AN ANGEL TOLD ME SO

Balboa Press *This amazing collection of messages and teachings dictated directly from spirit teachers/angels from the other side compose Wilma Jean Jones' book "An Angel Told Me So." The depth and quality of these messages and teachings received and the personal nature of this material engages and allows readers to feel they also are being spoken to on a level that reflects what they are personally experiencing and speaks to the heart of those willing to accept the divine nature of this deep and thought provoking material. This body of material not only offers proof of the existence of a spiritual realm outside this physical plane, but presents communications in the form of messages and teachings dictated from spirit teachers/angels who inhabit this spiritual realm. These messages and teachings received by Wilma Jean appear to be woven with a universal thread that speaks directly to all sincere seekers of truth on a personal level as each reader feels that they are being addressed as they deal with what is transpiring in their lives. As you read this material know that you too are being spoken to directly by the spirit teachers/angels inhabiting this realm and that these messages and teachings are intended for your edification and the advancement of your purpose in this existence. Know that as you read this material these teachings apply to your situations and that you are not alone as you walk your chosen path. Note the repeated first person references of these spirit teachers to themselves as "we," "our," and "us." The depth and quality of these messages and teachings are unlike anything you have ever read before.*

BROTHER FRANCIS, THE ANGEL GOD GAVE ME

A BOOK ABOUT OUR GUARDIAN ANGELS

Children will love this beautifully illustrated book that teachesthem all about their Guardian Angel and the blessings Godgives us through their constant, watchful care.

AN ANGEL TO WATCH OVER ME

TRUE STORIES OF CHILDREN'S ENCOUNTERS WITH ANGELS

Loyola Press Children are known to have wild imaginizations, which explains why their stuffed animals talk and invisible friends get invited to tea parties. So it's no wonder than when a child reports a personal encounter with an angel, adults tend to dismiss it with a wry smile and say, "That's nice, sweetie. Why don't you go outside and play?" But Joan Wester Anderson says "not so fast." If Jesus himself taught that the kingdom of heaven belongs to children, there's no reason in the world not to believe that God can reveal his love to little ones through angels. In *An Angel to Watch Over Me* (originally published by Random House in 1994, with sales of 150,000 copies), Anderson shares more than 30 stories of children's experiences with celestial beings--from a boy whose angels helps him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home. From angels who combat evil and darkness to angels who bring news of comfort and joy, each of these accounts is grounded in traditional Christian belief, eschewing any New Age interpretation of the events. For all who are open to the possibility that even children can have authentic spiritual lives--and that attaining a certain age is not a prerequisite for God to touch our lives in the form of heavenly helpers--this book is sure to stir the soul and fan the faith.

ANGELS OF HUMILITY

A NOVEL

Destiny Image Publishers Pastor Paul is a young seminary graduate called as interim pastor to a small rural church. He is full of zeal, but mostly for self-promotion. He sincerely loves the Lord but his past emotional wounds leave him vulnerable and in need of attention and affirmation. He constantly frustrates his angel, Saldu, who tries to steer him toward a more humble attitude. Sarah Edwards is a new church member, a recent widow who gets saved at age 71. Unknown to her, Sarah has two angels to help disciple her and she is maturing rapidly in the faith. She is confused by her prophetic gifting, which leads her to offend some church members. She also prayer walks in front of Pastor Paul's house. When his wife sees her pacing back and forth "talking to no one," Paul quickly writes her off as a "wacko." Through the lives of Paul and Sarah you will see that the really wonderful news is that living a life pleasing to God has nothing to do with gritting your teeth and trying harder (again and again and again). God rewards you for simple, loving, serving actions throughout your days, stepping outside your own concerns to truly see others in His name.

