NOT FOR SALE (REVISED EDITION)

THE RETURN OF THE GLOBAL SLAVE TRADE--AND HOW WE CAN FIGHT IT (REVISED EDITION)

Harper Collins "Human trafficking is not an issue of the left or right, blue states or red states, but a great moral tragedy we can unite to stop . . . Not for Sale is a must-read to see how you can join the fight." —Jim Wallis, author of *God's Politics* "David Batstone is a heroic character." —Bono In the revised and updated version of this harrowing yet deeply inspirational exposé, award-winning journalist David Batstone gives the most up-to-date information available on the \$31 billion human trafficking epidemic. With profiles of twenty-first century abolitionists like Thailand's Kru Nam and Peru's Lucy Borja, Batstone tells readers what they can do to stop the modern slave trade. Like Kevin Bales' *Disposable People* and *Ending Slavery*, or E. Benjamin Skinner's *A Crime So Monstrous*, Batstone's *Not for Sale* is an informative and necessary manifesto for universal freedom.

I WILL NOT SURRENDER TO TERRORISM

PLEASE GIFT THIS BOOK TO EVERY TERRORIST WORLDWIDE, IT CAN HELP THEM TO GET AWAY FROM THE PATH OF TERRORISM

Createspace Independent Publishing Platform I will not surrender to terrorism By Mr.Gijo Vijayan. This book aims at preventing a person from becoming a terrorist. The author aim at killing the motive behind terrorism, whatever may be the reason behind. Forgive and forget, the world will be safer. An eye for an eye make the whole world blind, said Mahatma Gandhi. If you know anyone, who has extreme and radical views on religion or any ideology, that cause harm to society. This book can be an eye opener to narrow minded people, who think I am right and whole world is wrong. Stop revenge, forgive and forget, the world will be safer. For nations to live in peace, stop quest for dominance, stop trying to grab someone's land or sea. More investment in military makes common people suffer indirectly. Billions of dollars spent on military expenses can be diverted for betterment of the lives of people, if there is no friction between nations. Billions of dollars spent on atom bombs, missiles, ships, fighter planes etc will eventually of no use to the betterment of humanity. If a third world war occurs, there won't be anyone left to celebrate victory, so it is foolishness to wage war in the name of any ideology or religion. There is only One way to stop terrorism - Education. When millions of people refuse to become terrorist at any cost - by applying thought, the purpose of this book is achieved. To kill terrorism, we must kill the motivation behind terrorism. When you refuse to become a terrorist, you make the world safer. When millions of people around the world refuse to become terrorists, we all win. So, take a pledge today itself, -I will not become a terrorist. -I will not allow my kids to become terrorists. -I will not change my mind, because of people or circumstances around me. -No media, politics or religion can manipulate me. -I will help misguided people to leave the path of terrorism.

TROPICAL DEPRESSION

CreateSpace "As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.

THE WORLD FOR SALE

MONEY, POWER, AND THE TRADERS WHO BARTER THE EARTH'S RESOURCES

Oxford University Press The modern world is built on commodities - from the oil that fuels our cars to the metals that power our smartphones. We rarely stop to consider where they have come from. But we should. In *The World for Sale*, two leading journalists lift the lid on one of the least scrutinised corners of the world economy: the workings of the billionaire commodity traders who buy, hoard and sell the earth's resources. It is the story of how a handful of swashbuckling businessmen became indispensable cogs in global markets: enabling an enormous expansion in international trade, and connecting resource-rich countries - no matter how corrupt or war-torn - with the world's financial centres. And it is the story of how some traders acquired untold political power, right under the noses of western regulators and politicians - helping Saddam Hussein to sell his oil, fuelling the Libyan rebel army during the Arab Spring, and funnelling cash to Vladimir Putin's Kremlin in spite of western sanctions. The result is an eye-opening tour through the wildest frontiers of the global economy, as well as a revelatory guide to how capitalism really works.

FORTY CENTURIES OF WAGE AND PRICE CONTROLS

HOW NOT TO FIGHT INFLATION

Ludwig von Mises Institute The Mises Institute is thrilled to bring back this popular guide to ridiculous economic policy from the ancient world to modern times. This outstanding history illustrates the utter futility of fighting the market process through legislation. It always uses despotic measures to yield socially catastrophic results. It covers the ancient world, the Roman Republic and Empire, Medieval Europe, the first centuries of the U.S. and Canada, the French Revolution, the 19th century, World Wars I and II, the Nazis, the Soviets, postwar rent control, and the 1970s. It also includes a very helpful conclusion spelling out the theory of wage and price controls. This book is a treasure, and super entertaining!

