The Papers of Martin Luther King, Jr., Volume VI Advocate of the Social Gospel, September 1948 March 1963

Univ of California Press "More than two decades after his death, Martin Luther King, Jr.'s ideas - his call for racial equality, his faith in the ultimate triumph of justice, and his insistence on the power of nonviolent struggle to bring about a major transformation of American society - are as vital and timely as ever. The wealth of his writings, both published and unpublished, that constitute his intellectual legacy are now preserved in this authoritative, chronologically arranged, multivolume edition. Faithfully transcribing the texts of his letters, speeches, sermons, student papers, and articles, this edition has no equal." "Volume II begins with King's doctoral work at Boston University and ends with his first year as pastor of the historic Dexter Avenue Baptist Church in Montgomery, Alabama. It includes papers from his graduate courses and a fully annotated text of his dissertation. There is correspondence with people King knew in his years before graduate school and a transcription of the first known recording of a King sermon. We learn, too, of King's marriage to Coretta Scott." "Accepting the call to serve Dexter, King followed the church's tradition of socially active pastors by becoming involved in voter registration and other issues of social justice. In Montgomery he completed his doctoral work, and he and Coretta Scott began their married life." "King's early papers document the formative experiences of a man whose life and teachings have had a profound influence not only on Americans but on people of all nations."--BOOK JACKET.

To Shape a New World

Essays on the Political Philosophy of Martin Luther King, Jr.

Harvard University Press Martin Luther King, Jr., may be America's most revered political figure, commemorated in statues, celebrations, and street names around the world. On the fiftieth anniversary of King's assassination, the man and his activism are as close to public consciousness as ever. But despite his stature, the significance of King's writings and political thought remains underappreciated. In *To Shape a New World*, Tommie Shelby and Brandon Terry write that the marginalization of King's ideas reflects a romantic, consensus history that renders the civil rights movement inherently conservative—an effort not at radical reform but at “living up to” enduring ideals laid down by the nation's founders. On this view, King marshaled lofty rhetoric to help redeem the ideas of universal (white) heroes, but produced little original thought. This failure to engage deeply and honestly with King's writings allows him to be conscripted into political projects he would not endorse, including the pernicious form of “color blindness” that insists, amid glaring race-based injustice, that racism has been overcome. Cornel West, Danielle Allen, Martha Nussbaum, Robert Gooding-Williams, and other authors join Shelby and Terry in careful, critical engagement with King's understudied writings on labor and welfare rights, voting rights, racism, civil disobedience, nonviolence, economic inequality, poverty, love, just-war theory, virtue ethics, political theology, imperialism, nationalism, reparations, and social justice. In King's exciting and learned work, the authors find an array of compelling challenges to some of the most pressing political dilemmas of our present, and rethink the legacy of this towering figure.

The Autobiography of Martin Luther King, Jr.

Grand Central Publishing With knowledge, spirit, good humor, and passion, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. brings to life a remarkable man whose thoughts and actions speak to our most burning contemporary issues and still inspire the desires, hopes, and dreams of us all. Written in his own words, this history-making autobiography is Martin Luther King: the mild-mannered, inquisitive child and student who chafed under and eventually rebelled against segregation; the dedicated young minister who continually questioned the depths of his faith and the limits of his wisdom; the loving husband and father who sought to balance his family's needs with those of a growing, nationwide movement; and the reflective, world-famous leader who was fired by a vision of equality for people everywhere. Relevant and insightful, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. offers King's seldom disclosed views on some of the world's greatest and most controversial figures: John F. Kennedy, Malcolm X, Lyndon B. Johnson, Mahatma Gandhi, and Richard Nixon. It also paints a rich and moving portrait of a people, a time, and a nation in the face of powerful change. Finally, it shows how everyday Americans from all walks of life confronted themselves, each other, and the burden of the past—and how their fears and courage helped shape our future.

A Testament of Hope

The Essential Writings and Speeches of Martin Luther King, Jr.

Harper Collins "We've got some difficult days ahead," civil rights activist Martin Luther King, Jr., told a crowd gathered at Memphis's Clayborn Temple on April 3, 1968. "But it really doesn't matter to me now because I've been to the mountaintop. . . . And I've seen the promised land. I may not get there with you. But I want you to know tonight that we as a people will get to the promised land." These

prophetic words, uttered the day before his assassination, challenged those he left behind to see that his "promised land" of racial equality became a reality; a reality to which King devoted the last twelve years of his life. These words and other are commemorated here in the only major one-volume collection of this seminal twentieth-century American prophet's writings, speeches, interviews, and autobiographical reflections. A Testament of Hope contains Martin Luther King, Jr.'s essential thoughts on nonviolence, social policy, integration, black nationalism, the ethics of love and hope, and more.

