That the 'someone' in this case is, in fact, two library cats makes this true tale of the love of literature combined with a fondness for nose licking all the more magical. This book, like a purring kitten who may also be a genie, should be welcomed into any home."—Francesco Marciuliano, *New York Times* bestselling author of *I Could Pee on This: And Other Poems by Cats* It all started with mice in the library. Assistant librarian Jan Louch and a coworker decided that what the library needed was a cat. Or, even better, two cats. Soon, they found a pair of Scottish Folds who were perfect for the job. Jan named them Baker and Taylor, and they took up residence in the library. But these cats were much more than mousers. Visitors to the library fell in love with Baker and Taylor and their antics just as Jan had. And then, after Jan let the cats be photographed for a poster, they became feline celebrities. Children from across the country wrote them letters, fans traveled from far and wide to meet them, and they became the most famous library cats in the world. In *The True Tails of Baker and Taylor*, Jan Louch looks back and tells the remarkable story of these two marvelous cats and the people—readers, librarians, and cat lovers of all ages—who came together around them. *The Grunts in Trouble* *Nosy Crow Meet Mr and Mrs Grunt*. Oh, go on. They're not that bad. No, actually, they ARE. Maybe worse, even. But Sunny, their sort-of son, is okay. They stole him from a washing line as a baby. He was hanging by his ears, which probably explains why they're so wonky (but not why he has sticky-up hair that NEVER lies flat even if you pour glue into it or try taping it in place). Stick around and you'll also meet Lord Bigg of Bigg Manor, Bigg-hater Larry Smalls, Mimi the Bigg Manor bootboy (yup, she's a girl) and...Well, you'll have to READ the book to find that out. But I should mention the bees. Did I warn you about the bees?! *Jennyanydots The Old Gumbie Cat* Faber & Faber I have a Gumbie Cat in mind, her name is Jennyanydots. Her coat is of the tabby kind, with tiger stripes and leopard spots. All day she sits upon the stair or on the steps or on the mat: She sits and sits and sits and sits - and that's what makes a Gumbie Cat! But the Old Gumbie Cat gets busy at the end of the day, teaching and cooking, and getting the mice, cockroaches and beetles organised! The sixth gorgeous *Cats* picture book with lively and colourful illustrations by Arthur Robins. *Born to Be Posthumous The Eccentric Life and Mysterious Genius of Edward Gorey* Little, Brown The definitive biography of Edward Gorey, the eccentric master of macabre nonsense. From *The Gashlycrumb*

Tinies to *The Doubtful Guest*, Edward Gorey's wickedly funny and deliciously sinister little books have influenced our culture in innumerable ways, from the works of Tim Burton and Neil Gaiman to Lemony Snicket. Some even call him the Grandfather of Goth. But who was this man, who lived with over twenty thousand books and six cats, who roomed with Frank O'Hara at Harvard, and was known--in the late 1940s, no less--to traipse around in full-length fur coats, clanking bracelets, and an Edwardian beard? An eccentric, a gregarious recluse, an enigmatic auteur of whimsically morbid masterpieces, yes--but who was the real Edward Gorey behind the Oscar Wildean pose? He published over a hundred books and illustrated works by Samuel Beckett, T.S. Eliot, Edward Lear, John Updike, Charles Dickens, Hilaire Belloc, Muriel Spark, Bram Stoker, Gilbert & Sullivan, and others. At the same time, he was a deeply complicated and conflicted individual, a man whose art reflected his obsessions with the disquieting and the darkly hilarious. Based on newly uncovered correspondence and interviews with personalities as diverse as John Ashbery, Donald Hall, Lemony Snicket, Neil Gaiman, and Anna Sui, *BORN TO BE POSTHUMOUS* draws back the curtain on the eccentric genius and mysterious life of Edward Gorey. Selected Poems eBookIt.com "There are no poetic 'subjects' in this book, no conventional nightingales and daffodils, and there is no acceptance, either, of the traditional rules of metre and rhyme. As one discerning critic has said: 'We have here, in short, poetry that expresses freely a modern sensibility, the ways of feeling and the modes of experience of one fully alive in his own age'. "The main poem in this collection is 'The Waste Land' (1922) to which Mr. Eliot has himself supplied some revealing footnotes which help the reader to cope with the associations and allusions in which the poem is so rich. His theme here, as in most of his other poems, is disillusion with our contemporary civilization, which he contrasts in several of its aspects with the beliefs and practices of other and earlier races. It is a difficult poem to follow and even Mr. Eliot's own sign-posts are sometimes cryptic. The Headless Bust A Melancholy Meditation on the False Millennium Bloomsbury Pub Limited The inhabitants of the ever-so-popular Haunted-Tea Cosy return in a new holiday tale. As we wander off with Edward Gorey into the new millenium our reasons for being here are far from clear. Nevertheless, here is the master craftsman at his best! Cat Out of Hell Melville House Acclaimed New York Times bestselling author Lynne Truss (*Eats, Shoots & Leaves*) is back with a mesmerizing and hilarious tale of cats and murder For people who both love and hate cats comes the tale of Alec Charlesworth, a librarian who finds himself suddenly alone: he's lost his job, his beloved wife has just died. Overcome by grief, he searches for clues about her disappearance in a file of interviews between a man called "Wiggy" and a cat, Roger. Who speaks to him. It takes a while for Alec to realize he's not gone mad from grief, that the cat is actually speaking to Wiggy . . . and that much of what we fear about cats is true. They do think they're smarter than humans, for one thing. And, well, it seems they are! What's more, they do have nine lives. Or at least this one does - Roger's older than Methuselah, and his unblinking stare comes from the fact that he's seen it all. And he's got a tale to tell, a tale of shocking local history and dark forces that may link not only the death of Alec's wife, but also several other local deaths. But will the cat help Alec, or is he one of the dark forces? In the deft and comedic hands of mega-bestseller Lynne Truss, the story is as entertaining as it is addictive" (The Sunday Telegraph) - an increasingly suspenseful and often hysterically funny adventure that will please cat lovers and haters alike. And afterwards, as one critic noted, "You may never look at a cat in quite the same way again" (The Daily Mail).