SLAVE TO THE TRADE

Createspace Independent Pub In this gritty urban novel, a pimp named Anthony Davis (AD) and police officer George Pratt wage war with one another on the rain-slicked streets of Seattle. Slave to the Trade is packed with jaded cops, wannabe pimps, hardened prostitutes, gangbanging drug dealers, and several down-and-out drug addicts. The sad but true reality of the streets has never been painted so clearly and colorfully. The novel begins in a police station where Detective Pratt is pestered by the rookie partner about a mysterious piece of paper with a single calendar date on it that has been hanging on the wall for years. Now that the date has arrived, Pratt decides to finally divulge its meaning. He explains that a pimp named AD is being released from prison and needs to be tracked down and watched. When the rookie asks for further information, Pratt becomes irritated and evasive...making it apparent that the beef between the two men would remain a mystery until a later time. Upon his release, AD returns to his former stomping grounds and finds that the power structure of the game has changed dramatically. Where he was once a shot caller, the gangbangers are now firmly in control. AD does his best to make headway with the youngsters, but one of them just so happens to be an aspiring wannabe pimp and decides that AD is a threat that needs to be dealt with. Meanwhile, the mystery of AD and Pratt's past grows in intensity as the rookie and the veteran cruise the streets watching the pimp's every move. However, things get forced to a head when a young runaway girl turns up working the streets. Sadly, without her consent or knowledge, the young girl becomes a pawn in AD and Pratt's personal war of wills. Steamy, gritty, and violent, Slave to the Trade is a work of urban fiction that brims with authenticity. The spitfire dialogue drives the intricate plot as the manipulative pimp and jaded cop head for an inevitable collision that will shake the street game to its very foundation.

THE LAST DIPLOMAT

Don F. Marrs "In the spring of 2031 terrorists detonate nuclear bombs in nine American and European cities. They are not the small ""suitcase" bombs intelligence agencies had anticipated, but large strategic weapons, smuggled to their targets on trucks and aboard ships. Millions die in the firestorms. In the months that follow, thousands more are lost to radiation sickness, starvation and the lawless gangs terrorizing the countryside. The global financial system collapses. The military labors to establish order but is forced to commit nearly all its resources to the cities, which have become massive refugee camps. In the rural outland there is anarchy. The Chinese offer aid, but demand an impossible concession: the dissolution of the United States and creation of a new Sino-American continental state. They are refused. Can the U.S. hope to rebuild without aid? Its wounds are deep, the damage severe. The struggle continues, the days grind on, but the leaders know they are making almost no progress. In July they receive news so terrible that at first they cannot believe it. In five locations at once, Chinese troops are landing on American beaches. For the first time in over 200 years the United States is being invaded by a foreign power!"--Amazon blurb.

WOMEN IN HIGH GEAR

Gallaher/Howell/Womeninhighgear Is high gear attainable for today's women and the next generation? Yes! Women in High Gear is a first-of-its-kind look at how women in business, on-rampers, and aspiring executives can discern and discover a path to high gear. Whether that looks like financial independence, starting a business, ascending to the C-suite, securing a board seat, or making superconnections, high gear is clearly within reach. Entrepreneurs and small business owners Anne Deeter Gallaher and Amy D. Howell join forces in Women in High Gear to tell their stories of two divergent paths to reach the same goal. In 13 easy-to-read and easy-to-relate-to chapters, Amy and Anne lay out their own journeys to high gear and show how others can connect the dots for growth and success. They combine big business principles with small business DNA in hopes that their experiences will shorten the business learning curve of women. Living the realities of staying at home and staying on the fast track, Anne and Amy help women of all ages understand the necessities for emotional resilience, harnessing the softs skills, exhibiting leadership, mastering self-discipline, understanding the bottom line, connecting on social media, and building a personal brand. Wherever you stand in your business journey, Anne and Amy challenge you to charge ahead with confidence and fresh perspectives. The world needs what you have to offer-high gear awaits! Acclaim for Women in High Gear: "Anne Deeter Gallaher and Amy D. Howell are keenly attuned to the need for mentoring, guidance, and inspiration to help prepare current and future generations of women for leadership in business and society. In Women in High Gear, Anne and Amy have artfully woven their own high gear journeys to both mark a path for growth and to steer readers clear of roadblocks. They blend advice, personal experience, insight, and accountability in hopes of shortening the learning curves of other women." Kim S. Phipps, Ph.D. President, Messiah College "In a business world steeped in too much self-help blather, Amy and Anne stand up for accountability, distinctiveness, mental toughness, responsibility, hard work, compassion, and appropriate compromise-the values that forge great leaders. This book is inspiring, true, and even better-entertaining!" Mark. W. Schaefer College Educator, Entrepreneur, International Speaker, and Author of Return on Influence and The Tao of Twitter "Women in High Gear is proof of the power of storytelling-at which Anne Deeter Gallaher and Amy D. Howell excel. They turn their hard-won personal and professional experiences into illuminating and engaging examples for others to follow. Early and mid-career professionals will find High Gear immediately useful, but even seasoned executives (like me) will see in Amy and Anne's experiences new approaches to today's challenges." Kathleen A. Pavelko President/CEO, WITF, Harrisburg, PA "This book is for anyone wanting to soar to higher goals in business." Philip H. Trenary CEO, Phil Trenary Associates; Former CEO, Pinnacle Airlines Corporation "After reading Women in High Gear, I immediately wrote out my high gear goals for the next five years. This book is for any woman with a big dream for her life!" Rachael Dymski Author "Wonder duo Anne and Amy provide valuable insight into how independent, driven women can dominate the professional business landscape." Susan R. Ewing Director of Social & Digital Media, Hershey Harrisburg Regional Visitors Bureau "Women in High Gear is the modern guide to overcoming obstacles and achieving success without breaking a sweat-and doing it all in 4-inch heels. Anne and Amy have hit a homerun!" Kaitlin Sawyer Public Relations/Marketing Professional, Hawaii

