#### **ARTICLE 370**

---

---

#### **A CONSTITUTIONAL HISTORY OF JAMMU AND KASHMIR**

---

*Oxford University Press On 26 January 1950, the Constitution of India came into force with a unique provision—Article 370. The special status accorded to the state of Jammu and Kashmir in the article meant that its people lived under a different set of laws while being part of the Indian Union. Alternating deftly between history and politics, A.G. Noorani examines a wide range of documents pertaining to Article 370. He incisively analyses the implications and consequences of the article for the constitutional democracy of the state and the nation. From Jammu and Kashmir's accession to India in 1947 to the various negotiations thereafter; Sheikh Abdullah's arrest to the framing of the Constitution of Jammu and Kashmir and the replacement of Sadar-i-Riyasat, this book impeccably documents the little-known constitutional history of the state. Noorani underscores the politics behind the gradual erosion of Article 370 and the need for restoration of autonomy. Critically analysing the various judgments relating to this constitutional arrangement, he suggests a framework for resolving the 'Kashmir problem'. Collecting together rare, often unseen and unnoticed, letters, memoranda, white papers, proclamations, and amendments, this book will be an indispensable resource on Kashmir.*

## **JAMMU AND KASHMIR**

---

### **POLITICS OF IDENTITY AND SEPARATISM**

---

Routledge This book provides a comprehensive and up-to-date analysis of the complex conflict situation in Kashmir. Through an internal perspective, it charts the shift in the Kashmiri response towards the Centre and offers a detailed examination of the background in which separatist politics took roots in Kashmir, and the way it changed its nature in the militancy and post-militancy period. The volume shows how separatism and armed militancy, as manifest in the Valley in the late 1980s, (though augmented by external factors) have been internal responses to the changing nature of Kashmiri identity politics. It explores how the ideas central to Indian nationalist politics — especially democracy and secularism — echoed in Kashmir and were instrumental in dismantling the feudal structure and negotiating an autonomous space within the framework of asymmetrical federalism. Seamlessly blending facts and incisive analyses, this book raises new questions about the nature of conflict and contestation in the region. It will be of great interest to researchers and scholars of Indian politics, especially on Jammu and Kashmir, and sociology, as well as government bodies, think tanks and the interested general reader.

---

### **RELIGION AND POLITICS IN JAMMU AND KASHMIR**

---

Routledge Chapman & Hall This book examines the shifting, non-linear relationship between religion, nationalism, and politics in the state of Jammu and Kashmir, India. In the wake of the revocation of Article 370, the state's plural and relatively harmonious society has come under multiple strains, with religion often informing day-to-day politics. The essays in this volume: Trace the formation of the political entity of Jammu and Kashmir and the seemingly secular politics of its three regions; Discuss the rise of militancy and resistance movements in the Kashmir Valley; Highlight the intersection between everyday life, nationalism, and resistance through a study of the literary traditions of Kashmir, contemporary resistance photography, and everyday communalism located in the changing food practices of Hindu and Muslim communities. Religion and Politics in Jammu and Kashmir will be an indispensable read for students and researchers of religion and politics, democratisation and democracy, secularism, sociology, cultural studies, and South Asian studies.

---

## **HISTORY OF JAMMU AND KASHMIR STATE: THE MAKING OF THE STATE**

---

*Jammu : Kashmir History Publications*

---

### **TRIBAL INVASION AND KASHMIR**

---

---

### **PAKISTANI ATTEMPTS TO CAPTURE KASHMIR IN 1947, DIVISION OF KASHMIR AND TERRORISM**

---

*AuthorHouse The Tribal Invasion was a contentious and significant action, because of its serious consequences; and because it clearly violated the Standstill Agreement concluded between Pakistan and the Ruler of Jammu and Kashmir. Furthermore, it resulted in death and destruction of thousands of innocent people; and it forced the Maharaja of Jammu and Kashmir to seek help from India, which was only made available after the 'provisional accession' to India. Apart from that it divided our motherland resulting in enormous problems for thousands of families on both sides of the divide. It should also be remembered that the Tribal Invasion, apart from other problems also resulted in the first India and Pakistan war, bringing its own problems, animosity and divisions. Both governments since 1947 have spent billions of dollars on arms and have had three wars over control of Jammu and Kashmir. Both governments have enormous problems related to poverty, education and welfare; but because of the competition to control Jammu and Kashmir, they continue to divert money for military preparedness and continue to develop more and more lethal weapons.*

The Articles Deal Not Only With Political Issues, But Also The Emotional, Social And Psycho–Logical Fallout Of The Turmoil That Is Gnaw–Ing At The Roots Of Kashmir'S Ancient Ethos.*