The Life of Martin Luther

The Pastoral Luther

Essays on Martin Luther's Practical Theology

Fortress Press Sixteen church historians here examine Martin Luther in an uncommon way -- not as Reformer or theologian but as pastor. Luther's work as parish pastor commanded much of his time and energy in Wittenberg. After first introducing the pastoral Luther, including his theology of the cross, these chapters discuss Luther's preaching and use of language (including humor), investigate his teaching ministry in depth, especially in light of the catechism, and explore his views on such things as the role of women, the Virgin Mary, and music. The book finally probes Luther's sentiments on monasticism and secular authority. Contributors: Charles P. Arand James M. Estes Eric W. Gritsch Robert Kolb Beth Kreitzer Robin A. Leaver Mickey L. Martin Luther

The Christian Between God and Death

Harvard University Press Few figures in history have defined their time as dramatically as Martin Luther. And few books have captured the spirit of such a figure as truly as this robust and eloquent life of Luther. A highly regarded historian and biographer and a gifted novelist and playwright, Richard Marius gives us a dazzling portrait of the German reformer--his inner compulsions, his struggle with himself and his God, the gestation of his theology, his relations with contemporaries, and his responses to opponents. Focusing in particular on the productive years 1516-1525, Marius' detailed account of Luther's writings yields a rich picture of the development of Luther's thought on the great questions that came to define the Reformation. Marius follows Luther from his birth in Saxony in 1483, during the reign of Frederick III, through his schooling in Erfurt, his flight to an Augustinian monastery and ordination to the outbreak of his revolt against Rome in 1517, the Wittenberg years, his progress to Worms, his exile in the Wartburg, and his triumphant return to Wittenberg. Throughout, Marius pauses to acquaint us with pertinent issues: the question of authority in the church, the theology of penance, the timing of Luther's Reformation breakthrough, the German peasantry in 1525, Muntzer's revolutionaries, the whys and hows of Luther's attack on Erasmus. In this personal, occasionally irreverent, always humane reconstruction, Luther emerges as a skeptic who hated skepticism and whose titanic wrestling with the dilemma of the desire for faith and the omnipresence of doubt and fear became an augury for the development of the modern religious consciousness of the West. In all of this, he also represents tragedy, with the goodness of his works overmatched by their calamitous effects on religion and society.

Martin Luther

Renegade and Prophet

Random House From "one of the best of the new [Martin Luther] biographers" (The New Yorker), a portrait of the complicated founding father of the Protestant Reformation, whose intellectual assault on Catholicism transformed Christianity and changed the course of world history. "Magnificent."—The Wall Street Journal "Penetrating."—The New York Times Book Review "Smart, accessible, authoritative."—Hilary Mantel On October 31, 1517, so the story goes, a shy monk named Martin Luther nailed a piece of paper to the door of the Castle Church in the university town of Wittenberg. The ideas contained in these Ninety-five Theses, which boldly challenged the Catholic Church, spread like wildfire. Within two months, they were known all over Germany. So powerful were Martin

Luther's broadsides against papal authority that they polarized a continent and tore apart the very foundation of Western Christendom. Luther's ideas inspired upheavals whose consequences we live with today. But who was the man behind the Ninety-five Theses? Lyndal Roper's magisterial new biography goes beyond Luther's theology to investigate the inner life of the religious reformer who has been called "the last medieval man and the first modern one." Here is a full-blooded portrait of a revolutionary thinker who was, at his core, deeply flawed and full of contradictions. Luther was a brilliant writer whose biblical translations had a lasting impact on the German language. Yet he was also a strident fundamentalist whose scathing rhetorical attacks threatened to alienate those he might persuade. He had a colorful, even impish personality, and when he left the monastery to get married ("to spite the Devil," he explained), he wooed and wed an ex-nun. But he had an ugly side too. When German peasants rose up against the nobility, Luther urged the aristocracy to slaughter them. He was a ferocious anti-Semite and a virulent misogynist, even as he argued for liberated human sexuality within marriage. A distinguished historian of early modern Europe, Lyndal Roper looks deep inside the heart of this singularly complex figure. The force of Luther's personality, she argues, had enormous historical effects—both good and ill. By bringing us closer than ever to the man himself, she opens up a new vision of the Reformation and the world it created and draws a fully three-dimensional portrait of its founder.

