The Secret

Simon and Schuster **The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.**

Portraits & Sculptures

Sébastien de Ganay's almost life-sized full body portraits consist of his trademark folds of plastic that literally create waves of relief--there is a balanced push-pull, background-foreground figure effect that is supported by the luminous white void on which all the figures float. They sometimes read as sculptures. On the other hand, the walls, cubes, cylinders and circles of de Ganay's sculptures, with their bright car-paint monochromes and curved or straight geometric picture planes, foreground their viewers almost like the figures in his portraits against their white voids. They sometimes read as paintings. This comprehensive full-color volume of de Ganay's portraits and sculptures includes an essay on his work, as well as an interview with the artist.