---

#### **POJK (PURPOSELY OBLITERATED JAMMU KASHMIR)**

---

*Vyusta ePress This book is written to highlight an completely different aspect of the actual problem of Jammu and Kashmir state and how it manifested to the current situation. The 'Great Game' of the British Empire of having a buffer state between India and the expanding Soviets is known to all. However, the shrewd policies of achieving the dominance of a particular ethnicity over the complete state of Jammu and Kashmir state has been cleverly hidden from the people of Jammu and Kashmir. The Tribal invasion of 1947, the conditions for accession to India and the demarcation of Cease Fire Line achieved a particular set of Geographical and Ethnic divide that completely changed the politics and demographic pattern of Jammu and Kashmir. This book further makes an endeavor to understand the actual impact of demarcation of Cease Fire line and where the state of Jammu and Kashmir was cleverly steered over the last 75 years. Also, this book aims to bring out the true leaders of Jammu and Kashmir, who mattered the most in 1947 including Sheikh Mohammad Abdullah, Choudhary Ghulam Abbas and Mirwaiz Yusuf Shah, Pandit Prem nath Dogra, Mahashey Ram Chand and Ahmed Yar Khan 'Duggar'.*

## **NEHRU'S HIMALAYAN BLUNDERS**

---

### **THE ACCESSION OF JAMMU AND KASHMIR**

---

*Garuda Prakashan* What did Mountbatten actually think of Nehru and Patel? Why did Nehru do such a poor job of defending India's interests in J & K? How was Nehru compromised? Nehru's Himalayan Blunders: The Accession of Jammu and Kashmir documents the major errors of Nehru, diplomatic and military, which led to India losing a portion of Jammu and Kashmir to Pakistan's military occupation and to continued conflict between the two states. Justice S N Aggarwal's painstaking research uncovers gems from archival documents including Lord Mountbatten's personal diaries and documents the series of events around Jammu and Kashmir's accession, including the conflict between Jawaharlal Nehru and Sardar Patel. An enduring view into what actually happened, and Nehru's culpability, will leave you stunned.

### **SOCIETY AND POLITICS OF JAMMU AND KASHMIR**

---

*Palgrave Macmillan* Kashmir is one of the longest-standing conflicts yet to be resolved by the international community. In 2000, Bill Clinton declared it the most dangerous place in the world and since then the situation continues to escalate. Positioned between India, Pakistan and China – three nuclear powers – Kashmir is the most militarized zone on the planet. Against this backdrop, the urgency to understand what Jammu and Kashmir means to those who actually belong to its territory has increased. This book not only helps readers navigate subtleties in a complex part of the world but is the first of its kind – written for a global audience from local perspectives, which to date have been sorely lacking.

#### **THE MEN WHO SERVED JAMMU & KASHMIR**

---

*This book is about the individual achievements of a handful of officers of the state of Jammu & Kashmir (India). It is a saga of blood, sweat and tears.*

### **JAMMU AND KASHMIR.**

---

#### **THE HISTORY OF JAMMU & KASHMIR, 1885-1925**

---

*This Book is comprehensive competent and scholarly treatise on the Dogra period in Jammu and Kashmir State. The present work his doctoral book was unanimously recommended for publication by the examiners. The Period under study is, undoubtedly the most significant period as it marked the transition from medieval to the modern age in the History of Jammu and Kashmir State.*

### **A STATE IN TURBULENCE JAMMU & KASHMIR**

---

*Prabhat Prakashan* The numerous problems of Jammu & Kashmir which remain unsolved include incomplete accession of the state, the Article 370, the unresolved issue of citizenship of lakhs of people who migrated from Pakistan, the rehabilitation of lakhs of innocent people who were forced to leave their home and hearth in the border areas during the wars between India and Pakistan, denial of

*legitimate rights to the people of Jammu and Ladakh, the back-breaking poverty of Ladakhis, spate of terrorism, the issue of rehabilitation of lakhs of Kashmiri Pandits displaced from their homes and innumerable other social problems faced by the people all these years. Worse still, the Tricolor, symbol of our National Honour, which is hoisted every year throughout the country with great enthusiasm is set on fire at the Lal Chowk in Srinagar by the subversive elements to show humiliation and dishonour to the Indian nation. In view of the above facts, this book 'A State in Turbulence—Jammu & Kashmir' has been written to reveal some significant aspects of the problems and factors which are relevant in the overall context, such as the glorious past of Kashmir, role played by patriotic and great nationalists, causes of the present chaos, some historical facts suppressed so far, and above all proposed constitutional provisions essential for the future of Jammu & Kashmir.*