A BOOK OF ANGELS

REFLECTIONS ON ANGELS PAST AND PRESENT, AND TRUE STORIES OF HOW THEY TOUCH OUR LIVES

Penguin A gorgeous new edition of the New York Times bestseller that has sold more than a million copies. "A golden conjunction of heaven and earth...reminding us that there are angels in every religion." -The Washington Post "As far as angels are concerned, now you see them, now you don't. A Book of Angels gives us a lovely,

sustained glimpse." -Chicago Tribune When Sophy Burnham wrote *A Book of Angels*, she inspired a phenomenon. An instant bestseller when it was originally published in 1990, this beautiful book not only tells the extraordinary true stories of present-day encounters with angels, but also traces the study of angels throughout history and in different cultures. Burnham writes about the powerful male angels, Buddhist bodhisattvas, Islamic angels, Hindu Apsaras, the mysterious angels of the Jewish Kabbalah, cherubim, seraphim, guardian angels, the angel of death, and others. What are angels? What do they look like? Whom do they choose to visit? Why do they appear sometimes and not others, and would you recognize one if it appeared before you? With great feeling, Burnham offers an eloquent report from the place where earth and heaven meet. A wondrous journey into the world of angels, this book is a song of praise to life.

ANGELS SPEAK TO ME

A NEW AGE FOR MANKIND

Inspiring Voices *Providing insights into the spiritual world and God's plans for mankind's future, Angels Speak to Me chronicles the visions author Dennis Wayne Schroll has experienced throughout his lifetime. A variety of angels, archangels, cherubim, and heavenly people—as well as God—have spoken to Schroll, and they have predicted a new age in which new prophets will bring forward words from God into the world. Through these visions, Angels Speak to Me explains how one is saved, why one must be saved to prevent torment, how it is important to ask God for help in getting to heaven, and how to continue a Christian life with God's support. Schroll shares the messages he has received to help Christians and all people of the world realize the situation the world faces and he communicates the importance of believing in God and changing our ways to show favor in God's eyes. Angels Speak to Me delivers God's message that he wants all of the world's people to be saved from Satan and the damnation of Hell.*

If you are intrigued by what Heaven looks like and what God's angels are doing today—you will love this book. Heaven and angels are described in detail by someone who has been there numerous times. Unlike other books that are basically Bible studies about angels, Angels in the Realms of Heaven is full of testimonies of actual present-day angelic encounters and visitations. "The Lord told me to record my supernatural experiences, and they are shared in this book. I hope these simple testimonies about Heaven will inspire in every reader a sense of their heavenly home," writes author Kevin Basconi. You will be moved to tears of joy and hope as you experience Angels in the Realms of Heaven for yourself!*

ANGELS AND AWAKENING: A GUIDE TO RAISE YOUR VIBRATION AND HEAR YOUR ANGELS

2-IN-1 BOOK AND WORKBOOK "I got messages from my angels! When I let go of pressuring myself to 'know' I found it, right there. I wasn't seeing the forest for the trees! Julie, I can't thank you enough! I am excited, grateful, energized and I have a skip in my step!" -Jo Cassidy "My dad passed away unexpectedly at the age of 58. This book allowed me to find peace and understanding with his passing and allowed me to see the amazing signs he sends me from the Other Side. Highly recommend!" -Nicole Bedinghaus "The way Julie words things has changed my life in a way that no other spiritual work or religious upbringing has done for me in the past. I went on to take Julie's Angel Reiki School and was able to begin transitioning out of working as an RN to working as an Angel Reiki Master Teacher full time!" -Jennifer Odom "If you've been searching for answers about angels, then this book is the treasure you have been seeking. Reading Julie's words is like talking to a best friend about one of the most inspiring topics around. In the book, she provides in-depth information about everything related to angels and your spiritual awakening. You will find helpful meditations, easy to implement strategies, journaling response sheets, and so much more. I devoured this book from cover to cover and am now reading it again! "I first connected with Julie through her podcast and a personal angel reading. I learned so much about angels and life in general through Julie's guidance. She brings in such love through her words. After reading this book, I reached a much deeper level of understanding of angels and how to connect with them. I feel empowered knowing I

have all the tools I need to connect with my angels. I can't recommend this book enough!" -Michelle Willis

