TO KILL A MOCKINGBIRD

Harper Collins Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, To Kill a Mockingbird has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

TERRAFORMED

YOUNG BLACK LIVES IN THE INNER CITY

Watkins Media Limited An uncompromising wake-up call. Joy White tells uncomfortable truths and blows apart our understanding of racism, crime and policing in our inner-cities. Since the 1980s, austerity, gentrification and structural racism have wreaked havoc on inner-city communities, widening inequality and entrenching poverty. In Terraformed, Joy White offers an insiders view of Forest Gate -- an urban neighbourhood in London -- analysing how these issues affect the black youth of today. Connecting the dots between music, politics and the built environment, it centres on the lived experiences of black youth who have had it all: huge student debt, invisible homelessness, custodial sentences, electronic tagging, surveillance, arrest, police brutality, issues with health and well-being, and of course, loss. Part ethnography, part memoir, Terraformed uses the history of Newham, London as an example of inner-city life across the globe and considers how young black lives are affected by racism, capitalism and austerity.