---

## **JIHADIS IN JAMMU AND KASHMIR**

---

### **A PORTRAIT GALLERY**

*SAGE Pakistan's relentless attempts to seize the state of Jammu and Kashmir (J&K) from the Indian Union are well known and documented. Yet little is known about the pattern of terrorist activities and the strategies used by the different tanzeems, or organisations, especially during the troubled decades from 1980 to 2000. The book begins with a brief overview of the origins of the dispute between India and Pakistan over Jammu and Kashmir. It continues by providing details of thirtyone `tanzeems' or organizations involved in terrorist activities in the region, their arms supply, training and funding, and also their links with organisations outside India. It concludes with an examination of the current situation in Jammu and Kashmir with the armies of India and Pakistan deployed on the Line of Control (LOC). Coming at a time when the people of Jammu and Kashmir go to the polls to decide their future, this timely book will find a wide readership, both among the lay public and academics.*

---

## **KASHMIR DISPUTE**

---

### **A KASHMIRI PERSPECTIVE - KASHMIRI STRUGGLE TRANSFORMED IN TO JIHAD, TERRORISM AND A PROXY WAR**

*Author House Kashmir dispute has to be seen as human issue, and not as a territorial gain, or a strategic advantage. Like anyone else, I have no solution to this dispute that could be acceptable to all concerned, but I know what is not workable and what will not provide much desired peace and stability in the region: and that is division of the State or its accession to any country. Kashmir dispute should not be used to settle score of the past tragedies or past adventures, for example, to avenge problems of 1965, 1971, 1980s, proxy war or Kargil adventure. Also Kashmir should not be used as a battleground for competing political and religious ideologies, as it is happening on both sides of the divide. Jammu and Kashmir is a multi-religious and multi ethnic former Princely State. All citizens of Jammu and Kashmir - Pundits, Sikhs, Buddhists, Shias, Ismahilies, pro Pakistan, pro India and pro- independence, and others must have equal rights; and we must not target any community for their beliefs. We must put the past behind us and make a new start by inviting pundits and others who were uprooted from their homes because of political, communal and armed conflict back in to their homes and compensate their losses. We must build bridges of confidence and make sincere endeavours to eradicate extremism, violence, religious intolerance and hatred. However, if these war mongers and fanatics are not brought under control then my fear is that they will endanger peace, stability and future of the entire region. So time is running out, and those in position to take appropriate action, must act and act soon.*

---

## **JAMMU AND KASHMIR**

---

*Springer This study is primarily meant for readers outside India, and that explains the lengthy background which it provides. Although literature on the issue is growing daily, each work is written from a certain angle, and that is quite understandable. Every mind has a particular drawing bias; the information supplied is therefore necessarily coloured by the views a writer holds. There are to the author's mind two ways of approaching a subject: One would attempt to fit the facts into the value system of the writer, the other would try to draw values from the mass of materials under study. In either case there is no escaping the subjective evaluation of the narrator; and the present writer does not claim any immunity from the process. Kashmir's present history has two aspects. One of them is international, and here the ups and downs in the fortunes of the two States are to be seen against the complexity of power relations in the multinational world body. The other is the internal dynamics, which have their own compelling logic. An attempt has been made in this study to correlate the two into some sort of unity, but it is not for the writer to evaluate its success.*

---

## **RELIGION AND POLITICS IN JAMMU AND KASHMIR**

---

*Taylor & Francis This book examines the shifting, non-linear relationship between religion, nationalism and politics in the state of Jammu and Kashmir, India. In the wake of the revocation of Article 370, the state's plural and relatively harmonious society has come under multiple strains, with religion often informing day-to-day politics. The chapters in this volume: Trace the formation of the political entity of Jammu and Kashmir and the seemingly secular politics of its three regions Discuss the rise of militancy and resistance movements in the Kashmir Valley Highlight the intersection between everyday life, nationalism and resistance through a study of the literary traditions of Kashmir, contemporary resistance photography and everyday communalism located in the changing food practices of Hindu and*

Muslim communities Religion and Politics in Jammu and Kashmir will be an indispensable read for students and researchers of religion and politics, democratization and democracy, secularism, sociology, cultural studies and South Asian studies.

