KEY=FOR - MORRIS HINTON

Maybe Days A Book for Children in Foster Care Introduces the people and procedures involved in foster care, and the feelings, reactions, and concerns of new foster children. Includes an afterword for caregivers. **Maybe Days A Book for Children in Foster Care** *American Psychological Association (APA)* Introduces the people and procedures involved in foster care, and the feelings, reactions, and concerns of new foster children. Includes an afterword for caregivers. **Kids Need to Be Safe A Book for Children in Foster Care** *Free Spirit Publishing* “Kids are important... They need safe places to live, and safe places to play.” For some kids, this means living with foster parents. In simple words and full-color illustrations, this book explains why some kids move to foster homes, what foster parents do, and ways kids might feel during foster care. Children often believe that they are in foster care because they are “bad.” This book makes it clear that the troubles in their lives are not their fault; the message throughout is one of hope and support. Includes resources and information for parents, foster parents, social workers, counselors, and teachers. **Adopted Like Me My Book of Adopted Heroes** *Jessica Kingsley Publishers* Hi - I'm Max, and I'm adopted. You may not know this but many famous and inspirational people were adopted too. **Adopted Like Me** introduces you to great musicians like Bo Diddley, politicians like Nelson Mandela, and stars like Marilyn Monroe. Meet these along with inventors, athletes, and a princess skilled in judo and fencing - all of them adopted like me. Read about these adoptees and you'll see that you can grow up to be just about anything you want to be! Fully illustrated in color, this book is for children aged 8+ who have been adopted, their parents, teachers and siblings. **Alexander and the Terrible, Horrible, No Good, Very Bad Day** *Simon and Schuster* On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too. **Zachary's New Home A Story for Foster and Adopted Children** This story for adopted and foster children describes the adventures of Zachary the kitten, who is taken from his mother's house when his mot her is unable to take care of him. The book follows Zachary as he firs t goes into foster care and then is adopted by a family of geese. Zach ary experiences the expected and true-to-life feelings of shame, anger , rebelliousness, and hurt, and his adoptive parents struggle with the ir own feelings during Zachary's tougher times, until Zachary finally finds a place he can call home. The poignant story is brought to life by Margo Lemieux's detailed, evocative drawings. **Children's Book-a-Day Almanac** *Roaring Brook Press* Part fun- and information-filled almanac, part good book guide, the Children's Book-a-Day Almanac is a new way to discover a great children's book--every day of the year! This fresh, inventive reference book is a dynamic way to showcase the gems, both new and old, of children's literature. Each page features an event of the day, a children's book that relates to that event, and a list of other events that took place on that day. Always informative and often surprising, celebrate a year of literature for children with **The Children's Book-a-Day Almanac**. **Murphy's Three Homes A Story for Children in Foster Care** A dog describes the emotional ups and downs of being in multiple foster homes and living in unfamiliar surroundings. Includes note to parents. **This Is How We Do It One Day in the Lives of Seven Kids from around the World** *Chronicle Books* Follow the real lives of seven kids from Italy, Japan, Iran, India, Peru, Uganda, and Russia for a single day! In Japan Kei plays Freeze Tag, while in Uganda Daphine likes to jump rope. But while the way they play may differ, the shared rhythm of their days—and this one world we all share—unites them. This genuine exchange provides a window into traditions that may be different from our own as well as a mirror reflecting our common experiences. Inspired by his own travels, Matt Lamothe transports readers across the globe and back with this luminous and thoughtful picture book. **The Snowy Day** *Penguin* The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture book. Young readers can enjoy this celebrated classic as a full-sized board book, perfect for read-alouds of all kinds and a great gift for the holiday season. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. This big, sturdy edition will bring even more young readers to the story of Peter and his adventures in the snow. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter's Chair, and A Whistle for Willie. (This book is also available in Spanish, as Un dia de nieve.) **Praise for The Snowy Day:** “Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more—a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed.” —The Atlantic “Ezra Jack Keats's classic *The Snowy Day*, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow.”