### **THE MASQUE OF THE RED DEATH**

---

*Phoemixx Classics Ebooks* **The Masque of the Red Death Edgar Allan Poe - The story is said in the most enthralling manner that it makes it very interesting as well as introspective. Even though it appears to be very literal but the crux of the matter is all about the inevitability of death. The prince thought that with his power and position he could defy the plague that caused death in his kingdom. But eventually even he is not spared because on the figurative level it is not a plague but death itself, that does not spare anyone. Prince Prospero's intentions and preparations did not stand a chance when death decided to take him on.**

### **EDGAR ALLAN POE'S "THE MASQUE OF THE RED DEATH" PROVIDES VARIOUS SYMBOLS OF TRANSIENCE IN CONNECTION WITH THE LACK OF MORALITY IN HUMAN BEHAVIOR**

---

*GRIN Verlag* **Seminar paper from the year 2021 in the subject American Studies - Literature, grade: 1,0, Humboldt-University of Berlin (Amerikanistik/Anglistik), course: Paradigms of American Literature: E.A.**

**Poe, language: English, abstract: In this paper, I will examine the numerous symbols of transience Poe uses in "The Masque of the Red Death" and analyze what they represent and how they contribute or influence the plot of the story. Therefore, I will refer to the work of various literary and social scientists and critics such as Jeffrey Meyers and Sabrina Laurent, but also other scholars from different fields. In addition, I will depict that the events within the short story are intended to give an insight into the negative behavior of humans in order to serve as an example of what morally reprehensible behavior can result in. Nowadays it is common knowledge that Edgar Allan Poe is one of the most famous representatives when it comes to the involvement of personal experiences and the placement of hidden symbols in short stories and poems. The Masque of the Red Death is no exception and also represents one of Poe's most popular tales. It first appeared in Graham's Magazine in May 1842 and, due to the time it was written, was part of the so-called "Masquerades" along with three other of Poe's stories. The short story contains a decent amount of symbolism and has therefore often been interpreted differently by many literary scholars over the past years. It was investigated where the origins of the story may lie, which parallels can be drawn to the real world, what basically inspired the story and what morals can be derived from it. But many attempts have also been made to identify the true nature of the disease of the same name. Therefore, the variety of publications on this work is very broad and thus offers different answers and analysis approaches. Still, it is certain that the short story follows many traditions of Gothic fiction and is often analyzed as an allegory about the inevitability of death.**

### **NEW TALES INSPIRED BY EDGAR ALLAN POE**

---

*Solaris* To coincide with the 200th anniversary of the birth of Edgar Allan Poe, this anthology celebrates the depth and diversity of one of the most important figures in literature. Compiled by multi-award winning editor, Ellen Datlow, it presents some of the foremost talents of the genre, who have come together to reimagine tales inspired by Poe. Sharyn McCrumb, Lucius Shepard, Pat Cadigan, M. Rickert, and more, have lent their craft to this anthology, retelling such classics as "The Fall of the House of Usher," "The Tell-Tale Heart" and "The Masque of the Red Death," exploring the very fringes of the genre.

### **POE IN MODERN POPULAR CULTURE**

---

*McFarland* Greed and guilt, near-indecipherable codes, murder plots born of madness—these motifs drive the best modern mysteries, but they are rooted in the early nineteenth century and the carefully constructed fiction

of Edgar Allan Poe. Poe's methods of storytelling and suspense remain relevant, reappearing in detective novels and on screens large and small. This work examines a wide selection of today's mystery and thriller novels, films, television programs, and video games to explore Poe's ongoing influence on popular entertainment. Authors such as Michael Connelly, Stieg Larsson and Dennis Lehane, television shows like *The Closer* and *Dexter*, and movies from *Laura* and *Vertigo* to *Shutter Island* and *The Girl with the Dragon Tattoo* all receive attention. The popularity of Poe's narratives in these contemporary guises is testimony to his visionary genius. Instructors considering this book for use in a course may request an examination copy here.