BROKEN CAPITALISM

THIS IS HOW WE FIX IT

Angelpay Foundation When the 10 largest corporations have more combined economic power than 92% of all countries on Earth combined, the 50 largest financial corporations control wealth equal to 90% of Earth's GDP, the richest 1% of humans have more wealth than 99% of the world combined, and the eight richest humans have more wealth than the bottom 50% of Earth's entire population combined . . . it's safe to say humanity is in trouble.This is the only book you ever need to read to understand exactly what is wrong with our global economy today and how to fix it. A KRIPSLOD IN THE REALM

VOLUME ONE OF THE KRIPSLOD'S TALE

Createspace Independent Pub Kripslod (from Realmspeak) (1) An implement that is not only useless for the application, but also dangerous to the user. (2) A bigoted, loud, and whiny complainer who causes great trouble for himself and all those around him. What would you do if you were taken from your home on Earth and brought to live on a planet in the farthest reaches of the Galaxy? Would you join a rebel band fighting to topple an oppressive regime? Would you enlist in an interplanetary space expedition and help search the universe for alien civilizations? Would you battle to save the human race from murderous robots? Not if you're Teodor Korzeniowski. No, he doesn't have time for things like that. He is much too busy trying to get an extra pillow on a Port Leyken Spaceways' interstellar economy flight from Boulanger-Four to I Taisto Station. Welcome to the new worlds of Teodor Korzeniowski—formerly of Utica, NY and now a reluctant Citizen of the Realm. Here he will be knocked-over and stepped on by the biggest and toughest space-faring carnivores in our Galaxy. He'll meet and become the legal mate of a human female medical technician whose ancestors were once curiosities in an interplanetary traveling menagerie. He'll join his mate in attending the graduation of new officers in the Imperial Majesty's dreaded Secret Police. Then endanger them both when he becomes the typical 'ugly American' and gives his opinions about everything and everyone. Including her Imperial Majesty and her need to lose more than a little weight. In this volume, Teodor and his long-suffering mate will be joined by: Guard Admiral Reinier of the Political Police. (He insists that the condiments on the tables in the officer's mess be arranged symmetrically at all times.) Teodor's father-in-law. (He watches etiquette programs on the screens and still has a few choice metaphors for his unemployed son-in-law from Earth.) And the usual assortment of radical terrorists, waiters, psychotic racists, police, muggers, pensioners, medical technicians, politicians, opera singers and pirates. It is never dull when you travel our Galaxy with Teodor Korzeniowski!

TIME, TEMPORALITY AND GLOBAL POLITICS

International Relations scholars have traditionally expressed little direct interest in addressing time and temporality. Yet, assumptions about temporality are at the core of many theories of world politics and time is a crucial component of the human condition and our social reality. Today, a small but emerging strand of literature has emerged to meet questions concerning time and temporality and its

relationship to International Relations head on. This volume provides a platform to continue this work. The chapters in this book address subjects such as identity, terrorism, war, gender relations, global ethics and governance in order to demonstrate how focusing on the temporal aspects of such phenomena can enhance our understanding of the world. Contributors: Andrew Hom, Christopher McIntosh, Liam Stockdale, Alasdair McKay, Shahzad Bashir, Kevin K. Birth, Valerie Bryson, Kathryn Marie Fisher, Robert Hassan, Caroline Holmqvist, Kimberly Hutchings, Tim Luecke, Tom Lundborg, Tim Stevens and Ty Solomon.