ANGELS

WHO THEY ARE AND HOW THEY HELP--WHAT THE BIBLE REVEALS

Multnomah *The remarkable truth about angels, the agents of Heaven, unveiled through Scripture—from the New York Times best-selling author of Everything You Need “Outstanding! As one would expect from David Jeremiah, this book reflects a theologian’s concern, a pastor’s heart, and a Biblicist’s accuracy.”—Dr. Bruce Wilkinson People have long been fascinated by stories of angel sightings, yet many contemporary beliefs about angels are based on misconception and myth rather than solid, biblical truth. As he’s done so brilliantly for decades, respected Bible teacher Dr. David Jeremiah of Turning Point Ministries uses Scripture to unveil the remarkable truth about these agents of heaven and their role in our world and our lives. What are angels? What is their role in God’s plan? Are they present? Do they*

appear? Do they give us personal insight about our work and our worship? In this broad and thorough survey of Scripture, Dr. Jeremiah clearly and simply separates fact from fiction as it relates to angels. His enlightening findings are supported with illustrations and insights from prominent teachers, such as Billy Graham, Corrie ten Boom, C. S. Lewis, and more. Dr. Jeremiah's down-to-earth style guides readers around the hype about angels and directly into everything you need to know about the "substance of things unseen!"

PROOF OF ANGELS

THE DEFINITIVE BOOK ON THE REALITY OF ANGELS AND THE SURPRISING ROLE THEY PLAY IN EACH OF OUR LIVES

Simon and Schuster From the collaborator of the blockbuster bestseller *Proof of Heaven* comes the definitive book proving angels are real, all around us, and interacting in our lives every day. In March 2015, millions worldwide were captivated by news reports of the dramatic rescue of an eighteen month old girl, Lily Groesbeck, who'd somehow survived fourteen hours in an overturned car partially submerged in an icy-cold Utah river after her mother apparently lost control of the vehicle. A voice the four responding officers assumed was the child's mother still trapped inside spurred them on: "Help me, help me." Yet, once the two victims were recovered, it was clear that the voice could not have come from Lily's mother: she'd been killed on impact. New York Times bestselling author Ptolemy Tompkins, with the help of Tyler Beddoes, one of the responding officers who helped rescue Lily, will explain this modern-day miracle and the existence of angels in our world. *Proof of Angels* weaves real-life stories into a rich narrative, exploring the history, nature, and significance of angels in our lives. With an introduction by Colleen Hughes, the editor-in-chief of *Angels on Earth* magazine, *Proof of Angels* proves that the barrier between the spiritual and the scientific is less certain than we often think. Not only does Tompkins offer a highly entertaining look into a universally fascinating topic, but he also delivers a fresh and deeply reassuring message: we are not alone.

WHAT THE BIBLE SAYS ABOUT ANGELS

Multnomah Responding to the wide-spread, modern cultural interest in-even obsession with-the agents of heaven and their role in our world, popular Bible teacher David Jeremiah provides an in-depth, biblical look at the hot topic of angels, giving a broad and thorough survey of Scriptural teaching illustrated by powerful quotes from prominent teachers Billy Graham, Corrie ten Boom, C.S. Lewis, and others.

IN THE SHADOWS OF ANGELS

BREAKING THE CHAINS (VICTIM TO SURVIVOR)