—Publisher's Weekly Today, **Maybe** *Orca Book Publishers* Today, **Maybe** is a story about a little girl who is waiting for someone, a friend. She doesn't yet know who it will be. In a series of surprising and humorous encounters, several well-known characters of children's literature arrive at her door. But none of them are the one she is waiting for, and she graciously sends them all away. With her bird to keep her company and hope filling her heart, weeks and then months pass as she waits and waits. When there is a scratch at the door one night, certainty fills the little girl's heart, and she opens the door to discover true friendship is indeed worth waiting for. **Love You from Right Here -Love You From Right Here-** takes you through an abbreviated look at the emotions a young foster child experiences throughout her transition in a new foster home. It also serves as a keepsake book with a journaling section providing the foster family an opportunity to give the child a piece of their history when they leave. **Foster the Family Encouragement, Hope, and Practical Help for the Christian Foster Parent** *Baker Books* There are great rewards that come along with being a foster parent, yet there are also great challenges that can leave you feeling depleted, alone, and discouraged. The many burdens of a foster parent's day--hurting children, struggling biological parents, and a broken system--are only compounded by the many burdens of a foster parent's heart--confusion, anxiety, heartache, anger, and fear. With the compassion and insight of a fellow foster parent, Jamie C. Finn helps you see your struggles through the lens of the gospel, bringing biblical truths to bear on your unique everyday realities. In these short, easy-to-read chapters, you'll find honest, personal stories and practical lessons that provide encouragement and direction from God's Word as you walk the journey of foster parenting. **Little Children A Novel** *St. Martin's Press* Tom Perrotta's thirty-ish parents of young children are a varied and surprising bunch. There's Todd, the handsome stay-at-home dad dubbed "The Prom King" by the moms of the playground; Sarah, a lapsed feminist with a bisexual past, who seems to have stumbled into a traditional marriage; Richard, Sarah's husband, who has found himself more and more involved with a fantasy life on the internet than with the flesh and blood in his own house; and Mary Ann, who thinks she has it all figured out, down to scheduling a weekly roll in the hay with her husband, every Tuesday at 9pm. They all raise their kids in the kind of sleepy American suburb where nothing ever seems to happen—at least until one eventful summer, when a convicted child molester moves back to town, and two restless parents begin an affair that goes further than either of them could have imagined. Unexpectedly suspenseful, but written with all the fluency and dark humor of Perrotta's previous novels, *Little Children* exposes the adult dramas unfolding amidst the swingsets and slides of an ordinary American playground. **Coronavirus: A Book for Children** *Nosy Crow* What is the coronavirus, and why is everyone talking about it? Engagingly illustrated by Axel Scheffler, this approachable and timely book helps answer these questions and many more, providing children aged 5-10 and their parents with clear and accessible explanations about the coronavirus and its effects - both from a health perspective and the impact it has on a family's day-to-day life. With input from expert consultant Professor Graham Medley of the London School of Hygiene & Tropical Medicine, as well as advice from teachers and child psychologists, this is a practical and informative resource to help explain the changes we are currently all experiencing. The book is free to read and download, but Nosy Crow would like to encourage readers, should they feel in a position to, to make a donation to: <https://www.nhscharitiestogether.co.uk/> **A Child Through Time The Book of Children's History** *Penguin* An original look at history that profiles 30 children from different eras so that children of today can discover the lives of the cave people, Romans, Vikings, and beyond through the eyes of someone their own age. History books often focus on adults, but what was the past like for children? **A Child Through Time** is historically accurate and thoroughly researched, and brings the children of history to life—from the earliest civilizations to the Cold War, even imagining a child of the future. Packed with facts and including a specially commissioned illustration of each profiled child, this book examines the clothes children wore, the food they ate, the games they played, and the historic moments they witnessed—all through their own eyes. Maps, timelines, and collections of objects, as well as a perspective on the often ignored topic of family life through the ages, give wider historical background and present a unique side to history. Covering key curriculum topics in a new light, **A Child Through Time** is a perfect and visually stunning learning tool for children ages 7 and up. **Families Change A Book for Children Experiencing Termination of Parental Rights** *Free Spirit Publishing* All families change over time. Sometimes a baby is born, or a grown-up gets married. And sometimes a child gets a new foster parent or a new adopted mom or dad. Children need to know that when this happens, it's not their fault. They need to understand