parts, this field-defining work explores what environmental social work is, and how it can be put into practice. The first section focuses on theory, discussing ecological and social justice, as well as sustainability, spirituality and human rights. The second section comprises case studies of evolving environmental social work practice. The case studies derive from a range of areas from urban gardens and community organizing to practice with those affected by climate change. The final section - relevant to students and lecturers - looks at learning about environmental issues in social work. *Environmental Social Work* provides an integrated theoretical and practical overview of why and how social work might respond to environmental factors affecting the societies and people they work with at international, national, local and individual levels.

The Naked Man

Mythologiques, Volume 4

University of Chicago Press "The Naked Man is the fourth and final volume [of *Mythologiques*], written by the most influential and probably the most controversial anthropologist of our time. . . . Myths from North and South America are set side by side to show their transformations: in passing from person to person and place to place, a myth can change its content and yet retain its structural principles. . . . Apart from the complicated transformations discovered and the fascinating constructions placed on these, the stories themselves provide a feast."—Betty Abel, *Contemporary Review* "Lévi-Strauss uses the structural method he developed to analyze and 'decode' the mythology of native North Americans, focusing on the area west of the Rockies. . . . [The author] takes the opportunity to refute arguments against his method; his chapter 'Finale' is a defense of structural analysis as well as the closing statement of this four-volume opus which started with an 'Ouverture' in *The Raw and the Cooked*."—*Library Journal* "The culmination of one of the major intellectual feats of our time."—Paul Stuewe, *Quill and Quire*