Christian Faith Publishing, Inc. I perceive angels to be special messengers of God that are always surrounding us along our life's journey, and those of us who believe in God or a Higher Power would like to see them as protectors of our spiritual or

mental well-being. They intervene in our life to help soothe our pain and to pick and carry us up and out of bad situations that may lead to devastation to our well-being. Angels sometimes carried me in their arms when my body was too exhausted from living and I felt I could not go on. When I felt I was unable to walk, I believe that angels were right beside me or would surround me as I walked in their shadows for comfort and relief from my abusers. See I believe that we indeed have special angels (physical and spiritual beings) here on earth at all times that come into our lives to help us get through life's trials and tribulations. The angels are there to help us move forward in each level of our lives as we live from day to day, sharing a strong healing light that radiates throughout our minds, souls, and bodies, enabling us to continue in a more optimistic manner. For some readers, it may seem difficult to believe or understand my whole philosophy around angels, but throughout your reading you will have a better understanding where my beliefs come from. As Ta'Mara shares her story, you will see that she has amazing inner strength as she faces her abusers from day to day. In addition, you may end up thinking that we all do in fact have angels that intervene on many different occasions, which we cannot even imagine.¹²

MISHAEL ANGEL OF THE LORD

Xlibris Corporation Author's Notes about *Mishael Angel of the Lord* My novella began as a short story project for my blog. It was to have marked my comeback as a fiction writer after a long self-imposed hiatus from writing in order to concentrate on other projects. Along the way, my project grew in scope and size, from a short story to a novelette and then a novella and, half a year later, I was prodded by a certain family member with the suggestion to publish *Mishael - Angel of the Lord*. I initially resisted the suggestion, but for a long time after that, I felt urged on by the Holy Spirit Himself to step in that direction. I prayed long and hard for the Lord's confirmation that He had a purpose for the book's being published, which He did, in providing the funds, in a dream I had about my subject matter - angels - (there outside my window, two large angels were locked in battle and hurtling from the sky), and in directing me to exact places in my manuscripts where I needed to correct and rectify the errors I had made in my doctrine of angels. And here we are - about nine months later. In a nutshell *Mishael - Angel of the Lord* is a fictional tale about faith and love. In the Christian Fantasy / Science Fiction genre, it is set against the backdrop of the Tribulation Hour. The premise of this novella revolves around a battle for the soul of Mishael between the heavenly powers the Holy Angels of the Lord and the Fallen Angels and Nephilim led by Lucifer. Mishael is the newly-created half angel, and much-loved pupil of the Archangels, Michael and Gabriel, who are training him in the ways of spiritual warfare. As he grows in prowess and skill, Mishael becomes a formidable threat to Lucifer, who orders his minions to thwart his unique mission at all costs. The race for Mishael's soul commences, putting all the angels' faiths to the test. As the battle continues to rage between the forces of the Lord's triumvirate of holy angels Michael, Gabriel and Mishael, and those of the unholy troika of Antichrist, False Prophet and Lucifer, enemy lines start to become blurred climaxing in loyalties being questioned. What drives this story is not so much

the plot as it is the relationship between the protagonists Mishael and the Archangels, Michael and Gabriel, thence the preponderance of emotions in my narrative such as love, happiness, loyalty and faithfulness, and anger, sorrow, disappointment and longing. My inspiration for writing Mishael is both personal and instructional. In recent years, there has been a surge in interest in vampirism, lycanthropy and witchcraft being promoted in the media and various publications that is fomenting the perennial pursuit of eternal youth and immortality. However, few appear aware of the New Spirituality and occult slants entrenched in this popular culture, which is pursued by today's youth in the mainstream and ecumenical churches. In Mishael, I had wanted to show there is a true way to immortality, which is diametrically opposed to what is suggested by the occult themes of popular culture. There is also a popular misconception about angels and demons (Nephilim and fallen angels), portrayed in and popularized by the media and upheld by the general populace. A common misconception is that entities in the spiritual dimensions are intangible beings because spirit beings; on the contrary, both holy and demonic angels are not only tangible but also tactile beings, conscious of sensation and capable of being locked in embrace and hand to hand combat. Another myth among human beings in their conception of beings in the spirit realm is that angels are emotionless creatures that act out of pure and cold logic, blindly following their leaders' orders, whether the leader is God or Satan. This cannot be further removed from reality; if anything at all, since angels are free will agents, not only