that they can remember and value their birth family and love their new family, too. Straightforward words and full-color illustrations offer hope and support for children facing or experiencing change. Includes resources and information for birth parents, foster parents, social workers, counselors, and teachers. **Delly Duck: Why A Little Chick Couldn't Stay With His Birth Mother: A Foster Care and Adoption Story Book for Children, to Explain** *Holly Marlow* When Delly Duck lays an egg, she is excited for it to hatch. But she doesn't really know how to keep an egg safe, or how to look after her chick when he hatches. See how a concerned goose tries to help Delly to learn how to care for her chick, in this touching adoption story. **Delly Duck: Why A Little Chick Couldn't Stay With His Birth Mother** is intended to help support and stimulate discussion around some of the questions an adopted or fostered child (or another child trying to understand adoption) may have. The story can be used to help answer difficult and emotive questions, such as "Why can't I live with my birth mother?" and "Why didn't someone just teach her how to parent me safely?" No two adoption stories are the same, so symbolism has been used that is open to appropriate interpretation by the parent, social worker, play therapist, teacher or other adult reading this story with a child. The beautifully-illustrated story includes animal characters that may reflect common behaviours and responsibilities of several of the key people involved in an adoption process. Delly is a likeable duck, who sadly makes some poor choices and struggles to care for her chick in a consistently safe way. The book includes a helpful guide to the symbolism, with suggestions as to how the various metaphors can be used to support therapeutic life story work and answer questions about the challenges faced by a child's birth parents, such as memory or concentration problems, addiction and/or poor or inconsistent role models during their own childhoods. Above all, it portrays that all adults

involved want the best for adopted children, and that they are so very loved. The Do-Over Day Bad days are the worst! Like when your sister gets to push the elevator button and your mom tells you that you can't wear your mermaid costume to the dentist and the ballet teacher says you can't pirouette in rain boots and the cat steals your pencil - those days are the worst worst! Forever or a Day *Chronicle Books* Simple, Profound, and Truly Beautiful Read with your children: Whether you're looking for baby books, children's books, toddler books, preschool books, or just kids' books in general, Forever or a Day is a great read for the whole family. Gather around on the couch or have some one-on-one time with this incredible story. "This contemplative, almost meditative, book makes for a good one-on-one lap-time read with the children in your life for whom you like to give your own time."—Kirkus Reviews A timeless beauty: Sarah Jacoby's illustrations have won countless awards. In Forever or a Day, she shares her talents with you and your children, bringing you into a creative world full of artistry and charm. "This book about time feels timeless. On each page I was transfixed by its enchanting images and poetic prose."—Lane Smith, Caldecott Honor-winning creator of Grandpa Green and It's a Book An ethereal exploration of time: Forever or a Day is a celebration of cherished moments with loved ones. This gorgeous picture book is for any child who's ever asked "can we stay longer?" "It's time the world discovers the ethereal brilliance of Sarah Jacoby."—Zachariah OHora, illustrator of the New York Times bestseller Wolfie the Bunny If you liked Where the Wild Things Are by Maurice Sendak or What Do You Do With an Idea by Kobi Yamada and Mae Besom, you'll love Forever or a Day The Wonderful Things You Will Be *Random House Books for Young Readers* The New York Times bestseller that celebrates the dreams, acceptance, and love that parents have for their children . . . now and forever. This is the perfect heartfelt gift for any special occasion, from birthdays to graduations, and celebrating new babies and other new beginnings. From brave and bold to creative and clever, Emily Winfield Martin's rhythmic rhyme expresses all the loving things that parents think of when they look at their children. With beautiful, lush illustrations and a stunning gatefold that opens at the end, this is a book that families will love reading over and over. The Wonderful Things You Will Be has a loving and truthful message that will endure for lifetimes and makes a great gift to the ones you love for any occasion. Pocket Book of Hospital Care for Children Guidelines for the Management of Common Childhood Illnesses *World Health Organization* The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem. Happy: a Children's Book of Mindfulness *Caterpillar Books* This poetic journey to a place of happiness and calm will inspire and empower your child to enjoy the practice of mindfulness. It's OK to Be Different A Children's Picture Book About Diversity and Kindness It's OK to Be Different is an awarding winning children's picture book celebrating children who have the courage to