## The Primrose Path

Graphic Arts Books *The Primrose Path (1875) is the debut novel of Irish author Bram Stoker. Written over two decades before Dracula, his masterpiece, The Primrose Path helped to establish the Irish master of Gothic horror's reputation as a leading writer of the early-twentieth century. Inspired by the temperance movement, Stoker crafts a simple narrative about a man brought low through temptation and a lack of opportunity. Originally serialized in The Shamrock, a weekly magazine published in Ireland, The Primrose Path is a largely unrecognized novel that deserves reassessment by readers and academics alike. Jerry O'Sullivan is a good man who wants nothing more to provide for his young wife in order to start a family. Looking for work as a theatrical carpenter, he moves from his native Dublin to the sprawling city of London, where he soon finds work and hopes to settle down. After a series of accidents, however, he grows distant from his wife Katey and falls victim to the temptations of alcohol. As he begins to lose control, he grows jealous, loses his job, and begins to harbor dangerous fantasies. Soon, despite his moral upbringing, he risks committing an act too heinous to imagine. The Primrose Path is a gripping work of horror and naturalism by Bram Stoker, the secretive and vastly underrated creator of Dracula, one of history's greatest villains. With a beautifully designed cover and professionally typeset manuscript, this edition of Bram Stoker's The Primrose Path is a classic of Irish literature reimagined for modern readers.*

## Ida mater

Youcanprint "Ida mater" è un "prosimetro", un libro scritto sia in prosa che in versi, che ripercorre un viaggio simbolico basato in gran parte sul mito della "Grande Madre", un viaggio nella memoria del tempo con incontri reali e immaginari, recuperi di antiveggenza, visioni, incubi, speranze. L'autore è alla ricerca della madre, Ida Pappalardo, morta giovanissima, lasciando due figli piccolissimi, lui stesso e il fratello minore, Alberto, senza lasciare tracce documentate della sua breve vita. La storia di "Ida Mater", Mad, Meter, Mother, Mutter, - fatta di continui rimandi e flashes-back, - è una ricerca appassionata di un passato difficile, impossibile da ricostruire, che riguarda anche le proprie lontane origini e la riscoperta della propria identità. Il tutto scritto con un linguaggio che ha diversi registri, dal narrativo a quello epistolare-diaristico (il breve excursus sulla famiglia Pappalardo è in gran parte formato dalle lettere-diario della cugina Ada). C'è infine la parte lirica, in versi liberi, con toni epici, intensi e surreali.

According to Barnabas and Nell, they have only days to break the family curse and find a way to banish Alastor back to the demon realm. Until then, Prosper has to deal

As the deadline to the curse draws nearer, Prosper and Nell realize there's more at stake than just the Redding family fortune. . . that there might be something else out there, something worse than Alastor, that could destroy the balance between the human and demon realms and change the world as they know it forever.

Advance Praise: "If you are pining for that thrill you felt when you first discovered Harry Potter, let me recommend SHADOW MAGIC. Here is a fantasy world you will lose yourself in--with Six Great Families of magic, the nicest princess of darkness you've ever met, a peasant boy with skills to rival Robin Hood, and a supporting cast of zombies, paladins, ghost puppies, executioners, minstrels, murderers, and a giant hero bat. I defy you not to love this story."--Rick Riordan "Zestful, dynamic and addictive, SHADOW MAGIC is storytelling at its most exuberant. Joshua Khan sweeps you up on the very first page and never lets you go. Close shaves, high adventure, wild fantasy, and giant bats--this book has it all. I haven't had this much fun in ages. Sit back and enjoy the ride!" -- Jonathan Stroud "Great, in-depth, unusual world-building coupled with funny, down-to-earth writing. Just call me Joshua Khan's number one fan."--Sarah Rees Brennan "There's plenty of magic to be found in SHADOW MAGIC--necromancy, giant bats, ghosts!--but the real enchantment is the spell it weaves around the reader. I'd battle a whole army of the dead just to get to spend more time in Castle Gloom and the world Joshua Khan has created."--Rachel Hawkins "An executioner's apprentice, an embattled queen of shadows, and a royal hostage join forces toward a common goal--survival in a treacherous world of monsters and magic. SHADOW MAGIC is like the best of haunted house adventures--a dark and twisty thrill ride with just the right amount of creepy humor."--Cinda Williams Chima

W. W.