---

## **OFF TO JAMMU AND KASHMIR (DISCOVER INDIA)**

---

## **JAMMU AND KASHMIR WAR, 1947-1948**

---

### **POLITICAL AND MILITARY PERSPECTIVE**

---

*Har-Anand Publications An indepth examination of the political and military perspectives of Jammu and Kashmir War (1947-48) throws up many intriguing questions. What was the British role in the Kashmir conflict? Why did the Nehru dominated Indian leadership fail to defend and promote vital national interests? There are many more such questions. Maj Gen Bajwa, makes an honest attempt to find the answers.*

---

## **LEGAL STATUS OF JAMMU AND KASHMIR**

---

### **REALISATION OF BITTER FACTS**

---

*AuthorHouse Even after 73 years of division of the British India, still there is confusion and controversy on legal status of the former Princely State of Jammu and Kashmir. In light of legal documents, I have endeavoured to establish the exact legal position of Jammu and Kashmir. Apart from that the UN Security Council Resolutions on Jammu and Kashmir dispute are analysed; and why they could not be implemented. Which country refused to implement them or created hurdles. After the Simla Agreement and the Lahore Declaration, can these Resolutions play any role in resolution of the dispute. Also, I have analysed Article 370 and 35A of the Indian constitution, and how India disregarded the pledges made to the people of Jammu and Kashmir; and unilaterally changed the status of Jammu and Kashmir. In addition, I have analysed the role of Pakistan, and how they betrayed people of Jammu and Kashmir to satisfy their imperial agenda. Furthermore, how Pakistan is promoting extremism, terrorism, intolerance and religious hatred in Jammu and Kashmir; and how it is hurting people of Jammu and Kashmir on both sides of the divide. Besides that, I have analysed the impact of these changes on the people of Jammu and Kashmir, and how they have responded. What people of Jammu and Kashmir should do when they are forcibly divided, and when their motherland is under control of three nuclear countries, namely India, Pakistan and China.*

*Gower Publishing Company, Limited*

---

## **POLITICS OF STATE AUTONOMY AND REGIONAL IDENTITY**

---

---

## **JAMMU AND KASHMIR**

---

*Gyan Publishing House The demand of State autonomy has remained a highly contentious issue in Indian Politics right since the time when accession of Kashmir to the Indian federalism took place. This is a demand that often generate tension between Center and the State. It is felt that the autonomy for the State may actually come to mean autonomy for Kashmir region only. It may not flow to the regional and sub-regional levels. The autonomy that extends beyond the State needs a multi-layered package of autonomy that extends beyond the State to the regional or sub-regional levels. Autonomy is needed to inspire confidence to the people, to make the system more democratic, to ensure speedier and balanced development and to make the administration accountable to the people and thus more efficient*

and above all, to evolve a composite and harmonious personality of the State. None of these can be achieved in the present unitary system of the state and by centralization of power and administration. A more federalized and bottom-up approach is needed to solve the problem of the State. This book is an attempt to examine the relationship of Kashmir identity with the Indian Union, the regional identity of Jammu and Ladakh with the State. This book on the one hand is the description of the relationship between the Centre and the State and on the other hand is the description of relationship between the three regions, namely Jammu, Kashmir and Ladakh. My prescription is deeply federal and decentralizing in nature.

### **SYSTEMATIC GEOGRAPHY OF JAMMU AND KASHMIR**

---

### **FREEDOMS, FRAGILITY AND JOB CREATION**

---

### **PERSPECTIVES FROM JAMMU AND KASHMIR, INDIA**

---

Springer This book argues that inequality of basic freedoms—economic, political, sociocultural—is a central cause of fragility and challenge to job creation in fragile geopolitical situations. It is based on extensive official data and stakeholder interactions in the conflict-ridden Indian border state of Jammu and Kashmir, and involves a case study research methodology. This is the first book which invokes the philosophical perspective of freedom to analyze two of the most pressing challenges of our time—fragility and job creation—and, as such, makes a fundamental contribution to both strands of academic and policy literature. From this perspective, development in the sense of freedoms—particularly the enhancement of human agency through jobs—should be a central strategy in tackling fragility. Most literature on Indian Kashmir has been emotional or political in nature, lacking the serious yet interesting multidisciplinary focus presented here—which is a historical assessment of Kashmir's political economy, economic indices, employment patterns, challenges of infrastructure and human capital. Ending with a set of long-, medium- and immediate-term policy recommendations to address the challenge of jobs in the state, this is the only book on Indian Kashmir which is at once philosophical, social-scientific and policy-oriented in nature. Academics in development studies, regional development, political science and international relations, international organizations working in fragile regions around the world, national and international policymakers, the private sector, civil society, media as well as ordinary readers interested in the issue of Kashmir will find it engaging and useful.

