FINANCIAL ACCOUNTING. PAPER F3

ACCA PAPER F7 - FINANCIAL REPORTING (GBR) STUDY TEXT

BPP Learning Media The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. F7 is a demanding paper covering all the fundamentals of financial reporting. It has five main sections: 1. The conceptual framework of accounting 2. The regulatory framework 3. Preparation of financial statements which conform with IFRS 4. Preparation of consolidated financial statements 5. Analysis and interpretation of financial statements F7 builds on knowledge from F3, or old paper 1.1. New topics introduced at this level are consolidated financial statements, construction contracts, financial instruments and leases. This study text has been reviewed by the examiner and concentrates on the key areas of the syllabus, taking into account the examiner's guidance on how topics will be examined. The text has a step-by-step approach to producing consolidated financial statements and lots of exercises which allow you to practise the workings. We guide you through the more problematic topics which can be brought into the preparation of single company financial statements, and encourage you to develop the critical awareness of problems in financial reporting which the examiner expects to see demonstrated at this level. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

ACCA PAPER F3 - FINANCIAL ACCOUNTING (INT) STUDY TEXT

BPP Learning Media The examiner has reviewed the Study Text, which concentrates on the key areas of the syllabus and takes account of the examiner's guidance on how topics will be examined. It includes a step-by-step approach to topics that students may find difficult, such as control account reconciliations and suspense accounts. There are lots of examples and questions in each chapter to help you practise the techniques.

Analysis and interpretation of financial statements F7 builds on knowledge from F3, or old paper 1.1. New topics introduced at this level are consolidated financial statements, construction contracts, financial instruments and leases. International is now the ACCA main stream. We also provide materials for the F7 UK variant. The most important factor in passing F7 will be lots of targeted question practice. The questions in our kit cover all areas of the F7 syllabus. The questions are laid out in sections which match the text chapters. All sections have past exam questions and some also have preparation questions which ease you into the topic. This helps you to organise your revision. You can review the text chapter, and then do the kit questions on that chapter. Our solutions are detailed and also give you advice on how to approach the question and how to get the easy marks. MANAGEMENT INFORMATION - STUDY TEXT.

INTERNATIONAL GAAP 2019

John Wiley & Sons International GAAP® 2019 is a comprehensive guide to interpreting and implementing International Financial Reporting Standards (IFRS), setting IFRS in a relevant business context and providing insights into how complex practical issues should be resolved in the real world of global financial reporting. This book is an essential tool for anyone applying, auditing, interpreting, regulating, studying or teaching IFRS. Written by EYs financial reporting professionals from around the world, this three-volume guide to reporting under IFRS provides a global perspective on the application of IFRS. Complex technical accounting issues are explained clearly and IFRS is set in a practical context with numerous worked examples and hundreds of illustrations from the

published financial reports of major listed companies from around the world. The 2019 edition of International GAAP® has been fully revised and updated in order to:

- *Continue to investigate the many implementation issues arising as entities adopt IFRS 9 (Financial Instruments) and IFRS 15 (Revenue from Contracts with Customers).*
- *Explore the complex implementation issues arising as entities adopt, in 2019, IFRS 16 (Leases).*
- *Include an updated chapter on the new insurance contracts standard IFRS 17 (Insurance Contracts), which reflects the recent discussions of the IASB's Transition Resource Group on implementation issues raised, proposed narrow-scope amendments to IFRS 17 intended by the IASB, and also explores other matters arising as users prepare for the adoption of this standard.*
- *Include an amended chapter on the revised Conceptual Framework, which was published in March 2018. The changes to the Conceptual Framework may affect the application of IFRS in situations where no standard applies to a particular transaction or event.*
- *Address amended standards and new interpretations issued since the preparation of the 2018 edition.*

Explain the many other initiatives that are currently being discussed by the IASB and by the IFRS Interpretations Committee and the potential consequential changes to accounting requirements.

- *Provide insight on the many issues relating to the practical application of IFRS, based on the extensive experience of the book's authors in dealing with current issues.*

ACCA, FOR EXAMS IN 2013

FINANCIAL ACCOUNTING

In the new sixth edition, readers will be able to clearly see the relevance of accounting in their everyday lives. The authors introduce challenging accounting concepts with examples that are familiar to everyone, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance.