To help, let's examine some of the common beliefs that are out there about one of our most important body parts. Hair dye causes cancer Although hair dye made before 1980 contained chemicals that cause cancer in animals, today's dyes are much

safer. However, modern hair dyes still contain thousands of chemicals, so experts remain unsure whether they cause cancer or not. That being said, it's better not to dye your hair too often. Eating black sesame seeds can turn gray hair black Many people believe black sesame seeds slow down the signs of aging, including gray hairs. That's because they're filled with important vitamins and nutrients. Therefore, while no scientific studies have proven that black sesame seeds help keep your hair looking young, they are still very healthy. As for the best way to avoid gray hairs, stay away from stress, smoking, and poor diet, as these have all been shown to cause gray hair.

There's more to your head than the hair on it. Let's take a look at some other beliefs that you may have heard before. Eating very cold foods will give you a headache Also called "brain freeze," this can happen when you quickly eat something very cold, like ice cream. This is because when the cold food touches the top of your mouth or throat, it increases blood flow to certain areas of your head, which causes a temporary headache. So to enjoy headache-free ice cream, stick to licking it! Cutting a baby's eyelashes can make them grow longer Long, thick eyelashes on a baby are so cute that some parents may risk hurting their children by cutting their baby's eyelashes to help them grow longer. However, this claim has no scientific basis. The factors that influence eyelash growth are nutrition and genetics. But what can mothers do to help their babies grow long, beautiful lashes? It's simple—just make sure the baby is receiving proper nutrition. Now you know the truth behind these common head health claims. Don't let this knowledge go to your head!

*Little, Brown Books for Young Readers* When Teddy Anderson's little sister Tina is gunned down randomly in a drive-by shooting, the gangstas who rule the streets in the Anderson family's rapidly deteriorating neighborhood dismiss the incident as just another case of RP, RT???wrong place, wrong time. According to gangsta logic, Tina doesn't even count as a statistic. Teddy's family is devastated. Mrs. Anderson sinks into deep depression while Pops struggles to run both the household and his declining laundry business. The Andersons are shocked still further when Teddy is arrested and thrown in prison for attempted homicide after his elaborately laid plans for revenge against his sister's killer are foiled by the cops. Teddy

soon finds himself out of prison on house arrest, and in the capable hands of Officer Mariana Diaz, the smart, tough probation officer assigned to oversee his endless hours of community service. As part of the innovative rehabilitation program Diaz runs, Teddy is assigned to tutor Micah, a twelve-year-old orphan and would-be gansta. As Teddy goes through the motions of complying with the terms of his probation, Diaz has no idea that he is using his genius-level computer hacker skills to plot his final vengeance and to defraud the state education system of hundreds of thousands of dollars. But even though Teddy thinks he knows it all, he fails to see how Micah's desperate need for love and trust just might have the power not only to pierce all Teddy's defenses, but to save his family.

### **THE TELL-TALE HEART**

---

*Lindhardt og Ringhof* Poe's preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfils his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe's most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

### **THE PORTABLE EDGAR ALLAN POE**

---

*Penguin* **The Portable Edgar Allan Poe** compiles Poe's greatest writings: tales of fantasy, terror, death, revenge, murder, and mystery, including

"The Pit and the Pendulum," "The Fall of the House of Usher," "The Cask of Amontillado," "The Masque of the Red Death," and "The Murders in the Rue Morgue," the world's first detective story. In addition, this volume offers letters, articles, criticism, visionary poetry, and a selection of random "opinions" on fancy and the imagination, music and poetry, intuition and sundry other topics. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

## **THE MASQUE OF THE RED DEATH**

---

*Liverpool University Press* **The Masque of the Red Death (1964)**, the seventh collaboration between producer-director Roger Corman and horror icon Vincent Price, became the crowning achievement for both men, their masterpiece. After the critical and commercial success of *House of Usher* in 1960, Corman fervently desired to adapt Edgar Allan Poe's story, 'The Masque of the Red Death' as his next project, but the tale took three years to finally become, not Corman's second Poe film, but his second to last. Its long development benefitted the end result, and the story of its making reveals the persistence and vision of Corman, the artist and entrepreneur of classic horror. In this *Devil's Advocate*, Steve Haberman takes an auteurist approach to the film with Corman as the ultimate author of the work. He explores the emergence of Corman's themes and techniques through directorial control and compares them with the intentions and concerns of the story's original creator, Poe. In his research, Haberman secured both drafts of the script, the first by Charles Beaumont and the last by R. Wright Campbell, consulted published interviews and met with Corman. The result illuminates not only the film but the profound and profoundly dark world views of both Roger Corman and Edgar Allan Poe.