## **JAMMU AND KASHMIR: 1990 AND BEYOND**

---

### **COMPETITIVE POLITICS IN THE SHADOW OF SEPARATISM**

---

*SAGE Publishing India Jammu and Kashmir: 1990 and Beyond aims to provide a comprehensive presentation of the politics of Jammu and Kashmir from 1990 right up to the current times. The book begins with the history of the state from the time of its accession to India to the onset of separatism and militancy around 1989. It covers the upheavals experienced due to militancy and the major shifts in the state's competitive politics. The book provides complete coverage and analysis of each election since 1996 with extensive electoral data—across the state and region-wise. It highlights the success of democratic politics in the period 2002–2014, principally due to effective separation of the democratic sphere of 'politics of governance' and the separatist sphere of 'politics of conflict resolution'. This is the second book in the SAGE Series on Politics in Indian States, which comprises volumes covering important trends in the politics of major states of India since the 1990s. The series situates the state politics in the larger socio-historical context and presents a detailed analysis of the significant patterns of competitive politics in the state in the light of the rise of new social forces and changing political economy.*

Must Have for Multiple Reasons: The Current Affairs Mega Yearbook 2020 is a Must-Have book for all kinds of Objective & Descriptive Tests, Essay Writing and Group Discussions & Personal Interviews, The Jammu & Kashmir General Knowledge section provides crisp and to-the-point information in Geography, History, Polity, Economy, General Science, etc. which otherwise could be very exhaustive. Jammu Kashmir Yearbook 2020 Jammu and Kashmir was a region formerly administered by India as a state from 1954 to 2019, constituting the southern and southeastern portion of the larger Kashmir region, which has been the subject of a dispute between India, Pakistan and China since the mid-20th century. The underlying region of this state were parts of the former princely state of Jammu and Kashmir, whose western districts, now known as Azad Kashmir, and northern territories, now known as Gilgit-Baltistan, are administered by Pakistan. The Aksai Chin region in the east, bordering Tibet, has been under Chinese control since 1962. After the Government of India repealed the special status accorded to Jammu and Kashmir under Article 370 of the Indian constitution in 2019, the Parliament of India passed the Jammu and Kashmir Reorganisation Act, which contained provisions that dissolved the state and reorganised it into two union territories – Jammu and Kashmir in the west and Ladakh in the east, with effect from 31 October 2019. At the time of its dissolution, Jammu and Kashmir was the only state in India with a Muslim-majority population. After the Indo-Pakistani War of 1947–1948, the princely state of Jammu and Kashmir was divided between India (who controlled the regions of Jammu, Kashmir Valley and Ladakh) and Pakistan (who controlled Gilgit-Baltistan and Azad Kashmir). The Indian-administered territories elected a constituent assembly in 1951, which ratified the accession of the state to India in 1954. In 1956–57, China constructed a road through the disputed Aksai Chin area of Ladakh. India's belated discovery of this road culminated in the Sino-Indian War of 1962; China has since administered Aksai Chin. Following the Indo-Pakistani War of 1971, India and Pakistan signed the Simla Agreement, recognising a Line of Control in Kashmir, and committing to a peaceful resolution of the dispute through bilateral negotiations. Jammu Kashmir*

*Yearbook 2020 In August 2019, both houses of the Parliament of India passed resolutions to amend Article 370 and extend the Constitution of India in its entirety to the state, which was implemented as a constitutional order by the President of India. At the same time, the parliament also passed the Jammu and Kashmir Reorganisation Act, 2019, which contained provisions that dissolved the state of Jammu and Kashmir and established two new union territories: the eponymous union territory of Jammu and Kashmir, and that of Ladakh. The reorganisation act was assented to by the President of India, and came into effect on 31 October 2019. Prior to these measures, the union government locked down the Kashmir Valley, increased security forces, imposed Section 144 that prevented assembly, and placed political leaders such as former Jammu and Kashmir chief ministers Omar Abdullah and Mehbooba Mufti under house arrest. Internet and phone services were also blocked. The state of Jammu and Kashmir consisted of three divisions: the Jammu Division, the Kashmir Division and Ladakh which are further divided into 22 districts. The Siachen Glacier, while under Indian military control, did not lie under the administration of the state of Jammu and Kashmir. Kishtwar, Ramban, Reasi, Samba, Bandipora, Ganderbal, Kulgam and Shopian were districts formed in 2008, and their areas are included with those of the districts from which they were formed. Jammu and Kashmir was the only state in India which had special autonomy under Article 370 of the Constitution of India, according to which no law enacted by the Parliament of India, except for those in the field of defence, communication and foreign policy, would be extendable in Jammu and Kashmir unless it was ratified by the state legislature of Jammu and Kashmir. The state was able to define the permanent residents of the state who alone had the privilege to vote in state elections, the right to seek government jobs and the ability to own land or property in the state.*
