### Feeling at Home in One Home or Two

*Simon and Schuster* From the author of the classic Mom's House, Dad's House, the essential guide for kids on how to stay strong and succeed in life when parents separate, divorce, or get married again. Isolina Ricci's Mom's House, Dad's House has been the gold standard for inspiring and supporting divorcing and remarrying parents for more than twenty-five years. With her new book, Dr. Isa adapts her time-tested advice on maneuvering the emotional, logistical, and legal realities of separation, divorce, and stepfamilies to speak directly to children. Alongside practical ways to cope with big changes she offers older children and their families key resiliency tools that kids can use now and the rest of their lives. Kids and families are encouraged to believe in themselves, to take heart, and to plan for their lives ahead. Mom's House, Dad's House for Kids is packed with practical tips, frank answers, easy-to-use lists, "train your brain" ideas, reproducible worksheets, and things to try when words just won't come out right. Kids will learn how to: · Deal with parents living apart, schedules, and dueling house rules · Settle comfortably in one home or two · Stay out of the "miserable middle" when parents fight · Manage stress, guilt, change, fear, and other feelings · Stay connected with parents, relatives, and the "right" friends · Appreciate the gifts (and deal with the gripes) of their new version of family · Feel better FAST! ### I'm Glad My Mom Died

*Simon and Schuster* #1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and

all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

## Hope Returns

*Xulon Press* On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

## The Goldfinch

## A Novel (Pulitzer Prize for Fiction)

*Little, Brown* A young New Yorker grieving his mother's death is pulled into a gritty underworld of art and wealth in this "extraordinary" and beloved Pulitzer Prize winner that "connects with the heart as well as the mind" (Stephen King, *New York Times Book Review*). Theo Decker, a 13-year-old New Yorker, miraculously survives an accident that kills his mother. Abandoned by his father, Theo is taken in by the family of a wealthy friend. Bewildered by his strange new home on Park Avenue, disturbed by schoolmates who don't know how to talk to him, and tormented above all by a longing for his mother, he clings to the one thing that reminds him of her: a small, mysteriously captivating painting that ultimately draws Theo into a wealthy and insular art community. As an adult, Theo moves silkily between the drawing rooms of the rich and the dusty labyrinth of an antiques store where he works. He is alienated and in love -- and at the center of a narrowing, ever more dangerous circle. *The Goldfinch* is a mesmerizing, stay-up-all-night and tell-all-your-friends triumph, an old-fashioned story of loss and obsession, survival and self-invention. From the streets of New York to the dark corners of the art underworld, this "soaring masterpiece" examines the devastating impact of grief and the ruthless machinations of fate (Ron Charles, *Washington Post*).

### Mom and Dad, I'm Gay

### Coming Out of the Closet

*CreateSpace* Mom and Dad, I'm Gay. "Coming out of the closet" is an expression that covers a lot of a gay person's experience. Most of our fears and doubts are perfectly hidden in a closet. It is like the story with the Boogie Man. What happens if we decide to come out of this and confess who we really are and what we really like to do? Fortunately, this book will provide you all the information you need to overcome a crisis situation if you are among the gay people in the whole world. If not, then you should still keep going on with the lecture because you'll find a lot of interesting and accurate information about gay culture, about what they represent and what they experience every day. This is a guide for everyone that needs to shed a light upon their knowledge and who want to leave the prejudices away. It is well structured, too, so that you won't encounter any difficulty in reading it. But, most importantly, it is not only a book that shares some new and useful information, but a self-development one that will help many of us changing our mentality and start seeing the world with clearer and larger eyes.

### Mommy and Daddy Love You Exactly As You Are!

Nobody has to ask us. Nobody has to convince us. It just happens. How wonderful it would be if we could always love, cherish, and appreciate our children as gorgeous, loving, angels. How great it would be to carry our love with us and maintain it powerfully forever. We can do that. We simply need to be nudged to remember. We just need to be reminded what we hold dear and precious. We only need to take time out for a few moments and bask in the memory (and the present moment reality) of what is so amazingly and divinely wonderful about our gifts from the divine. This book is one of those reminders. Read this to your children so they (and you) remember how much you love them.