## **THE BLACK CAT**

---

*Strelbytskyy Multimedia Publishing* **"The Black Cat"** is a short story by Edgar Allan Poe. It was first published in the August 19, 1843, edition of *The Saturday Evening Post*. It is a study of the psychology of guilt, often paired in analysis with Poe's "The Tell-Tale Heart". In both, a murderer carefully

conceals his crime and believes himself unassailable, but eventually breaks down and reveals himself, impelled by a nagging reminder of his guilt.

### HOW TO READ LITERATURE LIKE A PROFESSOR REVISED

---

---

#### A LIVELY AND ENTERTAINING GUIDE TO READING BETWEEN THE LINES

---

*Harper Collins* A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. *How to Read Literature Like a Professor* helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

### THE GLASS CASTLE

---

#### A MEMOIR

---

*Simon and Schuster* Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them

how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

## **THE PIT AND THE PENDULUM**

---

*Lindhardt og Ringhof* It is almost impossible to escape the Spanish Inquisition alive. However, Edgar Allan Poe's unnamed narrator, after suffering innumerable tortures upon his body and soul in the hands of his tormenters, sees the light of the day at the very end of his sanity's tether. Even despite the lack of supernatural elements, "The Pit and the Pendulum" (1842) has enjoyed and influenced several notable movie adaptations. Animations such as The "Flinstones", TV series like "Crime Scene Investigation", to films like Roger Corman's "The Pit and the Pendulum" (1961), starring Vincent Price and some torture methods found in the "Saw" franchise, the story's famous pendulum scene is a rather fruitful source of inspirations. Yet, despite the terrific torments, the story focuses primarily on how terror is implicitly depicted through the workings of the mind. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

## **A MADMAN'S MANUSCRIPT**

---

*Lindhardt og Ringhof* "It is a grand thing to be mad" A rich, self-confessed madman meets a poor girl and, wishing to marry her, he puts on a "normal" persona and a fake smile. The girl's family pushes her into his arms, but when the madman finds out that she is in love with someone else his true colours start to show. Similar to Joker (2019) starring Joaquin Phoenix, A Madman's Manuscript gives us an understanding of the inner workings of a seriously delusional and mentally ill person. Unnerving but very fascinating. Charles Dickens (1812-1870) was an English author, social critic, and philanthropist. Much of his writing first appeared in small instalments in magazines and was widely popular. Among his most famous novels are Oliver Twist (1839), David Copperfield (1850), and Great Expectations (1861).

### **THE WESTING GAME**

---

*Penguin* "For over forty years, Ellen Raskin's Newbery Medal-winning *The Westing Game* has been an enduring favorite. This highly inventive mystery involves sixteen people (including a dressmaker, a secretary, an inventor, a doctor, a judge, a bookie, a burglar, and a bomber) who are invited to the reading of the very strange will of the very rich Samuel W. Westing. They could become millionaires, depending on how they play the game. All they have to do is find the answer -- but the answer to what? The Westing game is tricky and dangerous, but the heirs play on -- through blizzards, burglaries, and bombings. Ellen Raskin has entangled a remarkable cast of characters in a puzzle-knotted, word-twisting plot filled with humor, intrigue, and suspense. This unforgettable, timeless classic

