National Geographic Books "Over 1,111 answers to everything"--Cover.

So Cool! Leopards

National Geographic Children's Books Silently they stalk, carefully they creep, with perfect precision, they pounce! Face it folks, leopards are just SO COOL. Leopards are among the world's top predatory big cats, but that's just ONE reason why they are SO COOL. So who wouldn't want to hang out with them to learn more? These books blend awesome animal photos with silly quips and info that will delight young readers and animal enthusiasts. For example, kids can learn that leopards are the best climbers of all the big cats, that they have excellent night vision, and that black panthers are just leopards that are born black. This is the perfect little reader to start kids' brains buzzing and keep them laughing during downtime, bedtime, or anytime!

National Geographic Kids U.S. Atlas 2020, 6th Edition

National Geographic Children's Books Current, authoritative, and produced by the expert cartographers at National Geographic, this best-selling United States atlas is newly updated with all the latest info--sure to be welcome in libraries, classrooms, and homes. Kids will have fun learning about each and every U.S. state in this amazing 6th edition atlas, packed with maps, stats, facts, and pictures. National Geographic's world-renowned cartographers have paired up with education experts to create maps of all 50 states, U.S. territories, and Washington, D.C., that pinpoint the physical features, capitals, and other towns and cities. Discover the latest data along with colorful photography of each state and the people who live there. Key points reflect the latest information about land and water, people, and places. Lively essays cover each region of the country. Eight specially themed maps on nature, population, economy, energy, climate, and more delve deeper into key issues. State birds and state flags add to the high visual interest. This is a great reference for home and school with all the basics kids need to know to succeed in middle school, high school, and beyond.

Beginner's U. S. Atlas 2020, 3rd Edition

National Geographic Children's Books The updated third edition of this popular atlas introduces young readers to the wonders of all of America's states and territories, with maps, fun facts, geographical features, and more. This fun, easy-to-use atlas takes kids on a journey around the U.S. to showcase what's unique about each state and territory. Every profile starts with a colourful map and a lively essay and includes: capital cities; population; important land and water features; state birds, flowers, and flags; and more. It's all packaged in a bigger format, with a refreshed design, and bold, bright photos and illustrations. National Geographic--known for its authoritative data, expert cartography, and beautiful photography--is the number one provider of atlases for people of all ages.

Ultimate Journeys for Two Extraordinary Destinations on Every Continent

National Geographic Books Written by the founders of HoneyTrek.com, this inspiring book reveals hidden-gem destinations and insider tips for unforgettable couples travel. In these informative pages, Mike and Anne Howard--officially the World's Longest Honeymooners and founders of the acclaimed travel blog HoneyTrek--whisk you away to journeys of a lifetime. Drawing on their experience traveling together across seven continents, they curate the globe and offer tested-and-approved recommendations for intrepid couples, bringing culture, adventure, and romance to any couple--no matter their age or budget. Chapters are organized by type of destination (for example, beaches, mountains, and deserts) to help travelers discover new places and experiences based on their interests. Each entry focuses on a specific region, getting to the essence of each locale and its one-of-a-kind offerings. The authors reveal the best time to visit, the best places to stay, and recommended activities--each with their own adventure rating to illustrate level of intensity. Special features include funny and insightful stories from the Howards' own adventures, expert advice from other renowned traveling couples, and tips to increase the romance and excitement at each destination. A large map shows every location covered in the book, and each entry has a locator map depicting the city and country. Both entertaining and informative, this book is an invaluable resource and inspiration for a lifetime of travel.

The Coral Reef

A Giant City Under the Sea

Bearport Publishing "Welcome to the coral reef--a giant city under the sea. What Would Happen?

Serious Answers to Silly Questions

National Geographic Society Ever wondered what would happen if some cool or crazy things were possible? Like what would happen if: you got sucked into a black hole; dinosaurs still existed; humans could fly; you could communicate with dolphins; or you could dig a hole through to the center of the Earth? Get ready to explore all kinds of scenarios that would or could happen if the world was just a slightly different place. Each scenario is examined with real scientific, historical, and cultural facts in mind. This out-of-the-box book encourages readers to cultivate a better understanding of the world as it is and as it could be!"

Drives of a Lifetime

500 of the World's Most Spectacular Trips

National Geographic Books National Geographic presents the great outdoors through the world's best auto trips, for nature lovers, hikers, and adventurers. Pack your suitcase, load up the car, and head for the open road! This lavishly illustrated, hardcover travel planner and gift book gives you every bit of information you'll need to navigate 400 amazing driving routes in some of the world's most fascinating locales. This practical travel planner provides specific, in-depth descriptions of the sights each drive offers. A clear, detailed, easy-to-read map of each route. Useful information on the best time to travel. And insider tips to help you get the most out of every fabulous trip. Abundant sidebars call your attention to standout sights along the drive or entertaining background information on the region and its culture. While handy indeed as a planner, *Drives of a Lifetime* doubles as a full-color gift book with more than 200 dazzling, large-format photos and crisp, evocative text that will enchant armchair travelers. The book immerses you in the unique appeal and beauty of hundreds of inviting locales. Sample entries include the road to the spectacular ancient ruins in and around Angkor Wat in Cambodia; the Natchez Trace Parkway, along an ancient Native American trail through Mississippi; the scenic old coastal route from Dublin to Wexford in Ireland; an off-road dune drive in Dubai; the famous ocean views along the Cabot Trail in Nova Scotia, Canada; the Winelands Route through South Africa's Western Cape; a drive among the incredible land formations in South Dakota's Badlands; and an archaeological tour through Syria. In addition, you'll find several fun Top Ten lists: skyscraping drives, Mediterranean island roads, African wildlife excursions, and more. Chapters organized by theme include *Ultimate Road Trips*, featuring famous drives such as *Highway One* down the California coast; *Over Hill and Mountains*; *By Sea and Shore*; *The Road Less Traveled*, highlighting unpaved and untamed routes and safaris; *Village Byways* through some of the world's most picturesque hamlets; and *Historic Trails*, tracing the paths of history's great builders and explorers. Whether you travel these storied routes by car or through the pages of the book--countless wonders await your discovery in *Drives of a Lifetime*.

Snake Attack

Bellwether Media Sometimes danger creeps at your feet, especially in the case of snakes. Many are completely harmless, but others can deliver a lethal bite or suffocating squeeze. Once a slithering serpent has a hold on you, it's nearly impossible to escape. Hear a couple gripping stories of survival while you sink your fangs into this title.

National Geographic Kids Ultimate Dinopedia

National Geographic Books Shares in-depth information about all currently known dinosaur species organized under major periods, providing details on such topics as physical characteristics, diet, and discovery dates.

That's Creepy

Spine-Tingling Facts That Will Test Your Creep-Out Factor

National Geographic Books In a world where werewolves rule and vampires are just the boy or girl next door, kids love anything that will scare the pants off them. But how do you separate fact from fiction? Do haunted houses, spooky ghosts, and UFOs have a place in history, or is it all just a bunch of hoey? Crawling with spine-tingly facts, eerie anecdotes, and fun information, this book is all about everything creepy, kooky, mysterious, and spooky. It's a perfect book for the bathroom library or to read by flashlight under the covers. Just don't tell kids how much real science and history they're actually learning!