be themselves, and accept others as they are. Young readers are drawn in with clever rhymes and cheerful illustrations making this a fun read aloud kid's book that children and adults can enjoy over and over again. The Giving Tree *Harper Collins* As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Rabbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic! C Is for Country *Random House Books for Young Readers* NEW YORK TIMES BESTSELLER • It's time to saddle up! Lil Nas X, the chart-topping music icon and internet sensation behind the hit single "Old Town Road," has crafted an empowering alphabet adventure that shows off his signature "S is for Swagger" and "X is for Extra" energy in a kid-friendly picture book that is one of a kind—just like him! A is for Adventure. Every day is a brand-new start! B is for Boots—whether they're big or small, short or tall. And C is for Country. Join superstar Lil Nas X and Panini the pony on a fabulous journey through the alphabet from sunup to sundown. Featuring bold, bright art from Theodore Taylor III, kids will experience wide-open pastures, farm animals, guitar music, cowboy hats, and all things country in this debut picture book that's perfect for music lovers learning their ABCs and for anyone who loves Nas's unique genre-blending style and his iconic red-carpet looks. (After all, "F is for feathers. And fringe. And fake fur.") The Children of Men *Vintage* Told with P. D. James's trademark suspense, insightful characterization, and riveting storytelling, The Children of Men is a story of a world with no children and no future. The human race has become infertile, and the last generation to be born is now adult. Civilization itself is crumbling as suicide and despair become commonplace. Oxford historian Theodore Faron, apathetic toward a future without a future, spends most of his time reminiscing. Then he is approached by Julian, a bright, attractive woman who wants him to help get her an audience with his cousin, the powerful Warden of England. She and her band of unlikely revolutionaries may just awaken his desire to live . . . and they may also hold the key to survival for the human race. The Candy Dish *Compendium Publishing & Communications* What happens when something truly miraculous shows up in your life? Do you recognize it? Do you appreciate it? Do you see it for what it really is? This is a story of a child and a curious little candy dish that holds a special treat every day. But it comes with its fair share of frustrations too. Written by New York Times best-selling author Kobi Yamada, it is a story for readers of all ages about finding wonder in simple delights. And it is an invitation to savor each moment and discover gratitude for the gift of a brand-new day. I'm Glad My Mom Died *Simon and Schuster* #1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I'm Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair. Cloud Cuckoo Land (Large Print Edition) Large Print *Simon and Schuster* Follows four young dreamers and outcasts through time and space, from 1453 Constantinople to the future, as they discover resourcefulness and hope amidst peril. Six by Seuss *Random House Books for Young Readers* An anthology of six stories by Dr. Seuss, including "And To Think That I Saw It On Mulberry Street," "The 500 Hats of Bartholomew Cubbins," "Horton Hatches the Egg," "How the Grinch Stole Christmas," "The Lorax," and "Yertle the Turtle." Irreversible Damage The Transgender Craze Seducing Our Daughters *Simon and Schuster* NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES "Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts." —Janice Turner, The Times of London Until just a few years ago, gender dysphoria—severe discomfort in one's biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as "transgender." These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans "influencers." Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and "gender-affirming" educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to "detransitioners"—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls' social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier's essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path. Parenting Matters Supporting Parents of Children Ages 0-8 *National Academies Press* Decades of research have demonstrated that the parent-child dyad and the environment of the family— which includes all primary caregivers—are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. Parenting Matters identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States. You're Here for a Reason Every person matters. Here, national-best-selling and beloved author Nancy Tillman shows readers how each of us fits into life's big picture, and how the world would be incomplete without you in it. How to Write a Children's Book Advice on Writing Children's Books from the Institute of Children's Literature, Where Over 404,000 Have Learned How to Write a B Tips on how to write and publish a book for kids or advice on writing children's books from the Institute for Writers and the associated Institute of Children's Literature, the experts who've taught over 404,000 students how to write a book for kids and get published.