THE FOREIGN POLICY AUCTION

Createspace Independent Pub U.S. foreign policy is being sold; not just altered, shifted, manipulated, or influenced - sold. Every single day the agents of foreign governments work to not only monitor U.S. foreign policy, but to actively change and even create it. They meet with policymakers, donate to their campaigns, write their speeches, and even write legislation. Yet, foreign lobbying garners scant attention, and no book has been written on the subject - until now. Ben Freeman, an expert on foreign influence in U.S. politics, goes inside the seedy underbelly of this half billion dollar foreign lobbying industry. Through exhaustive analysis he shows how foreign money infects the U.S. political process - systematically undermining U.S. foreign policy. The Foreign Policy Auction is an impassioned expose of an industry whose primary goal is bending U.S. politics to the will of foreign governments. It's a sobering realization of how foreign policy is actually made in the U.S. The Auction is open, how much will your government cost today?

TOO MANY SISTERS

Callie Armstrong's personal life was already in turmoil. Now circumstances are forcing her to share her successful music production company with three business partners. One partner wants her husband. One partner wants her money. One partner wants her trust- even while keeping secrets. Is this how it is with all sisters? Callie has decisions to make and secrets to uncover and lies to unravel in the midst of the family chaos. The only thing she knows for sure is that when they're all together, it's just too many sisters. .

GOLD, DOLLAR AND EMPIRE

Createspace Independent Publishing Platform Mr. Soberon has provided us with a fascinating chronological review of the history of money in all its forms from several hundred years BCE through the present day. From gold and silver to paper money and beyond, from Dictators to Democrats and Republicans, he chronicles the evolution of the various mediums of exchange and the power and influence held and wielded by those who possessed them in great amounts. This book is certain to hold the interest of both the high school student and the seasoned banker. It is required reading for anyone interested in economics, business, investing or simply world history. Clearly written and unbiased, Mr. Soberon's narrative appears at a crucial juncture in world affairs."

TOUGH CALL

A LITTLE BOOK ON MAKING BIG DECISIONS

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

CHOOSE THIS DAY

Createspace Independent Publishing Platform As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

NETOPIA

Createspace Independent Publishing Platform The perfect reality is just a thought away, but it comes at a chilling price. In a near future world, a social network by the name of MINDS gifts its users with the unique ability to communicate directly by thoughts and recreate reality by their deepest fantasies and desires. In the MINDS network, desires are actualized in a split of a second and unwanted elements erased from reality. The advanced algorithms of MINDS enable the user to virtually visit any place in the world or in history within seconds, in an utterly realistic three-dimensional reality. Humans can use their mind to determine everything they please - from the weather to the way their friends look like and behave. But the ultimate comfort comes at a price, and the unexpected results reveal the grand plan behind MINDS. What stands behind this magnificent social network, and what are the consequences when the virtual merges with the actual? Netopia follows the heroes of the network in the days before its establishment, through its launch, relationships and love, and the unexpected change it wreaks on the enthusiastic users who had no idea what awaited them the moment they gave up control over their minds. Is the MINDS network a dream come true or a nightmare come to life? Netopia is beyond science fiction: it is a groundbreaking novel that explores the implications of communication technology on human nature and society, the preference of warmth for realistic animal doll pets but coldness towards humans, the novel speaks to the connected and to the disconnected, to the great minds and the Neverminds. Netopia is a gleaming hope and a dark warning. So, where is your mind? Scroll up to grab your copy now.

THE BAD CANADIAN

IN A PLACE OF PEACE, DURING A TIME OF WAR, THE UNFORGIVEN WILL NOT GO FORGOTTEN. Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance. Involving Marshall Geary might be his biggest mistake. Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts. "If you love thrillers, don't miss this action packed read."

ECHOES IN THE STORM

One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.

ON PURPOSE

SELLING YOUR COMPANY WITH INTENTION AND PURPOSE

On Purpose, Selling Your Company With Intention And Purpose! was written as a guide for the small business owner to understand the steps involved in the process of selling a company for maximum value. Most business owners will only sell a company once or twice in a lifetime making them inexperienced at best. Hiring a business broker is one of the last steps you'll take in selling your company. I wrote this book so you can better understand the steps you need to take to begin the process of selling a company and maximize the value for all parties. I pull back the curtain and shed light on important aspects of selling that most buyers don't understand until it's too late. I arm you with the insight and experience needed to prepare yourself and your company for sale and successfully work through the

sales process. After reading this book, you will be able to plan confidently and follow through with a successful sale of your company.

