MISRULE

HOW MRS THATCHER HAS MISLED PARLIAMENT FROM THE SINKING OF THE BELGRANO TO THE WRIGHT AFFAIR

TWO WORLDS OF INTERNATIONAL RELATIONS

ACADEMICS, PRACTITIONERS AND THE TRADE IN IDEAS

Routledge **The aims of this book are to discover how significant academic work in international relations has become for practitioners involved in policy formulation and implementation, and to examine the impact of the policy community on academic work and academic values. On the academic side, theoretical, historical and political economy perspectives are presented. On the practitioner side, there are contributions from diplomats, lawyers and parliamentarians. The principal question at issue is whether, if there is a natural partnership between the modern academic and foreign policy makers, there needs to be preserved a respectful**

distance between the two worlds.

THE CULTURE OF SECRECY

BRITAIN, 1832-1998

Clarendon Press **The Culture of Secrecy** is the first comprehensive study of the restriction of official information in modern British history. It seeks to understand why secrets have been kept, and how systems of control have been constructed - and challenged - over the past hundred and sixty years. The author transcends the conventional boundaries of political or social history in his wide-ranging diagnosis of the 'British disease' - the legal forms and habits of mind which together have constituted the national tradition of discreet reserve. The chapters range across bureaucrats and ballots, gossip and gay rights, doctors and dole investigators in their exploration of the ethical basis of power in the public, professional, commercial and domestic spheres. Professor Vincent examines concepts such as privacy and confidentiality, honour and integrity, openness and freedom of expression, which have served as benchmarks in the development of the liberal state and society.

PRIME MINISTER, CABINET AND CORE EXECUTIVE

Bloomsbury Publishing **This new reader** is designed to break the mould of core executive studies by broadening the focus of analysis from the conventional concentration on the relative power of Prime Minister and Cabinet to assess the whole battery of mechanisms which co-ordinate policy and manage conflict. It brings together chapters introducing new theoretical perspectives and assessing the changes in executive structure and decision making from Wilson to Thatcher with in-depth case studies of the executive in action.

POLITICAL CULTURE IN CONTEMPORARY BRITAIN

PEOPLE AND POLITICIANS, PRINCIPLES AND PRACTICE

Oxford University Press **This work** presents a picture of what the British people and politicians really think about the fundamentals of politics. Based on new survey data, it presents a wide-ranging analysis of British attitudes to civil, political, and social rights.

THATCHER

Haus Publishing **Britain's first woman prime minister, friend of Ronald Reagan and the longest serving head of government in the 20th century (1979-90), but also the only one to be removed from office in peacetime by pressure from within her own party**

BRITAIN IN THE NINETIES

THE POLITICS OF PARADOX

Routledge This volume looks at the changes in British politics and government since the accession of Mrs Thatcher in 1979, and in particular at the 1990s. Its aim is to explore some of these changes and to emphasize the recurring paradoxes in political developments.

THATCHER'S SECRET WAR

SUBVERSION, COERCION, SECRECY AND GOVERNMENT, 1974-90

The History Press 'Scary but enlightening' Christopher Stone 'This fascinating, revealing and engagingly written book gets to the heart of the secret state and undemocratic hidden political power through which UK citizens are today primarily ruled.' Mark Curtis, author of Secret Affairs, Web of Deceit and Unpeople Margaret Thatcher remains one of the United Kingdom's most polarising prime ministers. This provocative investigation sheds light on the secret, internal 'cold war' that she waged against 'the enemy within'; everyone she could not see eye to eye with. It was a campaign fuelled by paranoia on both the left and right of the political spectrum and fought with corruption, black propaganda, dirty tricks and even murder. Expertly juxtaposing notable events with today's political arena, this new and updated edition of Thatcher's Secret War surmises that although Thatcher's ideals seem to have vanished, one remains: the power and importance of the extra parliamentary state and its surveillance methods and hidden powers in a new age of terrorism.

SECRET STATE, SILENT PRESS

NEW MILITARISM, THE GULF AND THE MODERN IMAGE OF WARFARE

Indiana University Press Keeble seeks to problematise the Gulf war of 1991 and argues, controversially, that there was no war at all. Central to his argument is the notion of myth, used in the sense of manufactured story and constructed illusion.