Death of a King

The Real Story of Dr. Martin Luther King Jr.'s Final Year

Little, Brown A revealing and dramatic chronicle of the twelve months leading up to Dr. Martin Luther King, Jr.'s assassination. Martin Luther King, Jr. died in one of the most shocking assassinations the world has known, but little is remembered about the life he led in his final year. New York Times bestselling author and award-winning broadcaster Tavis Smiley recounts the final 365 days of King's life, revealing the minister's trials and tribulations -- denunciations by the press, rejection from the president, dismissal by the country's black middle class and militants, assaults on his character, ideology, and political tactics, to name a few -- all of which he had to rise above in order to lead and address the racism, poverty, and militarism that threatened to destroy our democracy. Smiley's *Death of a King* paints a portrait of a leader and visionary in a narrative different from all that have come before. Here is an exceptional glimpse into King's life -- one that adds both nuance and gravitas to his legacy as an American hero.

Martin's Dream

My Journey and the Legacy of Martin Luther King Jr.

St. Martin's Press On August 28, 1963 hundreds of thousands of demonstrators flocked to the nation's capital for the March on Washington for Jobs and Freedom, where Dr. Martin Luther King Jr. delivered his famous "I Have a Dream" speech. It was Clayborne Carson's first demonstration. A nineteen year old black student from a working-class family in New Mexico, Carson hitched a ride to Washington. Unsure how he would return home, he was nonetheless certain that he wanted to connect with the youthful protesters and community organizers who spearheaded the freedom struggle. Decades later, Coretta Scott King selected Dr. Carson—then a history professor at Stanford University-- to edit the papers of her late husband. In this candid and engrossing memoir, he traces his evolution from political activist to activist scholar. He vividly recalls his involvement in the movement's heyday and in the subsequent turbulent period when King's visionary Dream became real for some and remained unfulfilled for others. He recounts his conversations with key African Americans of the past half century, including Black Power firebrand Stokely Carmichael and dedicated organizers such as Ella Baker and Bob Moses. His description of his long-term relationship with Coretta Scott King sheds new light on her crucial role in preserving and protecting her late husband's legacy. Written from the unique perspective of a renowned scholar, this highly readable account gives readers valuable new insights about the global significance of King's inspiring ideas and his still unfolding legacy.

Martin Luther's 95 Theses

With the Pertinent Documents from the History of the Reformation

Arch Books Did Martin Luther wield his hammer on the Wittenberg church door on October 31, 1517? Did he even post the Ninety-five Theses at all? This collection of documents sheds light on the debate surrounding Luther's actions and the timing of his writing and his request for a disputation on the indulgence issue. The primary documents in this book include the theses, their companion sermon ("A Sermon on Indulgence and Grace", 1518), a chronological arrangement of letters pertinent to the theses, and selections from Luther's Table Talk that address the Ninety-five Theses. A final section contains Luther's recollections, which offer today's reader the reformer's own views of the Reformation and the Ninety-five Theses.

A Gift of Love

Sermons from Strength to Love and Other Preachings

Beacon Press The classic collection of sixteen sermons preached and compiled by Dr. King As Dr. King prepared for the Birmingham campaign in early 1963, he drafted the final sermons for Strength to Love, a volume of his best-known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. Having been arrested for holding a prayer vigil outside Albany City Hall, King and Ralph Abernathy shared a jail cell for fifteen days that was, according to King, "dirty, filthy, and ill-equipped" and "the worse I have ever seen." While behind bars, he spent uninterrupted time preparing the drafts for classic sermons such as "Loving Your Enemies," "Love in Action," and "Shattered Dreams," and continued to work on the volume after his release. A Gift of Love includes these classic sermons, along with two new preachings. Collectively they present King's fusion of Christian teachings and social consciousness, and promote his prescient vision of love as a social and political force for change.

The Legacy of Martin Luther King, Jr

The Boundaries of Law, Politics, and Religion

This volume explores the development of Martin Luther King, Jr's understanding of the relationship between religion, morality, law and politics. This work is part of a broader effort by scholars in various fields to examine unexplored areas in the life, thought and activism of Martin Luther King, Jr. This study is also an in-depth analysis of King's views on the roles that religion and morality ought to play, not only in public debate concerning political choices and law, but also in efforts to create political and legal structures that are just and to perpetuate participatory democracy. Beginning with the social, political and economic implications of King's vision of the New

South and his prophetic critique of southern civil religion, this study casts King in the role of political liberal, consummate politician and political theologian. This book focuses attention on King's refusal to separate religious faith and moral considerations from politics, legal matters and social reformism. It demonstrates King's remarkable ability to transcend church-state boundaries and to formulate an alliance that permeated every facet of American life.