continues to be cherished by young readers of each new generation." --

## **THE HABILIMENTS**

---

Poetry. An odd paradox underlies all of the poems in **THE HABILIMENTS**: the 'habiliments' or 'clothing' of the title refers simultaneously to dressing and stripping bare. The accoutrements, costumes, objects, and trappings in which we construct identity are woven into a tapestry of memory, dream, forgetting, and, ultimately, grief. Milazzo uses allusion, antimetonymy, neologisms, conversions, and logical disruptions, as well as a deep attention to the elusive uncertainties of language to explore how words simultaneously succeed and fail to express emotion, describe reality, or make sense of our relationship with others. Quotidian reality wears a new syntactical and semantic garb as each poem seems to unravel language and a circadian rotation of "dreams": ambiguously of sleep, of aspiration, of nonsense, of the fantastic, or of the banal. If Milazzo's poems are a kind of 'dream song,' they are constructed in radically different ways than John Berryman's (though there are formal echoes of that poet's phantasmagoric layers). In these dream songs, Berryman's angst and sorrow collide with John Ashbery's metaphysics of erosion, Rosmarie Waldrop's semantic drifting, and John Yau's surreal atmospheric

## **THE PUNCHDRUNK ENCYCLOPAEDIA**

---

*Routledge* The Punchdrunk Encyclopaedia is the definitive book on the company's work to date, marking eighteen years of Punchdrunk's existence. It provides the first full-scale, historical account of one of the world's foremost immersive theatre companies, drawn from unrivalled access to the collective memory and archives of their core creative team. The playful encyclopaedic format, much like a Punchdrunk masked show, invites readers to create their own journey through the ideas, aesthetics, contexts, and practices that underpin Punchdrunk's work. Interjections from Felix Barrett, Stephen Dobbie, Maxine Doyle, Peter Higgin, Beatrice Minns, Colin Nightingale and Livi Vaughan, among others, fill out the picture with in-depth reflections. Charting Punchdrunk's rise from the fringe to the mainstream, this encyclopaedia records the founding

principles and mission of the company, documenting its evolving creative process and operational structures. It has been compiled to be useful to scholars and students from a variety of backgrounds and disciplines, from secondary level through to doctoral research, and is intended for those with a fascination for theatre in general and immersive work in particular. Ultimately it is written for those who have dared to come play with Punchdrunk across the years. It is also offered to the curious; those adventurers ready and waiting to be immersed in Punchdrunk worlds.

## **THE 48 LAWS OF POWER**

---

*Profile Books* **THE MILLION COPY INTERNATIONAL BESTSELLER** Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

\_\_\_\_\_ (From the Playboy interview with Jay-Z, April 2003) **PLAYBOY:** Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? **JAY-Z:** I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

*Simon and Schuster* **Now a major motion picture streaming on Netflix!** Mile 81 meets "N." in this novella collaboration between Stephen King and Joe Hill. As *USA TODAY* said of Stephen King's *Mile 81*: "Park and scream. Could there be any better place to set a horror story than an abandoned rest stop?" In *The Tall Grass* begins with a sister and brother who pull off to the side of the road after hearing a young boy crying for help from beyond the tall grass. Within minutes they are disoriented, in deeper than seems possible, and they've lost one another. The boy's cries are more and more desperate. What follows is a terrifying, entertaining, and masterfully told tale, as only Stephen King and Joe Hill can deliver.