ASPECTS OF BRITISH POLITICAL HISTORY 1914-1995

Routledge Aspects of British Political History 1914-1995 examines all the major themes, personalities and issues of this important period in a clear and digestible form. It: * introduces fresh angles to long-studied topics * consolidates a great body of recent research * analyses views of different historians * offers an interpretive rather than narrative approach * gives concise treatment to complex issues * is directly relevant to student questions and courses * is carefully organised to reflect the way teachers tackle these courses * is illustrated with helpful maps, charts, illustrations and photographs.

and is an essential tool for the serious student of Scottish life.

THE IRON LADY

MARGARET THATCHER, FROM GROCER'S DAUGHTER TO PRIME MINISTER

[Penguin](#) **The Iron Lady, the definitive Margaret Thatcher biography, is available just in time for the movie starring Meryl Streep as one of the most infamous figures in postwar politics. Whether you love her or hate her, Margaret Thatcher's impact on twentieth-century history is undeniable. From her humble, small-town upbringing to her rise to power as the United Kingdom's first female prime minister, to her dramatic fall from grace after more than three decades of service, celebrated biographer John Campbell delves into the story of this fascinating woman's life as no one has before. The result of more than nine years of meticulous research, The Iron Lady is the only balanced, unvarnished portrait of Margaret Thatcher, one of the most vital and controversial political figures of our time.**

POSTWAR

A HISTORY OF EUROPE SINCE 1945

[Penguin](#) **Finalist for the Pulitzer Prize • Winner of the Council on Foreign Relations Arthur Ross Book Award • One of the New York Times' Ten Best Books of the Year “Impressive . . . Mr. Judt writes with enormous authority.” —The Wall Street Journal “Magisterial . . . It is, without a doubt, the most comprehensive, authoritative, and yes, readable postwar history.” —The Boston Globe Almost a decade in the making, this much-anticipated grand history of postwar Europe from one of the world's most esteemed historians and intellectuals is a singular achievement. Postwar is the first modern history that covers all of Europe, both east and west,**

drawing on research in six languages to sweep readers through thirty-four nations and sixty years of political and cultural change—all in one integrated, enthralling narrative. Both intellectually ambitious and compelling to read, thrilling in its scope and delightful in its small details, *Postwar* is a rare joy. Judt's book, *Ill Fares the Land*, republished in 2021 featuring a new preface by bestselling author of *Between the World and Me* and *The Water Dancer*, Ta-Nehisi Coates.

NEUE AUFSÄTZE IN DER BIBLIOTHEK

SOUTH AFRICAN SOCIAL ATTITUDES

CHANGING TIMES, DIVERSE VOICES

HSRC Press A country's attitudinal profile is as much a part of its social reality as are its demographic make-up, its culture and its distinctive social patterns. It helps to provide a nuanced picture of a country's circumstances, its continuities and changes, its democratic health, and how it feels to live there. It also helps to measure the country's progress towards the achievement of its economic, social and political goals, based on the measurement of both 'objective' and 'subjective' realities. *South African Social Attitudes: Changing Times, Diverse Voices* is a new series aimed at providing an analysis of attitudes and values towards a wide range of social and political issues relevant to life in contemporary South African society. As the series develops, we hope that readers will be able to draw meaningful comparisons with the findings of previous years and thus develop a richer picture and deeper appreciation of changing South African social values. This, the first volume in the series, presents the public's responses during extensive nation-wide interviews conducted by the HSRC in late 2003. The findings are analysed in three thematic sections: the first provides an in-depth examination of race, class and politics; the second gives a critical assessment of the public's perceptions of poverty, inequality and service delivery, and the last explores societal values such as partner violence and moral attitudes. *South African Social Attitudes* is essential reading for anyone seeking a guide to contemporary social or political issues and debates. It should prove an indispensable tool not only for government policy-makers, social scientists and students, but also for general readers wishing to gain a better understanding of their fellow citizens and themselves.