Reading Lolita in Tehran

A Memoir in Books

Random House #1 NEW YORK TIMES BESTSELLER • We all have dreams—things we fantasize about doing and generally never get around to. This is the story of Azar Nafisi's dream and of the nightmare that made it come true. For two years before she left Iran in 1997, Nafisi gathered seven young women at her house every Thursday morning to read and discuss forbidden works of Western literature. They were all former students whom she had taught at university. Some came from conservative and religious families, others were progressive and secular; several had spent time in jail. They were shy and uncomfortable at first, unaccustomed to being asked to speak their minds, but soon they began to open up and to speak more freely, not only about the novels they were reading but also about themselves, their dreams and disappointments. Their stories intertwined with those they were reading—*Pride and Prejudice*, *Washington Square*, *Daisy Miller* and *Lolita*—their *Lolita*, as they imagined her in Tehran. Nafisi's account flashes back to the early days of the revolution, when she first started teaching at the University of Tehran amid the swirl of protests and demonstrations. In those frenetic days, the students took control of the university, expelled faculty members and purged the curriculum. When a radical Islamist in Nafisi's class questioned her decision to teach *The Great Gatsby*, which he saw as an immoral work that preached falsehoods of "the Great Satan," she decided to let him put *Gatsby* on trial and stood as the sole witness for the defense. Azar Nafisi's luminous tale offers a fascinating portrait of the Iran-Iraq war viewed from Tehran and gives us a rare glimpse, from the inside, of women's lives in revolutionary Iran. It is a work of great passion and poetic beauty, written with a startlingly original voice. Praise for *Reading Lolita in Tehran* "Anyone who has ever belonged to a book group must read this book. Azar Nafisi takes us into the vivid lives of eight women who must meet in secret to explore the forbidden fiction of the West. It is at once a celebration of the power of the novel and a cry of outrage at the reality in which these women are trapped. The ayatollahs don't know it, but Nafisi is one of the heroes of the Islamic Republic."—Geraldine Brooks, author of *Nine Parts of Desire*

A Life

Penguin "a quick introduction to the life of a great American" -- The New York Times An inspiring portrait of the incredible life and lasting influence of Dr. Martin Luther King Marshall Frady, the reporter who became the unofficial chronicler of the civil rights movement, here re-creates the life and turbulent times of its inspirational leader. Deftly interweaving the story of King's quest with a history of the African American struggle for equality, Frady offers fascinating insights into his subject's magnetic character, with its mixture of piety and ambition. He explores the complexities of King's relationships with other civil rights leaders, the Kennedy and Johnson administrations, and the FBI's J. Edgar Hoover, who conducted a relentless vendetta against him. The result is a biography that conveys not just the facts of King's life but the power of his legacy.

The Measure of a Man

Pickle Partners Publishing First published in 1959, this pair of meditations by the revered civil-rights leader Martin Luther King, Jr. contains the theological roots of his political and social philosophy of nonviolent activism. Eloquent and passionate, reasoned and sensitive. "AT THE first National Conference on Christian Education of the United Church of Christ, held at Purdue University in the summer of 1958, Martin Luther King presented two notable devotional addresses. Moved by the dear and persuasive quality of his words, many of the 3000 delegates to the conference urged that the meditations be made available in book form. They wanted the book for their own libraries and they were eager to share Dr. King's vital messages with fellow Christians of other denominations. "In the resolute struggle of American Negroes to achieve complete acceptance as citizens and neighbors the author is recognized as a leader of extraordinary resourcefulness, valor, and skill. His concern for justice and brotherhood and the nonviolent methods that he advocated and uses, are based on a serious commitment to the Christian faith. "As his meditations in this book suggest, Dr. King regards meditation and action as indivisible functions of the religious life. When we think seriously in the presence of the Most High, when in sincerity we "go up to the mountain of the Lord," the sure event is that "he will teach us of his ways, and we will walk in his paths" (Isaiah 2: 3)."

Injury is done the Word of God when, in the same sermon, an equal or a longer time is spent on pardons than on this Word. 55. It must be the intention of the pope that if pardons, which are a very small thing, are celebrated with one bell, with single processions and ceremonies, then the Gospel, which is the very greatest thing, should be preached with a hundred bells, a hundred processions, a hundred ceremonies. 56. The "treasures of the Church," out of which the pope grants indulgences, are not sufficiently named or known among the people of Christ. 57. That they are not temporal treasures is certainly evident, for many of the vendors do not pour out such treasures so easily, but only gather them. 58. Nor are they the merits of Christ and the Saints, for even without the pope, these always work grace for the inner man, and the cross, death, and hell for the outward man. 59.