## THE DEVIL AND TOM WALKER

### SHORT HORROR STORIES

---

*Createspace Independent Publishing Platform* **The Devil and Tom Walker** by Washington Irving **Classic Short Horror Stories - The Devil** By his interest in popular legends the first of the great American writers shows his sympathy with the Romantic movement, which prevailed in his time in all the countries of Europe. His devil, however, has not been imported from the lands across the Atlantic, but is a part of the superstitions of the New World. The author himself did not believe in "Old Scratch." The real devils for him were the slave-traders and the witch-hunters of Salem fame. It is interesting now to read a contemporary critic of Washington Irving's devil-story: "If Mr. Irving believes in the existence of Tom Walker's master, we can scarcely conceive how he can so earnestly jest about him; at all events, we would counsel him to beware lest his own spells should prove fatal to him" (Eclectic Review, 1825). Few people in those days had the courage to take Old Nick good-naturedly. "Even the clever Madame de Stael," said Goethe, "was greatly scandalized that I kept the devil in such good-humour." The devil appears in many colours, principally, however, in black and red. It is a common belief in Scotland that the devil is a black man, as may also be seen in Robert Louis Stevenson's story "Thrawn Janet." There is no warrant in the biblical tradition for a black devil. Satan, however, appeared as an Ethiopian as far back as the days of the Church Fathers. The black colour presumably is intended to suggest his place of abode, whereas red denotes the scorching fires of hell. The devil was considered as a sort of eternal Salamander. In the New Testament he is described as a fiery fiend. Red was considered by Oriental nations as a diabolical colour. In Egypt red hair and red animals of all kinds were considered infernal. The Apis was also red-coloured. Satan's red beard recalls the Scandinavian god Donar or Thor, who is of Phoenician origin. Judas was always represented in mediaeval mystery-plays with a red beard; and down to the present day red hair is the mark of a suspicious character. The devil also appears as yellow, and even blue, but never as white or green. The yellow devil is but a shade less bright than his fiery brother. The blue devil is a sulphur-constituted individual. He is the demon of melancholy, and fills us with "the blues." As the spirit of darkness and death, the devil cannot assume the colours of white or green, which are the symbols of light and life. The devil's dragon-tail is, according to Sir Walter Scott, of biblical tradition, coming from a literal interpretation of a figurative expression. A few interesting remarks on the expression "The Devil and Tom Walker" current in certain parts of this country as a caution to usurers will be found in Dr. Blondheim's article "The Devil and Doctor Foster" in Modern Language Notes for 1918.

### **THE RAVEN, THE CASK OF AMONTILLADO, THE FALL OF THE HOUSE OF USHER, THE MASQUE OF THE RED DEATH, THE MURDERS IN THE RUE MORGUE, THE GOLD-BUG, THE BLACK CAT**

---

*Strelbytskyy Multimedia Publishing* This book contains tales and poems by Edgar Allan Poe that became innovative literature discoveries at the time and extremely popular in its genre: The Fall of the House Usher, The Gold-Bug, poem The Raven. Edgar Poe was one of the first American writers who wrote mostly novellas. Within twenty years Edgar Poe created two short novels, two poems, one play, about seventy stories, fifty poems and ten essays that were published in magazines and almanacs and then gathered in collection books. Edgar Poe was highly valued by Jules Verne, Arthur Conan Doyle and Howard Phillips Lovecraft who admitted his pioneer role in the genres they were popularizing. In his thriller stories Poe tries to show psychic side of the crime from the inside. He is not interested in social roots of the crime, but in unmotivated actions that go beyond normal behavior of a person in the society. Nevertheless, in a series of stories while describing the acts committed by characters under influence of "contradiction demon" or "perversion demon", Poe puts in rational reasons. For example, the character from the story The Black Cat understands that his brain is poisoned with alcohol, and as a result his mental health and temper were injured. But this reasoning is too plain and trivial for the thriller. Narrating on behalf of the criminal, Poe brings actions under the control of contradiction demon. Combination of plans puts volume to the stories the events are at the same time rational and not, motivated and incredibly paradoxical.

## **GLITTER & DOOM**

---

*Harper Collins* **A 50-page, digital-only novella set in the world of Bethany Griffin's dark and haunting retelling of the classic Edgar Allan Poe story Masque of the Red Death. When a rich teenage girl who spends her nights in the most desirable club and a smart, young inventor meet, they might have more in common than they know. April, niece to the dying city's cruel dictator, is Araby Worth's glittery and frivolous best friend. But she's more than she appears. And when she disappeared in Masque of the Red Death, where did she go? This short novella answers that question, taking us deep underneath the crumbling city, where April crosses paths with Kent, the serious young inventor who is key to rebellion. Glitter & Doom is a story of chilling action, of spies, and of surprising love. Can love be anything but doomed is a city that's burning down around its survivors? A dark, unnerving story about two of the most fascinating characters from Masque of the Red Death.**