## I Have Autism... What'll I Do Without You, Mom?

### How to Prepare for When Your Special Needs Child Outlives You

How comforting would it be for you to know that you can help your adult child live well after you are gone? I believe this knowledge would be a great relief to you and that is why I wrote this book. When Brandon, my 40-year-old autistic son, said, "I don't know what I would do without you, Mom," I knew I had to create a detailed written plan for his future. I have created a comprehensive, step-by-step plan and a personalized Instructional Care Manual for you to complete so that others can take care of and help your child live well. I will show you how to find the right people "to stand in for you" by creating a network of supportive individuals who can assist and be an advocate for your child. My Step-In Parenting Network program (SIPN) will help you identify potential "step-in parents" who can continue to love and care for your child when you no longer can. I've also included detailed chapters on independence because what you do today to help your child reach maximum independence will affect the quality of the rest of his or her life. Working on "letting go" of a special needs adult child is a sensitive area that many parents are afraid to face head on. However, the more your child knows and can learn to do, one step at a time, the easier it will be for your son or daughter to continue on. We cannot pretend that our children will be magically taken care of in the future if we don't do something about it today. This is why the Instructional Care Manual (ICM) will be crucial for every child with special needs. It will follow them wherever they go for the rest of their lives. I wrote this book to inspire you to move forward, knowing that there are things you can do to ensure that your child is not alone or forgotten. By taking action now, you will feel as empowered and relieved as I have become. This book is your best opportunity to be heard and to help your adult child reach maximum independence and live the best life possible while you are still here, and after you're gone. "Amalia Starr takes her readers by the hand and walks this journey with us with sensitivity and decades of wisdom. Every special needs parent should read this book, which deals with the reality that our children need to be prepared to outlive us. From tips on how to launch our adult children into the maximum level of independent living to planning for them to thrive after we have left this planet, this book has it all-encouragement, practical advice, and the forms to create a personalized Care Manual." Bobbi Sheahan, author of What I'd Wish I'd Known About Raising a Child With Autism

*Createspace Independent Pub* Root Beer Floats is a true story about growing up in small-town America during the 1950's. It captures the essence of the author's relationship to the beloved town of his youth during one of America's most exciting decades. From the day his father comes home after WWII, to the day he leaves the town in search of his future, he shares with us a colorful collection of his childhood memories. Brought up in a family that counted every penny, life was simple and sweet. We learn that at a young age, his love of root beer floats not only satisfies his overactive sweet tooth, but also leads him into a battle with temptation, a battle he loses all too easily. A few years later, he finds two warm beers on a hot summer night every bit as tempting. From the fine art of car-hopping on a snowy winter's day, to having his eye nearly "put out" in a walnut fight, his story portrays a childhood filled with delight and optimism, a dose of which should brighten the hearts of all who partake.

## Karl's Story

*Createspace Independent Publishing Platform* With an uncanny relevance to today's world and inspired by the life of its author, Karl's Story, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl. A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk. Karl's Story begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin. Their journey, their story, enchants children but in the sense of The Little Prince speaks timelessly to adults as well. Karl's Story tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all.

### My Mom Was My Dad

### One Woman One Child Becomes One Man

*My Mom Was my Dad* is not just another book on parenting. This book was written to help single mothers deal with raising boys. Based on my life story of how I was raised in a single - parent home due to the death of my father, I wanted to take single mothers on a journey of what they will face as they try to raise a boy to a man. I cover deep topics such as; the discussion of the birds and the bees, along with showing a young man how to pay bills and also about sports. This book is much more than the average how-to-book on parenting. Once I started to reminisce about my childhood, my memory overflowed with incidents and events long forgotten! I started to laugh and shed a few tears at the same time when I decided to write this book about my mom and my childhood! Readers may do the same as they walk with me through my first-hand accounts of my mom, Rena Johnsons, humorous and sometime confusing job of making a Man out of a Boy!