FASCISM VS. CAPITALISM

Createspace Independent Publishing Platform Fascism vs. Capitalism: The Central Ideological Conflict of Our Times "Fascism" has become a term of general derision and rebuke. It is tossed casually in the direction of anything a critic happens to dislike. But fascism is a real political and economic concept, not a stick with which to beat opponents arbitrarily. The abuse of this important word undermines its true value as a term referring to a very real phenomenon, and one whose spirit lives on even now. Fascism is a specific ideology based on the idea that the state is the ideal organization for realizing a society's and an individual's potential economically, socially, and even spiritually. The state, for the fascist, is the instrument by which the people's common destiny is realized, and in which the potential for greatness is to be found. Individual rights, and the individual himself, are strictly subordinate to the state's great and glorious goals for the nation. In foreign affairs, the fascist attitude is reflected in a belligerent chauvinism, a contempt for other peoples, and a society-wide reverence for soldiers and the martial virtues. Lew Rockwell, in this new volume, examines the starkly contrasting systems of capitalism and fascism, noting pro-fascist trends in recent decades as well as the larger historical trends in the United States and internationally. In Section One, Rockwell focuses on the nature of fascism and its influence in Western society, with a focus on American political and economic institutions. In Section Two, Rockwell examines capitalism as the enemy of, and antidote to fascism. Combining economics, history, and political philosophy, this book doesn't just provide a diagnosis of what ails American and Western society, but also sheds light on how we might repair the damage that has been done, and with the help of the intellectual work of great minds like Murray Rothbard and Ron Paul, we might as a society shed the fascism of our times and look to freedom instead.

THE SECRET HISTORY OF PYTHAGORAS

THE Translation of this venerable Piece of Antiquity is undertaken upon a double Score; being designed as well to entertain the Curiosity of the Learned, as to supply the Defects of the Ignorant. If the original Language would have been more acceptable to the one, it would have been less intelligible to the other. I cannot, without uttering a Falsity, venture to affirm that so singular and valuable a Piece will be made Public, at least as yet: And in the mean Time I shall flatter myself, that this little Essay may contribute in some sort or other to the diversion, if not Instruction, of People in every Condition of Life. If this is well received, the other Parts will make their Appearance at proper Distances of Time. I publish no more at present, because I would not be thought to impose too much upon any one's Patience; as for losing my own Labour, I am under no bad Apprehensions about that; for the Reader cannot reject with a greater Disdain, than I have translated with Pleasure, the Contents of this Book.

FREE ROLL

Brandt Tobler Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

NASHVILLE - PART ONE - READY TO REACH

Nineteen-year old CeCe Mackenzie leaves Virginia for Nashville with not much more to her name than a guitar, a Walker Hound named Hank Junior and an old car she'd inherited from her grandma called Gertrude. But Gertrude ends up on the side of I-40 in flames, and Nashville has never seemed farther away. Help arrives in the form of two Georgia football players headed for the Nashville dream as well. When Holden Ashford and Thomas Franklin stop to offer CeCe and Hank Junior a ride, fate may just give a nod to serendipity and meant to be.

THE GREAT SEPARATION

A HISTORY OF THE SEPARATION OF THE UNITED STATES INTO TWO INDEPENDENT REPUBLICS IN 2029

Caution: this book is a document from the future, on how the United States finally split into two independent republics in 2029, and its aftermath. The topic is so sensitive, that its futuristic author must be identified merely as John Doe, Ph.D. Dateline: 2029. The "One Nation, Indivisible," finally divides. - A political satire.

BENAJAH'S KEEPER

Createspace Independent Pub Evanna Amaranthine, a ruthless, 600 year old vampire, has a new assignment: to leave the walls of Benajah, her beloved vampire guild, enter the realm of humans to stalk down her prey, Rian Delmar, and kill him. At first, the prospect of being around humans any longer than the time it takes to drain them repulses Evanna, but after moving in with her new human-loving vampire housemate, she soon becomes hopelessly entangled with Messiah Scarborough, his strikingly good-looking artist friend. When dreams of a past life begin to plague her as she continues her crusade, can she control emotions that threaten to overwhelm her? Filled with fast-paced action and steeped in suspense, Benajah's Keeper by Aeryn Dougan is an urban fantasy that will capture readers' hearts as it addresses the significance of family, fate, and loyalty. Dramatic, gritty, and deeply passionate, this unique take on the vampire legend will definitely leave you wanting more.
